Why the COF and How to use the COF

(Psalm: 90vs12): *So teach us to number our days, that we may apply our heart unto wisdom.* A man's days will be told as an ordinary story if he/she wasn't able to number them according to God's wisdom. The wisdom of God is Jesus: and Jesus is found through the word of God (John: 1vs1). **Don't be fooled by the Calendar. There are only as many days in the year as you make use of (Charles Richard).**

Through the daily digestion of the word of God, days are utilized and destinies are experienced. Through this daily devotional God makes you to channel your days toward the reality of your destiny. In COF God has a direction and an instruction for you daily. Start today, remain steady and the eternity will celebrate your days.

7 steps on how to use the COF

- 1) Create a time with the Almighty God daily; preferably in the morning hours.
- 2) Disconnect yourself from distractions.

WELCOME TO APRIL

THEME

VICTORY.

I thank God who has graciously brought us into this season of the year being the fourth month of the year 2021; our year of “DIVINE EXPOSURE”. God has declared April as our month of **Victory**; therefore I proclaim upon you; “You shall experience Victory in Jesus name, Amen! You might be moody over an event, situation or condition that could be surrounding you at the moment but God has brought before us today the need to rejoice while we are living. When life is lived with depression and moodiness it results to regrets and limitations. It is the will of God to behold you rejoicing in all that concerns you. Moodiness is the living style of people who doesn't have a clear knowledge of God or those who have lost hope on the promises of God. Though the Lord might not have done what you expect or require but it is important to note that frowning does not attract God either. Most times after praying for a sick person; I laugh and rejoice from within (Excitement) not because the person is healed but because I know that with joy you demonstrate confidence and with confidence you prove faith and with faith you attract God. Hannah demonstrated this in 1 Samuel 1 vs. 18B: *“So the woman went her way, and did eat, and her countenance was no more sad”*. From her experience you can capture that she went home ate and became happy which resulted to her Samuel. To be joyful is the major source to discomfit the devil. God's word made it clearer from today's scripture where it says, *“Even so faith, if it hath no works is dead, being alone”*. The first work of faith is shown by countenance. Your mood after you have spoken to God has the key to produce your testimony. Have you prayed for your marriage stay excited and receive it. Have you prayed for blessings, cast the worries and pressures away and stay excited to receive them. God is looking at you to see how excited you are this 2021. Welcome to your April of Victory in Jesus name.

Prayer Points: Worship God in your own style.

1. Thank God for successful transfer into a month to create wonders.
2. Ask God for the grace to live in excitement.
3. Father I decree upon myself any sign of crisis is hereby arrested forever, Amen!
4. Oh God I decree that my life shall be a product of testimony.

TEXT: (2 Chronicle 17 vs. 10-11), (Matthew 7 vs. 8)

To live in jealousy is equal to living in Jeopardy. To be unhappy when others are progressing is equal to witchcraft. Putting effort to sponsor someone's limitation is equal to generational damage. God's word pointed to us today saying, *"For everyone that asketh recieveth: and he that seeketh findeth; and to him that knocleth it shall be opened"*. The principle is not subjected to the white or black but to everyone, small or great. As a child of God the most that can happen in your mind while you witness others progress should be **"Father, I claim this, do it for me as you did it for my brother or sister"**. Years ago there was a boy who was very brilliant and a son to a teacher who teaches in the same school where he schools. Due to the progress in the academic career of this young boy some of the teachers in the same school conspired against him; saying he was found trying to lay with a girl at the back of the school. It went as they planned; due to the level of the persons involved and the evidences they were able to produce the boy was expelled from the school. You could imagine the kind of heartbreak it could cause the mother who was a teacher in the same school. It doesn't exult to plan or seek for someone else's downfall. Though God has given us seasons of peace as regards this vision but I won't be surprised to see someone or persons trying to paint it black. The point is plain: Whenever anyone tries to become a hindrance to someone God has lifted. God himself hinders the person. 20 years have passed and all the children are no longer in secondary school or struggling with who comes first or less. Most of them have gotten married and life continued. It was around this time (after 20 years) that the same person who has championed the accusation found his way to reach the young man in the phone saying, "since that day till today, I have remained confused, frustrated and limited". Obviously he was forgiven but imagine what the opinion of God towards him is. God's word reprimanded us today in verse of 10 of our first scripture saying, *"The fear of God is the source of peace, to every agent of discord the Lord will oppose and resist"*. **Pray in the Holy Ghost.**

Prayer Points: Worship God using song 1: Page 120

1. Thank God for His word towards you today.
2. Pray for the grace to be happy with yourself.
3. Father, I kill any spirit of jealousy in me in Jesus name, Amen!
4. Oh God as I am rejoicing over the good in other people's life do great things for me in Jesus name, Amen!

TEXT: (Genesis 25 vs. 28-34), (Genesis 27 vs. 30-36)

Though we are not meant to dwell in the past but the past should live in our today's decision. On behalf of the Holy Spirit I extend my hand of greeting to you. The most terrible mistake anyone could make is to neglect and ignore his past. Jesus died in the past many years ago, yet by his death salvation is valid till today. *"And he said, is not he rightly named Jacob? For he hath supplanted me this these two times: he took away my birth-right; and, behold now, he hath taken away my blessings..."* (Verse 36 of today's second scripture). At the point of considering this passage I began to ask myself, **"So Esau was really aware he sold his birth-right for just a plate of food and still hoped to get the blessing attached to him"**. God brings the past forward. Never forget that today isn't just a day but the past of your future and will determine the future you will see. Some persons are still undergoing the same trial because they have determined to overlook their past. Some persons clearly entered into the wrong marriage because they neglected their past. It may appear difficult to reach your desired height this year if you didn't bring your past years together and resolve what should be resolved. The past is not just for witness but for lesson. With this reference: if someone was poisoned in a particular place once and he escaped; returning tomorrow, he was told that the same suspect who had poisoned him has now become a priest; and then not to consider the past the so called priest served him food and he dies of it, isn't the individual a fool? **We are not doubting the power of God that transforms but we are not to render trust on the platform of pretence.** It will not be foreign to witness a network business like MMM, ultimatecycle and the likes soon and among the victims will be those who lost millions to the previous (MMM, Ultimatecycle etc). God is saying to someone in order to avoid regrets this year build your today from the opinions of your past, Sit and think of the past in relation to the present that's one of the secrets of wisdom.

Prayer Points: Worship God using your own songs.

1. Oh God I thank you today for your word to me.
2. Jesus give me the grace to learn what you want me to learn today.
3. Father I demand for the grace to be **who** you have called me to be.

TEXT: (Job 5 vs. 7 – 9)

There are times and situations in life where it seems there is no time but the creator of time Himself is not out of course neither is He out of sight. I welcome you to the season of the incredible God! Yes, He is incredible and your life shall in this season witness the dimension of His incredible being. Life is running with time to a descriptive end as a matter of fact there is an end of everything; end of classes, school programme, service, opportunity and life itself. All the ends in life is determined by time but thank God whom we have to ourselves with a promise as an assurance to us saying, **“For surely there is an end; and thine expectation shall not be cut off”** (Proverb 23 vs. 18). I don't know what you think but am fully aware that Jehovah is the main determinant of every end. There are people encountering the Lord in different areas of life but deep down their heart they are faced with the regret of being late. Yes, being late in achievement, marriage, business and so many others areas. Considering the circumstances around you, they all suggest that indeed you may appear late and there is no resources or help to pull you up to where you deserve but our God declares the end from the beginning. **He is the all-time responsive responsible God.** The one who decided to give Hannah a child that is better than ten sons. The one that ran ahead of time to establish Joseph despite the prison experience before his brethren found him. Nobody can control time like Jehovah! I think you need to drink this confirmation in God's word, *“Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, my counsel shall stand, and I will do my pleasure”* (Isaiah 46 vs. 10). The scripture says, **His counsel shall stand!** Are you a child of God? Then what is it that is threatening you? The counsel of God is above it and the Lord's counsel is on your favour. God can adjust times and events... I declare let the Lord help your faith. By the prophetic mantle of God on me I am asked to declare to someone that **before 2021 is over you shall discover that those matters that mattered around you shall not matter anymore.** There shall be a drastic turn around this season, from sorrow to joy, pain to gain, and tears to laughter. See the approval in verse 9 of today's scripture, **“Which doeth great things and unsearchable; marvellous things without numbers”**. This assures you that you cannot keep record of the Lord's doings around you this season. Amen!

Prayer Points: Worship God using song 4: Page 123

1. Oh God I thank you for your word to me.
2. Jehovah, I demand that you restore all my lost time and season.

TEXT: (Job 29 vs. 20-25), (Psalm 81 vs. 10)

I welcome you to the field of the Most High God. Someone said, “Maturity is the ability to think, speak and act your feelings within the bounds of dignity. The measure of your maturity is how spiritual you become during the midst of your frustration”. Another said, **“Speak up because the day you don't speak up for the things that doesn't matter to you is the day your freedom truly ends”**. God has planted the most powerful tool of survival in the tongue. Your understanding that word lives has the capacity to guide your language and word usage. It doesn't matter what is not right around you, if you have the right word in place you will surely step up to greatness. An associate of this vision was once broke and very poor but he kept mentioning to my hearing that God has promised him saying, **“If I didn't make you a multi-millionaire then know that I am not God”**. Today He is a millionaire. You can't change your life or situation above what you have proclaimed with your mouth. (Proverb 18 vs. 20): *“A man's belly shall be satisfied with the fruits of his mouth; [and] with the increase of his lips shall he be filled”*. Normally a man's belly is meant to be satisfied with the fruits of his labour but instead God's word said, is with the fruits of the mouth. Therefore it doesn't just matter what the labour is; to be productive, the mouth should sound productive as well. Many occasions I have seen people with terminal diseases but by the proclamation of their lips they survived awesomely. God is telling you today to position your lips aright. Maybe what you planned this year is not coming as planned; arrest them with your mouth. **Announce what you want to see around you to the hearing of a witness.** I heard about a rich bishop who was once staying in a one room apartment with other 6 room-mates, but on the wall of his own portion was written, **“I shall never be poor”**. Remember that already he was living poor but the content of lips disagreed with the reality of his life then. God's word on our today's second scripture urges us to open our mouth wide and God will fill it with words of faith. Job also testified of how he gathered strength from the words he spoke. **Say something about your next level today.**

Prayer Points: Worship God using song 2: Page 121

1. Oh God I thank you for your word to me.
2. Jesus fill my mouth with the words my destiny needs.
3. Father as I speak may my life drive in that direction (Go ahead and speak).

TEXT: (Romans 5 vs. 1-8), (Ephesians 2 vs. 4)

Having the full knowledge of God's love is the secret behind a successful life on earth and hope of eternal glory in heavens. Just like we have read in the past about how Abraham was willing to sacrifice Isaac his son to God with pain in his heart and wounds in his mind, yet he decided to take Isaac to the sacrificial Altar. You will recall that Isaac isn't just one of his children by then but the only child because Ishmael had gone far away with his mum, never to be traced or found again by Abraham. Yet Abraham because of the fear of God that was in him was willing to give God his very last love. I just caught a rehma from the Holy Spirit. Remember that God addressed Abraham as the father of many nations. (Genesis 17 vs. 4). He also promised Abraham saying, **"Thy seed shall possess the gates of his enemies"** (Genesis 22 vs. 17). At that point in history Abraham sowed a seed of his last love to God and being the one who does not allows seeds to fade or die responded to Abraham's seed by giving His very last love to Abraham's children/seed (Father of many nations). He (God) became flesh and dwelt among the generations of Abraham living as a seed of Abraham (John 1 vs. 14). God didn't give out His son for mankind but he gave out Himself; that's His last love. God's word was specific in today's first scripture verse 8 when it said, *"But God commandeth his love towards us, in that while we were yet sinners, Christ died for us"*. Do you get something there? He commandeth his Love. So I am loved by God by His own command not on the bases of my goodness or badness. Never submit yourself to the mockery of the devil telling you what you deserve from God and what you don't deserve; just remind him that God's love upon you is unconditional. Do you believe in Jesus? If yes, then you deserve all the benefits his love offers. (John 3 vs. 16): **"...Whosoever believe in him should not perish, but have everlasting life"**. If God loves you, then He releases for you. Abraham Loved God and a lamb was released to him for sacrifice. God loves you and He released Himself for the sacrifice. I guess you already know that inside of Him is all you seek in life.

Prayer Points: Worship God using song 1: Page 120

1. Oh Lord I thank you for your word.
2. Jesus thank you for loving me.
3. May I benefit from your love for me.

TEXT: (Proverb 15 vs. 14-23)

When Nelson Mandela was studying law at the university, a white professor, whose last name was Peter, disliked him intensely. One day Mr Peter was having lunch at the dining room when Mandela came along with his tray and sat next to the professor. The Professor said, "Mr Mandela you do not understand a pig and a bird do not sit together to eat". Mandela looked at him as a parent would look at a rude child and calmly replied, "You do not worry professor, I will fly away", and he went and sat at another table. Mr Peter reddened with rage, decided to take revenge. The next day in class he posed the following question: "Mr Mandela, if you were walking down the street and found a package, and within was a bag of wisdom and another bag with money, which one would you take? Without hesitating, Mandela responded, "The one with money of course". Mr Peter smiling sarcastically said, "I, in your place would have taken the wisdom". Nelson Mandela shrugged and responded, "Each one takes what he doesn't have". Mr Peter by this time was about to throw a fit seething with fury. So great was his anger that he wrote on Nelson Mandela's sheet the word "IDIOT" and gave it out. Mandela took the exam sheet and sat down at his desk trying very hard to remain calm while he was contemplated his next move. A few minutes later Nelson got up, walked up to the professor and told him in a dignified polite tone, "Mr Peter, you signed up your name on the sheet but you forgot to give me my grade". To be able to create sense, smart responses are needed. My major interest was not just Nelson's responses but the boldness he got to respond in such manner to a professor in his course of pursuit. We need such boldness to say what is to be said especially for God's messengers. I agree, that's why God's word says in 2 Timothy 1 vs. 7, **"For God hath not given us the spirit of fear but of power, and of love, and of sound mind"**. Just like the professor was trying to make Nelson feel inferior and unprivileged that's how satan tries to limit your speed by suggesting false representations of you. Aiming to make you feel unmerited to get what you deserve. **Reply Him with the wisdom of God's word.** From all Nelson said, he didn't insult the professor or abused him but replied him from the content of his own idea. May God give you the right word against the accusations and limitation of the devil. **Consider verse 23 of today's scripture.**

Prayer Points: Worship God using song 4: Page 123

1. Thank God for His word to you today.
2. Oh God give me wisdom to say the right thing at all times to man, spirits and ideas of the devil.

TEXT: (Hebrew 1 vs. 1-6)

The take of God on you is the secret behind your worth before the accusers. Many people lost because Satan was finding them vulnerable with his threatening skills, giving them polluted mind that tells of how pungent they smell before God. Today I am going to shift a bit, God is the God of men. He created man, in all that man represents. He formed your teeth, tongue, intestine, sexual organs, digestive system, plasma, kidney, uterus, aviolai, bronchioles, haemoglobin, heart crest, and heart wall. He is also controlling them. Your heart beats faster than seconds. In a minute (60 seconds) your heart have beaten 70 times; yet it kept working for 24 hours daily, weekly, year multiplied by your number of age; without servicing the heart. The heart is said to be the most working and lasting system in the universe and it is within your body. God's investment in you is too high to be ignored. His place in your destiny is the place of decision, you are living within God's want at every time because He is the one that killeth and maketh alive. **He is worth living for.** God's take on you is that you are His greatest asset. You are one of His major investment. God gave Christ for no category of things except man. The evidence of this is seen in verse 2 of today's scripture where it says, *"Hath in these last days spoken unto us by His son, whom he hath appointed heir of all things by whom also He made the world". (Verse 3): Who being the brightness of his glory, and the express image of his person, and upholding all things by the word of His power, when he had by himself purged our sins, sat down on the right hand of the majesty on high*". By Himself He purged our sins. God loves you, He sought for no man's opinion before He made that decision. He is close to you more than you can fathom. Out of the numerous activities that engages you, find out time to always link with Him... He is your energy source. Let nothing make you feel like God has given up on you. **No, He never gives up.** He is a king whose relationship with you is not from His throne but from His blood. Yes, He redeemed us out of destruction not by His command. **Jesus adores you in simplicity. Get stocked with Him.**

Prayer Points: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Father, I thank you for accepting as I am.
3. My Lord, I decree that any accusation of the devil around my life is destroyed.
4. Oh God, show me your light and reveal yourself to me, so I can understand you.

TEXT: (James 5 vs. 10-12), (Matthew 5 vs. 37)

Today's second scripture says, *"But let your communication be yea, yea; Nay nay: for whatsoever that is none of these cometh of evil"*. It has been considered an act of intelligence to lure people into what they never accepted/wanted because the individual involved has driven them from a familiar point to an unwanted destination making their mind victim of his puzzle game. A young man mistakenly transferred #200,000 (out of #210,000 balance) from his account to another's after thinking of a way to stop the person from withdrawing the money; he came up with an idea of sending a message to the person's phone saying, "Hello dark and worthy initiate, I hope you are okay. I believe you have received the money I sent to you. It's for your initiation into the eternal mystical order of glorious satanism in the ogboni fraternity. Scheduled to take place at 12 midnight. The money I sent is only for your transport. I will send you more for shopping. There are riches awaiting you in the kingdom. Two weeks after the initiation a family member close to your heart will die, this will unlock your ticket to wealth and you will have ability to fly at night to any part of the world. Thanks for complying in advance but in case you are not ready to join, please send back the money immediately to avoid your sudden death." Few minutes later, he got an SMS saying, "please send another #200,000 my friend is also interested. Nigeria economy has frustrated us too much". God is saying to someone, "Why not be plain and straightforward. The major limitation some persons have is the inability to be plain. **"My plainness of speech makes people to hate me, and what is hatred but a proof that I am speaking the truth"** (Plato). The Spirit is bringing to someone's understanding that it is better to sound weird being plain than to sound hopeful but also deceitful. There are people who are sure that they don't want a particular thing and still they hand around it. When you condemn something publicly and harbours it secretly, it is a sign of hypocrisy. Be known for plainness. Say No today and remain in your no tomorrow except for better and godly reasons.

Prayer Points: Worship God using song 1: Page 120

1. Thank God for His word to you today.
2. Ask God for the grace and ability to stay plain.
3. My God, give me the grace and mind to be plain.

TEXT: (Job 24 vs. 13-24)

Reduction of anything positive attracts no value or respect. "People are mostly celebrated for how far they have increased". What positive do you think of yourself if your thought hasn't affected the stability of your image and existence in your society. I understood that people are reduced from their mind before they are reduced outwardly. In God's kingdom there is no space for reduction. *"For we are placed far above principalities and powers in heavenly places"* (Ephesians 2 vs. 6). When the character of a Christian does not speak Christ it causes reduction. God has planned to exalt men but most persons have decided not to agree with him by living the life that contradicts His nature. Imagine how absurd it sounds that the so called pastor slept with a member or abused a woman; such results to reduction of persons and esteem. Some of the reason why we struggle to maintain a crystal-like reputation/life style is not because we fear God alone but also because we consider the image we will manifest when we behave contrary. Everyone has feeling, urge and so on as the case may be. The cells responsible for human behaviour aren't spiritual and requires we suppress them by purposely imbibing modest character. Paul the Apostle said, ***"I bring myself under subjection"*** (1 Corinthians 9 vs. 27). God in His wisdom revealed in verse 13 of today's scripture saying, ***"They are of those that rebel against the light; they know not the ways thereof, nor abide in the path thereof"***. Christianity promotes esteem but Christianity without character results to shame". The devil does not seduce anyone, he does not persuade anyone to commit sin but he sponsors lust to develop in persons until they move away from God by themselves. Lift your hand and say with me: **"Jesus, give me the grace to live for you"**. It is a dangerous thing to be reduced. One may struggle to keep a sin secret but at least a person; your sin partner is aware that you are reduced in character. ***"You much regret your character when your character contradicts the personality you are determined to display"*** (Isaac Chidolue).

Prayer Points: Worship God using your own songs.

1. Father I desire and addition in my life not a subtraction.
2. My God give me grace to withstand any force that is out to reduce me in life.
3. Mighty God give me the capacity to stand firm and live for you.

TEXT: (Deuteronomy 11 vs. 9 – 15)

Many persons are too much in a hurry that they forgot that too much hastiness leads to guiltiness. To be smart is good, to live in the streams of ideas is awesome, but more of a loss without repair is the image given to destruction. I don't know what your story may look like but it is very important you retell the story in a better way. I am yet to see anyone who truly held on God disappointed. Forget about those who felt they are ahead of you; Godliness is the ticket to a great living, ***"For godliness is profitable unto all things"*** (1 Timothy 4 vs. 8). I heard a story of a young man in the 90s who was very successful after he left school; dealing on hard businesses, building houses and buying cars but those he played the games with sought him, and shot him dead, he died young and early. I speculate this is one of the reason the bible mentioned, ***"The prosperity of fools shall destroy them"*** (Proverb 1 vs. 32B). Come to think of it the statement came from the richest man who had ever lived within the circumferences of this planet. King Solomon was worth 2.1 trillion dollars in today's currencies without Microsoft, space craft, and online shopping. Many stories similar to the one we saw above has emerged in different places. There is a due season of God. Many persons have left the waiting room of God. Don't be found in the category of the impatience. I have seen many evidence of ritual among the young people, many fraudulent acts because many persons want to meet up. Some would say that bills kept coming for them; but I haven't seen satan out of genuine reason anytime he want to deceive anyone. He always have a reason. Mostly before the time of glory comes satan tempts one with a fast limited option to know if the individual will subscribe to his limitation plan. Quote me anywhere, ***"Satan can never give you anything close to what God would have given you if you are patient to walk with Him"***. That benevolence is not in him. Ritual and sacrifices here and there, where friends, family and ladies are falling victim of it. In the western Nigeria someone recently did a birthday and almost everyone that attended died. I decree sanity in our land in Jesus name, Amen! Digest today's scripture verse 14 says, "That I will give you the rain of your land in his due season, the first rain and later rain, that thou mayest gather in thy corn, and thine wine and thine Oil". The due season of someone just arrived, if you are the person scream Amen! Due seasons comes with over size, first and later rain. The downpour on someone's life who has waited on God is going to be heavy and tremendous.

TEXT: (2 Peter 1 vs. 1-5)

I welcome you to the throne of the possessor of the heavens and earth. **If God has actually done it all then what do we seek?** Verse 3 of today's scripture says, "According as his divine power hath given unto us all things that pertain unto life and godliness through the knowledge of him that hath called us to glory and virtue". When that scripture is digested fully it will be discovered that God has made massive provision for our well-being. God's word is already settled in heavens (Psalm 119 vs. 89). There was a time I was in a serious need; as it has become usual of me, I began to pray for God's intervention. I prayed for day's yet the struggle continued and there was no reasonable evidence of solution to my need. I ran to God praying again and again; at a point I heard God saying, "**You are making a demand of what I have already done. Go ahead and pray in the line of receiving. Then I spent time praying, "I receive this..... in Jesus name"**", just as He mentioned. The following morning my need was arrested in totality. Yes, God has brought your husband, you don't need to ask Him to send him; the bible said, male and female created He them. I don't know the height or the level of what you seek but I am sure that Jesus has done it; just receive them now in Jesus name, Amen! Receive your lost opportunities, connections, good health, wealth, testimonies, admission, good grades, marital rights in Jesus name, Amen! Oh today's second scripture confirms it by saying, "**And all things, whatsoever ye shall ask in prayers, believing, ye shall receive**". Do you believe He has done what you seek? If yes is your answer then receive them now in Jesus name, Amen! "**Abundance arrives the physical world when the inner world is ready to receive it. When we give ourselves permission to experience abundance, it always shows up**" (Unknown). Build the mind that receives what God has done for you. He has satisfied your desire, this year possess all as you receive them in Jesus name. Amen!

TEXT: (Proverb 23 vs. 19)

Most evil begins within the heart. The heart is a muscle and it is built. It has no defence to what it can take. The conscience of man determines his action. **The building of the conscience determines what you can do.** Some persons find nothing wrong with evil and they kept practising it. The ways of wickedness is staying up to evil and feels nothing about it. The wicked is that individual that constantly do evil and keeps it covered. There is always a first time for everything. What your life sustains affects your heart and what your heart retains stays normal in your sight. Someone who robbed a bank didn't start robbery with the bank. What you hear and see affects your psychology about life. Those you associate with affects your mentality. To keep the heart clean starts with the digestion of God's word. When you start appearing irresponsible on the things that really matters, check your heart. The heart is like a memory disk it takes-in anything you want to store there but it takes the wisdom of God to guide it into the path of excellence. Focus and diligence saves a lot of stress when it comes to confusing paths of life. **If you don't guide your heart you will find yourself many times surprising yourself.** This explains the reason why God told us earlier in today's scripture saying, "**Hear thou my son, and be wise and guide thine heart in the way**". Note: Guide your heart in the way". When people indulge in pre-marital sex and feels no guilt about it, time shall come when they will indulge in abortion and still feels nothing about it. When an individual indulge in fraud, time shall come when he will indulge in cultism just to actualize his desire. The heart of man determines his action, when you act, we hear the language of your heart from your actions. Eat God's word and listen to the Holy Spirit to maintain a blameless heart. "**Keep thy heart with all diligence, for out of it are the issues of life**".

TEXT: (Acts 10 vs. 40-48), (1 Corinthians 14 vs. 39)

I welcome you today to the sanctuary of the Almighty God. ***“He that speaketh in an unknown tongues edifieth Himself”*** (1 Corinthians 14 vs. 4). Tongues speaking isn't just a sign or means of reaching God, it is not also just a means to identify the Holy Spirit in a life but it is an inducer of God's charge and power. What's the reason why anyone could prefer speaking in tongues? When you pray in tongues according to the utterance of the Spirit you touch areas and places you couldn't have touched ordinarily; you bring God's power to the system. ***“...for we know not what we should pray for we ought: but the spirit itself maketh intercession for us with groaning which cannot be uttered”*** (Romans 8 vs. 26). It is the right of every child of God to pray in the Holy Ghost. Holy Ghost baptism isn't a different call or initiation; when anyone dwells in Christ and lives “in” Him, then the individual is exposed and revealed to the Holy Ghost. It was the Holy Spirit that sponsored the resurrection of Christ and revived his disfigured body which you and I are part of. This is the evidence that every one of us is exposed to the Holy Spirit, what some of us need is just to tarry! **Yes, tarry until you are endued with power** (Luke 24 vs. 49). I was not prayed for to be Holy Ghost baptised, I just received it and blew in tongues while praying. A sister who attended one of our Prayer Network last year testified that after the prayers she caught the Holy Ghost without knowing though the servant of God prayed a special prayer for her with the release of the Holy Ghost upon her. She went home to pray as usual but blew in tongues and the power of God was unusual and raw that it brought her sister down and her mother was healed of leg poison instantly. As a younger believer I can remember in an occasion where my phone spoilt and the screen was running up and down. I took it by my hand and blew in tongues for 20 minutes; bam! It was well and revived. You possess the magic in God by the Holy Ghost. Until you see what He does through you, you may not believe much in Him. Seeing today's second scripture it says, ***“Wherefore, brethren covert to prophesy, and forbid not to speak with tongues”***. You are called to pray in the Holy Ghost ~~irrespective of what your church thinks. Forbid not to speak in tongues~~

TEXT: (Isaiah 11 vs. 5 – 10)

There is a dimension of God we are yet to see, there is a level of power not revealed yet. There is a level of grace we haven't manifested and it awaits us on this last days to show evidence of God. **There is a dimension of God you enter and it changes you into someone supernatural.** There is a realm of glory that is far above normal/average. God is counting on us to push forth to the uttermost. There are dimensions of power beyond what we are manifesting presently. The glory of the past is in need right now. I heard about Bishop Idahosa who had a programme in USA but was two days late due to the delay in his flight. After two he arrived USA and the news spread abroad that he had arrived and by hearing the news three crippled persons stood up on their feet and started walking; the programme haven't started then. I am sincerely believing God that He will manifest a dimension to us that haven't been seen in the history of the world. There is power available with God, this is power too great to be ignored. Yes it is power which at the remembrance of it; you imagine what can the devil do? **Absolutely nothing!** Walking in the consciousness of such power is the full manifestation of God. God's word revealed to us in verse 6 of today's scripture saying, ***“The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the fatling together; and a little child shall lead them”***. Deadly animals shall be led by a little child. By the power of God available today I announce the full manifestation of God in our midst, Amen!! Great things shall start happening to you and amazing wonders of God shall be seen all around us, how do I know? The scripture says in verse 9, ***“They shall not hurt nor destroy in all my holy mountains: for the earth shall be full of the knowledge of the Lord, as the water covers the sea”***. Yes the knowledge of the Lord. Yes, that evil in your business place shall be swallowed by the knowledge of the glory of the Lord”. Wickedness in the high places shall know the Lord through you. **Yes, it is time we torment the devil and cripple his escapades in Jesus name, Amen!**

TEXT: (Hebrew 12 vs. 12-15), (Deuteronomy 27 vs. 7)

A young lady sat in a bus. At the next stop a loud and grumpy old lady came and sat by her. She squeezed into the seat and bumped her with numerous bags. The person sitting on the other side of the young lady got upset, asked her why she did not speak up and say something. The young lady responded with a smile. "It is not necessary to be rude or argue over something so insignificant, the journey altogether is so short. I'll get off at the next stop". This response deserve to be written in golden letters. **"It is not necessary to argue over something so insignificant, our journey together is so short"**. If each one of us realises that our time her is so short; that to darken it with quarrel, futile arguments, unforgiveness, discontentment and fault finding attitude would be a waste of time and energy. Whatever trouble anyone brings us, let us remember that our journey together is so short. No one knows the duration of this journey. No one knows when their stop will come. **"Our journey is for just a while"**. Knowing the shortness of the journey, it is essential one cherish friends and family. Live respectful, kind and forgiving to one another. Let us be filled with gratitude and gladness. There is need for peace this year, for one to be able to stay Joyful. Peace is the closest thing to God's presence. I think that's why David bailey said, **"A positive attitude can really make dreams come true – it did for me"**. It is peace that gives one the courage to face life and win! This called my attention to Eleanor Roosevelt's quote that says, **"It isn't enough to talk about peace. One must believe in it. And it isn't enough to believe in it. One must work at it"**. "Never be in a hurry; do everything quietly and in a calm spirit. Do not lose your inner peace for anything whatsoever, even if your whole world seem upset". Digest God's word in Deuteronomy 27 vs. 7, **"and thou shalt offer peace offerings, and shalt eat there, and rejoice before the Lord thy God"**. Peace offering! I encourage you under the grace of God to offer peace offering to people today because the journey is too short to spend some time of it on malice and enmity. God bless you.

TEXT: (2 Corinthians 8 vs. 20-24)

Christianity is not a call without evidences and signs, it is a calling to manifest the real and raw power of God. Most times the people that surrounds a Christian are looking to see his proof and testimony. In such a time when people are under-looking the people of God maybe as lazy or under-privileged persons, trying to observe them as the people that are unserious. Due to these false ideas people are developing, God is urging us to step up and live with proofs. A young child was growing in His local village long ago. Just like it is expected by the villagers upon their younger ones to become professionals in different fields and skills of life. One day the villagers were visited by a priest who happened to be a missionary. The missionary spent time with them revealing the interest of God on them. He subjected himself to their level and lived like they lived, behave like they behaved according to their cultural demands that doesn't offend the interest of God. One day during a particular event the children were gathered and are asked what they wanted to become. Everyone was saying something nice like, "I want to be a doctor, lawyer, pilot, and engineer as the case maybe". When it got the turn of this young boy who was at his teens by then, he mentioned, "I want to be an evangelist (preaching the gospel)". His uncle was so disappointed with him having observed the poverty state of the missionary who had exhausted his belongings among them and was not eager to possess more or acquire more. The uncle brought the boy home and locked him up in a room threatening that he will not feed him again since he was actually going to turn out as waste of resources. Every time he came to monitor how the boy is doing he will discover a plate which was used to serve him food. Today the same young boy has become the pride of his village; he owns a hospital where white men are serving as doctors, he also owns a higher institution where lecturers are employed to lectures students with well accreditation from Nigeria government. He didn't later became a professional, pilot, doctor or anything but just an EVANGELIST and He is Rev Dr Uma Ukpai. Challenge your environment and society by producing proofs, God has given us the capacity to create wonders. Create a vision and challenge God to manifest it through you. Ask God to assist you to live the life that produces His proof and promise Him to return all the glory to Him. I decree divine proof in Jesus name, Amen!

TEXT: (Jeremiah 32 vs. 19 – 22)

Welcome you again to the place of the one who alone is God all by Himself. It should be known to you that this is the reason why Jehovah would want to do His best in your life and your destiny. You should be willing to prevail above any form of satanic misconduct and methods of deceit and captivity. **It makes no sense fighting war with decency.** This warfare of destiny requires no form of polite approach. “We are in the days of power and the violent ones take it by force” (Matthew 11 vs. 12). I believe this was what made Williams Shakespeare's idea when he said, **“In peace there is nothing so becomes a man as modest stillness and humility, but when blast of war blows in our ears, then imitate the action of the tiger; stiffness the sinews, summon up the blood, disguise fair nature with hard favoured rage”**. In the search of power is a divine encounter with God, that Jehovah should drop a volume of what He is in you. I heard some documentaries about Apostle Babalola, in one of them it was said that he was in his church for a church meeting and he wanted to lead a prayer session for some minutes, at the process of the prayers, he was transferred into the Spirit as he continued praying at the same spot and in the same position. The members waited for hours thinking he would stop, but after many hours he didn't stop and they can't wait anymore so they went home while Baba was still praying. The following day after they had returned from work and summaries their daily activities, they returned to church to find Baba still praying at the same spot and position. Same clothes, position, no food, water, brushing, and bathing but still praying. He did that for 3 days non-stop, that was 72 hours. I am convinced at this point that the days of genuine fire and dimensions of God are here again with us. Such a man (Babalola) called down fire physically on two different occasions by just a word. That was more than what Elijah did. In Africa today there is a show of God presently like what has never been, tap into that dimension of grace. God is about to show wonders and stretch forth His hand. He confirmed it in His word today in verse 21 saying, **“And hast brought forth they people Israel out of the land of Egypt with signs and with wonders, and with a strong hand, and with a stretched out arm, and with great terror”**. The dimensions of God flows beyond the visible and controls what cannot be seen.

TEXT: (Isaiah 40 vs. 1-10)

Verse 4 of today's scripture says, **“Every valley shall be exalted, and every mountain and hill shall be made low: and the crooked shall be made straight, and the rough places plain”** (KJV). **“Fill in the valleys, level off the hills, smooth out the nuts, clear out the rocks. Then God's bright glory will shine and everyone will see it”** (MSG). It takes a levelled mind to escape lowness. God was saying, **“Fill in the valleys”**. Which Valley exist in your mind. There are brethren and people hopping for the low things of life. How can you be praying for your greatness and you are hopping for lowness? The solution to that problem is not packing into a smaller house or going to a cheaper shop. If you start finding it difficult to pay for some bills you have been paying comfortably and you reduced yourself to a lesser one believing that's the one you can now comfortably handle; someday you may realise that even the smaller one is becoming difficult to handle. The problem isn't about adjusting your location but adjusting your mind with dogged practical seeking of God and information. Never accept any advice that tells you to live a reduced life. There is not testimony with reduction except God is working out His plan with you. There is a spirit behind lowness. That's same with the spirit of poverty. Your life will definitely run based on the speed your desire and passion runs. It is good to manage yourself according to what you earn and also make arrangement of saving from what you earn no matter how small. It is also very important you plan before embarking on any project. God is saying to someone, it is not my will you possess a low mind. By right you merit that which is good and great in Christ Jesus. **“Fill in the valley”**. You cannot reach a level in life which your mind has not gotten. You cannot have what you have not desired before. You are trying to tell people about where you are seeing yourself and they are trying to give you the definition of yourself according the knowledge of the low background they had about you and you accepted. **“If your positivity immune system is low, any exposure to a person afflicted with negativity can poison your mind”** (Bryant McGill). One amazing thing you should digest today is that almost everyone who became great has a very small background before. When Bishop Oyedepo entered his first Cathedral that could house less than a thousand persons or exact. Bishop Abioye while praying said, “God I thank you for you have brought us to our pavilion”. Bishop Oyedepo shouted from his seat saying, “No! This is not our pavilion but our beginning”, between 1990 - 2000 he dedicated the highest auditorium in the world. Grow up and refuse any acidic virus that limits vision and speed.

TEXT: (Hebrew 3 vs. 1 – 5)

Sometimes it is difficult to readjust but when you envision success adjustment is still the basics. There are workable examples kept in people's lives that you cannot necessary ignore. The moment you start seeking for how to make it better, that is when you will start sinking into trials of other examples laid in history. **Life is not a guess work.** When I was in Redeem Christian Church of God as a young Pastor in our fellowship; I joined RCCG as a student, being the closest church to my house and for the grace on Papa Adeboye which I greatly covet and admire. I came into the church in Yoruba land (Ibadan) and my presence was too winsome to be ignored. I joined the beginner's class as a new convert. My main purpose is to study and learn because there may be a secret to why the church has gone that broad. I was serious to the classes, didn't want to talk about what I have known and where I have been. Indeed it was an exposition moment for me, went to Redemption Camp, walked around the environment in observation of the mightiness of God and I was relief saying to myself if God could do it here in Papa Adeboye's life and ministry then He will replicate it in my life. Some persons are full of themselves that they become blind at the place of observation for development and enhancement of vision. When it is hard for you to rejoice in the Lord's doing in another person's life then your life is far from the turning point of God. **You can never relate with what you don't appreciate.** You cannot attract what you attack. Someone bought a car instead of you to rejoice with him, you become bitter saying it is an evil money. Even if it was, you should be able to trust God for that life and not respond in jealousy. God gives money and better things than whatsoever one can obtain from evil money. Benny Hinn ventured into healing ministry because he studied the blue print of Kathrine Kuman, Bishop Oyedepo saw Oral Robert University and knew same can be in Nigeria, then Covenant University came into existence. Dr Paul Enenche saw Faith Tabernacle and appreciated it before Glory Dome came. See Jesus example in verse 2 of today's scripture where it says, *"Who was faithful to him that appointed him, as also Moses was faithful in all his house"*. This will leave no doubt in you as to why Moses appeared at the transfiguration mountain. Jesus studies His character of faithfulness and behaved like Him. He saved the Israelites from Egypt and Jesus saved the world from satan. He asked God to kill him instead of the people of Israel and Jesus offered Himself to die so that others may live. He was the meekest man on earth and Jesus was the most humble man that history has seen. Jesus studied Moses and went extra mile in all He learnt from Moses' Character.

TEXT: (2 Samuel 11 vs. 1-17), (2 Samuel 12 vs. 9-12)

I welcome you to the presence of the director of our soul. If sin reveals its company as it comes into the mind of anyone, I think none will desire to entertain it as a guest. **By sin the devil commits men to his plan and to cover a sin committed more sins are committed.** To sin begins with being at the right place at the wrong time. David was in his own house he wasn't in the house of the prostitutes. He didn't imagine on his mind that he was about to sleep with a woman who happens to be someone's wife/ a woman who is not among his wives. If this woman was a single lady at worst she may be added to the number of his wives and the consequences wouldn't have been as they were. How pretty was she compared to David's wives, is she prettier than others girls who could still be married? David was simply at the right place at the wrong time. If Uriah was home, of course David should have respected his presence and ignore the thoughts. Brethren it all began with a planted thought and then he slept with somebody's wife (adultery). He tried to impose his own child upon Uriah to seal the secret forever (lie), he didn't succeed. He plotted the death of an innocent man who left his wife and family to fight the cause of the Lord (murder). It was all the product of the crawling level of the devil. Is not to have sex that is the problem, I think it should be what follows after? What happens to the pregnancy, assuming that one surfaces? Are you guilty of murder of innocent children who God sent into the world just as you? The Lord is going bitter today; Madam hope you can be able to stand before Jehovah to proclaim that your husband is the one responsible for the children you have given to your family. Dear Husband, has devil made you look like David, when men are busy fighting the cause of the Lord, you are busy seeking Bathsheba. Verse 10-12 of today's scripture revealed the curse that came upon David and his household. Have you deceived your family that you are going for a meeting or a business trip only to manifest the crawling nature of the devil as he planted in your mind? The consequences of carrying out satanic crawl is generational. As a young man where are you and what are you into? I have met people who told me, she just slept in my house that night and from there she took in and we got married. Will carelessness take you to the wrong marriage? May God keep you above satanic crawls. Amen!

TEXT: (Luke 18 vs. 9 – 14)

The excitement of God is what I hope that Jehovah will plant in our hearts again, to help us fulfil the mandate He allowed us to carry out. **There are mandates of heaven Jehovah would want you to sustain.** The efficacy of God's grace creates in us a dosage of God's power to place in us what only God can. It is only God who can do and undo any act of great things in the life of a believer. Whatever that merits your effort lacks the grace of God. The grace of God is what manifests the price of Christ and the strength of His sacrifice in us. The scripture speaking says, *“For by grace are ye saved through faith: and that not of yourselves: it is the gift of God”*. God wants it to live in the heart of man; those men that knows they can do nothing of themselves except they be helped of God's grace. This is my prayers but I don't know about you. May it not come to a point in my life where I accredit my progress to self instead of God's grace! May I not come to that season where I depend on myself more than I depend on God's grace. Whatever you cannot accredit around yourself is the work that grace does on you. You have never been a sinner, God took you early, it was grace that took you early. You have stayed as a virgin since you were born, yes, it was the work that grace did on you. As a minister maybe a lot of God's move was recorded during your ministration, yes, it was the grace of God that manifested such light on you. This could be one of the reasons why Tony Dungy echoed, **“I don't have the strength or wisdom to get through a single day without guidance and grace of God”**. The question is, what you could have done if it was not by the grace of God. Seeing the passage of the bible where we read, we saw in verse 13 of it saying, *“And the publican, standing afar off, would not lift up so much as his eyes unto heaven, but smote upon his breast, saying, God be merciful to me a sinner”*. Note: “God be merciful to me”. You are at the gate of hell when you feel there is no need to ask for mercy since you cannot remember when last you failed God like the other guy did. **The excitement of God is seeing you yielded at all times to Him” Amen!**

TEXT: (Hebrew 11 vs. 11-16; 36-40)

It is far better to die for something than live for nothing. I welcome you to God's zone of excellence. In 1803 about 75 Igbo decided to commit suicide by drowning instead of being slaves at Dunbar creeks on Georgia in the year 1803. “Igbo Landing”, as it's called is a historic site at Dunbar Creek on St. Simon's Island, Glyn Country Georgia. It was the setting of a mass suicide in 1803 by captured Igbo people who had taken control of their slave ship and refused to submit to slavery in the United States. The event's moral value as a story of resistance towards slavery. This is an act of bravery. **For the reason why one is willing to die for, is better not to live without.** Those Igbo men chose to die instead of being slaves. The kingdom of God is a do or die affair. Christianity is not an option to life, it is the only way of life prescribed by Jesus Christ and whoever subscribes to it lives above mockery and shame. It is time we wake up to the Christian life that is scared of nothing. Stand straight to declare our calling. The questions are: by what means have you become a Christian; by what are you inspired and under what will you think of dropping the bible? Jesus speaking said, *“For whosoever will save his life shall lose it, and whosoever will lose his life for my sake shall find it”*. God is echoing to a hearer of His word that, **“I am about to do the greater, just offer yourself to me in totality”**. Only those who have given their lives in full force to God are the ones responsible for the greater manifestation of Him. Are you facing any challenge, never forget that this is your year of “Divine Exposure” and this month of April God has anchored on you Victory. **“Low-grade pain can be so rooted in your being that the pain begins to look like you, and you begin to look like the pain- it becomes your identity. I am willing to live and die in Christ; is not a part time business. Despite how good it becomes for me, I will not give up on him”**. Am not talking about being bad because he makes all things beautiful. Finally Digest this: **“Never lose an opportunity of seeing anything beautiful. For beauty is God's handwriting”**. Meditate on verse 13 of today's scripture.

Prayer Points: Worship God in your own way.

1. Oh God hold me for yourself alone.
2. Give me the capacity to live and the heart that is willing to die in you ad for you.

TEXT: (2 Chronicle 1 vs. 4 – 10)

Sometimes the reason why labour continued is because knowledge is missing. There are already written word of God that can guide one into path of testimonies. Yes, some battles are not necessary. How can you retain a labourer who stresses you, a labourer who has no fear of authority? How can you stay in a relationship where you are abused, prayerfully hopping that the individual involved will suddenly become a saint and start dining with the Lord. These are deceitful ideas that amounts to nothing good and great. There was once a missionary who went for a mission somewhere and during the night while he was sleeping. He got up in the middle of the night and saw an image in the room where he was lying. He stood against the image rebuking it, speaking in all the spiritual languages and knowledge he knew but the image refused to disappear, the battle between him and the image continued till the breaking of the day. When the day broke he realised that there was no image but the rain coat that was hanging at the wall in the guest room where he was. God's opinion has no suggestion where ignorance is at play. God can only inspire what He admires in us, but he cannot admire what we inspired by foolishness. **A lot of things assumed never happen.** Personally I am a deep thinker but beyond that, it is never a thing of gladness to dwell in the reality your mind suggested that has no path in the realness of events and matters. God is always against an assumed reality. By knowledge be who God has called you to be. Fight the battle that are only necessary. Believe the word of God. If the missionary believed God's word he would have gone to bed knowing that to resist the devil is declarative and once you declare you don't stand back to watch him. See verse 10 of today's scripture where it say, *"Give me now wisdom and knowledge, that I may go out and come in before this people; for who can judge this thy people; that is so great?"* Solomon understood the place of knowledge and wisdom that's why He demanded for it. The absence of knowledge gives you some battles that are not necessary. There are people troubled by the handshake someone else gave them because they are ignorant that they are placed far above principalities and powers.

2. Jesus, give me the grace to be wise and to walk in wisdom.
3. Lord, I shall never fall victim of any sort of limitation.

TEXT: (Luke 19 vs. 1 – 10)

The love of God is beyond the discretion of men and His love is drastically everlasting. Dwelling in God's love is to come to that point where you honour God for who He is not minding what has changed around you and what has not changed. To Love God is not statement base but a reality that is shown by the character and nature of those who have admitted to love Him, not certainly because of what He does but because He first loved us. God's love on mankind is not categorised. He love the world with everyone inclusive (John 3 vs. 16). In today's scripture we saw the man Zacchaeus when he ran to meet Jesus not just that alone, he was a chief among the publicans and he was rich. For the scripture to call him rich, he was rich indeed and famous that Jesus knew him by name. "He tried to see Jesus but couldn't because of his stature, then being serious with his desire he ran and climbed a sycamore tree to see him. When Jesus saw him, He called him by his name saying today I will be in your house. **Did it shock you that Jesus knew the name of that sinner whom every other person rejects.** The mystery of God that breaks every man down is the love of God that is exhibited for mankind. Those who are hurt and rejected by others are the set of individuals that Jesus always wants to accept. See Zacchaeus response in verse 8 where it says, *"And Zacchaeus stood, and said unto the Lord; Behold, Lord, the half of my goods I give to the poor; and if I have taken anything from any man by false accusation I restore him four fold"*. While other who have no maximum respect for God/Jesus was calling him sinner, He was calling Jesus Lord, without any form of message or word from Jesus. **The love of God for all is the magnet that pulls men to Him.** The greatest gospel of all time is that God loves mankind. The greatest mystery of all time is that God loved man even while they are yet sinners. People should repent not for the fear of rapture or hell but for the knowledge of the love of God towards them. I pray with you, may God display His love abundantly in your life in Jesus name, Amen! You are taken higher in your pursuit in Jesus name, Amen! He loves everyone irrespective of who they are and the knowledge of that can save anyone and everyone.

TEXT: (1 Samuel 17 vs. 39 – 43)

Intimidation arrives with feeling inferior. I welcome you to the place where the Almighty dwells alone. In the phase of intimidation boldness is lacking. Many years Bishop Benson Idahosa visited a restaurant while he was in USA to eat with a white man. on the process of the meal he ate the chicken given to him to the point of chewing the bones. The white man felt surprised saying, “Oh, how can you eat the bones like that, here, it is the dogs that chew bones like that”. Bishop Idahosa looked at his (white man's) vegetable meal and said, “Oh, how can you eat grasses like that, in my place (Africa) it is the goat that eats grasses like that”. Accepted realm of intimidation limits your function in that environment or atmosphere where you are intimidated. To be far from less functions keep your zeal alive out of any sort of intimidations. I decree in Jesus name, you are climbing the height that is above limitations in Jesus name, Amen! See verse 42 of today's scripture where it says, “*And when the Philistine looked about, and saw David; he disdained him, for he was but a youth, and ruddy, and of a fair countenance*”. He was looking innocent and calm but at same time refused to accept Goliath's intimidations. Also see verse 43, “*And the Philistine said unto David, Am I a dog, that thou comest to me with stones? And the philistine cursed David by his gods*”. Despite all those drama David's focus and seriousness was intact. He never allowed Goliath to take him down. **Respect God by respecting His interest on you.** Oh yes, God invested in you and you need to be aware of the investment to dwell in the height He already planned for you. This is the very reason why the devil fights your boldness and commitment. Yes, He fights your confidence, because in your confidence is the communication of your faith. I pray for you, receive boldness and confidence as you are entering into the promised season of wonders and testimonies. Yes, you are pushing forth into the season of amazing things. **Don't walk around feeling apologetic but move around looking blessed for you are blessed and energised in Jesus name, Amen!**

Prayer Points: Worship God using song 2: Page 121

1. Oh God I thank you for your word to me.
2. My Father, give me the grace to never accept any form of intimidation.
3. I shall not be suppressed or limited in any form in Jesus name, Amen!

TEXT: (1 Samuel 17 vs. 44 – 47)

To take charge of the situation you must be deliberate about speaking the right thing always. When you say the right thing, then right things must happen for you. See with me verse 45 of today's scripture where it says, “*Then said David to the philistine, thou comest to me with sword, and with a spear, and with a shield: but I come to thee in the name of the Lord of hosts, the God of the armies of Israel, whom thou hast defied*”. **Defensive words are where the power lies.** A child of God at no time is not allowed to embrace any form of intimidation from the devil. A child of God is called into newness of life and good experiences by his outspoken word. From the scripture studied, we saw the threats of Goliath and he meant them, but threats don't survive a Godly response. David said, “***I came to thee in the name of the Lord of hosts, the God of the armies of Israel.***” Weapons are powerful but not in a battle where Jehovah is involved. This explains the reason why Goliath's death was a mystery by one short, why because Jehovah God does not miss target. Irrespective of how huge or massive the threat may look bring God's word to it, it cannot survive in time. Yes, bring God's threat to that threatening situation it cannot survive in time. Yes, the threat of illness and disease cannot survive the proclamation of the word of God. Intimidating circumstances will always come but the righteous the Bible said is as bold as a lion (Proverb 28 vs. 1). We are bold because we are sure we are not condemnable by anything; shout fire! We are also bold because we are certain of our place in victory. We are sure of our lives in Christ. Yes, we are also sure of the authority we possess, hence nothing has the capacity to get us condemned in Jesus name, Amen! Get lose from that intimidating mentality, you deserve everything good. Yes, you deserve greatness and mightiness. You deserve celebration, you deserve good marriage. Develop the mind that accept for yourself what your father would offer to you by Himself. Be selective in your choices, Amen!

TEXT: (Mark 11 vs. 1 – 4)

A lot of persons are presently experiencing a bitter life for the reason of the mission or task they are involved in. As you ponder on that I welcome you to the path of God's glory and honour. **No man honours like God would do and frankly speaking He honours what He sponsors and sponsors what He recommends.** This does not mean in any way there should be opposition in missions ordained by God. God's assurance results to ultimate testimonies and wonders. There are many marriages where the fruit of the womb kept them on their knees, but this does not mean that it was not God who inspired the marriage but one thing about what God sponsors is that He announces Himself on it. Somebody following this voice of God should witness the response of God in Jesus name, Amen! In today's scripture verse 4 says, *“And they went their way, and found the Calf tied by the door without, in a place where two ways met and they lose Him!”* God sent them on a mission and they found the promised description. One of the things the Lord is mostly careful to do for a believer is to show Him the direction of where He is going. He said to the people of Israel I am taking you to Canaan. In case you don't hear from God through dreams, voices and the rest, receive the impact now in Jesus name, Amen! Another category of persons we will be praying for now are those individuals who are presently in a journey of life where God asked them to walk yet they have not seen the fulfilled promises, in Jesus name we declare the manifestation of the promises right now in Jesus name, Amen! In that very path of God you are treading now, you shall find fulfilment, you shall find establishment in Jesus name, Amen! I pray for someone that my God shall appear as He represents in your life, Amen! Yes in the path of godliness you shall meet your spouse, Amen! Yes, in that very path of Godliness you shall cease from lack and emptiness. Jesus spoke to them about a calf and they found it, may you find what God has spoken to you about in Jesus name, Amen!

1. Oh God I thank you for your word to me.

3. Father, I receive fulfilment on my journey as you recommend.

TEXT: (Mark 11 vs. 5 – 8)

Within the assignment of God are His promises; most times we are not told about the opposition to the promise. Many times I have seen situations where people do things that were recommended by God yet within the process there were battles. Before the Coronavirus spread and lockdown in 2020, one of our associates in Dubia called me and was telling me of his plan to come to Europe for a Job, asking if God would recommend that journey for Him. I told him to give me sometime let me ask God first because applying for that job means leaving everything he was doing in Dubia for it. According to him many persons were already applying for it among his friends. When I asked God he showed me where those who applied for it were stranded and He added that even if he must apply, he should wait till April before doing that, this was happening around February 2020. I replied him as I heard and he held back his plan of travelling and applying for the job. From that revelation I didn't know that God was talking about the global lockdown, then I was even in school trying to round up my mathematical programme. All those who applied within those periods were stranded. Listening to God prevents damages. More honourable it is, the privilege to hear God. Though we are not determining that every door that closed is against God's will for you. For some of us, it is the Lord that closes those doors to open a better and a wider one. A door closed by God may not be defined at that time but as time progresses you will see why. Some of you, all God wanted you to pick is experiences (I will speak more on this later). How do one overcome satanic opposition in a promise that is within the Lord's mission, simple and straight. Remind the opposition forces about the one who promised and the owner of the mission. Your marriage is God's, your business is God's therefore remind the opposition. See verse 5 of today's scripture where the opposition was reminded, *“And certain of them that stood there said unto them, what do ye, losing the colt and they said unto them even as Jesus had commanded: and they let them go”*. “They” there are forces and powers that tries to question your authority, reply them with the name of Jesus. The same voice that asked who is the king of glory in (Psalm 24) **Tell them it is Jesus, the Lord Almighty, the one mighty in battle!”**

Prayer Points: Worship God in your own way.

1. Father, I receive your authentication in my life and destiny.
2. Lord, I provoke testimonies of assurance in your sent mission of my life.
3. I shall not be enslaved by circumstances in Jesus name, Amen!

TEXT: (Isaiah 23 vs. 14 – 17)

One of the ways to go far with God is to build the life style of discipline. When you are disciplined then you can go far with God. For the disciplined God can count on you. Many persons never does anything without compromise of faith. Some persons weakness is money, lust, envy, jealousy, and bitterness. Before God takes you far, he helps you out of these tests. There are people who started serving God by the inspiration of money, with thoughts like: can't you remember that brother when he started he has nothing but now houses, cars even Jets are no longer his need. These are systems in people's life where they are what they are not to the glory of God. As a result some of them entered into ministry and they cannot endure God's refining process so they look for alternatives that are Godless. If it is the Lord that will build you, He takes step by step efforts and process. There are seasons of labour and seasons of reward. One of my fathers' in the Lord Evan. Joshua Chukwujekwu calls it seasons of sowing and harvest. I have seen people who once carried Bible as ministers but now are traditionalists' even native doctors. They were too impatient to step on the Lord's mark. Jesus was tempted with food while he was hungry, fame and riches while he was poor and unpopular. He was also tempted with daring the power of God while He was asked to jump from the high tower. He succeeded by resisting the devil. There are many of us who are more sustained and helped by the mercy of God. I have seen situations where brothers are having affair with someone's wife, dragging someone else's possession, forgetting that the day is coming when all these things will not matter anymore. God's mercy is huge but sometimes His mercy cannot bring you to a journey where you are not willing to go. You are not in a responsibility-free faith. Satan entered Judas Iscariot's heart but Judas accepted him without any form of resistance and not long he found himself misbehaving. You are still peaceful after an act that misrepresented God then the Holy spirit is absent in your heart. (Isaiah 23 vs. 17) says, "Yes, after several years the Lord will revive Tyre. But she will be no different than she was before. She will again be a prostitute to all kingdoms around the world". God revived tyre after destruction came upon her but she will not be different. For that reason why you seemed to be frustrated and destroyed. will you still be found in the same crisis.

WELCOME TO MAY

THEME

Testimony.

I welcome you before the one who alone is Jehovah. If you want to represent God fully this season the most important capsule is to get ready and involve in sacrifices. The fastest question you really need to answer is what can I do for God. Countless seasons of prayers, fasting, shutting down the television being alone with God, avoid things that can pull you down through the help of God. These and more are effective means of waiting on the Lord and seeing His hand coming. If you desire for the far stretching of God, glory be to His holy name but the question also is, how much can you give to Him? I gave my life to Jesus as a child boy, age 11 back then, immediately I jumped into the Lord's service. God has helped me in many ways, where I can't represent perfectly enough His grace carried me. Today's scripture reveal the secret of Deborah, the one whom we always celebrate. Here her secret was revealed in verse 5 of today's scripture where it says, *“And she dwelt under the palm tree in Ramah and Bethel in mount Ephraim; and the children of Israel came up to her for judgement”*. The lady dwelt in mountain Ephraim between Ramah and Bethel. **A pitch of concentration. Despite the outskirts people came there to meet her for their needs and destiny.** You cannot be an eater and make maximum impact. You cannot be the type that tears ladies pants, rejoicing in your acts and make impact. The impact focussed starts with the mind of being disciplined in a cause. Arrange yourself and get prepared for impact, retract from old ways that limits your speed. It was Kathrine Kuman that asked, “Should I follow Jesus whom I love, who died for me or I should follow the man I loved”. Behind the healing Crusades was a lady whose emotional needs were kept aside for the kingdom to be lifted. Someone could be asking why did God plant emotion on man, when He wanted man to mind Him alone. The answer is that human life is classic and designed to link with each other and at the same time God needs our attention also. **Plan, pray, work hard, get a godly spouse and do exploit**

TEXT: (Proverb 16 vs. 25)

Some persons behaves stupid in their actions yet are classified as being smart but life is not certainly designed that way. I welcome you to the hub where the opinion of God is revealed. Is not bad to be desperate over things, desperation is the secret behind tremendous success and achievements. What you are not desperate about you may not achieve, but in your desperate moves and effort apply wisdom of God. You are not certainly the only one who came from a poor family and there are people whose situations are worse than yours but their story have changed, this tells that stories changes. Instead of being evil, going evil, playing dangerous cards to settle those need why not be patient and try something new. When I began to write COF; it was a vision God asked me to carry out. When He first brought the idea I saw how productive the vision is and I believed God to help us start, of course we started but the journey was not an easy one. The first production half of it was not sold before it expired. In the process of writing this, God has rewarded me in many ways that the revenue from this writing cannot do. We have shared more free copies than we have sold, the effort, sleepless night and all that is to see that the name of Jesus is exalted. At a time you have every reason to be discouraged, confused and to some extent frustrated. Those who took the wrong step may seem to be ahead but forget them, the end justifies the means. If you are dogged about your task, open with your mind and determined about your goal, Jehovah will prosper you. **To be smart is to build something, have something and watch it grow.** Believe in yourself and the Lord shall bring great things your way. Someone said, **“The problem with the world is that the stupid are cocksure (confident) and the intelligent are full of doubt”**. Speak, never subject yourself to fraud and money gotten by evil pursuit, through prostitution, bribery, robbery, and thieving. Your real self is the self in you that responds when the evil you know and avoid stands to be the only option you have. Today's scripture says, **“There is a way that seemeth right unto a man, but the end thereof are the ways of death”**.

1. Jesus, I thank you for your word to me.
2. Father, assist me with your power and might.
3. Oh Lord I receive the grace to excel in my endeavours.

TEXT: (Proverb 1 vs. 28 – 32)

Robert Kogan was the one who said, **“What we mean by maturity in people's thinking is not a matter of how smart they are, but it is a matter of the order of consciousness in which they exercise their smartness or their lack of it”**. I welcome you before Jehovah the man of love. God has a plan for you but the point is can you follow Him to reach His plan for you. Someone shared a story of how a girl went to hotel with a man, on reaching the hotel room the man undressed his shirt and at his back was a rotten wound. Then he opened a brief case he came with and brought out snake. He gave the girl options of either licking the rotten wound or sleep with the snake for 200k. The girl wanted to run out of the room but some guards blocked her exit. She submitted to sleep with the snake after which she got her 200k, but she only lived to share the story and explained what happened. Some risk, does not worth it. Evil have escalated, most young people don't want to work anymore; involving in internet scam and the rest. Smartness is knowing what is right and doing just that. Who could have told Joseph that the throne awaits him from the day he refused to sleep with Potiphar's wife. You only know what you have planned and even your plan is not sure to come out the very way you have planned, but God who asked you to be integrity wise knows how to reward every good act. **Life is a very long journey to determine its progress by today's success.** Someone who doesn't fear God you are looking at might seem to be prospering but heading towards destruction. Absalom read history and saw how his father became king but he felt it was what that time and generation of life suggested. He applied the modern system he assumed, by attacking his father to take the throne, yet the throne he never smelt and he was never buried, his body was thrown into a pit. The way of God is same, His foundation is sure (2 Timothy 2 vs. 19) also digest verse 32 of today's scripture, **“For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them”**. **God bless you!**

Prayer Points: Worship God using song 5: Page 124

1. Oh God I thank you for your word to me.
2. Father, I receive the grace to triumph in all my endeavours.

TEXT: (Matthew 15 vs. 10 – 13)

Verse 13) of today's scripture says, ***“But he answered and said, every plant which my heavenly father hath not planted shall be rooted up”***. The question is what and what are planted against the Lord. God is the one who plants. I can't really tell but this series of COF is minding on establishing what can outlast the pressures of time with God. Jesus spoke out a word contradicting the opinion of the Pharisees but they couldn't bear it. They cannot endure the sound gospel. Now the disciples were concerned that the Pharisees were offended. Jesus responded saying, “Since it was not the Lord that planted them, they shall be rooted up. It was not God who planted that sickness on you. Yes it is not the Lord who planted stagnation on you. By the force of God that controls the atmosphere I announce your freedom and your deliverance in Jesus name, Amen! It w(as not the Lord that planted that disease. Yes, it was not the Lord that planted that rejection you kept on experiencing. It can't be the Lord because the Lord's touch is always good. Say with me: **“In the name of Jesus, Whatever that Jehovah has not planted around me which limits my life, growth, wealth, health, honour, I command be thou rooted up from the root according to the word of God”**. I am seeing a sight condition the Lord just touched now. Someone who is having serious case of forgetfulness, that embargo is broken right now in Jesus name, Amen!” In Jesus name, impossibilities are made possible today and forever, Amen!” **“Every plant”**, the Pharisees anger meant nothing. Jesus was equally telling His disciples that their joining together means nothing and because of that they shall be rooted up, since it was not the Lord that planted them. It doesn't matter those that have risen against you, and the shits they have said about you. Speaking against you in the ears of those God has placed to lift you, forget them, it was not Jehovah that planted them, and certainly they shall be rooted up”. Dwell in the light and countenance of your testimony. God bless you. Amen!”

1. Oh God, I thank you for your power in my life and destiny.
2. Father, today I announce the uprooting of all that Jehovah has not planted in me.

TEXT: (Psalm 34 vs. 10-22)

I welcome you to the sanctuary of the governor of life Himself. Having the understanding that this unfavourable condition of yours is not the extent of your life's journey, is enough to plant in you the capacity to live far better beyond the shells of your present affliction. **“No one can tell what goes on in-between the person you were and the person you become. No one can chart that blue and lonely section of hell. There are no maps of the change. You just come out the other side or you don't”** (Stephen King). Though the days are dark and the time is far spent but the bright sky awaits anyone that hopes a better life from God. See this: Three years ago my ex-husband threw me out of the house with nothing but duffle bag with a change of clothes and a plane ticket to my home state. His reason was because I was mentally ill and he was “tired of trying to fix me”. I was homeless for a year before I found a home in a group of the mentally ill. I spent a year and a half there before I moved into a supervised apartment, enrolled in GED school, adopted a pet, and got my first job doing volunteer work today. Sorry for bragging. I just can't believe how far I have come (By M. J January 5th 2019). You see, God is not someone you run with, when you don't have vision for a better day. **“For without faith it is impossible to please God”** (Hebrew 11 vs. 6). I have met men who cried to my witness because of the setback they were facing in business but today are millionaires. There is an extent you are about to reach from this present, don't conclude your journey on that unfavourable destination. There is a level to shift. There is a better place to go. There is a testimony ahead. Oh Yes! God whispered to our hearing in verse 19 of today's scripture saying, **“Many are the afflictions of the righteous but the Lord delivereth him out of them all”**. Digest this: **“Out of them all”**. Beat your chest and say after me: **“In the name of Jesus, I am not concluding my journey here”**.

Prayer Points: Worship God in your own way.

1. My God arise and take me to where you are taking me by your hand.
2. OH God may I never conclude my journey at the wrong place.

TEXT: (Luke 21 vs. 11-18), (Psalm 78 vs. 5)

Keeping a testimony attracts more of it. Sharing a testimony brings more of it. *“The law of the Lord is perfect converting the soul; the testimony of the Lord is sure making wise the simple”* (Psalm 19 vs. 7). As 2021 is running, you got to challenge it with a testimony. It takes a testimony to remind the devil of such a failure he is. When you testify, you remind God of how powerful He has been and what you hope to get from Him. Some persons have ignored their testimonies saying they are not good at testimonies but God is saying to someone today, testify! On December 25th 2018 a brother testified to my hearing saying, “I was on the January fasting close 2018. And God servant (Isaac Chidolue) after prophesying to me, noticed that I am broke, so broke that I had no dime with me but he told me that by the end of 2018 I will be a millionaire. He also gave me money from his pocket saying, “This money will attract millions for you”. As God may have it from that day, my story changed, I got a business contact which offered me goods in millions on credit and by December 2018 just within a year God has done as He said, I am now doing business running in millions (Bro Chijioke). When testimonies are given, miracles are possessed. When heaven reacts, testimonies are born. God gives you testimony to surprise your present challenges. David said, *“The Lord by whose strength I killed both the lions and the bear, by the same strength I will destroy Goliath”*. Testify today, to the hearing of the devil. By the Lord whom I succeeded my previous semesters in school, I shall succeed on this one. By the Lord whom I was lifted and promoted I shall be lifted again to another height. It is the duty of a Christian to keep his testimony. Your testimony includes your salvation and journey with God so far, the result of your fellowship with Him. I decree upon you, **“May God give you testimonies this season in Jesus name, Amen!”** Remember when you eat God's testimonies, you starve for another. **Share God's glory and goodness.**

TEXT: (Proverb 28 vs. 7 – 9)

Nobody has known it all at all times, in all places and in all circumstances. I welcome you to a divine encounter with God. The path of the wise is the path of counsel. Anybody who doesn't listen to others especially those who are of value is far from success. I believe that today this story will certainly go a long way in educating you. Once a time it was a cold and silent night. The weather was freezing cold. A group of monkeys was on a tree. They were clinging to its branches, one of the Monkeys said, “I wish we could find some fire, it will help us to keep warm”. Suddenly they noticed a flock of fireflies. One of the monkeys thought it was fire. He caught a firefly, he put it under a dry leaf and started blowing at it. Some other Monkeys also joined in his efforts. In the meanwhile, a sparrow came flying to its nest, which was on the same tree where monkeys were sitting on. She noticed what they were doing. The sparrow laughed. She said, “Hey silly Monkeys that is a firefly, not real fire, I think all of you should take shelter in a cave”. The monkeys did not listen to the sparrow. They continued to blow at the poor firefly. After sometime, the Monkeys became very tired. Now they realised that what the sparrow had said was correct. They set free the firefly and moved to a nearby cave. While persistence is one of the most defining qualities of success, there is always something new to be learned every day! Surely the monkeys were persistence but their hard work didn't pay because they didn't listen. Is not everyone who declined to the plan you have that is your enemy, some of them saw what you couldn't see. To listen to people of value and seek counsel from those who have succeeded in the course you want to embark on is a major medium of escaping a tearful condition. The voice of God is real but sometime He uses the voices around us to communicate to us. *“He that turneth away his ear from learning the law, even his prayers shall be abomination”*. Note: Not that his prayers shall not be answered, but it shall be abomination. Imagine if the monkeys were praying for the firefly to be fire. God can send fire but I don't think He would want to turn a firefly into a matches. A lawless labour results to emptiness.

1. Oh God I thank you for your word to me.
2. Jesus, make me wise and help me to listen.
3. Father, help me to make the right choice at all times.

TEXT: (Lamentation 3 vs. 21-37)

It is lamenting at the depth in which love seems to have disappeared from the house of God. We have turned into more of judges and less of lovers. More of speakers and less of actors. More of selfish-interest and less of compassion. If he is actually wrong and we have proven him to be wrong indeed, should we kill him for being wrong? People make mistakes; yes, humans are weak and God loves them even with that, why then do we claim to serve God and yet judges people the way God wouldn't have judged them. What a sinner a pastor is who has centred his sermon on the errors of another servant of God. Probably he was caught in the sin of fornication and your sermon was shifted from Christ to analytic judgement of a man whom you cannot categorically describe his state with God at the moment. **God's word rebukes sin but does not condemn sinners.** Yes, someone said, **“Christians who understands the depth of God's unconditional love also feel the need to share that same love with others around them”**. Love takes on many forms and shapes in each of our earthly relationships; but they will be much more impactful when based on the agape love of Christ. See again verse 22 of today's scripture, **“It is of the Lord's mercies that we are not consumed, because his compassion fail not”** (God's compassion fails not). Oh, the Spirit emphasising on this says to us from today's scripture verse 32 saying, *“But though he cause grief, yet will he have compassion according to the multitude of his mercies”*. Don't condemn who God hasn't condemned. People are more real where they are loved. As God's servant, I have children who relates to me the deepest secret of their lives. I also have Fathers who I tell how I slept and where I slept. **People develop to better persons, when they are loved for who they are and counselled to become better persons.** Just accommodate people's flaw and admonish them to be like Christ and there will be genuine Christians not hypocrites. It was Victor Hogo that said, **“The greatest happiness of life is the conviction that we are loved; loved for ourselves, or rather, loved in spite of ourselves”**. May God awake His church to love indeed.

TEXT: (Isaiah 45 vs. 8 – 12), (Genesis 1 vs. 27)

God's impact on man is above anything else that would want to challenge man's existence. It is in the true nature of God that authority is revealed. One of the things man has forgotten too early is that He is a product of God. If men realises whose product they are, their impact will be wider. The fire they bear will be heavy. **You are more of God than man.** Today's second scripture says, "*So God created man in his own image, in the image of God created he him; male and female created he them*". In the image of God you are formed. You are not just a system with sub-systems on it, you are the product of God. The products of men attains to height of efficiency but imagine when it involves the product of Jehovah Himself. **You don't just carry a body godly dignified, you also carry a spirit highly exalted.** God's products don't exist on the mercy of anything, they are omnipotent on their own. Yes, God's product are not manipulated by the occult kingdoms or forces. God's image is not programmed to end up in frustration. It is high time you start manifesting the power and grace you bear. God didn't create us as machines, He created us as His seeds. **You are a God in your territory.** See verse 11B of today's scripture where it says, "*Ask me of things to come concerning my sons and concerning the work of my hands command ye me*". God said, things to come concerning His son. Brethren note: God didn't say things I will do concerning... but things to come, this tells that Jehovah has gotten your life figured out. **You are not here by chance, you are here to walk in the pattern of the all-knowing Jehovah.** Though it looks like you are born in a manger (low place) but he has planned a throne for you where the world will celebrate you. I prophecy that someone is 'in' for a drastic shift that will shake the world. Be an African, European, Asian and anywhere you are in the ,God's choice for you is divine. Finally digest today's scripture, "*I have made the earth and created man upon it: I even my hands have stretched out the heavens and all their hosts have I commanded*". Now command the earth and its host to favour you. like you copied from your Father.

TEXT: (Hebrew 12 vs. 1-8), (1 Kings 6 vs. 1-2)

When you are done can you imagine of a reason to try again to get it done, to prove yourself again. **Being done at this point wasn't part of the plan before you began.** Do you know the amazing thing about the feeling to be done? It is the feeling everyone who has brought something amazing on the table had once in their lives. Thomas Edison did, likewise Henry ford, Isaac Newton, Peter the Apostle, I also have felt like that sometimes, Jesus felt the same way too but he didn't give-in to it; Personally I have found reasons not to give up in Him. It was well printed within the second verse of today's scripture, "*Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God*". Initially I wanted to read medicine and surgery in school; that was my passion from a very young stage of my life. The look was on me, I was many times addressed as a doctor by so many persons. I started practising as a child with my sister practising nurse. Of course today she is a nurse but my struggle to enrol ended up with several disappointments. At a very young stage of my life I have known that I am created to serve God within the whole time I live. Though I had the passion to read medicine and surgery just for the experience I wasn't dreaming to practise it or further it after I have gotten the degree. My family understood the vision I had and did everything within their power to support me, spend money and all that. One day while I was still reading my Cambridge A-level an angel appeared to me in a dream saying "**God doesn't want you to read medicine, He wants you to use the time for something else. Reading it will delay the time He wants you to be useful to Him.**" The encounter was plain and clear. He told me, "You can read anything to PhD level but forget about medicine and surgery. When I was done with my Cambridge A-level, God commanded me to serve Him faithfully for a period of 2 years before He will consider retrieving my studies and I did. Brethren within that 2 years a lot happened and this vision was born. Exactly when two years were over my studies were retrieved; today, I am almost concluding as a Mathematician. Guess what? I am happier and better. Except if you don't want to advance in life, you can quit. Except if you really desire to live that average life that has no impact in this generation, yes, you can quit! God sponsors His will in your life and prevents what is not His will for you. Yes, you are the next champion. I am fully aware of where God is taking me, I don't know about you? I am so confident that He is about to make me a news in the world. I don't about you. Scream Jesus!

Prayer Points: Worship God in your own way.

1. Ask God for the grace to never remain a limited place just as the Prophets did in today's second scripture.
2. Give me the grace to never give up, to endure my training process.

TEXT: (Psalm 73 vs. 22-28), (Psalm 102 vs. 18-22)

The flag is a sign or symbol that represents a nation, organisation/body. When a flag is raised or waved it declares the presence of what it represents. God revealed to us in verse 21 of today's second scripture says, *"To declare the name of the Lord in Zion and His praise in Jerusalem (wave God's flag)"*. In a letter to Patrick H. Brady, Col, Day recounted his personal recollections of Mike Christian, POW. The letter was centred in testimony on the flag protection constitutional amendment before the US senate Judiciary committee. Dear Pat: No one loves liberty more than those who lose it... and lose it for a long time. I was shot down on August 26 1967.... Captured, escaped and was recaptured some weeks later. I spent 38 months of my 67 months in solitary (alone). Where I had the time to sort out what is important and what is not. I started my daily regimen by first saying the pledge allegiance to the flag, then reciting the Lord's Prayer; and then praying for my family. The reason of doing that in that order was that I knew above all other things that my country would not desert me and it was of utmost importance that I do not desert my flag! She was my link to civilisation. At a time Mike Christian crafted a homemade flag from scrapes. He sewed it inside one of His shirt and at the pledge time he would turn the shirt wrong side out, hang it on a line and we (40 men) would say the pledge and render a hand salute. They found Mike and beat hell out of Him for hours. After a few days Mike approached me saying, **"They got the flag... but they didn't get the needle I made it with. If you agree... I'm making another flag!"** My answer was "Do it". When we stand to wave the flag of God in our generation; narrowing to our society. It is not on the purpose of pleasing others but on the knowledge of above all things our country will not desert us. Heaven is my country, declaring the name of God is how I wave the flag. When we wave this flag we melt down the powers and purpose of the wicked. Imagine after building a sky scraper on top of it was written, "Who can battle with the Lord?" After creating a new company the motto is 'Jesus Saves'. You create an airline and name it, 'Salvation Airline'. Build a new school and name it 'Good Shepard'. Let's wave the flag of Christ. If men does that for their local country, why can't we do it for our eternal country. "Heaven".

TEXT: (Ephesians 5 vs. 27 – 33)

Don't marry anyone because you are selfish and wanted to escape singlehood yet you are not willing to assist those individuals in their visions. Welcome to God's own presence. Someone said, **"The greatest marriage are built on teamwork, a mutual respect, a healthy dose of admiration and a never ending portion of love and grace"**. Marriage has been sabotaged in the society because roles are misinterpreted and knowledge is missing. Recently there was a story that combed through the air waves of the social media, of a woman whose husband was building their family house and stopped at a point because of lack of finances. He believed his wife was making money and asked for her assistance, she declined saying she had no money. Not long after she went to buy a land worth of 18 million naira and was defrauded by fraudsters. Paid them 18 million naira for a land with fake documents. Why should you be with someone and not feel their pain? Why should you be with someone and don't understand what they go through? Why together, if you can't work together? It is a shame that some persons are deliberately giving satan space in their homes. Verse 31 of today's scripture says, **"For this cause shall a man leave his father and mother, and shall be joined unto his wife, and they two shall be one flesh"**. How can they be joined, yet don't feel each other? How can they be one flesh, yet ignore each other. **I pray for you in Jesus name, your marriage shall never suffer loss in Jesus name, Amen!** A man should take his ground in the house and be the man. Men are Alpha built, take decisions and command your house. By general studies, I have been able to understand that a house that is not commanded becomes less of the value expected from it. A commanded house abide to a core value. You are not called in a house to play the feminine role as a man. You think God has a different opinion about this then see (Genesis 18 vs. 19): Saying, *"For I know him, that he will command his children and his house hold after him, and they shall keep the way of the Lord"*. The bible said, men should love their wives because sometimes by their mysterious nature it is doubted if they actually do, but now most men lack mystery and few women's heart have departed from their husbands. I decree, let Jehovah in His infinite wisdom govern your home. **Be a blessing in your marriage by bearing the burdens of your spouse.**

TEXT: (1 Kings 18 vs. 21-39)

I welcome you to the page of the Lord. The battle between light and darkness is a contest. Having knowledge of the Lord's battle keeps you on advantage above the enemy. The power of God is the ageless, matchless and undisputable power. **It has no competitor but the wicked ones aren't aware, yes, it is left for you to show them the God you serve.** The power of God responds to anyone that yields to it. God proves Himself to anyone who calls on Him. Your inability to draw the wicked to a challenge keeps you confined and limited. Battle between light and darkness is a contest. This is applicable everywhere and anywhere. ***“And the light shineth in darkness and the darkness comprehended it not”*** (1 John 1 vs. 5). Verse 24 of today's scripture says, ***“And call ye on the name of your gods, and I will call on the name of the LORD: and the God that answereth by fire, let Him be God”***. Let the God who answers be God. For you to create Testimonies within the remaining days of this month, you must also be willing to create challenges. It is an error to allow an occult competitor to progress above how you progress in any field or business you represent. Though they prosper but with time you need to overtake them. It is improper to believe that wealth belongs to the evil ones. It is a crime to submit yourself to fear because of the threat and moves of the evil neighbours. Our God doesn't run from challenges rather He creates them to make a public show of the enemy. **God starts moving from mind-set, it take your believe to begin wonders.** Ken Sande said, ***“What are you really living for? It's crucial to realise that you either glorify God or you glorify something or someone else. You are always making something look big. If you don't glorify God when you are involved in a conflict, you inevitably show that something else rules your heart”***. When you decree your state to the hearing of others through the strength of God, God must honour it and glorify himself. Lay your hands on your chest and say after me, ***‘Oh God I demand that my life shall glorify you alone and I bring to subjection any power or kingdom creating a challenge around me. Amen!’***

TEXT: (1 Samuel 9 vs. 27), (Proverb 30 vs. 5-12)

I welcome you to the theatre of the custodian of life. Our today's first scripture says, ***“...But stand thou still a while, that I may show thee the word of God”*** (KJV). ***“...you stay with me for a bit. I have a word of God to give you”***(MSG). God's word is not received with absent mindedness. God's word is not prepared for with divided attention for the person hopping to be used by God, He must get himself ready to be spoken-to by God. The scripture says, ***“Stand thou still a while”***. In this our time many of us have found it as part of normal activity to add God's word among the activities to be observed during a program. Most times they put it among the last thing that should be treated when other sub activities will be going on. I was in a wedding to minster sometime ago. The wedding was well prepared for and spent for, but the word of God was programmed to take place while food is been shared and the attention of the audience was not there, I only spoke for 5mins and ended the sermon though God being God 5 minutes brought some souls to the kingdom. God's word should be treated as the most essential part of any gathering where it is hopped to take place. God's word is given to people, it is not just heard, so a busy hand may not collect it. At the concentration of my personal study; you don't get mystery with diverted mind. I can't write COF to the witness of another. It is always written in a hidden place, shut doors and away from other approaches so that God's mind will properly be communicated. God reminded us of the essence of this through His word saying, ***‘... that I may show thee word of God’***. This shows that God's word is not just spoken but revealed. You don't attend a program just to hear God's word but to receive from the revelation of His word. Dear Pastor, note that God's word is revealed, it is a display terms of His thought. It is a lecture time with the Holy Ghost. It reveals God in a way the man sitting had not known before. You didn't preach well based on the amount of ‘ride on sir’, you got but based on how careful you are to speak the mind of God. It takes the heaviness of God's word to connect a man to His spirit where He receives from God. The time I know that what God is saying through me is impactful is when I hear a tongue blow at the background. When I see men amazed by the wisdom of God. Preaching what attracts 'ride on' from men may be attracting 'get rid' from God. Most time when I want to prepare God's word for a meeting, I will hear God ask, ***“Do you want to peach what I have for them or what you want for them?”***
In the content of God's word lays his revelation for your solution.

1. Oh God today, I ask that you plant the Spirit of your word in me.
2. Jesus, help me with the content of your word.
3. Mighty God increase your grace upon me.

TEXT: (Proverb 30 vs. 5-12), (Acts 12 vs. 19-25)

For every preacher hear this: “Men can turn a preacher of God's word to a speaker of men's heart”. When you care to get appreciation after speaking God's word and no one appreciates you, you may then seek to impress more of men than God. Verse 5 of today's scripture says, *“Every word of God is pure”*. God's word should be judged and treated based on the amount of purity it creates. There are occasions where men will say something but ended up mocking God. God's word doesn't condemn but edifies; gives more hope of righteousness to the righteous. Verse 22 of today's scripture says, *“And the people gave a shout saying, it is the voice of God and not a man”*. Very mystical. There was no sign of pride Herod exhibited. Seeing verse 23 of today's scripture says, *“And immediately the angel of the Lord smote him, because he gave not God the glory: and he was eaten of worms, and gave up the ghost”*. Dear, preacher, guide your walls. Refuse that scream that is not for the glory of God. Just by their shout and praise Herod died. Note: Herod's words were not unrighteous because his voice was described like that of a god. Yet God killed Him not because of what He said but because of men's reaction. If you must preach God's word, preach with authority, rebuke any analogy around despite who is involved. We have pampered men too much that they are beginning to handle God's word with less attention and interest. **God is saying to someone be more of a preacher of me than a preacher to men.** John Stott said, “We must allow the word of God to confront us, to disturb our security, to undermine our complacency and overthrow our pattern of thought and behaviour”. If you are a preacher preach with authority, promote the right of God and make people not to misbehave as the word is moving. Digest this: **“The soul can do without everything except the word of God, with which all of its wants are provided for”** (Martin Luther).

TEXT: (Genesis 29 vs. 15 – 20)

Where intention is lacking everything is welcomed as what was needed or what should be. Intention is the reason behind execution. Intention is the justifier of success. Compound success attracts external knowledge, which in turn celebrates it but basically it takes little success that aligns with intention to make the compound ones. As a matter of fact in any task you are willing to involve yourself be intentional. Don't do the job you are doing because it is available, do it because it is what you planned to do. I am not saying you should stay idol until what you plan comes, there are sub-plans that can take place before the main plan surfaces. I think is important you consider these line: **“Intentions are clearer with an understandable plan”**. “Sometimes the actualization of intention looks far but it will determine the basics we involved ourselves with”. **A clear life never misses success.** If you aligned with God, He brings around you things that has the capacity to actualize His intentions around you. When Jacob went to marry Rachel, He was so intentional, in verse 17 – 18 of today's scripture it says, *“Leah was tender eyed; but Rachel was beautiful and well favoured”*. Verse 18 says, *“And Jacob loved Rachel...”* He loved her because she was beautiful and well favoured. Ladies should listen: **“To be beautiful and tender eyed is fine but to be well favoured is better”**. The reason why most amazing relationships that would have led to marriage clashed was because the lady could either be tender eyed or beautiful but not well favoured. **The advantage of Rachel over Leah was divine, because she was well favoured.** This was why Jacob's service for 7 years to have her appeared as few number of days to him (Genesis 29 vs. 20). People can actually be age mates but not favour mates. It is God's favour that will bring someone to you, who will stay around and be zealous to see you prosper! The same goes in every area of life, **be intentional.** God has reason why He sent His son Jesus Christ (John 3 vs. 16), (John 10 vs. 10). Jesus had a reason why He died on the cross and resurrected (John 14 vs. 3), (John 16 vs. 7). **The real question is what is the reason why you have woken up today?** What is the reason why you are walking in this month? What is the reason why the day is going as it is going for you? May God help and assist you.

1. Oh God I thank you for your word to me.
2. Jesus, help me with good intentions and grace to follow you.
3. Father, restore my focus to life and help me to persist to good cause.

TEXT: (Malachi 1 vs. 1-8)

God takes no recognition of you until you serve according to His plan for you. What conviction do you have before doing what you are doing? Under whose grace were you called to serve? Are you just serving the church or are you serving God? **Any service within the house of God that is not anchored on the voice of God has no reward.** Pastors, we should not recruit more workers but pray that God should send labourers. God helping me after my second year in the Lord I haven't served anywhere without His voice likewise my Children and Fathers. A man who serves God outside of His direction/voice is compelled, but the fellow who serve by His recommendation is inspired to do more. It takes the voice of God to make noise for Him in your service. Serving God begins with serving His own (Servant). Meditate on verse 6 of today's scripture. Let God tell you today where to serve and how to serve. I heard one of the respected Pastors I know saying that in His church long ago, as a leader of a particular group he resigned. Reason being that in the dream of the night He met the lord as He came with an assessment file to grade their participation/effort as group members. According to Him the major calling of the group is to Evangelize which includes morning crying, hospital visitation and others. The members were cooperating effectively and group moving so sound. The most graded of the members was a brother who wasn't responsive in most of the evangelism activities but he brings money sometimes to the group leader to enable them power their evangelism instruments either through batteries or fuelling. Though other members scored reasonable scores but as the leader he scored zero (0). He asked the Lord, what have I done and God replied softly saying, **“Have you asked me what to do? Have I showed you your office before?”** Who is your Master? Where were you sent to serve? Jesus was sent by God to men, Moses to Jethro, Samuel to Eli/Israel, Peter to Christ, I to CRP and this generation. Who Master's your service? Don't be compelled to serve but be led to serve.

TEXT: (1 Corinthians 13 vs. 28 – 33)

Many persons are revealed to danger! Being around a high-tension is risky but not bad, but what happens when those around ask you to touch it and verify whether it shocks for them. **The dangerous society is not the problem, the problem is the people surrounding you.** If God wants to lift a man, He bring men close to him, so what do you think the devil will do if he wants to bring a man down? Devil copies the same. Some persons you met in life are not there for your lifting and progress. Is not everyone that came across you came for blessing and upliftment. There are people who are not in a good condition of life today and it wouldn't have been so if it is not for the person that came across them. There was this lady who had sickle cell anemia. Irrespective of the blood dysfunction she appears diligent and good to be with, you can hardly come across her and will not like her. She read medical related course; done with studies, trying to move forward in life then the devil brought people around her. Any group of persons that makes you dilute or change your core value that aligns with the word of God are not from God. **Friendship that has no eternity and earthly gain of values has no reason for continuation.** When those group of friends came to her, they told her that she needed a boyfriend. You know satan comes in disguise. She needed a boyfriend; meaning to enter into a relationship. For a lady of her level and class to enter in a relationship is not bad, but they meant finding her a sex partner for whom I suspect was the one that sent them to help him fetch her. She began to have intimate relationship with the man who was an HIV/Aids positive patience, she contracted the disease. Imagine her health condition (Sick cell anemia) contracting such illness with those weak antibodies. She couldn't manage it and she lost her life in the process. Nothing destroys faster than joining a group your soul rejected just to appear as though you follow the trending. Verse 33 of today's scripture echoed, **“Be not deceived: evil communication corrupt good manners”.** Which evil communication are you allowing around you gradually? It is obvious that you need money, is it enough reason to join scammers? Yes, you needed someone that will love you and treat you right is that the reason you turned to a prostitute. Jehovah shall still show us mercy today, Amen!

TEXT: (Joshua 22 vs. 4-5), (Proverb 21 vs. 1-5)

COF is a book existing for God's interest. **God calls men but chooses a man.** The place that captures God's attention is the place you give Him in your heart. There are many brethren of fire but with coldness of heart as it relates to God. Once a time, there was a young man who was following the ways of the Lord. He accompanied a brother to visit a President of a particular Christian organisation. The President took interest on the young man and invited him to their fellowship. The Christian organisation is based on evangelism. This very young Christ follower was the youngest among the members of the organisation being at his 12th year then. He served diligently and determined. The president gave him more privileges to serve. The young lad was growing, determined and optimistic; at a time in the same organisation he climbed the ladders of promotion until he got to the peak, overtaking all that were there before him because the grace of God was on Him. As God was taking him up he served the more and not long it was commissioned in his hand to carry a body of the ministry known as "Christ Reigning People". Today God has elevated Him to the level of the Senior Servant of such an amazing godly organisation with children all over the globe all by the mercy of God. My story is just a graceful one. I must confess that I can't really trace what I have done to deserve what God has been bringing to my life. God sometimes keeps your feet on the shoulders of another man to climb the hills He wishes for you. The instrument of God's elevation in my ministry and service to God is Evangelist David Igweonu (President ETEM). I was the 12 year old young lover of God who is now an instrument in God hands to establish nations for Him. It has not been easy but God's love and mercy abounds. He heard God about me even when I was little and looked less productive. I don't know what you imagine but am most grateful to God for aligning me with such bearing and compass even in my young stage of life. In the world everybody cannot be serious at the same time, but if you are aware of the purpose you are existing for then you need to live actively to witness the miracles you seek. **"The leading rule for the lawyer as for the man of another calling is diligence. Leave nothing for tomorrow which can be done today"** (Lincoln Quotes). God does not commit in your hand what is against your passion. I didn't start serving in ETEM because I heard from God but I started serving because I found peace in serving there until 2014 when God told me to stay and sit there. There is no anointing for a lazy man. It is so disrespectful to be reported on the bases of laziness when you are on the field of serving God. Today ETEM is far bigger than we met it even with the disappearances of many people I met there as a child. Verse 5 of today's second scripture says, "The thought of the diligent is plenteousness but of every one that is hasty only to want

TEXT: (Job 2 vs. 7 – 10)

I welcome you to the place where God alone inspires. **Your integrity per time determine your height in life.** Many people appears good but only few can be trusted. If you want to grow against all odds do what is significantly right. I once came across a story where a young man got an appointment from the governor to secure a particular contract. He arrived the governor's office with bike. The governor asked him to retain the bike(Okada) man. As they both went into the governor's office. Amidst their conversation the governor remembered the bike man, and asked him to go and settle him; giving him 100k saying, give this 100k to the bike man. The young man said Okay. When he got outside he gave the bike man 5k and kept back 95k. Not knowing to him that the governor sent one of his guard to monitor the process. At that point I wasn't thinking the governor was not angry with him already but when he returned to the governor's office and the governor asked him, how much did you give to the bike man, he said 100k, instead of mentioning the actual amount he gave, he lied to the governor and that got the governor angry. Of course he lost the contract and appointment from the governor which is worth billions. Daily our integrity is tested knowingly or unknowingly. The problem with some people is not like God will not bless them but integrity is missing in them. It is better you keep integrity than gathering wealth through lies and cheating another. That almost everyone does it, does not mean that it is right doing it. That it is beneficial doesn't mean it should be kept. Before you blame God for not blessing you, have you failed the opportunity He created for you to be blessed? **Keeping a clean slate activates boldness and keeps your mind free.** In verse 9 of today's scripture we saw, "Then said his wife unto him, dost thou still retain thine integrity? Curse God and die." The integrity of Job was an obvious one, it was no secret to anyone, his wife knows he was retaining it. No one was in doubt of it. I agree with you today, may the Lord build on us an integrity that is great. Yes, Jehovah will set us on high above mountains by the seed of integrity. Amen!

TEXT: (Psalm 29 vs. 20, (Roman 1 vs. 1-7))

To some persons, holiness is strictly the act of trying to be good, do well and appear in a way familiar to the sense of your church as regards true Christianity; holiness is far beyond that. Today's first scripture revealed, "Give unto the Lord the glory due unto His name; worship the Lord in the beauty of holiness". God is speaking to someone's hearing saying, "**Holiness is my nature; holiness is me**". You can't be like God by just copying to be like Him. You become like Him by yielding your spirit to his until His spirit possess you and live from you. Who is the fellow that has the spirit of God in him? Yes, it is that fellow that does what God directs Him to do. You may not accept wearing trouser. Does it suggest that wearing trouser is bad? No, it is not because as a man I wear trouser and God doesn't complain when I do. The major problem is that trouser isn't a decent wear for ladies because of the nature of their body. It makes a lot of them appear naked; it defaults the purpose of dressing, and speaks a different message entirely. Dressing isn't to promote seduction but to cover nakedness. God is modest, He doesn't want you to live without shame and be infected with strange spirits. Holiness is a code of godliness. A child of God having God in him is guided with godly conscience; hearing voice of what to do and what not to do, that's spirit of holiness. There is another realm of holiness that this space here cannot permit me to introduce but get the basics, "No child of God is under the law". Apostle Paul speaking on today's second scripture verse 4 says, "**And declared to be the son of God with power, according to the spirit of holiness**". Struggling to be holy cannot keep you holy. You need power first because it is the power that brings the Spirit. "For as many as are led by the Spirit they are the sons of God" (Romans 8 vs. 14). You cannot be led by the Spirit and remain a sinner (Galatians 5 vs. 16). The church should concentrate more in giving out the Spirit. Jesus said, if you keep my command you are my friends (John 15 vs. 14); later he saw that it is difficult for man to keep his command, then he said, "When the Holy Spirit shall come he shall guide you into all truth" (John 16 vs. 13). **The ratio of Holiness is the level of the Spirit of God one possess and obeys.**

TEXT: (Genesis 25 vs. 25-34)

On my time today as God is using my hand to write this is 5:00pm and this started since 9:00am today without food. To eat is good but what capacity does it add to the person you are becoming? If you cannot fast for your mission you are yet to begin. Though we have fasted at the beginning of the year and at month beginning as the case may be but what level of fast do you prepare for yourself? Fasting is not only to stay hungry and deny yourself food. There are other forms of fasting which includes: Moral fasting, financial fasting, character and discipline fasting. Depending on the one you need to execute without which one cannot climb the mountains. Considering verse 27 of our scripture today, "And the boys grew: and Esau was a cunning hunter, a man of the field; and Jacob was a plain man, dwelling in tents" (KJV). "The boys grew up: Esau became an expert hunter, an outdoors man. Jacob was a quit man preferring life indoors among the tents". Between the two, Esau was described as the most productive and industrial person. He was always out for adventures. Jacob was more of an internal man who stays indoor. Yes, Esau was called for greatness and was prepared for it. He was already stepping on that walk-way of greatness but there is a problem with his psychology of life. He gave more of his energy to adventures and less attention to God. Jacob's indoor wasn't due to lack of opportunities but because he was of the opinion that says, "Staying 'in' will give me what I seek. In a year of 365.25 days. You are out every day, no time to sit down and plan, and no time to stay back and pray. No time to ignore the adventures and seek God. Result producers are not just men in the field but men who stays back for strategy. Brethren, Jacob desired for the birth right. What an inessential idea to climb his mind? **How did he know the importance of the birth right?** That means he disregarded his own and valued his brother's more. He studied about it while in the tent. The one possessing it knows no value of it but an indoor man knows. I guess he must have tried other means of getting the birth right before that opportunity but didn't succeed. **A man of fasting sees.** Ask God for platform not for a plate of food. Despite his daily adventures he secured no meat to prepare for his father at his dying bed. I learnt that Jacob didn't hunt that day he just took a goat from the house. **Don't seek more from the outside than you see from the inside.** Pray before going for exam though you prepared well. Pray before going to work though you an expert. May God help us!

TEXT: (Proverb 28 vs. 23 – 26))

Some persons are not visionary in expectant of great things they are just greedy. I welcome you to this piece of God's wisdom. **In the language of some persons expectation is their greed revealed.** Some persons desires great places in life simply to satisfy their greed. I believe God that the story below shall be helpful to us. "Sam and Tom were identical twins. They were so identical that even their mother found it difficult to distinguish one from the other, at least during their initial days on earth. However they were very different from each other when it comes to everything, other than their appearance. Sam had no friend, while Tom is a great friend maker. Sam loved sweet but Tom loved spicy food and Sam was Mummy's pet while Tom was Daddy's pet. While Sam was generous and selfless, Tom was greedy and selfish! As Sam and Tom grew up their father wanted to share his fortune equally amongst them. However, Tom did not agree and he argued that whoever proved to be more intelligent and strong would have to get a bigger share of the wealth, Sam agreed. Their father decide to organise a completion between the two. He asked the two sons to walk as long as they could and return home before sunset. The wealth would be divided in proportion to the distance covered. As a rule of the completion they were not permitted to carry a watch to keep track of the time. A vision turns into a greed the time you are doing what you are doing to be better than someone else. God is always angry with one who is selfish. Yes, someone who cannot be of genuine assistance to someone else. The sponsorship of God arrives when there is a genuine reason attached to task and expectations. Are you asking God for a child to be able to prove a striking point to someone who does not have? You want to be a big Pastor or Man of God to intimidate those who grew with you and never believed in you. Verse 25 of today's scripture says, **"He that is of a proud heart stirreth up strife: but he that putteth his trust in the Lord shall be made fat"**. If you want to prove a proud point you shall be in strife. but if you trust God you shall be expanded.

TEXT: (Philippians 2 vs. 1 – 5)

Iwelcome you before the place of God. A man who lives his life by greed does not go far into a place of honour but is kept by the evil in his heart. In continuation of the story we saw the previous day (You can read the yesterday's devotion, to have a clearer background). The following day Sam and Tom set out to walk. It was a rather sunny day. Sam walked slowly and steady, while Tom broke into a sprint as he was bent on winning the race and winning a greater portion of his father's wealth. Sam knew that it would be ideal to walk as far as possible until noon and start walking home at noon as it would take same amount of time to walk back home. Knowing this Sam decided to turn back for home at noon so as to reach home on time. However, Tom with his greed to earn more wealth did not attempt to return home even after mid-noon. He walked twice as long as Sam and thought he would still be able to return home before sunset. He hurried back when he saw the sun turn orange. Unfortunately, he could not make it half way home as the sun started to set. Slowly darkness engulfed his path and he had to drag his tired feet back home. His greed caused him to over-estimate his own abilities and this led to him lose the race and money in the process. It is tempting sometimes to pull a fast one to get ahead of everyone else. Sam's hard work and conservative idea paid off, he was able to win the raise through persistence. By all means eliminate strife and grief from your heart. That brother or sister you always speak against, is it not because of your greed. Those recommendations you give just about yourself, your this and that is it not to maintain strife. There is this Ego in man that most times want to leave the impression that you are doing well especially among those you consider as your subordinates but the Bible said in verse 3 of today's scripture saying, **"Let nothing be done through strife or vain glory themselves"**. God bless you abundantly. Amen.

TEXT: (Romans 15 vs. 1-7)

Welcome you to the throne of the giver of life and lift of men. Someone said, **“The world calls for and expects from us, simplicity of life, the spirit of prayers, charity towards all, especially towards the lowly and poor, obedience and humility, detachment, and self-sacrifice”**. Without mark of holiness, our word will have difficulty in touching the heart of modern man. The Christianity of Christ is the kind that cares about the weakness of others and still keeps it secret. The Christianity of Christ likes to make the unhappy happy and puts joy in the face of the sorrowful. Once a time, there was a poor kid growing up whose mother sends to birthday parties with no present just so he could eat. At a time he understood his position in those events and became as embarrassed as hell. In his fifth grade his friend's mum invited him to sleep over night before the actual birthday party. When her daughter was in the shower, the mom laid out the toys that she bought her daughter for her birthday, She let him pick one to wrap and put his name on it. The same young boy is now 37 and still remains grateful for such an act of kindness and love from a strange mom who is thoughtful and loving. That's an impact that will never die. By our actions we impact lives. Don't just be the Pastor who preaches alone but also be the kind that understands how to touch lives. Don't speak in tongues and go blind to the needs of a brother who you can comfortably help. There are Christians who find it so dissatisfying to help someone in need. It is time to fix it up with Christ. It is the actual time to do it the way Christ would. God speaking to us in verse 2 of today's scripture says, **“Strength is for service not for status”**. It is our duty to look out for the good in others asking ourselves, 'How can I help?' **If you help someone in his need when he needs it, you have communicated Christ enough more than your words could say.** God forbid those who takes joy in making mockery of others weakness. TEXT: (Psalm 51 vs. 10 – 17)

What risk do you take for the Lord? You can take a deep thought and ponder on that question. God has a lot of risks He is aiming for people to risk . I myself I am strongly believing and trusting God to empower me with grace to take extra ordinary risks for Him. Some persons when they were young they made a lot of promises to God which might include: “Any day I sleep with someone that is not my spouse or I break my virginity kill me”. Of course many among the persons who made such promises have broken them yet instead of killing them God has blessed them more because Jehovah is aware of the weakness of man and the incapability of man. There was once a man in Nigeria, who at the beginning of a particular year he said to God, “Any money that entered my hand first this year I shall give them all to you. No matter the amount, how big or small it is”. Jehovah heard and took his record, not long after the prayers a whooping sum of #450 Million entered his hand. It was heavy, a thought to change his mind came but he encouraged himself and wrote the cheque and brought it to his Pastor. The Pastor didn't check the content of the cheque until He left. When the Pastor checked he drove to his house and told him, is like you made a mistake on the figure you wrote on the cheque. The man smile and said it was deliberate, that it was what he agreed with God. Before the end of that month about a Billion entered his hand. As at now he has 9 aircraft: I mean 9 Aeroplanes in Nigeria. God has never been the one owing any man anything. If you know how to risk it for him, He will know how to make it great for you. I have asked Him to take all of me for Himself. **To risk it for God is to develop a strong God-first mentality.** Father push me for the extra. Someone once came to me and said Sir I want to be the one paying for the COF production till eternity. He has been on it. You can do same for a certain increase in quantity as you are led by GOD. (Psalm 51 vs. 17): **“The sacrifice of God are a broken spirit: a broken and a contrite heart, O God, thou will not despise”**. **When you break your heart in humility to reverence God, He defends His jealousy on you.**

TEXT: (Psalm 121 vs. 1-8), (2 Chronicle 14 vs. 7-15)

The help of God is the secret to heap of joy. I welcome you to the throne of grace sitted on it is the king of kings and the fountain of life, Jesus the living God. **To be helped by God is the beginning of greatness.** The help of God distinguishes from the struggle of men. The help of God takes one to where he wouldn't have taken himself. Yes, God's help gives man what he wouldn't have given himself. Asa prayed in verse 11 of today's scripture saying, "... Lord, it is nothing with thee to help, whether with many or with them that have no power: help us, O lord our God; for we rest on thee, and in thy name we go against this multitude. O Lord thou art our God: let not man prevail against thee". I don't know the multitude that stands before you this 2021, it may look very impossible to achieve the pictures in your mind and they have stood before you as a multitude, but God is assuring you today that I can help and my help has no match! Lift your hand with me and say, **"Oh God as May is coming to an end arise and help me, push me to greater places, take me to greater height. Give me greater testimony and bless me abundantly; in Jesus name, Amen!"** You don't experience a destiny shift except the Lord helps you. You don't sing a new song except the Lord helps you. You don't experience a new grace except he Lord helps you... It was by the help of God that Asa ran farther than the Ethiopians and achieved victory. It is very essential and necessary to move to a place of godly help. The experience is definitely different from what you might have known. At this point it might be obvious to you that you have done nothing to warrant His grace. It is clear to you that it is no longer by your effort. David cried out in verse 1 of today's first scripture saying, *"I will lift up mine eyes unto the hills, from where cometh my help? (Verse 2), My Help cometh from the Lord, which made heaven and earth"*. It is a waste of time and energy to look up to man for help. I prophecy to you today. **"Godly help in Jesus name, Amen"**.

TEXT: (Matthew 4 vs. 15 – 17)

God's kingdom is a place where glory is revealed. He is able at all times and in all places. I welcome you to the sanctuary of the One who is Jehovah all by Himself. Verse 17 of today's scripture says, *"From that time Jesus began to preach and to say repent for the kingdom of heaven is at hand"*. From which time, indeed the kingdom of God is really at hand. Repentance in the heart of a person is what God expects to occur at a time. No one is born into repentance; your parents may be God's people but their repentance is not your repentance. You could be born in a praying family by praying parents but repentance is not still what your praying parents does for you. Every individual who claims to belong to Christ most come to that point where the individual willingly and consciously repent from his/her old ways. The reason for repentance is not because of the Pastor's message, it is not also because of anyone's persuasion but simply because of JESUS. Jesus was the one who preached. The message we speak now is not different. **Jesus is our message, and He is the only sure message that can change, and save.** Your repentance is justified when you accept the call of Christ through His preaching. Yes Jesus preached and He is still preaching. Today is still the day to hearken to His message and turn to a new person, see page 82 to take step on this. Why again should you repent, for the kingdom of heaven is at hand. There are individuals who just mind the world. Trying all their possible best to make the earth their heaven but that satisfaction of heaven is not found anywhere here. Expectation and plan should spur you into understanding that humanity is not concluding here. Life goes beyond the energy of this planet. Time and people trances beyond this horizon. No one has eternity to stay here and everyone living today must one day disappear from this atmosphere to a place of eternity and no one without repentance will enter Heaven. To repent is to turn away from evil ways and ways that does not justify the nature of God. Develop a mind of value for God and a mentality that rejects the old ways of sin that leads to destruction.

Be a new person and lead a new life.

TEXT: (Exodus 14 vs. 13-14), (Joel 2 vs. 28)

I thank God for your life because I know you are heading to somewhere very great. Have you had some dreams in the past? Are those dreams still relevant? What's the essence of actualizing them? Is it important to be transformed into a reality? When dreams are acted upon it becomes a vision. God sighting Moses in our board today revealed in verse 13 of our first scripture that he dream in his mind first. There was crisis, confusion and complaints among the children of Israel. Then he dreamed that since the Lord brought us here He didn't plan to stop us here. He imagined in His mind that there must be a deliverance. By this time there was no clue within him of how the deliverance would come but he dreamt and say to the Israelites, "...Fear ye not, stand still and see the salvation of the Lord, which he will show you today: for the Egyptians whom ye have seen today, ye shall see them again no more forever". When dreams are declared, their manifestation occurs. You cannot see a dream you haven't spoken to someone's hearing manifesting. It is time to proclaim your dreams: **"O yes, to someone, it is certain you are getting married before the end of this year, Amen!"** Someone needs to say this: "Have I told you that my company is about to experience a new drive". Whatever that is given to God's strength does not fail. **Whatever God cannot do, cannot be done.** If it is by the strength of God that you are casting your hope then your dream is absolutely possible. Do things that will manifest the dream, take step, it may look as nothing but when steps taken are compounded a dream shows up as a reality. I guess that's the mentality of Colin Powell that made him to say, **"A dream doesn't become a reality through magic, it takes sweat, determination and hand work"**. I believe this will make a juice for you, "Keep your dreams alive, understand to achieve anything requires faith and belief in yourself, vision, hard work, determination, and dedication. Remember all things are possible for those who believe" (Gail Devers). God bless you!

TEXT: (Psalm 37 vs. 10 – 16)

Verse 16 of today's scripture echoed, **"A little that a righteous man hath is better than the riches of many wicked"**. A lot of people recently have been victimized with all sort of oppression and intimidations. This has led many individuals to slavery of money and occultism. Evil have increased and pressures are much especially among the young people to follow among the trending, rushing into paths of destruction. Youths joining all manner of groups and society to plus their theft (Yahoo) and many evil. Why has things degenerate to this level because of greed and show off; believe me when I tell you we are in a generation where many persons are living just to make impression to others that things are fine with them. Some bought the cars they don't need, living in a mansion that is far above their income. The purpose of wealth determines what should be done with it. You don't become big only when you do evil, there are a lot of genuine people that are very rich and wealthy even among the young people. Someone told me that the worst mistake he made as a youth was to limit his fellowship with God because he had the mentality that people of God are broke. He was speaking in regret as an adult. When I was a kid I visited one of my relative's village. As we were walking about I saw a massive mansion, white painted but was looking deserted. Then I became curious to ask who owns the house. The eldest among us said, "It was so and so but he is late now, they killed him abroad due to drug dealings". The way of evil takes the life of those that journeyed from it. May be not today or not too soon but it will certainly not last; it was not programmed for preservation. I have videos of young men and women who ran mad here and there and some are majorly victims of this satanic processes. **God blesses but He develops your capacity before placing pleasure on you.** Verse 11 of today's scripture sited, **"But the meek shall inherit the earth; and delight themselves in the abundance of peace"**. **Oh, what can be satisfying above the abundance of peace?** Don't focus on people, don't envy what they have got, don't be carried away by their move of pleasure and wicked riches. Is it car and mansions you want Jehovah gives it as many as you want to have. When you follow God and do what he wants you to do, then relax, other things will certainly fall in place.

1. Oh God I thank you for your word to me, Father, let me grow in You!

I welcome you by the Holy Spirit to the last day of May which the very month you are divinely supported to access God's promises and plan for your life and destiny. Some persons are confused on what is the choice of Christ. What is the place of Christ too? Jesus lived on earth like us. He passed most stages of growth until he became an adult. He lived as a normal human being. This tells that there were times he feel pressed and had need to visit the toilet. He passed through the puberty stage. He combed his hair, went to market for shopping and bought one of the most expensive cloths then (this shows that he minded his appearance and was sensitive to look smart). He had friends and relatives, he had inner circle friends who aren't afraid to say some certain thing to him because he came in flesh though he wasn't just a man. (John 1 vs. 14): *“And the word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the father) full of grace and truth”*. It is very essential to note that the only reason Jesus came on earth was to reveal the way of the Father to man. David prayed a prayer in Psalm 86 vs. 11 saying, **“Teach me thy way oh Lord; I will walk in thy truth; unite my heart to fear thy name”**. Yes he prayed, and inside of Him were the generations of Israel and God responded to the prayers by sending Christ to the earth. Jesus confirming why he came said in verse 6 of today's first scripture saying, *“I am the way, the truth and the life; no man cometh unto the Father, but by me”* (KJV). *“I am the road, also the truth, also the life. No one gets to the Father apart from me”* (MSG). It is wrong to consider any other road in life as the idealistic road to successful life. He is the only road that exist to Godliness. In this coming June, only by Him can great things be accessed. Only by Him can the beauty of life be known. Are you in Him, then walk in His road as well. Live like He recommends. Don't be intimidated because you are on the best part of life. **“I feel God in my spirit addressing us to develop the discernment that says unapologetic 'No' to ways that violate the growth of the nature and gospel of Jesus Christ”**. (Eugene H. Peterson).

I welcome you to the channels of God's visitation. It is a praying signal meant for kingdom warriors. It is a prayer bulldozer that scares the wicked. It is a prayer fire that makes satanic altars a past. It is the later apostolic manifestation of fire. It is not just a gathering of prayer warrior but the gathering of weapons in the hand of the Almighty God with aim to frustrate the moves of the darkness, to receive the mandate that occupies until Christ comes.

TEXT: (Luke 14 vs. 8 -11)

There was a proud teak tree in the forest. He was tall and strong, there was a small herb next to the tree. The teak tree said, "I am very handsome and strong, no one can defeat me". Hearing this the herb replied, "Dear friend too much pride is harmful. Even the strong can fall one day". The teak ignored the herb's words. He continued to praise himself. A strong wind blew. The teak stood firmly. Even when it rained the teak stood strong by spreading its leaves. During these times, the herb bowed low. The teak made fun of the herb. One day there was storm in the forest, the herb bowed low. As usual the teak did not want to bow. The storm kept growing strong and the teak could no longer bear it. He felt his strength giving way. He tried his best to stand upright, but in the end he fell down. That was the end of the tall tree. When everything was calm again, the herb stood straight. He looked around and saw that the proud teak had fallen. Do not let your pride get in the way of overcoming great difficulties. The proud teak was so prideful; his inability to yield caused his own fall. A proud man is an enemy of God. **You have signed for God resistance and destruction the moment you deliberately decide to walk in pride.** Some are proud of the school they went to, the house they built, the spouse they married, and so many other areas. God expects man to honour Him for every little progress you make considering you cannot do anything without Him. He controls your heart and the systems and sub-systems that compounds your body. This was what Jude saw when he wrote in Jude 1 vs. 25 saying, *"To the only wise God our saviour be glory and majesty, dominance and power, both now and ever"*. God's glory in your life is now and ever. Anyone that does not give glory to God is appointed to fall. See it clearly stated in verse 11 of today's scripture where it says, *"For whosoever exalteth himself shall be abased; and he that humbly himself shall be exalted"*. **You shall be exalted if you stay humble at all time, Amen!**

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Jesus, arise and teach me your humility.
3. I take away any form of pride and arrogance that dwells in me in Jesus name, Amen!

TEXT: (Deuteronomy 7 vs. 19 – 21)

The Lord whom we believe in is not just God but the one who is mighty. All His works are mighty, His way is powerful. Everything in the universe testifies about the gloriousness of God. If you can understand a little of God's concept it is going to help you a long way in your walk with Him. If I could ask you why are you alive right now? Maybe you cannot tell or probably you can but human life is anchored on few functional systems. The liquid that flows in your veins keeps you living. When the blood stops flowing or exposed to places that are not the veins or arteries the person dies (Then we say he/she bled to death). When the heart stops working someone dies too. So right now your body is working with a pressure that is not risky. People dies of cardiovascular diseases: embolus and myocardial inflection. These are risks, when if the body retains the person dies. When oxygen has no access into the body the person dies also. So life is so fragile and daily God proves it to men that He is the ruler of life, yet many don't see it. Human life is a mystery that testifies of God's goodness. The concept of egg and cells coming together to form a baby in the womb, then grows to adult and obtain some influential position in life and yet questions the existence of Him who built this system and watches over it by Himself alone. The analysis of this will make man to appear like one of the animals whose intelligence is not wise enough to fathom the wisdom of the one who formed Him. You are alive today surely because the Lord keeps you away from the arrows of death and definitely He will still keep you. If you realise how far the Lord has been your help you will not fear the acts and moves of the enemy. In verse 21 of today's scripture the word of God says, *"Thou shall not be affrighted at them; for the Lord thy God is among you, a mighty God and terrible"*. Lord is mighty and terrible. Since you are living today, you shall live to fulfil your days. You shall shine in God light of encounter and glory. Amen!

TEXT: (1 Peter 4 vs. 10 – 14)

You appear as a slave to others the moment their words and assumption of you determine your action around them. To live as a king is a calling, you are yourself as an individual. Recently I came across a news of a young man who committed suicide because his family members are saying that he is an academic failure coupled with the regret of other political struggle that didn't materialize. He hung himself and died. Someone else took sniper because his girlfriend cheated on him. **Great destinies are personally believed.** Kings are decision makers that don't mind other's opinion. Anybody can say anything but what did the Almighty say? Building your life on others decision and imagination about you is a crime to Destiny and goals. **Build your trust in God to the point that anyone else is a liar when they tell you things that does not worth your destiny.** You are great by God already, you will see the manifestation of that when you keep on holding on Him as your only source. When you live by people's recommendation, it means you are a slave to them. From today stop living by people's description of you, live faithfully and gratefully. Be focussed and sincere mostly to yourself, then reveal the person you want to be to others through your action and attitude in public. The young man lost his life simply because he was subject to external opinions. The world will always doubt you even your family will. They doubted Jesus, then what makes you think they won't doubt you. Looking deep into it you will discover that the superiority of God is really amazing and He operates with you based on what you think not what others think of you, *"For as a man thinketh in his heart so is he"* (Luke 6 vs. 45). You are exactly who you think you are! Verse 14 of today's scripture says, *"If ye be reproached for the name of Christ happy are ye; for the spirit of glory and of God resteth upon you; on their part he is evil spoken of, but on your part he is glorified"*. **When evil is said of you, you should cause you to glorify God.**

TEXT: (Matthew 13 vs. 33-37), (Psalm 119 vs. 9)

The living is moving. As men lives their life changes because they have actually moved to a location of life different from the one they are already used to or they witnessed in the past. The point is that once an individual encounters Christ his life shape changes because his creation has changed as well. So it improper for one to remain frustrated after salvation or after an encounter with Christ. This was the mind in Eugene H. Peterson when he said, **"To follow Jesus implies that we enter into a way of life that is given character and shape and direction by the one who calls us"**. I guess you came across God's tablet in verse 34 of today's first scripture which says, *"For the son of man is as a man taking a far journey, who left his house and gave authority to his servants, and to everyman his work, and commanded the porter to watch"*. This season of the year you need a new mind-set that you are moving into a brighter day". Anyone within the circumference of God shouldn't be hopeless. It is an improper fraction to expect a life lesser than the one you have lived in the past. It may be a clear example of reality to notice that your income went down. It could also be part of it to notice that your source of increase and expectation has reduced. It might still make sense to understand that your privilege in the past and now are not the same, nevertheless you need to understand your atmosphere. Your present location in life is in the place of the man who lives in you to shape your life. For we do not live by the weather, either fair or dark, our source is in Christ Jesus. You don't change level except your mind is changed. From our scripture today, God first gave us authority and then commissioned work to us. It is by authority that we determine our lives. Until you utilize your authority in Christ you may still a victim of satanic molestation. Exploit is available for individuals with authority. Are you in the convent of Christ, then you are moving into greatness, breakthrough, taking what is yours by fire and reaching your place of glory. Digest verse 9 of today's second scripture, *"You can only cleanse your ways by living the word of God"*. Get your way cleansed from poverty, lowness, and causalities. **Pray in the Holy Ghost.**

TEXT: (1 Thessalonians 4 vs. 6-12)

I welcome you to the place of God! If your whole life is still centred on only you at this stage of your life don't you think you are underutilising your potential? The major essence of life is to put smile on the face of others and bring hope to the deserted. On January 11th 2019 the news carried, "Woman brought to tears by thank you note after an act of kindness in Grocery store". Sonya Macmillan 25 was checking out at market basket last week when she realised the 84 years-old man behind her has forgotten his wallet. He really looked flustered and he was like 'Oh my god I don't have my wallet'. Sonya was cashing out with her groceries and was like "oh you don't have a lot, you can just go on mine and I will pay for you". The old man insisted that Sonya give him her name and address so he could pay her back. After the day Sonya received a letter in the mail from the grateful senior citizen saying, **"You saved me a lot of trouble, my wife was ill and I wanted to get back to her. I'm not very young anymore 84-years old and it's not a surprise I left my wallet at home, I shall always remember your kindness"**. Inside the letter was a cheque for the groceries she had bought him, however, Sonya says, she is not going to cash it. I have something that I look at every morning when I leave my room it says, **"Be the reason that someone smiles today"** said Macmillan Sonya. Are you the very reason why another person is smiling today? Christianity with no impact on humanity is equal to calamity. **Righteousness cannot be shown outside of brotherly love.** Holiness is incomplete without extending the hand of love. For God called us to love (1 John 4 vs. 16). Due to the essentiality of this, the Spirit of God pointed to us on today's scripture verse 9 saying, "As touching brotherly love ye need not that I write unto you: for ye yourselves are taught of God to love one another. The major calling from God to all Christians is to live for the need of another. You can share a bag of rice with someone who you know find it hard to feed with his family, Make yourself available as a helper where God has positioned you to help.

TEXT: (Isaiah 42 vs. 16)

God is so wise and infinite. A lot around me today tells me so. In the past five years or more there are things that has happened around me that I don't know how they would have happened if God didn't intervene. A young well qualified officer left the Job in Lagos and immigrated to Canada for better prospects and applied for sales man's job at Vancouver's premier downtown department store. It was the biggest store in the world: you could get anything there. The boss asked him, "Have you ever been a salesman before?" Yes sir, I was a salesman in Nigeria. The boss liked him and said, "You can start tomorrow. Learn fast and do well". The first working day was long and arduous for the young man but he got through it, finally 6pm came around. The boss duly fronted up and asked, "How many sales did you make today?" "Sir I made one sale!" Shot back the boss. "No! No! You see most of my staff make 20 or 30 sales a day. If you want to keep this job, you would be doing better than just one sale. By the way how much was your sale worth?" "\$933,005.00 (#466,502,500)" Said the man. "What? How did you manage that?" Asked the flabbergasted boss". **Great things sometimes does not come from many places but just one place.** One place of honour. There are experiences you take in life that will be to your advantage. I preach by grace and do it very well simply because God anointed me to do so, but more to it He also exposed me to preaching channels from my childhood days. He reveal ministerial opportunities and platforms to me which I treasure and cherish. You cannot make too much testimonies without classic experience. More to that may the Lord give you a shift that will be greater than 100 threads. Some people progress, build houses, after a time buy car, after sometimes get married and after sometimes... but there are those like me, I don't know who is in the same category with me, **"Who will buy car, build houses, get married and achieve great things in life all at the same time"**. Today's scripture says, **"And I will bring the blind by a way they knew not; I will lead them in paths that they have not known: I will make darkness light before them"**.

TEXT: (1 Samuel 17 vs. 34 -37)

Until you understand “why not” you may still pamper some reasons why you will not move to where God wants you to be. The possibility of success is also attached to what the successful does. There is no spiritual gauge to gage our Christianity or level of spirituality but I am certain that anyone within the circle of God is up to something very great and satisfying in life. He is the Christian athlete that said, “**With God anything is possible... I demolish training today; thank you God**”. He was described by the Hollow verse as. “Bible-believing, God-honouring, Jesus-worshipping Christian”. He is Usian Bolt. In 1996 when he watched the Atlanta Olympics 100 metre finals, he decided to be the fastest man on earth the same day. I assume he said to himself, 'why can't I be, I got the capacity energy and ability to be'. In Bolt's 20's he was diagnosed with sever scoliosis (abnormal lateral curvature of the spine). The doctor said that he could probably never compete again. He didn't give up and found a way to keep his back in good condition. People don't fail because of obstacle, they only fail because they have never said to themselves once I live, and success is a must, why not! Someone said, “**If you want to win you have to develop a strong will to win than any of your competitors have. If you have enough strong will to achieve something, you will usually find a way to reach it**”. The truth is that we most often don't know what we are capable of until we dare to do something. Most persons don't know much of what they can do until they find themselves in a situation left with no option. **What you need is intensified passion.** Considering today's scripture I was imagining the urge that David had to face Goliath, indeed he wasn't the strongest, he didn't go to fast and pray first but he jumped into action: because he had a testimony, knowing fully well that God encourages the act of the righteous with goodness and greatness. Verse 36 says, “*Thy servant slew the lion and the bear, and this uncircumcised philistine shall be as one of them, seeing he hath defied the armies of the living God.* Can you see the insult the situation around you has caused both you and God? Are you ready to face it and push out gloriously? Bolt's success began with daring. **Start something now, add more passion to the one you did.**

TEXT: (Proverb 21 vs. 1 – 5)

Excellency is not an accident, it is the combination of little things that compounds excellence. There are people who are no normal simply because they passed through some abnormal experiences in life. My own terms for abnormality is above-normal. In continuation of previous story we have: (You can read two days ago study to have a full and clearer background to what it is). “...Well said the salesman, “This man came in and I sold him a small fish hook, then a medium hook and finally a really large hook. Then I sold him a good fishing rod and some fishing gear. Then I asked him where he was going fishing and he said down the coast. So I told him he would be needing a boat, so I took him down to the boat department and sold 20-foot schooner with the twin engines. Then he said his Volkswagen wouldn't be able to carry it, so I took him to our automotive department and sold him that new Deluxe 4x4 Blazer. I then asked him where he will be staying, since he had not decided, I took him to camping department and sold him a six-sleeper camper tent. Then he said I should throw in about \$200 worth of groceries and two cases of juice. The boss took two steps back and asked in astonishment, “You sold all that to a guy who came-in for a fish hook??” No sir, answered the young man, “He came in to buy sanitary napkins for his wife and I convinced him that since he will be bored with his wife being in period. Fishing is the best remedy for boredom”. Boss: “where did you acquire this professional training?” “Onitsha Main Market in Anambra state Nigeria sir”. Everything that comes your way is a channel for your expansion. Great people are majorly individuals that are careful with their environmental observations. They observe their environment and locations, knowing that what is stored in the environment can bear their glory. It was the rod in Moses hand that the Lord used for His upliftment. Verse 5 of today's scripture says, “*The thought of the diligent tends only to plenteousness; but of everyone that is hasty only to want*”. **Diligence is a major goal setter among risk takers.** If you are not diligent enough you hardly progress to an exciting height of advancement. May God make you from the experiences you have gathered.

TEXT: (Proverb 13 vs. 15-21)

People often use words like, I am sick of him, her and things like that, or he/she pisses me off. In fact some goes very advance and says that he/she irritates me or stinks. As the case may be whichever party you fall? Is there a need to rethink, adjust, or to be sensitive? The emotional man can at a time get sick of himself talk more of the people around him. Obviously the nature of some men can actually cause some persons sickness. Don't be sick of your wife, don't be irritated about your child. **Those two are still part of you.** Never be disappointed in yourself because yourself is all your owe your-self. It is by yourself you live and it is for yourself that you will become all you will be. Until you are sick of those groups, company and persons that limit your sight, you shall go nowhere. Be surrounded with people that impresses you to step further. Anybody you tell your vision and they condemn it by reminding you of how small your capacity is to actualise that, resist them. Remember it is a different thing to be advised. You can be able to differentiate when a proper advise or instruction is coming to you and also when you motivation is being reduced. There maybe someone who is hopping to buy a car but his need is not a car but a land probably. God isn't telling us to resist those that guides our plan properly with wise advises but let's resist those individuals that see no good in us. Jehovah sounded audible enough in verse 20 of our scripture today saying, ***“Become wise by walking with the wise; hang out with fools and watch your life fall to pieces”*** (MSG). Bassey Johnson made a shout when he said, **“To be of good quality, you have to excuse yourself from the pressure of shallow and callow minded individuals”**. Avoid where you see no possibility. Refuse that association which cannot facilitate your growth. You need to take 'in' this capsule, **“The key is to keep company only with people who uplifts you, whose presence calls forth your best”**. May God push you to the right place! May God supply to you all you need to shine. May Jehovah bring around you those you need to excel. Stop that company that gives you no reason to triumph.

TEXT: (Proverb 8 vs. 12-16)

May God give you the insight that stays up to your goal and never be discouraged. It is the will of God for you that you drive through the road of life and come out to the other side bigger and better than you have been. One of the best methods of taking a long step to greatness is to search out for the right company and get the right counsellors. ***“Where no counsel is, the people fall: but in the multitude of counsellors there is safety”*** (Proverb 11 vs. 14). God's word (Bible) is a book that counsels; it guides one into the proper channels of life. John Pier made a point when he said, **“Darkness comes, in the middle of it, the future looks blank, the temptation to quit is huge. Don't quit, you are in good company... you will argue with yourself that there is no way forward. But with God, nothing is impossible. He has more ropes and ladders and tunnels out of the pit than you can conceive. Wait, pray without ceasing, hope.”** Years ago I got an invitation to come somewhere to minister God's word. It is above 5 years now. After the word of God came; an altar call was made among those that came out was this young boy who told me later that God's word touched his heart. Saying he was there just to play drums after which he was to go for initiation into an existing cult then. He also mentioned that he had bought the drinks and all that was needed to perfect the initiation. He meant his salvation and walked with God. Few years later, many members of the cult were killed which he could have been among. What a Mighty God we serve? The same young man is in Canada today furthering his higher education, with a good Job, married and the wife will give birth hopefully this month. **Get sick of destiny limiters!** Destiny limiters could be the only barrier preventing someone's speed this 2021. Izaak Walton echoed, **“Good company in a journey makes the way seem shorter”**. I think it is necessary you hear George Washington who said, **“It is far better to be alone than to be in bad company”**. Today's scripture verse 14 says, **“Counsel is mine, and sound wisdom: I [am] understanding; I have strength”**. It is by God that wisdom is found. God is saying to someone, I recommend no company that is outside my circle. Only within me is wisdom and knowledge found. May God motivate you the more in Jesus name. Amen! **Join our Home Cell Service near you 4:00PM on Sundays.**

TEXT: (Hebrew 10 vs. 20 – 25)

While at a park one day, a woman sat down to a man on a bench near a playground. That's my son over there", She said, pointing to a little boy on red sweater who was gliding down the slide. "He is a fine looking boy", the man replied. "That's my daughter on a bike in the white dress". Then looking at his watch, he called to his daughter. "When do you say we go Melissa?" Melissa pleaded, "Just few more minutes, Dad. Please? Just five more minute". The man nodded and Melissa continued to ride her bike to her heart's content. Minutes passed and the Father stood and called again to his daughter. Time to go now?" Again Melissa pleaded, "Five more minutes, Dad. Just few more minutes". The man smiled and said, ok. "My, you certainly are a patient father," The woman responded. The man smiled and then said, "Her older brother Tommy was killed by a drunk driver last year while he was riding his bike near here. I never spent much time with Tommy and now I would give anything for just five more minutes with Melissa. She thinks she had five more minutes to ride her bike. The truth is I get five more minutes to watch her play. Life as a student can be downright hectic but as long as your priorities are straight, you will be able to make the most out of your hard work. No matter how busy things get, don't forget to spend time with people that matters to you! Be a responsible family member. Get in touch always with your family. The time we spend with our loved ones is the time that matters. Verse 25 of today's scripture says, "Not forsaking the assemblies of ourselves together, as the manner of some is; but exhorting one another; and so much the more, as ye see the day approaching". If you are busy for your family it leads to regret. **If you are not abiding by the rule of balance, it will really affect you negatively.** When everything is gone you are left only with family. Especially young families, learn to make out time for your family so that you can plant in them those things the Lord has planted in your heart at all time. Every time and resources spent on family is worth it. **God bless you!**

TEXT: (Psalm 57 vs. 1-11)

Many individuals are victims of people's opinion about them. When you live by the shadow of others and their description of you, you may find it very hard to live the life of your choice. **It has been the system of men to subdue another and to resist such, one needs to roar like a lion.** The point where self-protection starts is when an individual refuses to be pitted. The life you live is mostly governed by the mentality you built. 5 years ago from January 11th 2021 a lady was taken to a psychiatric ward for the 1st time. She was lost, hopeless, consumed by the idea of ending her life. And now guess what; she was placed in the same psychiatric ward as a student of mental health nurse. Yes, things change, they don't stay hard forever. I don't know what a lion feels inside but he still roars. He roars to show that he is still in charge. God did not deny man the control of his life. **You may not control what comes to you but you can control how you react to them.** The lady above, protested that she is not mad. They refused to accept it. I don't know if your recognised God's word in verse 7 of today's scripture which says, "**My heart is fixed, O God, my heart is fixed: I will sing and give you praise**" (KJV). I think the MSG narration of it will cause an inspiration in you, it says, "*I'm ready God, so ready, ready from head to toe, ready to sing, ready to raise a tune*". Lay your hand on your chest and say after me: "**I am the very wrong person to be pitted. I am the wrong person to be described as the unfortunate, in Jesus name, Amen!**" It doesn't matter what is not right around you, say what you want to see, declare where you are going. The Psalmist said, "**I am ready, so ready to shout despite the plans and agenda of the wicked**". Refuse what you don't want to use. Reject what you don't want to get. Renounce the news you don't want to hear. Protest to protect yourself. **Say no to their opinion that suppresses the person you are, no matter how correct they maybe.**

TEXT: (Luke 14 vs. 26 – 30)

The future is a described plan of what one is meeting up to. There is no future without a stable plan and expectation. There is no honour without a level of labour and sacrifice. **I have learnt that everything working bears the mark of sweat of some people who didn't give it up to chances.** Chances happens to things though but at the same time no man is given what he is not willing to possess. This was what the wise king Solomon says, *"I returned, and saw under the sun, that the race is not to the swift, nor battle to the strong, neither yet bread to the wise, nor yet riches to men of understanding, nor yet favour to men of skill; but time and chance happeneth to them all"*. It is by God's choice and Destiny do people triumph to a greater height. But when no solid plan is made for what is gotten by chance it slips away from the hand that got it. The knowledge of God is the determinant of glory and grace but in today's scripture Jesus asked, **"For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it"**. It is a fact that everything built requires sufficiency to be built. Any height to reach requires sufficiency to finish. Anything God would plant on you requires sufficiency to finish. Any height of achievement requires sufficiency and development of plans to reach. God is focussed and determined, the future is what He gives to those who planned and prayed for it. **"In the future" is a consoling statement some persons make to live and stay in procrastinated goals and effort.** Nobody gets to where he wishes to go if he didn't start going now. **This is the future.** People work in their future until the appointed time. God is in the future waiting for those whom He prepared for it; but He prepares those who yield to his preparation plan. Sometimes you may find yourself out of focus and out of goal, get back to the plan manual because whatsoever not planned for, has no testimony to bear. The future is what the Lord has already given but it takes deliberate effort to walk into it.

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Father, I receive the grace to stand above any form of limitations.
3. Jehovah, help me to arrive to the desired future you have in mind for me.

TEXT: (John 12 vs. 12-27)

A king rules a kingdom. Today I welcome you to the table of God where the kingdom food is shared. For the word of God is a food unto us, inspiring the inner man and transforming the simple. Jesus said, **"Man shall not live by bread but by every word that proceeded out of the mouth of God"** (Matthew 4 vs. 4B). The best gift you can give anyone you wishes the best is the gift of encouragement using the COF. None who has distributed this book is without reward because it is a product of God's mouth in a written form. It is a vision I personally doesn't have the capacity to run; because I just observe it exist and move as the mover (God) himself moves it and moves us. The glory of any king is built on how much news his subordinate and people say about him. Jesus entered into Jerusalem as a king because He is the king of kings. *"...took the branches of the palm tree, and went forth to meet Him, and cried, Hosanna: Blessed is the king of Israel that cometh in the name of the Lord"* (Verse 14 of today's scripture). **"The value you render to the name of the Lord determines the venue He will host you in life"** (Isaac Chidolue). To confirm that, you can ask Joseph, Modecai, David, Peter, and Paul. Though God blesses you through the COF He seeks you to bless others with it. In a time like ours, I feel none is exempted from the journey of Evangelism. When you cannot preach there are things you can do that are equal to it. Don't get the COF just for yourself, get the copy for your evangelism too. May God see you celebrating His kingship as well. Some believers are even ashamed of the Bible, some cannot post about God in their social media. It is not even a sign of backslide to limit the publicity of God, it is an act of sin. When one lives in sin, He finds it hard to communicate God to others. Don't be eaten by the sin you committed, that's the choice of satan for you. God isn't ashamed of your sin, He is not disappointed in you because you sinned, He is surprised by the fact that you treasure your sins instead of coming to Him for mercy. Sow out this COF and the next; maintain it as a duty with God and you will reap advancement in life. Preach Jesus to people and you will reach your destiny. Digest verse 25B of today's scripture: **"...If any man serve me, him will my father honour"**. Call +2347066085556 for your COF distribution.

TEXT:(Acts 2 vs. 1 – 5)

Sometimes these things does to us like crazy stuff. If you are still conservative with your walk with God, then you can't go far. If you are a brother at some places and a guy some other places, it is a limitation in your kingdom investment. There is a dimension of God where grace for this End Time move was built, it is on the proportion of those who wants to jump the sky for God. **“The power of God comes with a massive level of willingness”** (Psalm 110 vs. 3). To go crazy for God is to walk in the unusual dimension of power. It is in human nature to give up, slow down the fire, follow Christ from afar just as Peter did, but God knows the limitations of man, that is why He never gave up on peter neither did He give up on Thomas. He carried them because the day of magnification is coming. Some of you got trapped by a particular damage of the devil. You are a sister in the church, choir or any other serving department yet you have found yourself in uncountable sexual situations, what of a brother who has stolen, a gospel minister who is a smoker, even those involve in gay relationship. These are traps of the enemy; he weakens you with them for a momentary pleasure to keep your spirit guilty and take it far from God. He does this bearing in mind that in such situations there is no much you can do for God. What of a revival evangelist whom the devil wants to shut up with masturbation. There is power that breaks lose for limited glory of Christ that was what we saw in today's scripture verse 4 saying, **“And they were all filled with the Holy Ghost, and began to speak with other tongues, as the spirit gave them utterance”**. There is a filling that widens boldness. I announce this filling on you right now in Jesus name, Amen! Without such filling you may still want to be hiding. **It takes a level of craziness to be abnormal in a normal world.** Father, we cry for your filling today. **Shakabranozagoyat**, go ahead and pray in the Holy Ghost as you are given grace in Jesus name, Amen!

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Father, come and reign and rule in my life.
3. Jesus, take hold of me and all of me.
4. I receive in Jesus name, the boldness to be Christ's anywhere I find myself.

TEXT:(1 Chronicle 29 vs. 15-20)

Robert Louis Stevenson said, **“It is not so much for its beauty that the forest makes a claim upon men's hearts, as for that subtle something, that quality of air that emanation from old trees, that so wonderfully changes and renews a weary spirit”**. I welcome you to the site of the Most High God where you download the App of the spirit to sustain a wonderful life in you. It is essential to note that whatever anyone claims to see around him is best seen when worked towards. There was once a man who heard about the power if claiming what he admires in the life of others. As rampant as it is to witness people claim the testimonies of others; the real question is are those persons ready to take some sacrificial steps to see the manifestation of what they claim”. Though this man was persistent about his claims and was loud in proclaiming them; yet he got no result. Then he asked, dose this claiming power really work as I was told? To verify his idea he visited a friend who claim for a better life as he does at any given opportunity. His friend replied, “Though I claim for those things as you do but I also imagine of possible ways to bring those claims to pass”. No one has a good life if he didn't at least imagine how to make one possible. To claim something may be prophetic is good and powerful, but the actualisation of it is laid on the act of the person claiming such. Imagine being in a church and God's servant prophesied of divine favour and the individual claimed it but forgot it, I don't think he may get the manifestation of it. **God works with what we retain within.** Bishop David Oyedepo claimed of the Oral Robert University in the USA but when he got back to Nigeria, he remembered what he claimed and worked towards it, now his claim is possessed. Whatever you claim in God's circle requires prayers and steadiness to witness it. God is willing to give everyman not just what he claims but what he desires. Considering the prayers of David he said, **“...Keep this forever in the imagination of the thought of the heart of thy people and prepare their heart unto thee”**. **Declare what you want, remember what you claimed and go and achieve it in Jesus name. Amen!**

PrayerPoints:

1. Oh God I bless you for your grace and power in my life.
2. Aba Father, arise and give me my claims

Once upon a time, a very strong wood cutter asked for a job with a timber merchant, and he got it. The pay was really good and so were the work conditions. For that reason, the woodcutter was determined to do his best. His boss gave him an axe and showed him the axe which he was supposed to work with. The first day the wood cutter brought 21 trees. “Congratulations”, the boss said, “Go on that way!” Very motivated by the boss’ words, the woodcutter tried harder the next day but he only could bring 17 trees. The third day he tried even harder but he only could bring 10 trees. “I must be losing my strength”. The woodcutter thought. He went to the boss and apologised, saying that he could not understand what was going on. The boss asked, “When was the last time you sharpened your axe?” I have been busy cutting trees. Sometimes working hard alone is not enough to achieve success. You have to work smartly too! The wood cutter in the story is the best person for the Job but he doesn't have the right attitude to be successful in this particular task. With the right attitude nothing is impossible in life. There is time for sharpening. Thank God for the grace upon you as a minister and your message are fresh and new daily. Yes, there is need for refreshing. Are you aware that every six months the world shifts from what it used to be. The grace of God you carry requires that you are advanced for something new to happen. Less results are seen when labour and effort to accomplish success exceed above the length of preparation. ***“If the iron be blunt, and he do not whet the edge, then must he put to more strength but wisdom is profitable to direct”*** (Verse 10 Of today's scripture). When the iron is blunt less results are achieved. Sometimes it doesn't speak that you are not smart but it speaks of less information. I pray for you, receive the grace to be mentally stable and strategically informed in Jesus name. Amen!

TEXT: (Psalm 91 vs. 1-13)

I welcome you to the centre of Him who does everything and allows anything He wishes to be. Listen: After the forest fire in Yellowstone national park, forest rangers began their trek up a mountain to assess the inferno's damage. One of the rangers found a bird literally petrified in ashes, perched statuesquely on the ground at the base of a tree. Somewhat sickened by the eerie sight, he knocked the over the bird with stick. When he struck it, three tiny chicks scurried from under their dead mother's wings, the loving mother, keenly aware of the impending disaster, had carried her offspring to the base of the tree and had gathered them under her wings, instinctively knowing that the toxic smoke would rise. She could have flown to safety but had refused to abandon her babies. When the blaze had arrived and the heat had signed her small body, the mother remained steadfast. She had been willing to die so those under the cover of her wings would live. If a bird can take such risk for her babies what do you think of your God who created the bird and gave her the sense she possessed. Were you thinking that it was by your skills and plan that you have stayed to witness the 18th day of the sixth month of the year 2021? I don't know the fire burning in the forest or the blaze that is falling down trees but I am sure that I am secured under the wings of God. Say after me: **"My life and destiny shall record no disaster this month and this year because I am hidden under His wings"**. There is somebody reading, you are aware that the enemy has gone out to perform some satanic act of wickedness against you; but God is saying, **"Never be afraid, you are under my wings, 3 days after they have concluded their plans and moves I the Lord will strike them with my rod of Judgement"**. Oh, I am encouraged by the word of God in verse 4 of today's scripture which says, **"He shall cover thee with His feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler"**. God is saying to someone, **"You are under my wings and the devil has no trace of you"**. This year, God's hand shall keep you. I curse the spirit of calamity and disaster around your destiny to disappear by Fire, in Jesus name, Amen!

TEXT: (Proverb 21 vs. 1 – 5)

There is no reason to give up on the right course, pressing for Gold in a Golding land has no genuine reason for quitting. There are many days of labour without reward but for the diligent and tenacious a day of payment is coming. There was a man in Nigeria here who had the idea of exporting pepper to UK. He exported the first one, it was rejected with reason that it was dirty for human consumption, after which he tried to use detergent to wash it and the detergent damaged the pepper (It was a specific brand of pepper). Later on, he tried again, it was rejected. Again, rejected. Again, rejected. Again, rejected, even to the 12th time. During those seasons he was spending money like water, sold some properties to keep on trying and he repeated it back to back with 12 tangible, obvious failures and loss of resources yet his enthusiasm were still intact that he even tried the 13th time! Then on the 13th effort, there was breakthrough. Money trooped in and his level changed, he recovered all the losses of those years. The money was too much more than the leaves of a tree that from that first breakthrough he bought himself a private Jet. Today he has 9 – 10 of Jets and business still moving. To dig for Gold, the digger digs until the day he stops living. **Any conclusion made without success is a welcomed failure, and it take a welcomed failure to result to frustration.** The young man in question is a determined believer of God and a covenant practising Christian. Today he is a multi-billionaire. He had enough reason to stop trying then which one of them could be, "Yes, because he is a Nigerian that is why UK is rejecting that and looking at it, it looks like a partial truth". If you are sure that God supported your mission or recommended you for it then don't give up, keep trying. Kill every reason of distraction. This year keep the enthusiasm alive bring-in some exciting episodes into the enthusiasm and keep trying. **The glory could just ring after one more trial. Just one more trial can be where the blessing hangs.** Verse 5 of today's scripture says, **"The thoughts of the diligent tends only to plenteousness but of every one that is hasty only to want"**. **The thought of goodness, victory and prosperity keeps the diligent on his feet.** The knowledge of victory at the end of the tunnel keeps you going. **God rewards diligence, so be diligent to attract His reward.**

TEXT: (2 Chronicle 34 vs. 31 – 33)

Williams Colgate is an immigrant that sold soap, candles and starch back in 1806 New York. Colgate was a tither throughout his long and successful business career. He gave not merely one-tenth of the earning of Colgate's soap products; but He gave two tenths, then three tenths, and then finally five-tenths of all his income to the work of God in the world. During the later days of his life he later revealed the origin for his devotion to the idea of tithing. When he was sixteen years, he left home to find employment in New York City. He had previously worked in a soap manufacturing shop. When he told the captain of the canal boat upon which he was travelling that he planned to make soap in New York City the man gave him this advice: **“Someone will soon be leading the soap makers in New York’. You can be that person but you must not lose sight of the soap you make has been given you by God. Honour Him by sharing what you earn”**. Begin tithing all you receive. William Colgate felt the urge to tithe because he recognised that God was the giver of all that he possessed. He lived during the 80s, but he is still the third person in the world list of the best sales people of all time. It was Colgate that first created a toothpaste in a tube. You can't climb higher above your devotion to God except mercy plays a role. He is the owner and ruler of all. He is the worker and Master. He is the giver and the taker. Apostle Paul climbed up to the list of the 6th most important person that has ever lived not by his law profession but by his commitment and devotion towards God. Despite the plan and the goal you have, hope also that a walk with God will do you better. Be the reason why people will reason God. People that speaks against tithing are really ignorant of such information. An average American man makes money for God and his society that is why their giving can touch the globe. Verse 33 of today's scripture says, *“And Josiah took away all the abominations out of all the countries that pertained to the children of Israel, and made that were present in Israel to serve, even to serve the Lord their God. And all his days they departed not from following the Lord, the God of their fathers”*.

Consistent service of God is the secret of exaltation and honour in life.

TEXT: (Mark 6 vs. 30-32)

Life is in phases and no phase will blossom without the maximum support of the other. We mostly emphasis on the need to move, work and act but little have we spoken on the need to take a break and rest. Once a preacher said, “Though the Lord has given me the anointing, I am laid at a place unable to impact it on lives because I have worked out my life so early, unable to distinguish when to rest and when to work; though I have anointing, my body is the possessor of it and as it is weak what else is the essence of the anointing”. Someone else said, “Grow through, what you go through”. I have learnt that sometimes it is better to take a break in whatsoever you do; by so doing you are refreshed to affect lives with better ideas. Even civil service gave accommodation for leave, why work yourself out? I work so hard in a day that sometimes I keep record of sleeping only for 2 hours out of the 24 hours that makes a day; it drains energy and sometimes might affect health but I have learnt that it is better to plan well than working long. The word rest appeared 275 times in the scripture. When you divide the number with 5 you will have 55. It takes close to 55 weeks to make a year. If I should make a theory with this I will recommend that an average individual should rest at least 5 hours a day and work within 5 days a week. It is necessary that a day of rest should be mapped out in your weekly activities, very essential also there should be a period of rest in a day. There should also be a season of holiday, it could be a week, it could be in days but observe enough rest. The better you work the better you become but the smarter you work the faster and happier you become. When God was talking about rest He wasn't insisting that you should sleep, he is trying to bring your attention to all that surrounds you. Give attention to your wife, children and family at large. As a Pastor make out time to rest and surprise your home. Go and see a movie together though you can get any in your home. Prepare a meal for your family. Take your wife out as you use to do before you both got married. Sit down and then move. If you have the money go abroad just for holiday. Your life is the reason why you are working so make your life enjoy the labour. Digests this: **“Don't dream your life, live your dreams”** (Isaac Chidolue).

TEXT: (Matthew 12 vs. 5 – 16)

Many persons have succumbed to the choice and will of sacrifices. Sacrifice is good, peculiar and outstanding but it takes the mercy of God to meet the mark. Welcome to the throne room of God where He shows mercy. Merciful and kind that is Him. See verse 7 of today's scripture where it says, *"But if ye had known what this meaneth, I will have mercy, and not sacrifice, ye would not have condemned the guiltless"*. It is the mercy of God that pushes. It is His mercy that keeps us still connected to Him. Throughout my growth in Christ, Jehovah took time to teach me the essence of relying on Him more than myself. Depending more on His mercy more than I can do or achieve. To be carried by God's mercy is to arrive to that point of life where honour is no longer a desire but a manifestation. The mercy of God contradicts every yardstick of qualification. It contradicts the principles that determines the principal. It is just by His mercy alone, I must tell of no other factor, just by His mercy are we where we are today. I don't see the day coming; a day I won't partake in the mercy of God. Don't talk too much just give room for His mercy. It is not time to brag about your commitment and determination. Let's brag about what his mercy has done for us. When it comes to sacrifice it cannot be under emphasised but it is outright that mercy over rules sacrifices. See the category of people Jesus encountered in the scripture. Verse 10B of today's scripture says, *"And they asked Him, saying, is it lawful to heal on the Sabbath days? That they might accuse him."* The law and sacrifice works together. Keeping some laws; trying to keep to a certain rule, that's a good idea but to unlock the clouds of heavenly gate, mercy must play an essential role. We have a lot of law keepers and law watchers in our generation. I don't really know what drags your concern but permit me to add that if you really want to go far, if you really wish God to break protocols for you just as I am wishing myself, then you should spend time today to cry to Him to show you mercy. **Lord Jesus show me mercy in Jesus name, Amen!**

TEXT: (1 Samuel 30 vs. 6-18)

Iwelcome you to the place of the Almighty. I strongly believe in opportunities; so what happens to the man who has prayed but didn't recognise the opportunity God has given him to produce a testimony. Everything in life is rounded within opportunities. David prayed and started a journey without a destination. They would have passed the Egyptian after all Egypt is very far away and should not be in the list of his suspect; but he picked up the man. Brethren, opportunities most times appears in disguise. It doesn't come with appointment but meets one who is in a journey to accomplish a mission. Verse 13 of today's scripture reveals, *"And David said unto him, to who belongest thou? And whense art thou? And he said, I am a young man of Egypt, servant to an Amalekite; and my master left me, because three days ago I fell sick"*. Lift your hand and say after me, **"Oh God Almighty, give me opportunities, provide access for me and help me to recognise one no mater how disguise it may look, in Jesus name, Amen!"** James E rang a bell when he said, **"Some of our important choices have a time line. If we delay a decision, the opportunity is gone forever. Sometimes our doubts keeps us from making choice that involves change. This, an opportunity may be missed"**. God has planted your testimonies this 2021 within the opportunities that comes your way. Recall: Divine Exposure meaning new opportunities and exposures. **To him that will utilize an opportunity his first move is to recognise that there is an opportunity.** Don't procrastinate an opportunity, pray and ask God for it and in a short time an opportunity emerges. **The expensive truth is that opportunities are denied when delayed to be utilized.** Oh that's the mind Syrus had when he said, **"The opportunity is often lost by deliberating"**. Find the purpose of your marriage, find the need behind your friendship, everyone around us serves for an opportunity. Spark it up like David did with the Egyptian. When you see an opportunity don't walk over it except it is against the will of God, except it will displease God. (Continues tomorrow)

TEXT: (Haggai 2 vs. 20-23), (Romans 8 vs. 28)

It is an understanding idea everyone within the family of God needs; to know that everything from God is working out a good purpose. There are times you are thankful to God not for what He did but for ugly experiences you had which was actually a road to your testimony. Every road to a testimony is rough... Ask Joseph, Abraham, The Israelites, Jesus and the list without end. It is an opportunity to be where you are now, depending on what you are seeing around you presently. That was what Winston Churchill was emphasising on when he said, “**A pessimist sees the difficulty in every opportunity; an optimist sees the opportunity in every difficulty**”. And someone else made a cake with this: “Opportunity favours the bold only”. If somebody offers you an amazing opportunity but you are not sure you can do it, say yes-then learn how to do it later!” A young man wished to marry a farmer's beautiful daughter. He went to the farmer to ask his permission. The farmer looked at him and said, “Son, go stand out in the field. I'm going to release three bulls, one at a time. If you can catch the tail of any one of the three bulls, you can marry my daughter. The young man stood in the field awaiting the first bull, then the barn door opened and out came the biggest, meanest bull he had ever seen. He decided to ignore it and wait for the next, he ran to the other side to let the bull pass through. The second one came out, unbelievable he had never seen anything so big and fierce in his life. It stood pawing the ground, he then left it hopping for the last to be better. The door then opened a third time. A smile came across his face. This was the weakest bull he had ever seen. This is one was his bull, he said to himself. As the bull came running by, he positioned himself just right and jumped just at the exact moment. He threw his hand to grab But alas... the bull had no tail! Opportunity doesn't wait, it passes away; and life is not full of opportunities. Always grab the opportunities! **Always grab the first one.** Verse 23 of today's scripture says, “*In that day, saith the Lord of host, I will take thee, o Zerubbabel, my servant the son of Shealtrel, saith the Lord, and will make thee as a signet; for I have chosen thee, said the Lord of hosts*”. **Your position is in the hand of God, therefore when you make use of the opportunities around you, your testimony will be loud.**

TEXT: (James 4 vs. 4 – 10)

Holiness is a process of God that cannot be overemphasised. How do you become Holy? Let's consider this practical example here: looking at Bro Joe who was just going through life and stumbling at one place or the other but he encountered Christ during a church meeting and was really sincere with his salvation. Then he went in that strength after a period of 8-9 months he came across a porn site, feeling guilty he lost his peace and summoned the courage to approach God for forgiveness and restoration of grace. Then God heard him and helped him. After sometime he still found himself at that same site. Took through the same process of reconciliation with God. In one of the church meetings he had a repeated encounter with God, the preacher was blunt and that led Bro Joe to tears with a deep heartbroken before God asking for mercy but after a month He still found himself at his old sin. The basic question is how would Bro Joe survive in deep Holiness. Many opinions about discipline will surface. The Pastors are doing well, preaching messages that are indeed life changing and transforming. Personally God revealed to me that the secret of deep encounter with Him is a yielded Spirit. A yielded Spirit committed to the very presence of God. **There is a commitment to His presence that maintains Holiness and Holy living.** The Lord told me that the secret to a successful Christian living is revealed to the act of drawing near to Him through His word. **The word of God is the capsule for righteous living.** You cannot do much without the word. A daily study of the word builds your muscle to do exploit for God. See verse 8 of today's scripture where it says, “*Draw nigh to God, and He will draw nigh to you*”. *Cleanse your hands, ye sinners; and purify your heart ye double minded*”. **Drawing near to God is the act of getting proof against the evil world and society. So Joe's solution is built on personal encounter and time he made for God**.”

TEXT: (Daniel 10 vs. 8-12)

The game of life is a lot like football. You have to tackle your problems, block your fears, and score your goal when you get the opportunity (Lewis Grizzard). For days now God has been taking us through the lines that can enlighten us with ideas on how to access our parts of greatness. Today's scripture verse 12 says, "*Fear not Daniel: for from the first day that thou didest set thine heart to understand, and to chasten thyself before thy God, thy words were heard, and I am come for thy words*". Note this: **"Set thine heart to understand, and to chasten thyself before thy God!"** God is asking a user of this COF right now at this point where is your heart? What are you aiming at? I have understood that life is all about accomplishing the desires of the heart. It is fulfilling the wants in the mind. Once anybody achieves an outstanding goal another one lines up in the line. Whatever you dream to achieve this year, it is essential you realise that to hit the target should be your aim. God's word speaking in Proverb 10 vs. 24 says, "... **but the desire of the righteous shall be granted**". It is a desire, to Daniel he placed his heart on his desire, whatever that is not desired is not qualified to be achieved. Desire is not a choice, it is synonymous to hunger. It attracts focus and specification. It calls for steadiness and approach. When you set a goal before you, channel your days to its actualization. Don't just begin the year by just saying I will get married this year. What's your plan? How much have you prayed about it? And how far have you read about it too? As a man what's your move? The joy of accomplishment eats up the process of it. **Whatever you aim, go for it.** What is your desire this year? How far have you gone with it? I recommend you note this: **"I am only one, but I am one. I cannot do everything, but I can do something. And because I cannot do everything, I will not refuse to do the something that I can do"** (Edward Evereth Hale). Set your goals today; write them down, bring your task within weeks and write time of accomplishment as you accomplish them daily, especially if you are into production.

Prayer Points: Worship God in your own way.

1. Jesus thank you, give the capacity to score goals of my targets.
2. May I experience a great realm of accomplishment this season, Amen!
3. My God you are known for excellence, may I carry your excellent spirit.

TEXT: (1 Timothy 2 vs. 1 – 6)

Below is the word of once a president of Pennsylvania, in the beginning of the contest with Great Britain: When we were sensible of danger we had daily prayer in this room for Divine protection. Our prayers, sir, were heard, and they were graciously answered. All of us who were engaged in the struggle must have observed frequent instances of a superintending providence in our favour. And have we now forgotten that powerful friend? Or do we imagine that we no longer need His assistance. I have lived, sir, a long time and the longer I live, the more convincing proofs I see of this truth that God governs in the affairs of men. And if a sparrow cannot fall to the ground without His notice. Is it probable that an empire can rise without His aid? We have been assured sir, in the sacred writings that, **"Except the Lord build they labour in vain that build it"**. I firmly believe this; and I also believe that without his concurring aid we shall succeed in this political mission building no better than the builders of Babel: The president was Benjamin Franklin. At the tender age of 12 years old, Benjamin Franklin was an apprentice to his uncle who owns a printing shop. The experience allowed the politician and author to get to know the business like the back of His hand. By the time He was a young man, Franklin was a successful printer and newspaper editor in Philadelphia. His secret to climb the height he climbed in business, politics and success was prayers. I haven't prayed like I dream but I can tell you that a praying life opens the treasure box of God into a future almost undeserving. If you are a praying person God is ever responsible of your life and the things that goes on in it. Verse 1 of today's scripture says, **"I exhort therefore that first of all, supplications, prayers, intercession and giving of thanks, be made for all men;"** Prayer and intercession are process that reaches out to where God is. Are you confused in any form begin to pray. Are there things that gives you worry and stress then pray, still. Our God is able, reliable and capable to meet every need at all times, you must follow His lead, His name is a mighty God!

Prayer Points: Worship God using song 3 Page 124.

1. Oh God I thank you for your word to me.
2. Jesus, arise and help me to be yours alone.
3. Father, help me to hold on you all the days of my life.
4. My God, find me to be your representative in anything I am doing.

TEXT: (Ephesians 2 vs. 1-7), (Psalm 23 vs. 6)

Yes, you deserve the mercy of God. God's mercy is not bought, God's mercy cannot be exhausted. **God's mercy does not regulate limit (One can receive as much as infinity can carry).** God's mercy cannot be diluted. It has no side effect. It has no abuse. God's mercy is the part of God that does not segregate from anything. It can adapt with holiness and flourishes in an unholy place. God's mercy is the part of God that does not judge and it is at the reception of salvation. Yes, the nature of God is His mercy. It is only by His mercy do we deserve heaven and just by His mercy we will get there. I assume you saw verse 4 of today's first scripture where it says, ***“But God who is rich in mercy, for his great love where with He loved us”***. Your knowledge of God's mercy is the file that will determine the height you will go in life. People love God but only by His mercy will they please Him and be like Him. I came across a news sometime ago which reads, 'A Nebraska man's children said their final goodbye and made the difficult decision to pull the plug after their father was declared brain dead by doctors, But the “Miracle Man” (Jesus) had different plans. The man who was concluded brain dead and was recommended to be left dead said, 'I am not an extremely religious person but I believed in God. I believed in Jesus with all my heart. And now this is just prove for me that everything I have heard is true. That He loves me, that He is right there for me. He gave me a miracle’. **Whatever we can accredit to our steadfastness with God is diminishing His mercy.** Wherever you are today, never imagine that your effort has brought you there for is only by His mercy we are not consume (Lamentation 3 vs. 22). It is by His mercy we write COF, it is by His mercy we produce them, by His mercy it got to you, by His mercy you are alive to be reading it and it is only by His mercy have you encountered God on the pages of it. When next someone is trying to accuse you like the devil does, tell him that **“God's mercy has not left my hands”**. I tell you by God's mercy you will end this year in a glorious testimonies. You will achieve God's trust and purpose for your destiny.

PrayerPoints: Worship God using song 4: Page 123

1. OH God I thank you for your word.
2. Jesus, give me your mercy in excess.
3. My Father, may your mercy qualify me where I am not qualified, Amen!

TEXT: (Proverb 15 vs. 24 – 28)

Have you ever made mistake before? Certainly, I assume your answer to be yes, every human at a point in their lives have made mistake. Yes, almost every human have made mistake at a time but many moved out from where the mistake was made. A greedy mouse saw a basket full of corn wanted to eat all of the corn so he made a small hole in the basket. He squeezed in through the hole. He ate a lot of corn until he was full and was very happy. Now he waited to come out. He tried to come out through the small hole. He could not, his belly was full. He tried again. The Mouse started crying. A rabbit was passing by it, heard the mouse's cry and asked, “Why are you crying, my friend?” The Mouse explained, “I made a small hole and came into the basket to eat the corn. Now I am not able to get out through that hole”. The Rabbit said, “It is because you ate too much, wait till you belly shrinks”. After, the Mouse fell asleep in the basket. The next morning his belly had shrunk. But he wanted to eat some more corn. He forgot all about getting out of the basket. So he ate the corn and his belly was really big again. And he couldn't escape. The cat was the next passer-by. He smelt the Mouse in the basket. He lifted its lid and ate the Mouse. **Being greedy gives you no chance to enjoy what you have secured.** Greediness is not of God and Jehovah does not encourage any form of it. **By people's greediness they have been stunted in their growth to success.** I have heard many cases where servants robbed their bosses just to satisfy and enhance their own greed. This year is a year of God's upliftment and promotion but do not be found on greed. Don't be a victim of selfishness and greed. Verse 27 of today's scripture says, ***“He that is greedy of gain troubleth his own house; but he that hateth gifts shall live”***. A greedy man stresseth Himself not God or anyone else. ***“So are the ways of everyone that is greedy of gain; which taketh away the life of the owners thereof.”*** (Proverb 1 vs. 19). **God bless you tremendously, Amen!**

Prayer Points: Worship God using song 3 Page 124.

1. Oh God I thank you for your word to me.
2. Jehovah, help me to be yours now and always.
3. My Father, deliver me from every sign of greediness, Amen!

TEXT: (2 Kings 25 vs. 25-30), (Genesis 41 vs. 9-14)

Spiritual garments are the determinants of physical manifestation. A change in level results to a change of garment. There are garments people are putting on given by the devil, though many are ignorant of it. Those garments includes: garments of reproach, limitation, and hindrances. It takes only God to put upon someone a garment of excellence to the amazement of the wicked and the evil ones. Verse 14 of today's second scripture says, *"Then Pharaoh sent and called Joseph, and they brought him hastily out of the dungeon: and shaved himself, and changed his raiment, and came in unto Pharaoh"*. It takes an intervention that brought rescue to attract a garment change. It takes an appointment or an invitation to change a garment. Joseph had been in the prison for a long time. "They brought him hastily out of the dungeon and changed his raiment". After wearing the new royal robe it is impossible for Joseph to go back to prison garment. Lift your hand and say after me: **"Oh God by your authority I announce my rescue from any satanic prison; prison of poverty, lowness, limitation, shame, stagnation, stunted growth. Jesus I decree my freedom in Jesus name, Amen! Stand on your feet and demonstrate tearing any ungodly garment, saying, "Father I stand in your name to tear every garment of shame and reproach in my Life"**. I put on my garment of grace and elevation now in Jesus name, Amen! (Prayers continues at our home-cell locations tomorrow by 5:30pm call +2347066085556 to be part of it). The method of satan to bring limitation and disgrace in a life is to effect change of garment. Some persons are kings but in the realm of the spirit satan has subjected them to wearing of the garment of shame and reproach. In our first scripture today we saw Jehoiachin King of Judah was rescued from prison and the prison garment was removed from Him which resulted to his rising and rescue. Verse 30 of today's scripture says, *"And his allowance was a continual allowance given him of the king, a daily rate for every day, all the days of his life"*. Brethren remember he was in a strong land as a captive but God celebrated Him there. **Wherever you are I decree upon you the ability to reign in Jesus name, Amen!**

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your presence here available for my change of garment.
2. Oh God I decree that your grace and ability shall enrol strength on me,
3. Father, give me the grace to stand upright for excellence.

My God my Father while I stray: Song 1

Charlotte Elliott

My God, my Father, while I stray
Far from my home in life's rough way,
O teach me from my heart to say,
"Thy will be done."

Though dark my path, and sad my lot,
Let me be still and murmur not,
Or breathe the prayer Divinely taught,
"Thy will be done."

What though in lonely grief I sigh
For friends beloved, no longer nigh,
Submissive still would I reply,
"Thy will be done."

If Thou shouldst call me to resign
What most I prize -- it ne'er was mine:
I only yield Thee what was Thine --
"Thy will be done."

Let but my fainting heart be blest
With Thy sweet Spirit for its Guest,
My God, to Thee I leave the rest;
"Thy will be done."

Old rugged cross: Song 2

On a hill far away stood an old rugged cross,
the emblem of suffering and shame;
and I love that old cross where the dearest and best
for a world of lost sinners was slain.

Refrain:

So I'll cherish the old rugged cross,
till my trophies at last I lay down;
I will cling to the old rugged cross,
and exchange it some day for a crown.

O that old rugged cross, so despised by the world,
has a wondrous attraction for me;
for the dear Lamb of God left his glory above
to bear it to dark Calvary.

In that old rugged cross, stained with blood so
divine, a wondrous beauty I see,
for 'twas on that old cross Jesus suffered and died,
to pardon and sanctify me.

To that old rugged cross I will ever be true,
its shame and reproach gladly bear;
then he'll call me some day to my home far away,
where his glory forever I'll share.

Christian seek not yet repose: Song 3

Charlotte Elliott

Christian, seek not yet repose,
Cast thy dreams of ease away;
Thou art in the midst of foes:
Watch and pray.

Principalities and powers,
Mustering their unseen array,
Wait for thy unguarded hours:
Watch and pray.

Gird thy heavenly armor on,
Wear it ever, night and day;
Ambushed lies the evil one:
Watch and pray.

Hear the victors who o'ercame;
Still they mark each warrior's way;
All with one sweet voice exclaim,
"Watch and pray."

Hear, above all, hear Thy Lord,
Him thou lovest to obey;
Hide within thy heart His word,
"Watch and pray."

Watch, as if on that alone
Hung the issue of the day;
Pray that help may be sent down:
Watch and pray.

Just as I am: Song 4

Charlotte Elliott

Just as I am, without one plea,
But that Thy blood was shed for me,
And that Thou bidst me come to Thee,
O Lamb of God, I come, I come,
O Lamb of God, I come, I come.

Just as I am, though tossed about
With many a conflict, many a doubt,
Fightings and fears within, without,
O Lamb of God, I come, I come,
O Lamb of God, I come, I come.

Just as I am, poor, wretched, blind;
Sight, riches, healing of the mind,
Yea, all I need in Thee to find,
O Lamb of God, I come, I come,
O Lamb of God, I come, I come.

Are you washed in the Blood: Song 5

Elisha Hoffman

Have You Been To Jesus For The Cleansing Pow'r?
Are You Washed In Blood Of The Lamb?
Are You Fully Trusting In His Grace This Hour?
Are You Washed In The Blood Of The Lamb?

Are You Walking Daily By The Savior's Side?
Are You Washed In The Blood Of The Lamb?
Do You Rest Each Moment In The Crucified?
Are You Washed In The Blood Of The Lamb?

When The Bridegroom Cometh Will Your Robes Be White
Are You Washed In The Blood Of The Lamb?
Will Your Soul Be Ready For The Mansions Bright,
And Be Washed In The Blood Of The Lamb?

Refrain:
Are You Washed In The Blood,
In The Soul Cleansing Blood Of The Lamb?
Are Your Garments Spotless? Are They White As Snow?
Are You Washed In The Blood Of The Lamb?
