Why the COF and How to use the COF

(Psalm: 90vs12): *So teach us to number our days, that we may apply our heart unto wisdom.* A man's days will be told as an ordinary story if he/she wasn't able to number them according to God's wisdom. The wisdom of God is Jesus: and Jesus is found through the word of God (John: 1vs1). **Don't be fooled by the Calendar. There are only as many days in the year as you make use of (Charles Richard).**

Through the daily digestion of the word of God, days are utilized and destinies are experienced. Through this daily devotional God makes you to channel your days toward the reality of your destiny. In COF God has a direction and an instruction for you daily. Start today, remain steady and the eternity will celebrate your days.

7 steps on how to use the COF

- 1) Create a time with the Almighty God daily; preferably in the morning hours.
- 2) Disconnect yourself from distractions.

WELCOME TO APRIL

THEME

HOPE OF RESTORATION.

I want to congratulate someone who is a candidate of God's mercy and I want to announce to such lucky individual that the brevity of God shall invade your territory. I want you to braze up to the possibilities of God that with God all things are possible if we hope to witness and see such possibilities this season. The scripture speaking in verse 10 of today's scripture says, ***“But by the grace of God I am what I am: and his grace which was bestowed upon me was not in vain; but I laboured more abundantly than they all. Yet not I but the grace of God which was with me”***. The ability to labour effectively comes from the very grace of God. There is grace for doing outstanding things. There is grace for crossing the bridge and overcoming in life. The grace of God comes by enabling us to do greater things and mighty things. By the grace of God you will pass your WAEC exam, yes but you have to read and work towards success. By the grace of God you graduate from the university but you labour to have the best of result. **God cannot only empower you at the place of prayers, He also empowers your hand to do strong things.** Anytime God tells you that I will promote you, don't just relax and stay excited, ask Him what do I do to see an outstanding result in my territory and around my life. Do not live comfortably with any form of laziness. Sometime almost everyone is tempted to exhibit a form of laziness of the other but you have to make the decision by yourself that by all means I shall not entertain any form of laziness. **To be the best in what I do, I receive the grace to walk the outstanding step and the enablement of God that will cover my weakness.** Let this grace of God speak in areas where I don't have voice in Jesus name, Amen

Prayer Points: Worship God in your own style.

Prayer Points:

- 1.. Oh God I thank you for !your word to me.
- 2.. Lord Jesus, I shall not be limited by anything and in any means.
- 3.. Father, I receive the grace to labour in grace and power.
4. Lord Jesus, let me walk in your spirit and understanding.
5. I cast away any spell of laziness from me, Amen

TEXT: (Revelation 3 vs. 1 – 11)

I welcome you to the very zone of God where life is given meaning and destinies are recommended. Walking with Christ is certainly not for the faint hearted. Certainly not for the weak, it is a passionate commitment to the colours of Christ and abiding by His indismifiabile nature and grace. Why are you believing, why are you worshipping, why are you fellowshiping, if it is not to touch God and be like him, am afraid it may not last if theis is not your reason. Five years ago ISIS executed 21 Christian men on a beach Libya. Their masked executors stood in all wearing Orange Jump suits. After the Islamic state released a video of their murders, images of this massacre of Coptic Christians didn't trend as supposed. These men stood with God and never accepted denying Jesus. No wonder many of our gospels are porous and our commitment to God vague. They are engineers on international contract, who never happened to enjoy the dividend of the contract but gave their lives up on the pursuit of Christ. What would you have done differently if it was you? At this point is not about what the Lord would do for me, it is now about this crown of mine, I am not going to let anybody steal it. It is not about the car I would like to drive but about the life I got in Christ Jesus. 13 of these men are from one church and their price was just deny Jesus and live. Oh no, such a church do not record loss but the transformation of saints. I ask that the Lord shall open our eyes to the knowing that it is all about him and nothing matters as him. Verse 11 of today's scripture says, *“Behold I come quickly, hold that fast which though hast, that no man take thy crown”*. Oh Lord, let no man take my crown. Jesus reach out your hand on me and cause me to shine in you and as yours, Amen!

Prayer Points: Worship God using song 1: Page 120

1. Oh God, I thank you for your word to me.
2. Faithful God, give me the grace to live for you now and always.
3. Lord Jesus, I receive the grace to follow you against all odds, Amen!

TEXT: (Matthew 13 vs. 22)

I want to sound this to someone's ear through the help of God that mankind is kind of deceitful. It is good to be productive and active but more to it, it is better to be spirit filled and kingdom minded. There are many kingdom weapons of God that has been silenced simply because they promote their belly more than the assignment. Some individuals worship money and are enslaved by it. There are people who steps out daily for the past 5 years no season of resting, restrategizing, reinvention and meditation. God is saying to someone that life is more than what to eat, cars to drive and so on. Today's scripture verse 22 reveals the very mind of God when it says, *“He also that received seed among the thorns is he that heareth the word; and the care of this world and the deceitfulness of riches, choke the word, and he becometh unfruitful”*. These are the essential reason why people in this time and generation are getting themselves reduced and enslaved by many situations surrounding them. This is the basic reason why some young ladies practise prostitution. The care of this world. Yes that is why some persons chose to lie, to be able to save their gains and keep themselves in check but trusting the deceitfulness of riches. When you are carried away by the things of this world you may have the difficulties of it trapping you. In this world of lascivious pursuit, keep your mind within a unified space of sanity. Keep your spirit focussed, ask God for the grace not to be pressured by what you see around, ask Him for the might to stay balanced and fulfilled according to His grace.

Prayer Points: Worship God using your own songs.

1. Oh God I thank you for your word to me.
2. Lord, Jesus I receive the grace to excel in my endeavour and to triumph in my grace.
3. Faithful God, help me not to be deceived by the affairs of this life and it pressures.
4. Father let me not be carried by the deceit of this present world and time, in Jesus name, Amen!

TEXT: (John 3 vs. 20 – 27)

A man lives an easy and an outstanding life if the heaven assist him to witness excellence and goodness. The heaven is the place where transactions are made and finalized. No man witnesses the best of God unless the heaven smiles at Him. It takes a smile of God from the heavens to disappoint the expectation of the wicked around your life and your life and destiny. Today's scripture verse 27 says, ***“John answered and said, A man receives nothing, except it be given him from heaven”***. I wish you could digest this scripture because it will definitely affect your mind-set. So some of the reasons why many of us haven't received is because it has not been given to us from heaven. Oh, there is a burden in my heart to be blessed of God from the heavenly banks of riches and access. No wonder Apostle James says in James 1 vs. 17 saying, ***“Every good and every perfect gift is from above, and cometh down from the father of lights, with whom is no variableness”***. It is statically independent, that is to say the heaven is stable on its own and not dependent on earthly factor to release blessings. I pray with you in Jesus name, may you be blessed, Amen! So to have a beautiful life is all dependent on the blessings of God. I announce to someone in Jesus name, let there be change of story and change of garment in Jesus precious name, Amen! This 2023, the heavens shall smile loudly at you in Jesus name, Amen. Let the hand of God be highly released on you, let the heavens which is owned by God release your favour now in Jesus name, Amen! Stay connected to the heaven to be placed in line for the blessings. Get a prayer life, receive creativity from God also and shine beyond normal and average.

4. I decree over my life let the heavens favour me in Jesus name, Amen!

TEXT: (Job 29 vs. 20-25), (Psalm 81 vs. 10)

I welcome you to the field of the Most High God. Someone said, “Maturity is the ability to think, speak and act your feelings within the bounds of dignity. The measure of your maturity is how spiritual you become during the midst of your frustration”. Another said, **“Speak up because the day you don't speak up for the things that doesn't matter to you is the day your freedom truly ends”**. God has planted the most powerful tool of survival in the tongue. Your understanding that word lives has the capacity to guide your language and word usage. It doesn't matter what is not right around you , if you have the right word in place you will surely step up to greatness. An associate of this vision was once broke and very poor but he kept mentioning to my hearing that God has promised him saying, **“If I didn't make you a multi-millionaire then know that I am not God”**. Today He is a millionaire. You can't change your life or situation above what you have proclaimed with your mouth. (Proverb 18 vs. 20): *“A man's belly shall be satisfied with the fruits of his mouth; [and] with the increase of his lips shall he be filled”*. Normally a man's belly is meant to be satisfied with the fruits of his labour but instead God's word said, is with the fruits of the mouth. Therefore it doesn't just matter what the labour is; to be productive, the mouth should sound productive as well. Many occasions I have seen people with terminal diseases but by the proclamation of their lips they survived awesomely. God is telling you today to position your lips aright. Maybe what you planned this year is not coming as planned; arrest them with your mouth. **Announce what you want to see around you to the hearing of a witness.** I heard about a rich bishop who was once staying in a one room apartment with other 6 room-mates, but on the wall of his own portion was written, **“I shall never be poor”**. Remember that already he was living poor but the content of lips disagreed with the reality of his life then. God's word on our today's second scripture urges us to open our mouth wide and God will fill it with words of faith. Job also testified of how he gathered strength from the words he spoke. **Say something about your next level today.**

Prayer Points: Worship God using song 2: Page 121

1. Oh God I thank you for your word to me.
2. Jesus fill my mouth with the words my destiny needs.
3. Father as I speak may my life drive in that direction (Go ahead and speak).

TEXT: (Luke 11 vs. 20- 30)

Neatness is the closest thing to Godliness. When I emphasis on neatness, I don't just only adumbrate physical neatness, there is also spiritual neatness. There are things when you engage on, it causes spiritual dirtiness to you. Godliness does not only help you to stay in alignment with God but also helps to stay far from the stains of the enemy. Some individuals have not metrified an account of God's help for some time simply because they have kept their houses dirty. Never you reluctantly stay in a situation where your Christian faith is nor determined and decided. Stay alive with God, stay affront with Him and stay focused with Him. There are preachers today whom the devil succeeded in making them understand that they can't go far anymore because they lost their authority and audacity through unrighteousness. God is merciful and He wants you to stay spiritually neat. Verse 24 of today's scripture says, *"When the unclean spirit (lying, cheating and fornication) is gone out of a man, he walketh through dry places seeking for rest, and finding none, he saith, I will return into my house whence I came out"*. Never stay in a situation where you negotiate with evil Spirits; referring you as their house. Jesus said, *"Hereafter I will not talk much with you; for the prince of this world cometh, and hath nothing in me"*. That is the goal of God, that satan and his workers has nothing in you. This is only achievable when you are careful and deliberate to maximize your relationship with God. Such doesn't happen until it evident you stay in God's direction of excellence and greatness. Let God be true and every devil a lair. I pray with you, you are spiritually energised, Amen!

Prayer Points: Worship God using song 1: Page 120

1. Oh God I thank you for your word to me.
2. Lord Jesus, I receive the grace to stand in your path and grace.
3. Father, let me stay neat in your cause and nature, Amen!
4. Oh God, help me to live a life that is classic in you and your grace, Amen!

TEXT: (Proverb 15 vs. 14-23)

When Nelson Mandela was studying law at the university, a white professor, whose last name was Peter, disliked him intensely. One day Mr Peter was having launch at the dining room when Mandela came along with his tray and sat next to the professor. The Professor said, "Mr Mandela you do not understand a pig and a bird do not sit together to eat". Mandela looked at him as a parent would look at a rude child and calmly replied, "You do not worry professor, I will fly away", and he went and sat at another table. Mr Peter reddened with rage, decided to take revenge. The next day in class he posed the following question: "Mr Mandela, if you were walking down the street and found a package, and within was a bag of wisdom and another bag with money, which one would you take? Without hesitating, Mandela responded, "The one with money of course". Mr Peter smiling sarcastically said, "I, in your place would have taken the wisdom". Nelson Mandela shrugged and responded, "Each one takes what he doesn't have". Mr Peter by this time was about to throw a fit seething with fury. So great was his anger that he wrote on Nelson Mandela's sheet the word "IDIOT" and gave it out. Mandela took the exam sheet and sat down at his desk trying very hard to remain calm while he was contemplated his next move. A few minutes later Nelson got up, walked up to the professor and told him in a dignified polite tone, "Mr Peter, you signed up your name on the sheet but you forgot to give me my grade". To be able to create sense, smart responses are needed. My major interest was not just Nelson's responses but the boldness he got to respond in such manner to a professor in his course of pursuit. We need such boldness to say what is to be said especially for God's messengers. I agree, that's why God's word says in 2 Timothy 1 vs. 7, *"For God hath not given us the spirit of fear but of power, and of love, and of sound mind"*. Just like the professor was trying to make Nelson feel inferior and unprivileged that's how satan tries to limit your speed by suggesting false representations of you. Aiming to make you feel unmerited to get what you deserve. **Reply Him with the wisdom of God's word.** From all Nelson said, he didn't insult the professor or abused him but replied him from the content of his own idea. May God give you the right word against the accusations and limitation of the devil. **Consider verse 23 of today's scripture.**

1. Thank God for His word to you today.
2. Oh God give me wisdom to say the right thing at all times to man, spirits and ideas of the devil.

TEXT: (Psalm 48 vs. 1 – 5)

God is known in her places for a refuge. (Jehovah is our refuge and mighty tower). Have you been to a situation where you are just to trust God alone and His faithfulness and mercy? In a situation where your truth may not be believed and your good considered as evil, where your best does not hit the zest of your intention. People have been damaged and to some, the path of their damages is from the place of their sincerity. That you are sincere does not really rule the situation wholly in your favour, it takes grace to see what is positively next in the place of heart brokenness and disappointed expectations. A young man who was godly-supported and helped was in his house sleeping one early morning around 5:00am, suddenly he heard a knock at the door and it was a sister who was dressed in her night wear. The sister had an attack of a strange man pursuing her to take advantage of her, usually such attacks appear in her sleep but that night it was physical. The brother couldn't wait to get all those stories from her, he then slapped her and the sister fell down. Note that he slapped her because he was having in mind that the sister came to seduce him. Unfortunately sister could not stand from the slap; instead she passed away from it. In such situation the story now is that brother and sister were doing things and the brother killed her at the process. After all people woke up to meet her in your house, that tells that both of you came back together last night to sleep together. The only one who knows the truth in this situation is the Lord Almighty and yourself; sister was not there to tell her part of it. Many individuals going through this lesson today have met similar situations around them, but anything your voice cannot explain we initiate the intervention of God on such in Jesus name. Amen

Prayer Points: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Father, I receive the grace and ability to expand and explore.
3. Mighty God I put to an end every accusations of the enemy against me.
4. Father, let your voice defend **8** all sides.

TEXT: (1 John 2 vs. 1 – 14)

Many times when we mention the strong one, many of us always want to attribute that to the enemy as the strong one but He is not the strong one. No, he could be that for any one if you give him that description and regard. Over there in today's scripture the Lord pointed to us who the strong one is, and what it takes to be the strong one. Verse 14 of today's scripture says, *"I have written unto you fathers, because ye have known him that is from the beginning. I have written unto you young men, because ye are strong and the word of God abideth in you, and ye have overcome the wicked one"*. Young men are written unto because they are strong, and the word of God abideth in them. I don't know if this scripture explains anything to you? The secret of their strength is the word of God, because most battle of life is from the thought bank, imagine when the enemy is giving you reasons to succumb to his will and thought against your life and your increase. In continuation of the last story we heard on (God is our refuge). The brother tried all he could to wake the sister to no avail. Then in the morning the neighbour got involved, then in the morning the neighbours got involved, he first told her land lady. Not too long after then they called the police to arrest him with allegation like, "all these brother that is how you guys kept deceiving people". Just like Joseph he can't defend himself enough but God knows the truth. The police arrested him taking him to their vehicle about to zoom off when another brother came and requested to speak with Him. The brother asked him, "Tell me did you do it and he said no I didn't bro". They both requested to go and pray for the lady, they went prayed for some moments and nothing happened! Then he heard a voice saying to him call the lady by her name and ask her to rise, he shouted her name and ask her to rise then she arose, that was the end of the crisis. You are strong because in that situation you are facing now, you shall prevail in Jesus name, Amen!

Prayer Points: Worship God using song 1: Page 120

1. Father, I receive the grace to prevail in all sides.
2. I receive the grace to prevail in all forms.
3. Father, help me with your strength and grace and ability.
4. Lord Jesus, I take victory on every side and win every battle surrounding me.

TEXT: (Mark 16 vs. 5 – 8)

I welcome someone to the instruction screen of God. I don't know what gives you the impression that God has forgotten you, or that He has given up on you. Give up on that thought because it is not true. God is highly interested in supporting your well-being and upliftment. Yes, I still understand that presently your life experience could be one you are not really excited to have but one truth is certain that you are coming out of that with an amazing testimony. Study verse 7 of today's scripture with me, where it says, ***“But go your way, tell his disciples and Peter that he goeth before you into Galilee; there shall you see him, as he said unto you”***. The Lord through the mouth of the angels said unto them go and tell his disciples especially Peter! Hmm, Peter was mentioned specifically. Oh Peter you mean? The same guy that denied Jesus 3 times, and the Lord still has a message for Him. Like the message bears His name. Many of us are having our greatest enemies residing in our minds. Always work on your mind to stay where God is, not where people are. Always get from God the best He shares and offers so as get an outstanding generation and miracle from Him. It doesn't matter how you felt that God is disappointed in you, He is more disappointed that you don't trust His love for you. Oh yes, God's love is valid in the presence of life, this is to say that to the living God's love is always available. Don't allow the devil to deceive you into silence, with fear of you don't know how God feels or how he would react to your actions or behaviours. Stay with the love and pattern of God. Live in the character and principle of God. Have in your mind that Jehovah thinks well of you.

Prayer Points: Worship God using your own songs.

1. Oh God I thank you for your word to me.
2. Lord Jesus, I receive the grace to stand firm in my place of glory and honour.
3. I shall not by any means miss my grace and glory to exploit.
4. No weapon fashioned against **10** shall prosper.

TEXT: (Deuteronomy 11 vs. 9 – 15)

Many persons are too much in a hurry that they forgot that too much hastiness leads to guiltiness. To be smart is good, to live in the streams of ideas is awesome, but more of a loss without repair is the image given to destruction. I don't know what your story may look like but it is very important you retell the story in a better way. I am yet to see anyone who truly held on God disappointed. Forget about those who felt they are ahead of you; Godliness is the ticket to a great living, ***“For godliness is profitable unto all things”*** (1 Timothy 4 vs. 8). I heard a story of a young man in the 90s who was very successful after he left school; dealing on hard businesses, building houses and buying cars but those he played the games with sought him, and shot him dead, he died young and early. I speculate this is one of the reasons the bible mentioned, ***“The prosperity of fools shall destroy them”*** (Proverb 1 vs. 32B). Come to think of it the statement came from the richest man who had ever lived within the circumferences of this planet. King Solomon was worth 2.1 trillion dollars in today's currencies without Microsoft, space craft, and online shopping. Many stories similar to the one we saw above has emerged in different places. There is a due season of God. Many persons have left the waiting room of God. Don't be found in the category of the impatience. I have seen many evidence of ritual among the young people, many fraudulent acts because many persons want to meet up. Some would say that bills kept coming for them; but I haven't seen satan out of genuine reason anytime he wants to deceive anyone. He always has a reason. Mostly before the time of glory comes satan tempts one with a fast limited option to know if the individual will subscribe to his limitation plan. Quote me anywhere, ***“Satan can never give you anything close to what God would have given you if you are patient to walk with Him”***. That benevolence is not in him. Ritual and sacrifices here and there, where friends, family and ladies are falling victim of it. In the western Nigeria someone recently did a birthday and almost everyone that attended died. I decree sanity in our land in Jesus name, Amen! Digest today's scripture verse 14 says, ***“That I will give you the rain of your land in his due season, the first rain and later rain, that thou mayest gather in thy corn, and thine wine and thine Oil”***. The due season of someone just arrived, if you are the person scream Amen! Due seasons comes with over size, first and later rain. The downpour on someone's life who has waited on God is going to be heavy and tremendous.

TEXT: (Psalm 147 vs. 9 – 13)

The more you believe and trust God, the more limitless your possibilities become for your family and career, for your life! (Rick Warren). Then Richard Daly in His book God's little book of joy says, "God knows how to turn things around. He can turn your sorrow into Joy- just let him in". One may be worried about hearing God. How do I hear him? To hear God is very active if you can read the scripture repeatedly then you can get used to the very voice and language of God. It was Jason A Panzio that said, "By reading the Bible we learn more about God. The more we learn of Him the more we love and trust him". The vocals of God is printed within the pages of the Lord. A man who wants the best of life should be that man who is acquainted to the knowledge and precepts of God. Verse 11 of today's scripture echoed. ***"The Lord taketh pleasure in them that fear him, in those that hope in his mercy"***. The custodian that guarantees the fear of God in a life is the appetite of the individual that wanted to understand God in His fullness. In psalm 103 vs. 20 the bible speaking says, *"Bless the Lord, ye His angels that excel in strength, that do his commandments, hearkening unto the voice of His word"*. Now one of the ability of the angels is strength; but God in his fullness has also accord man that grace to function in the capacity of the angels. It is His grace and power that enables us to walk in the dimension of His mercy and grace. Today, study the word and .get blessed doing that, inside of God's word is the deposits of His mercy and love. Oh yes, inside His word is the majesty of His fullness. Let the word live in you and be thou acquainted to the nature and grace of the word.

TEXT: (Proverb 23 vs. 19)

Most evil begins within the heart. The heart is a muscle and it is built. It has no defence to what it can take. The conscience of man determines his action. **The building of the conscience determines what you can do.** Some persons find nothing wrong with evil and they kept practising it. The ways of wickedness is staying up to evil and feels nothing about it. The wicked is that individual that constantly do evil and keeps it covered. There is always a first time for everything. What your life sustains affect your heart and what your heart retains stay normal in your sight. Someone who robbed a bank didn't start robbery with the bank. What you hear and see affects your psychology about life. Those you associate with affects your mentality. To keep the heart clean starts with the digestion of God's word. When you start appearing irresponsible on the things that really matters, check your heart. The heart is like a memory disk it takes-in anything you want to store there but it takes the wisdom of God to guide you into the path of excellence. Focus and diligence saves a lot of stress when it comes to confusing paths of life. **If you don't guide your heart you will find yourself many times surprising yourself.** This explains the reason why God told us earlier in today's scripture saying, ***"Hear thou my son, and be wise and guide thine heart in the way"***. Note: "Guide your heart in the way". When people indulge in pre-marital sex and feels no guilt about it, time shall come when they will indulge in abortion and still feels nothing about it. When an individual indulge in fraud, time shall come when he will indulge in cultism just to actualize his desire. The heart of man determines his action, when you act, we hear the language of your heart from your actions. Eat God's word and listen to the Holy Spirit to maintain a blameless heart. ***"Keep thy heart with all diligence, for out of it are the issues of life"***.

TEXT: (Hebrews 2 vs. 1 – 7)

Every child of God is in charge. Are you a child of God then you are in charge? Develop that mind-set and know that you are in-charge through the help and the mercies of God, our Lord. Thou madest him a little lower than the angels. *“Thou crownst him with glory and honour, and didst set him over the works of thy hands”* (Verse 7 of today's scripture). Thou didst set him over the work of thy hands. The question one could ask is, what of in a situation where I have prayed yet no answer and my question is simple, does God lie? Obviously God does not lie. He is not a son of man that He should repent. The actualization of the promises of God attached to our lives is anchored on us understanding that by our own selves and ability we cannot do anything except the Lord help us. The Job you seek, God has it. Did you pray before and it has not come, wait for it, it shall come. Stand by it, it shall speak and it shall reign and triumph. I am believing God for where He is taking me. I could not be there now but I am on my way to get there. Do not have small mind, know that your father God almighty owns the whole universe. The word of God can never lie, it has never lied and it won't start with you. There are people who can boldly tell you that all they are and they have today is of the Lord. Every battle that comes around you the goal of the devil is to affect your mind. To pull you from the place of glory to the place of limitation. If you keep your mind sited in the principle and nature of God. Definitely you will triumph to the place of greatness and honour. God bless you richly in Jesus name, Amen!

TEXT: (Isaiah 11 vs. 5 – 10)

There is a dimension of God we are yet to see, there is a level of power not revealed yet. There is a level of grace we haven't manifested and it awaits us on this last days to show evidences of God. **There is a dimension of God you enter and it changes you into someone supernatural.** There is a realm of glory that is far above normal/average. God is counting on us to push forth to the uttermost. There are dimensions of power beyond what we are manifesting presently. The glory of the past is in need right now. I heard about Bishop Idahosa who had a programme in USA but was two days late due to the delay in his flight. After two he arrived USA and the news spread abroad that he had arrived and by hearing the news three crippled persons stood up on their feet and started walking; the programme haven't started then. I am sincerely believing God that He will manifest a dimension to us that haven't been seen in the history of the world. There is power available with God, this is power too great to be ignored. Yes it is power which at the remembrance of it; you imagine what can the devil do? **Absolutely nothing!** Walking in the consciousness of such power is the full manifestation of God. God's word revealed to us in verse 6 of today's scripture saying, *“The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the fatling together; and a little child shall lead them”*. Deadly animals shall be led by a little child. By the power of God available today I announce the full manifestation of God in our midst, Amen!! Great things shall start happening to you and amazing wonders of God shall be seen all around us, how do I know? The scripture says in verse 9, *“They shall not hurt nor destroy in all my holy mountains: for the earth shall be full of the knowledge of the Lord, as the water covers the sea”*. Yes the knowledge of the Lord. Yes, that evil in your business place shall be swallowed by the knowledge of the glory of the Lord. Wickedness in the high places shall know the Lord through you. **Yes, it is time we torment the devil and cripple his escapades in Jesus name. Amen!**

TEXT: (Judges 6 vs. 11 – 18)

Sometimes because of man's dependence on Himself, He finds it difficult to trust in The Lord and depend on Him but it takes a total support of God to reach the height of others envy on earth. Yes, you should have known by now that one of the signs of your progress is the envy and jealousy that could coming your way. There is a pattern of God that fights against any pattern of ungodliness that is focused on you but the beginning of your victory is anchored on you knowing and observing that the mercy and love God is beyond any form of human analysis and help. There is a way of God that is focused on growth and increase on every side. The scripture in verse 7 of today's scripture says, *"The Lord shall preserve thy soul"*. Understand the word of God, it says from all evil. This tells me that no form of evil can be effective around my life and destiny. Anything evil is now very far from you, you have no business with it nor relationship with it. This is exactly what it takes to draw from the advantage of the divine. No evil, accident, sudden death, destruction, losses, brokenness, limitations, backwardness, no evil of any kind shall come near you because the Lord shall preserve me from all evil. His preserving hand shall rest on me for exploits and increase, hence no form of difficulty or limitation shall be found near me or around me because the one who preserves me is the one whom nothing can be lost from his hand. Yes, He is the one whose nature is excellent and glorious, there is nothing too hard for him to do. Thank you Lord for your word to me.

TEXT: (John 12 vs. 33 – 44)

I welcome you to the garden of God's manifestation. What you say is what makes your life. Your life is boldly printed from the script you have spoken. The words of men are the seeds of their lives. What a man says, tells of who a man is. In the language of men is the wisdom of God among them revealed. Be so much sensitive with your words to work the mind of God on you. Verse 38 of today's scripture says, *"That the saying of Isaiah the prophet might be fulfilled which he spoke, Lord, when hath the arm of the Lord been revealed?"* Look at the depth of that scripture in such situation, the main focus and target of the time and season is that the saying being fulfilled in the life of Christ the King of the universe. Look again at verse 39 of today's scripture, *"Therefore they could not believe, because that Isaiah said again"*. So even the sayings of Isaiah went to the future and affected the believe system of the Israelites. I have been very conscious to watch what I say and say what is right. Keep your future glorious by saying great things to yourself, time shall come what will be sought for is what have you spoken about yourself. What have you said concerning the future you are going to embrace. Your life must adventure in the route of your tongues. Always say the right thing. There are individuals who say the wrong things about themselves simply because they want others to pity them or stop expecting from them. Whatsoever you say about yourself is what you will see. Now you should consider between looking pitiable and equally looking great. God bless you as you speak great things from now on in Jesus name, Amen!

TEXT: (2 Timothy 2 vs. 1 – 5)

Many individuals finds it very difficult and in most cases something impossible for one to fully partner with God. It is a beautiful thing when God shall find you worthy to stand in the audience of the expression of His needs. Many individuals are really claiming partnering but really not partnering. One comes to the point where the kingdom needs has eaten him/her up; this is the point of partnership. See this scripture with me: ***“He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.”*** (Matthew 13 vs. 22). Verse 4 of today's scripture equally says, ***“No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier”***. Entangleth, what are you entangling that has the capacity of denying you the person of Christ. When I was younger the first voice of God I heard was the voice of partnership, He asked me to buy Him a table cloth for his altar in our children fellowship then (A.C.M). Though I had no money then, he told me the day money will come to embank on that very assignment and that day money came, I went and got the cotton and since then His voice has been there with me. This year, one of the crowning factor is to live a life of partnership with God. It is to come to the place where God is not just the Lord but also the final say. Where His grace shall help us to sustain a vital walk with him. Where His loving hand shall rest on us counting on our faithfulness in the master's business. ***“... that he may please him who hath chosen him to be a soldier”***. There is one who has chosen us to serve in the master's need and grace”. Partner with God in your life. Sow the seed of dedication and glory. Give the best you can and make the kingdom of God glad. **Those who partner with God sets a pattern in life, and these patterns are pathway to glory and excellence.**

TEXT: (Isaiah 40 vs. 1-10)

Verse 4 of today's scripture says, ***“Every valley shall be exalted, and every mountain and hill shall be made low: and the crooked shall be made straight, and the rough places plain”*** (KJV). ***“Fill in the valleys, level off the hills, smooth out the nuts, clear out the rocks. Then God's bright glory will shine and everyone will see it”*** (MSG). It takes a levelled mind to escape lowness. God was saying, ***“Fill in the valleys”***. Which Valley exist in your mind. There are brethren and people hopping for the low things of life. How can you be praying for your greatness and you are hopping for lowness? The solution to that problem is not packing into a smaller house or going to a cheaper shop. If you start finding it difficult to pay for some bills you have been paying comfortably and you reduced yourself to a lesser one believing that's the one you can now comfortably handle; someday you may realise that even the smaller one is becoming difficult to handle. The problem isn't about adjusting your location but adjusting your mind with dogged practical seeking of God and information. Never accept any advice that tells you to live a reduced life. There is not testimony with reduction except God is working out His plan with you. There is a spirit behind lowness. That's same with the spirit of poverty. Your life will definitely run based on the speed your desire. It is good to manage yourself according to what you earn and also make arrangement of saving from what you earn no matter how small. It is also very important you plan before embarking on any project. God is saying to someone, it is not my will you possess a low mind. By right you merit that which is good and great in Christ Jesus. ***“Fill in the valley”***. You cannot reach a level in life which your mind has not gotten. You cannot have what you have not desired before. You are trying to tell people about where you are seeing yourself and they are trying to give you the definition of yourself according to the knowledge of the low background they had about you and you accepted. ***“If your positivity immune system is low, any exposure to a person afflicted with negativity can poison your mind”*** (Bryant McGill). One amazing thing you should digest today is that almost everyone who became great has a very small background before. When Bishop Oyedepo entered his first Cathedral that could house less than a thousand persons or exact. Bishop Abioye while praying said, “God I thank you for you have brought us to our pavilion”. Bishop Oyedepo shouted from his seat saying, “No! This is not our pavilion but our beginning”, between 1990 - 2000 he dedicated the highest auditorium in the world. **Grow up and refuse any acidic virus that limits vision and speed**

TEXT: (Psalm 121 vs. 4 – 8)

Have you come to the place where you doubt God, and you are not sure if He has been faithful to you. Are there some scriptures you don't really believe even though you can quote them without looking? Today I stand as a witness of God's testimonies to tell you that the one whom you believe in is true and a faithful king, yes there is none like or anyone who could be compared with him. A mother who has travel with her two sons had accident on their way. She was trapped inside her car, her words was oh God, please spare my boys!" She fought to loose her pinned hands; she struggled to get free, but mangled metal held her fast in grim captivity. Her frightened eyes then focused on where the back seat once had been, But all she saw was broken glass and two children Crushed in. Her twins were nowhere to be seen; she did not hear them cry, And then she prayed they had been thrown free, "Oh God, don't let me die!" Then firemen came and cut her loose, But when they searched the back, they found therein no little boys, but the seat belt were intact they thought the woman had gone mad and was travelling alone, but when they turned to question her, they discovered she was gone. Policemen saw her running wild and screaming above the noise in beseeching supplication. "Please help me find my boys". One cop spoke up, they are in my car, and they don't have scratch. They said their Daddy put them there and gave them each a cone, then told them both to wait for Mum, to come and take them home. In verse 8 of today's scripture it says, ***"The Lord shall preserve thy going out, and thy coming in, from this time forth and even for evermore"***. I don't know who is listening but the Lord shall preserve thy going out and coming in, His faithfulness is beyond imagination and His hand is everlasting.

TEXT: (2 Samuel 11 vs. 1-17), (2 Samuel 12 vs. 9-12)

Iwelcome you to the presence of the director of our soul. If sin reveals its company as it comes into the mind of anyone, I think none will desire to entertain it as a guest. **By sin the devil commits men to his plan and to cover a sin committed more sins are committed.** To sin begins with being at the right place at the wrong time. David was in his own house he wasn't in the house of the prostitutes. He didn't imagine on his mind that he was about to sleep with a woman who happens to be someone's wife/ a woman who is not among his wives. If this woman was a single lady at worst she may be added to the number of his wives and the consequences wouldn't have been as they were. How pretty was she compared to David's wives, is she prettier than others girls who are unmarried? David was simply at the right place at the wrong time. If Uriah was home, of course David should have respected his presence and ignore the thoughts. Brethren it all began with a planted thought and then he slept with somebody's wife (adultery). He tried to impose his own child upon Uriah to seal the secret forever (lie), he didn't succeed. He plotted the death of an innocent man who left his wife and family to fight the cause of the Lord (murder). It was all the product of the crawling level of the devil. Is not to have sex that is the problem, I think it should be what follows after? What happens to the pregnancy, assuming that one surfaces? Are you guilty of murder of innocent children who God sent into the world just as you? The Lord is going bitter today; Madam hope you can be able to stand before Jehovah to proclaim that your husband is the one responsible for the children you have given to your family. Dear Husband, has devil made you look like David, when men are busy fighting the cause of the Lord, you are busy seeking Bathsheba. Verse 10-12 of today's scripture revealed the curse that came upon David and his household. Have you deceived your family that you are going for a meeting or a business trip only to manifest the crawling nature of the devil as he planted in your mind? The consequences of carrying out satanic crawl is generational. As a young man where are you and what are you into? I have met people who told me, she just slept in my house that night and from there she took in and we got married. Will carelessness take you to the wrong marriage? May God keep you above satanic crawls. Amen!

TEXT: (Luke 18 vs. 9 – 14)

The excitement of God is what I hope that Jehovah will plant in our hearts again, to help us fulfil the mandate He allowed us to carry out. **There are mandates of heaven Jehovah would want you to sustain.** The efficacy of God's grace creates in us a dosage of God's power to place in us what only God can. It is only God who can do and undo any act of great things in the life of a believer. Whatever that merits your effort lacks the grace of God. The grace of God is what manifests the price of Christ and the strength of His sacrifice in us. The scripture speaking says, *“For by grace are ye saved through faith: and that not of yourselves: it is the gift of God”*. God wants it to live in the heart of man; those men that knows they can do nothing of themselves except they be helped of God's grace. This is my prayers but I don't know about you. May it not come to a point in my life where I accredit my progress to self instead of God's grace! May I not come to that season where I depend on myself more than I depend on God's grace. Whatever you cannot accredit around yourself is the work that grace does on you. You have never been a sinner, God took you early, it was grace that took you early. You have stayed as a virgin since you were born, yes, it was the work that grace did on you. As a minister maybe a lot of God's move was recorded during your ministration, yes, it was the grace of God that manifested such light on you. This could be one of the reasons why Tony Dungy echoed, **“I don't have the strength or wisdom to get through a single day without guidance and grace of God”**. The question is, what you could have done if it was not by the grace of God. Seeing the passage of the bible where we read, we saw in verse 13 of it saying, *“And the publican, standing afar off, would not lift up so much as his eyes unto heaven, but smote upon his breast, saying, God be merciful to me a sinner”*. Note: “God be merciful to me”. You are at the gate of hell when you feel there is no need to ask for mercy since you cannot remember when last you failed God like the other guy did. **The excitement of God is seeing you yielded at all times to Him” Amen!**

TEXT: (Psalm 91 vs. 1 – 11)

God's eye is focussed on you to see you prosper and shine. In your darkest hour God got you. When it appears as if the journey has no continuation He got you and He got your fight. Never assume that God isn't looking carefully and constantly on you. In continuation of our story the previous day one of the Cop on the accident scene said, I have searched the area high and low, but I can't find their Dad, he must fled the scene I guess and that is very bad. The mother hugged the twins and said, while wiping at a tear, **“He could not flee the scene, you see, for he is been a year since he died”**. The Cop just looked confused and asked, “Now, how can that be true?” The boys said, “Mummy, Daddy came and left a kiss for you”. The freemen's notes could not explain the twisted, mangled car and how the three of them escaped without a single scar. But on the Cop's report was scribed, in print so very fine, an angel walked the beat tonight on Highway 109. How else can you describe such truth? I will give my angels charge over thee. In verse 10 – 11 of today's scripture says, **“There shall no evil befall thee, neither shall any plague come nigh thy dwelling. (Verse 11), “For he shall give his angels charge over thee, to keep thee in all thy ways”**. I don't know what your fear may be, but the Lord got you covered. He got you taken care of, He got you stabilised and established. Don't be afraid, God is with you and He will take care of you. All the traps set against you can no longer reach you. God has gotten you covered by His grace, he has gotten you shielded and preserved. This year walk with the confidence knowing that God got you covered.

TEXT: (Ephesians 3 vs. 17)

Faith is of a very great essence in the kingdom. Faith is one of the most essential for a flourishing child of God. Without faith I cannot personally guarantee you of an exclusive life in Christ Jesus. Jesus is the Lord of the universe and He is pleased by great faith in every good work and essentials. Great faith is what keeps you ahead of any limiting circumstances engineered by the devil; as we all know the devil doesn't sleep and he does not rest: urgently, you need faith to make a fool of him. Yes satan is a fool and most times it is your duty to remind him that. His work place is mostly your hearts, the heart of a man is the place where the enemy centres his attacks. I don't know if you have had that kind of experience in the past. Where you are on your own and suddenly you heard a kind of suggestion or opinion telling you one negative thing, probably you could die today or something related, hence in such situation all you should do is to reply him the word of God. Oh yes, the sickness of the Egyptians are not my portion. I shall never be in lack therefore I trigger divine supply and sufficiency in the name of Jesus. No form of satanic manipulation and limitations shall prevail in my life. Verse 17 of today's scripture says, *"That Christ may dwell in your hearts by faith, that ye being rooted and grounded in love"*. Even Christ dwelling in our heart is by faith. Many Christians are conditioned to feelings until they feel it or feel a certain way they don't believe it. They don't believe God neither do they believe His presence nor His power. You must come to that stage where your heart is conditioned towards God by faith where you believe and produce result by the faith you have and not by what you feel.

TEXT: (Luke 19 vs. 1 – 10)

The love of God is beyond the discretion of men and His love is drastically everlasting. Dwelling in God's love is to come to that point where you honour God for who He is not minding what has changed around you and what has not changed. To Love God is not statement base but a reality that is shown by the character and nature of those who have admitted to love Him, not certainly because of what He does but because He first loved us. God's love on mankind is not categorised. He love the world with everyone inclusive (John 3 vs. 16). In today's scripture we saw the man Zacchaeus when he ran to meet Jesus not just that alone, he was a chief among the publicans and he was rich. For the scripture to call him rich, he was rich indeed and famous that Jesus knew him by name. "He tried to see Jesus but couldn't because of his stature, then being serious with his desire he ran and climbed a sycamore tree to see him. When Jesus saw him, He called him by his name saying today I will be in your house. **Did it shock you that Jesus knew the name of that sinner whom every other person rejects, in the days of no social profile or media.** The mystery of God that breaks every man down is the love of God that is exhibited for mankind. Those who are hurt and rejected by others are the set of individuals that Jesus always wants to accept. See Zacchaeus response in verse 8 where it says, *"And Zacchaeus stood, and said unto the Lord; Behold, Lord, the half of my goods I give to the poor; and if I have taken anything from any man by false accusation I restore him four fold"*. While others who have no maximum respect for God/Jesus was calling him sinner, He was calling Jesus Lord and demonstrated the deliverance he hot over greed., without any form of message or word from Jesus. **The love of God for all is the magnet that pulls men to Him.** The greatest gospel of all time is that God loves mankind. The greatest mystery of all time is that God loved man even while they are yet sinners. People should repent not for the fear of rapture or hell but for the knowledge of the love of God towards them. I pray with you, may God display His love abundantly in your life in Jesus name, Amen! You are taken higher in your pursuit in Jesus name, Amen! He loves everyone irrespective of who they are and the knowledge of that can save anyone and everyone.

TEXT: (Psalm 107 vs. 15 – 24)

We serve the Lord who is a miracle working God; the ever faithful, ever reliable God is who He is called. Many individuals has something they want to tell God but very few have been able to notice what He has done and what He can do. The man whispered, “God, speak to me”. And a meadowlark sang but the man did not hear. So the man yelled, “God, speak to me” and the thunder rolled across the sky. But, the man did not listen. The man looked around and said, “God let me see you. And a star shined brightly. But the man did not see. And the man shouted, “God show me a miracle”. So, the man cried out in despair. “Touch me God, and let me know you are here”. Whereupon, God reached down and touched the man. But the man brushed the butterfly away and walked on. I found this to be a great sign that God is always around us in the little and simple things that we take for granted even in our electronic age, so I would like to add one more: The man cried, “God, I need your help!” And an email arrived reaching out with good news and encouragement. But, the man deleted it and continued crying. Don't miss out on a blessing because it isn't packaged in the way you expect. Verse 24 of today's scripture says, ***“These see the works of the Lord, and His wonders in the deep”***. The wonders of God are massive, read the doings of God across all that surrounds you. Across all that is associated with you. There is nothing the Lord cannot do, His faithfulness and ability are not to be mentioned. His name and grace is above human classifications. You can run from all sides and do all manner of things. After prayers what happened, it could look so insignificant but it is massively the doings of God. Stay focused and countable.

4. My God I shall not be stopped on every side in Jesus name, Amen!
5. Father give me the consciousness that recognises your hand and grace.

TEXT: (1 Samuel 17 vs. 44 – 47)

To take charge of the situation you must be deliberate about speaking the right thing always. When you say the right thing, then right things must happen for you. See with me verse 45 of today's scripture where it says, *“Then said David to the philistine, thou comest to me with sword, and with a spear, and with a shield: but I come to thee in the name of the Lord of hosts, the God of the armies of Israel, whom thou hast defied”*. **Defensive words are where the power lies.** A child of God at no time is not allowed to embrace any form of intimidation from the devil. A child of God is called into newness of life and good experiences by his outspoken word. From the scripture studied, we saw the threats of Goliath and he meant them, but threats don't survive a Godly response. David said, ***“I came to thee in the name of the Lord of hosts, the God of the armies of Israel.”*** Weapons are powerful but not in a battle where Jehovah is involved. This explains the reason why Goliath's death was a mystery by one short, why because Jehovah God does not miss target. Irrespective of how huge or massive the threat may look bring God's word to it, it cannot survive in time. Yes, bring God's threat to that threatening situation it cannot survive in time. Yes, the threat of illness and disease cannot survive the proclamation of the word of God. Intimidating circumstances will always come but the righteous the Bible said is as bold as a lion (Proverb 28 vs. 1). We are bold because we are sure we are not condemnable by anything; shout fire! We are also bold because we are certain of our place in victory. We are sure of our lives in Christ. Yes, we are also sure of the authority we possess, hence nothing has the capacity to get us condemned in Jesus name, Amen! Get lose from that intimidating mentality, you deserve everything good. Yes, you deserve greatness and mightiness. You deserve celebration, you deserve good marriage. Develop the mind that accept for yourself what your father would offer to you by Himself. Be selective in your choices, Amen!

TEXT: (Luke 10 vs. 40 – 42)

In this life where we are, choices are of a very high importance, what you chose determines the life you see. I choose to trust in God and leave it in his hands. I choose to love my neighbour and treat them with respect. I choose to respond like Jesus when anger starts to rise. I choose to forgive others because Christ first forgave me. I choose to live in God's peace when I give him my concerns. I choose to be led by God's spirit and walk in his power each day. I choose to become more like Jesus and walk in His victory. I choose to offer praise to God when my soul is overwhelmed. I choose to set my mind on Christ, not on worldly distractions. I choose to be obedient to God even when I don't understand because I choose to live a surrendered life to the one who does understand, what you chose in life is definitely what you are going to see. In life the choices we make is what keeps us ahead. Great life can cost a lot of sweat and sleepless seasons but it takes the individual who understands to choose his way into progress in life. I choose peace because I do know the one who is peace by himself. Life is a result of choices, choose what is right and live by it. In verse 42 of today's scripture it says, ***“But one thing is needful; and Mary hath chosen that good part which shall not be taken away from her”***. These things cannot be taken away, happiness, goodness and commitment. The truth is that what you chose is a reflection of your commitment and attraction in life. Don't take what others chose for you except by your own belief and understanding. Choose God again and again. You can start with choosing a good cause to avoid stress and pressure. Choosing harmony with everyone that comes across you, Amen!

TEXT: (1 Corinthians 2 vs. 5 – 11)

Many times, many of us fall victim of some situation and circumstances that are not helpful to our destinies and where God is taking us. Have you heard or read of a man who established a zoo and made the entrance 50,000 but no one went there. He reduced it to 40,000 but still no one came. He then reduced the fee to 20,000 still people didn't come. Finally, he made it FREE entrance and soon, the zoo was filled with people. Then, he quietly locked the gate of the zoo, set the lion free and made the exit fee #150,000 and everyone paid. Most times things gotten for free cost much more than we can afford. People stealing from others to be able to project an image of wealth pay more than what they have stolen even sometimes they pay with their lives. Beware of the opportunities the devil might be offering you. God can favour you for free, but always verify from Him if He is the one really leading you. In case where self is really attracted against God's restrain, I pray you receive grace to handle such situations in Jesus name, Amen! To triumph in life you don't just need the Holy Spirit, you need him to stay active in your life and destiny. It takes the spirit to cultivate excellence in all forms verse 11 of today's scripture says, ***“For what man knoweth the things of a man, save the spirit of man which is in Him? Even so the things of God knoweth no man, but the Spirit of God”***. It takes the Spirit of God to know the things of God. And your destiny and life are pleased on the knowing of God. God bless you!

Prayer Points: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Lord Jesus, I receive the insight to explore in excellence.
3. Father, I shall be careful and wise with all my choices, Amen!
4. Father, give discerning spirit to know what to do at all time.
5. My God help me I my choices, let me know when you are leading me.
6. Oh God, I receive the wisdom to be exceptional in most of my ways and walk.

TEXT: (Isaiah 23 vs. 14 – 17)

One of the ways to go far with God is to build the life style of discipline. When you are disciplined then you can go far with God. For the disciplined God can count on you. Many persons never does anything without compromise of faith. Some persons weakness is money, lust, envy, jealousy, and bitterness. Before God takes you far, he helps you out of these tests. There are people who started serving God by the inspiration of money, with thoughts like: can't you remember that brother when he started he has nothing but now houses, cars even Jets are no longer his need. These are systems in people's life where they are what they are not to the glory of God. As a result some of them entered into ministry and they cannot endure God's refining process so they look for alternatives that are Godless. If it is the Lord that will build you, He takes step by step efforts and process. There are seasons of labour and seasons of reward. One of my fathers' in the Lord Evan. Joshua Chukwujekwu calls it seasons of sowing and harvest. I have seen people who once carried Bible as ministers but now are traditionalists' even native doctors. They were too impatient to step on the Lord's mark. Jesus was tempted with food while he was hungry, fame and riches while he was poor and unpopular. He was also tempted with daring the power of God while He was asked to jump from the high tower. He succeeded by resisting the devil. There are many of us who are more sustained and helped by the mercy of God. I have seen situations where brothers are having affair with someone's wife, dragging someone else's possession, forgetting that the day is coming when all these things will not matter anymore. God's mercy is huge but sometimes His mercy cannot bring you to a journey where you are not willing to go. You are not in a responsibility-free faith. Satan entered Judas Iscariot's heart but Judas accepted him without any form of resistance and not long he found himself misbehaving. You are still peaceful after an act that misrepresented God then the Holy spirit is absent in your heart. (Isaiah 23 vs. 17) says, *"Yes, after several years the Lord will revive Tyre. But she will be no different than she was before. She will again be a prostitute to all kingdoms around the world"*. God revived tyre after destruction came upon her but she will not be different. For that reason why you seemed to be frustrated and destroyed, will you still be found in the same crisis.

WELCOME TO MAY

THEME

Great Manifestation.

32

You are welcome to the place of the one who is the most powerful. Who exactly needs a saviour? I believe it is everyone who lives within the space of the earth. The word saviour is allocated to the one who is fully in the business of safety and this is what the scripture made us to believe on different pages of it that Jesus came to do. One may say, I don't have Jesus but it doesn't appear as though I needed him anyway because my life is moving swiftly, therefore inviting him could look like attaching a weight to a lite movement. Jesus said evidently in verse 5 of John 15 saying, ***“I am the vine, ye are the branches: He that abideth in me and I in Him, the same shall bring forth much fruit: for without me you can do nothing”***. Without me you can do nothing. Does this tell that whatever anyone could have done without Him is actually nothing? It appears to be! Man is most times permanently motivated to seek his own. Seeking for his own safety and survival but at a time all of these may not matter. A determined man can do many things for himself. Jesus was emphasising that man is helpless and cannot be pure, holy and righteous without him. Yourself righteousness will gain you nothing close to heaven. It is not about your brags and boasts, it is about His grace. (1 John 3 vs. 6) says, ***“Whosoever abideth in Him sinneth not”***. So the ability to be sin free is in abiding in Him and staying with him. The grace to stay with Him, you shall receive in Jesus name, Amen! Lord it has never been about me in any way but you, come and take your place in full in Jesus name, Amen.

5. Lord take my heart away from depending on self to trusting in you.
6. I shall not lose what God has done in me and for me, Amen!

TEXT: (Proverb 16 vs. 25)

Some persons behaves stupid in their actions yet are classified as being smart but life is not certainly designed that way. I welcome you to the hub where the opinion of God is revealed. Is not bad to be desperate over things, desperation is the secret behind tremendous success and achievements. What you are not desperate about you may not achieve, but in your desperate moves and effort apply wisdom of God. You are not certainly the only one who came from a poor family and there are people whose situations are worse than yours but their story have changed, this tells that story changes. Instead of being evil, going evil, playing dangerous cards to settle those need why not be patient and try something new. When I began to write COF; it was a vision God asked me to carry out. When He first brought the idea I saw how productive the vision is and I believed God to help us start, of course we started but the journey was not an easy one. The first production half of it was not sold before it expired. In the process of writing this, God has rewarded me in many ways that the revenue from this writing cannot do. We have shared more free copies than we have sold, the effort, sleepless night and all that is to see that the name of Jesus is exalted. At a time you have every reason to be discouraged, confused and to some extent frustrated. Those who took the wrong step may seem to be ahead but forget them, the end justifies the means. If you are dogged about your task, open with your mind and determined about your goal, Jehovah will prosper you. **To be smart is to build something, have something and watch it grow.** Believe in yourself and the Lord shall bring great things your way. Someone said, **“The problem with the world is that the stupid are cocksure (confident) and the intelligent are full of doubt”**. Speak, never subject yourself to fraud and money gotten by evil pursuit, through prostitution, bribery, robbery, and thieving. Your real self is the self in you that responds when the evil you know and avoid stands to be the only option you have. Today's scripture says, **“There is a way that seemeth right unto a man, but the end thereof are the ways of death”**.

TEXT: (Proverb 1 vs. 28 – 32)

Robert Kogan was the one who said, **“What we mean by maturity in people's thinking is not a matter of how smart they are, but it is a matter of the order of consciousness in which they exercise their smartness or their lack of it”**. I welcome you before Jehovah the man of love. God has a plan for you but the point is can you follow Him to reach His plan for you. Someone shared a story of how a girl went to hotel with a man, on reaching the hotel room the man undressed his shirt and at his back was a rotten wound. Then he opened a brief case he came with and brought out snake. He gave the girl options of either licking the rotten wound or sleep with the snake for 200k. The girl wanted to run out of the room but some guards blocked her exit. She submitted to sleep with the snake after which she got her 200k, but she only lived to share the story and explained what happened. Some risk, does not worth it. Evil have escalated, most young people don't want to work anymore; involving in internet scam and the rest. Smartness is knowing what is right and doing just that. Who could have told Joseph that the throne awaits him from the day he refused to sleep with Potiphar's wife. You only know what you have planned and even your plan is not sure to come out the very way you have planned, but God who asked you to be integrity wise knows how to reward every good act. **Life is a very long journey to determine its progress by today's success.** Someone who doesn't fear God you are looking at might seem to be prospering but heading towards destruction. Absalom read history and saw how his father became king but he felt it was what that time and generation of life suggested. He applied the modern system he assumed, by attacking his father to take the throne, yet the throne he never smelt and he was never buried, his body was thrown into a pit. The way of God is same, His foundation is sure (2 Timothy 2 vs. 19) also digest verse 32 of today's scripture, **“For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them”**. **God bless you!**

TEXT: (John 14 vs. 20 – 27)

To be spiritually sensitive is to have a life guide that is purposely initiated by God to effect your safety. You are not safe until you are secured by the Spirit of God. The presence of the Holy Spirit is not just peace but the peace that passes human understanding. An active Spirit of God is the Spirit that brings peace in the midst of difficulties. There once lived a very wealthy man who was willing to pay a small fortune to the artist who could but illustrate the presence of peace. Several artists brought paintings of sunsets and quiet meadows, but the man did not accept any of these. One day as he was walking through looking at the most recent attempts, two paintings captured his attention. One was a painting of a beautiful calm lake surrounded by lush green mountains. The water seemed as still as glass. The next to this painting was another with vast difference. It was also a picture of a lake surrounded by mountains; but the strong wind had whipped the lake into a tempest and the dark clouds hovered about the rugged mountain landscape ready to release a downpour of torrential rains. The rich man explained, the first painting was beautiful and peaceful, but it didn't tell the truth of where peace can be found. Anyone could feel peaceful upon a crystal clear lake with white clouds drifting across the sky and barely a breeze blowing across the water. Then he said the second picture of painting is a picture of true, perfect peace because it is within the storms of life we find real peace tucked into the side of God, knowing His presence will guard and protect us even in the midst of this world's storm. (Verse 27 of today's scripture says), ***“Peace I leave with you: my peace I give you. I do not give to you as the world gives. Do not let your heart be troubled and do not be afraid”***. I don't know what storm of rage is around you, by the active Holy Spirit I pray that you touch peace once again in Jesus name. Amen!

TEXT: (Psalm 34 vs. 10-22)

I welcome you to the sanctuary of the governor of life Himself. Having the understanding that this unfavourable condition of yours is not the extent of your life's journey, is enough to plant in you the capacity to live far better beyond the shells of your present affliction. **“No one can tell what goes on in-between the person you were and the person you become. No one can chart that blue and lonely section of hell. There are no maps of the change. You just come out the other side or you don't”** (Stephen King). Though the days are dark and the time is far spent but the bright sky awaits anyone that hopes a better life from God. See this: Three years ago my ex-husband threw me out of the house with nothing but duffle bag with a change of clothes and a plane ticket to my home state. His reason was because I was mentally ill and he was “tired of trying to fix me”. I was homeless for a year before I found a home in a group of the mentally ill. I spent a year and a half there before I moved into a supervised apartment, enrolled in GED school, adopted a pet, and got my first job doing volunteer work today. Sorry for bragging. I just can't believe how far I have come (By M. J). You see, God is not someone you run with, when you don't have vision for a better day. ***“For without faith it is impossible to please God”*** (Hebrew 11 vs. 6). I have met men who cried to my witness because of the setback they were facing in business but today are millionaires. There is an extent you are about to reach from this present, don't conclude your journey on that unfavourable destination. There is a level to shift. There is a better place to go. There is a testimony ahead. Oh Yes! God whispered to our hearing in verse 19 of today's scripture saying, ***“Many are the afflictions of the righteous but the Lord delivereth him out of them all”***. Digest this: **“Out of them all”**. Beat your chest and say after me: **“In the name of Jesus, I am not concluding my journey here”**.

Prayer Points: Worship God in your own way.

1. My God arise and take me to where you are taking me by your hand.
2. OH God may I never conclude my journey at the wrong place.

TEXT: (Acts 4 vs. 1 – 12)

The Lord in His fullness the God of all things and the God of all times. He is the legend of salvation. No one can run into the place of excellence if he or she is not empowered by God. We are in the time of knowledge, people assuming they know even when they don't know. Your salvation is God's investment to take care of you and bless you. Why did God save mankind is it for His own selfish reason? No it can't be, what can God benefit from man? He created man, he made the earth; reality itself is in His hand. The time you have spent and the one that is left for you are all in His hands; ***“yet he humbleth Himself to behold the things that are in heaven and in the earth”***. (Psalm 113 vs. 6): “Why did the scripture call it humbling because he came below His level? He desires to partake in that which concerns you and I and to bring blessings to us. So God's interest on man is to secure man, to save him and to give him a reliable place in eternity. God is calling someone's attention to note that He is highly interested in you as a person that is why He saved us. Today's scripture says in verse 12 saying, ***“Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved”***. There is no other name that guarantees the safety of man that is not the name of Jesus. He is the legend of salvation, anyone who hasn't received Him is still a slave to sin and wickedness. God is telling someone I am still available for your safety and salvation. I am still the God of your future, I am still your king and your Lord. Make use of now and reconcile yourself to Jesus, make Him your Lord and your personal saviour, ask Him to touch you and to help you this season in the name of Jesus, Amen!

TEXT: (Psalm 89 vs. 20 – 23)

I welcome someone who is consumed by the love of God to the very presence of God. Grace talks about the ability of God being show-cased in someone's life to make the statement that only God could have made. The grace of God is an outstanding cause. As we progress in this divine insight today I would love you to realise man has nothing in him to make himself what God wants to make out of Him. You can pay the price but it takes grace to deliver it. Even the courage to pay the price and never give up is inspired by grace. Note that nothing gotten by wickedness can have some value as what is gotten through integrity and grace. When man is at rest, God is at work. Trust more in God than you trust in your effort. Many who prayed have trusted the fasting more than God. I don't know what you could have done right or wrong but I want to assure you that for trusting in the Lord you must prevail in Jesus name, Amen! God said that ***“He will beat down your foes before your own face, and plague them that hate you”***. This is a strong challenge from God towards all manner of obstacles that could come across anyone. God has the capacity to make points in that crisis. Your progress is not just important to you alone, it is also important to God. Therefore you must progress. Keep the grace alive. Have the mind-set of the grace first that you can never go down by the very strength and capacity of God. I speak over you that you shall not by any means be stopped in your progressive move with God. Today I prophesy to someone that the unlimited grace of God shall be revealed to you in Jesus name, Amen!

Prayer Points: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Lord Jesus I receive the grace that is made available in Christ Jesus.
3. Faithful God I shall not fall victim of any circumstances and attacks of the enemy in Jesus name, Amen!
4. My God help me to stand strong and great in my walk with you as I recognise the power of your grace.

It is lamenting at the depth in which love seems to have disappeared from the house of God. We have turned into more of judges and less of lovers. More of speakers and less of actors. More of selfish-interest and less of compassion. If he is actually wrong and we have proven him to be wrong indeed, should we kill him for being wrong? People make mistakes; yes, humans are weak and God loves them even with that, why then do we claim to serve God and yet judges people the way God wouldn't have judged them. What a sinner a pastor is who has centred his sermon on the errors of another servant of God. Probably he was caught in the sin of fornication and your sermon was shifted from Christ to analytic judgement of a man whom you cannot categorically describe his state with God at the moment. **God's word rebukes sin but does not condemn sinners.** Yes, someone said, **“Christians who understands the depth of God's unconditional love also feel the need to share that same love with others around them”**. Love takes on many forms and shapes in each of our earthly relationships; but they will be much more impactful when based on the agape love of Christ. See again verse 22 of today's scripture, **“It is of the Lord's mercies that we are not consumed, because his compassion fail not”** (God's compassion fails not). Oh, the Spirit emphasising on this says to us from today's scripture verse 32 saying, *“But though he cause grief, yet will he have compassion according to the multitude of his mercies”*. Don't condemn who God hasn't condemned. People are more real where they are loved. As God's servant, I have children who relates to me the deepest secret of their lives. I also have Fathers who I tell how I slept and where I slept. **People develop to better persons, when they are loved for who they are and counselled to become better persons.** Just accommodate people's flaw and admonish them to be like Christ and there will be genuine Christians not hypocrites. It was Victor Hugo that said, **“The greatest happiness of life is the conviction that we are loved; loved for ourselves, or rather, loved in spite of ourselves”**. May God awake His church to love indeed.

TEXT: (Esther 4 vs. 15 – 17)

Coming down doesn't sound popular in the opinion of the desperate, but the act of not coming down at all can be defined as the pattern of the desperate. The grace of God is really around those who are always willing to come down. The place of coming down is the place of reinforcement. The act of coming down is the act of outmost flight. To come down is also a way to see and observe how well to fly again. If you are driving and suddenly saw a bump you will hold the break and then after you have passed it you can accelerate again. The situation that looks like out of place and plan for you could be God telling to come down for another height of preparation. Nobody wins without tension. There is always fear of failure in the heart of every man but the individual who beats the fear is the same that sees the stars for a new day. Don't be scared of coming down, to rise most times you come down first. Scripturally speaking most of God's great adventures were committed at private places. David became who he was by the virtue of the encounters he stored with God. Someone said and I quote, "The real glory is being knocked to your knees and then coming back. That's the real glory that is the essence of it". God is saying to someone take some time out and rest. Take some time out and experience me, let me guide you on what to do next. Coming down is the way to move up again. Some of us are limited by the experiences we have and we don't try to expand on our experiences and develop our minds in that area and sector. The people who win the game are those whose minds are built. You must build and develop your mind for exploits and victory, nothing happens or changes for anyone who has weak or disadvantaged mind. Study again verse 15 and 17 of today's scripture. People don't win carelessly, they win based on how they build and what they built

1. Oh God I thank you for your word to me.
2. Jesus give me the grace to stand where you want me to stand at all times.
3. Help me Lord to come down, and to stay faithful to your will and ways.
4. My God grant me the grace to love and abide in you all the days of my life, Amen!

TEXT: (Hebrew 12 vs. 1-8), (1 Kings 6 vs. 1-2)

When you are done can you imagine of a reason to try again to get it done, to prove yourself again. **Being done at this point wasn't part of the plan before you began.** Do you know the amazing thing about the feeling to be done? It is the feeling everyone who has brought something amazing on the table had once in their lives. Thomas Edison did, likewise Henry ford, Isaac Newton, Peter the Apostle, I also have felt like that sometimes, Jesus felt the same way too but he didn't give-in to it; Personally I have found reasons not to give up in Him. It was well printed within the second verse of today's scripture, "Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God". Initially I wanted to read medicine and surgery in school; that was my passion from a very young stage of my life. The look was on me, I was many times addressed as a doctor by so many persons. I started practising as a child with my sister practising nurse. Of course today she is a nurse but my struggle to enrol ended up with several disappointments. At a very young stage of my life I have known that I am created to serve God within the whole time I live. Though I had the passion to read medicine and surgery just for the experience I wasn't dreaming to practise it or further it after I have gotten the degree. My family understood the vision I had and did everything within their power to support me, spent money and all that. One day while I was still reading my Cambridge A-level an angel appeared to me in a dream saying "**God doesn't want you to read medicine, He wants you to use the time for something else. Reading it will delay the time He wants you to be useful to Him.**" The encounter was plain and clear. He told me, "You can read anything to PhD level but forget about medicine and surgery. When I was done with my Cambridge A-level, God commanded me to serve Him faithfully for a period of 2 years before He will consider retrieving my studies and I did. Brethren within that 2 years a lot happened and this vision was born. Exactly when two years were over my studies were retrieved; today, I am a Mathematician. Guess what? I am happier and better. Except if you don't want to advance in life, you can quit. Except if you really desire to live that average life that has no impact in this generation, yes, you can quit! God sponsors His will in your life and prevents what is not His will for you. Yes, you are the next champion. I am fully aware of where God is taking me, I don't know about you? I am so confident that He is about to make me a news in the world, I don't about you. Scream Jesus!

Prayer Points: Worship God in your own way.

1. Ask God for the grace to never remain a limited place just as the Prophets did in today's second scripture.
2. Give me the grace to never give up, to endure my training process.

TEXT: (Psalm 18 vs. 20 – 34)

It is not a news that everyone wants an easy life. Everybody wants it quick and fast. In fact no one wants a life without opportunities and golden privileges. This has made people to ignore the obstacles. I most put it in front of someone again today that winning is gotten from the end of Obstacles. Someone has to stand and win the obstacle then victory will come. Beyond spiritual well-being is a request form saying that we all should take responsibilities. Getting things done is a plus, then making things work is the way. You really have to learn the act of making things work if you really want victory. See this old story below with me. There was once a king who decided to do a little experiment he had a giant boulder put right in the middle of street. He then hid near to boulder to see who, if anyone would try to move it out of the way first. Some wealthy merchants walked by. They walked around the boulder, complaining that the King hasn't been maintaining the roads very well. Next a peasant walked by, heading home with his arms full of food for his family, when he noticed the boulder, he put his groceries down and attempted to move it out of everyone's way. It took him a while to move it, but he eventually succeeded. After the peasant gathered up his groceries to carry on home, he noticed a bag laying in the middle of the road, just where the boulder once was. He opened the bag to find that it was stuffed full of gold coins, along with a letter from the King saying that the bags of gold was a reward for the peasant to keep. When you fight diligently you stay with the reward. Bible has always encouraged us to fight the good fight. Most times you don't pray the enemies away you defeat them, this was well labelled in verse 34 of today's scripture where it says, ***“He teacheth my hands war, so that a bar of steel is broken in my arms”***.

TEXT: (Ephesians 5 vs. 27 – 33)

Don't marry anyone because you are selfish and wanted to escape singlehood yet you are not willing to assist those individuals in their visions. Welcome to God's own presence. Someone said, **“The greatest marriage are built on teamwork, a mutual respect, a healthy dose of admiration and a never ending portion of love and grace”**. Marriage has been sabotaged in the society because roles are misinterpreted and knowledge is missing. Recently there was a story that combed through the air waves of the social media, of a woman whose husband was building their family house and stopped at a point because of lack of finances. He believed his wife was making money and asked for her assistance, she declined saying she had no money. Not long after she went to buy a land worth of 18 million naira and was defrauded by fraudsters. Paid them 18 million naira for a land with fake documents. Why should you be with someone and not feel their pain? Why should you be with someone and don't understand what they go through? Why together, if you can't work together? It is a shame that some persons are deliberately giving satan space in their homes. Verse 31 of today's scripture says, ***“For this cause shall a man leave his father and mother, and shall be joined unto his wife, and they two shall be one flesh”***. How can they be joined, yet don't feel each other? How can they be one flesh, yet ignore each other. **I pray for you in Jesus name, your marriage shall never suffer loss in Jesus name, Amen!** A man should take his ground in the house and be the man. Men are Alpha built, take decisions and command your house. By general studies, I have been able to understand that a house that is not commanded becomes less of the value expected from it. A commanded house abide to a core value. You are not called in a house to play the feminine role as a man. You think God has a different opinion about this then see (Genesis 18 vs. 19): Saying, ***“For I know him, that he will command his children and his house hold after him, and they shall keep the way of the Lord”***. The bible said, men should love their wives because sometimes by their mysterious nature it is doubted if they actually do, but now most men lack mystery and few women's heart have departed from their husbands. I decree, let Jehovah in His infinite wisdom govern your home. **Be a blessing in your marriage by bearing the burdens of your spouse.**

TEXT: (Colossians 1 vs. 20 – 27)

You can be more of anything you want but at the end of whatever you are, it could still appear as though you are nothing because Christ is the Ultimate metre for human gauge. We are really in that time where we are scared and less bold on our comments and announcement of Christ. We seem to have given ourselves to too many things that may seem to call our minds off from the production angle where God has called us to shine and reign. Can we confidently say that Christ is in you? Christ being in you means you are all out for Him and with Him. Christ is in you means that you cannot thrive without Him, you don't take a step except He recommends. Many of us especially old brethren, when I say old brethren, I mean those who have spent long time in the kingdom and its affairs. Those who have been in the field for like 10 – 20 years. Some of us at a time get used to righteousness and holiness, gets used to the mercy of God, at this point in time we might find ourselves falling back, being careless with many things. The knowledge of the scripture have been there at this point many of us sees no need to study the scripture and know the pattern and ways of God. This is the point where the relevance of God dies, this is where someone says, "I was this and that in the past, the power of God was evident among us before now, but they have no testimony for the present. May God save us from such crisis, most of us have been there before where our love has gone cold but I trust God for someone today' Christ will definitely come afresh in you. Verse 27 of today's scripture says, ***"To whom God would make known what is the riches of the glory of this mystery among the gentiles: which is Christ in you, the hope of glory"***. So the riches of the glory that we share is Christ in us. **Oh my God if He be in me I am a wonder to many.**

TEXT: (1 Corinthians 2 vs. 1 – 3)

We are in that time where the gospel of Christ is facing the challenges of surviving the time and season we occupy. Where preachers aspire to say what could make sense and do nothing about the originality of the truth. I am really convinced in my heart that God should indeed use and help us for the time to favour Zion has come. We cannot be more than we are in Christ if we didn't give him the whole chance and privilege. The gospel is not saying what is mentally acceptable or humanly comprehensible but it is saying the gospel of salvation which can never be fashioned in times and seasons. Let's study together what Paul the Apostle said to the Corinthian Church. He said, ***"And I, brethren, when I come to you, did not come with excellence of speech or of wisdom declaring to you the testimony of God. (Verse 2): For I determined not to know anything among you except Him crucified"***. I determined not to know anything among you except Jesus Christ and Him crucified. Irrespective of the knowledge you have spread and the word of God you have spoken if you have not spoken Jesus Christ and His crucifixion you are many spaces away from the truth. There are mysteries of the word featured by the wisdom of the Holy Spirit but this is communicated through the extension of Christ's Character, pattern and manner. As a preacher ask God for the grace not to present to people the intelligence of men and their wisdom; but stand to narrate the grace and wisdom of God according to the authentication of God's word and His intelligence. You cannot get much from God if you are not tied to Him in wisdom and grace. The wisdom of God is focused on the strategy of survival by the very wisdom of God. **The advantage we have above the world is in the wisdom of God that we have attracted through our transformation that was engineered from the cross.**

Prayer Points: Worship God in your own way.

1. Oh God we bless you for your word to me.
2. Lord Jesus, show me your grace and power through wisdom.
3. My God may I benefit in the dividends of God by divine grace.
4. My God assist me to come to that place of manifold functions and ability.

TEXT: (Luke 1 vs. 15 – 25)

Sometimes the problem that confronts people are not personal but generational. These are problems that people faces as a result of the family they are from and by these many of them have suffered hopelessness in their journey to Destiny. Some families are so problematic because of the level of issues that are attached to them. One of the major prayers one should pray is telling God to save him from the hands of misfortune especially when they are family inspired. One of the early wise steps to take is to know your family limitations and intentionally work towards withstanding and outshining them. Knowing your family story will help you not to fall victim of what victimized them. John the Baptist doubted God and when you look down at his family tree his father Zacharias doubted God and was dumb for 9 months; his son doubted God and couldn't escape death. (Luke 1 vs. 20): *“And, behold thou shall be dumb, and not able to speak, until the day that these things shall be performed, because thou believest not my words, which shall be fulfilled in their season”*. This was when Zacharias doubted God. The state of a person are sometimes triggered by the foundations that pioneered their existence. With prayers and faith you don't replicate your family errors. I speak to someone that **“The errors of your family shall not be found in the system of you existence in the precious name of Jesus, Amen!”** These are patterns we can't neglect even though they are scripturally confirmed in the life of many people like Abraham's barrenness was transferred to Isaac who later broke it, that Jacob had no time to experience barrenness except with the wife he loved, Racheal. I pray with you today that the Lord Almighty will cause you to escape any form of satanic negativity, Amen! This period I speak to someone reading that no family limitations traceable in your family shall be identified in you in Jesus name, Amen! Grace to triumph and explore the grace of God! You are connected beyond your family, the Bible described us to be connected to God's family, it says in (verse 15): *“Of whom the whole family in heaven and earth is named”*.

1. Oh God I thank you for your word to me.
2. Lord, Jesus by you name I break of any family limitation traceable to me.
3. My God I shall not be less than my fathers nor near them but far above them.
4. Oh God, being connected to you, let me carry the kind of grace you carry.

TEXT: (Genesis 29 vs. 15 – 20)

Where intention is lacking everything is welcomed as what was needed or what should be. Intention is the reason behind execution. Intention is the justifier of success. Compound success attracts external knowledge, which in turn celebrates it but basically it takes little success that aligns with intention to make the compound ones. As a matter of fact in any task you are willing to involve yourself be intentional. Don't do the job you are doing because it is available, do it because it is what you planned to do. I am not saying you should stay idol until what you plan comes, there are sub-plans that can take place before the main plan surfaces. I think is important you consider these line: **“Intentions are clearer with an understandable plan”**. “Sometimes the actualization of intention looks far but it will determine the basics we involved ourselves with”. **A clear life never misses success**. If you aligned with God, He brings around you things that has the capacity to actualize His intentions around you. When Jacob went to marry Rachel, He was so intentional, in verse 17 – 18 of today's scripture it says, *“Leah was tender eyed; but Rachel was beautiful and well favoured”*. Verse 18 says, *“And Jacob loved Rachel...”* He loved her because she was beautiful and well favoured. Ladies should listen: **“To be beautiful and tender eyed is fine but to be well favoured is better”**. The reason why most amazing relationships that would have led to marriage clashed was because the lady could either be tender eyed or beautiful but not well favoured. **The advantage of Rachel over Leah was divine, because she was well favoured**. This was why Jacob's service for 7 years to have her appeared as few number of days to him (Genesis 29 vs. 20). People can actually be age mates but not favour mates. It is God's favour that will bring someone to you, who will stay around and be zealous to see you prosper! The same goes in every area of life, **be intentional**. God has reason why He sent His son Jesus Christ (John 3 vs. 16), (John 10 vs. 10). Jesus had a reason why He died on the cross and resurrected (John 14 vs. 3), (John 16 vs. 7). **The real question is what is the reason why you have woken up today?** What is the reason why you are walking in this month? What is the reason why the day is going as it is going for you? May God help and assist you.

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Jesus, help me with good intentions and grace to follow you.
3. Father, restore my focus to life and help me to persist to good cause.

TEXT: (Psalm 138 vs. 1 – 8)

Jesus was meant to be in crisis while He was going through the cross but instead He made the cross a means of exaltation and not limitation. Nobody encouraged him but he was saying to Himself, “**Today is the son of man glorified**”. In life, unfavourable situations and crisis can hit anyone but one should master how to come out of them. You believe and behave like it is success until your life witnesses it by the grace and mercy from God. See verse 7 of today's scripture with me where it says, “*Though I walk in the midst of trouble thou wilt revive me. Thou shalt stretch forth thine hand against the wrath of my enemies, and thy right hand shall save me*”. You walk out of crisis when you see the end of that troubling situation and what will take you out of such crisis is when you know that God is bent on reviving you at all cost. When you are sure that his mercy and grace endures forever. **Your life is exactly the image of the definition you have given it in your mind.** Victim minded people never win but victory minded people does. You need to tell yourself that it is really changing for your good, this situation have not come to stay because it cannot stay here (your life). When you stay is regrets and grief continuously you don't come out of crisis. Some of us are facing these difficulties because we have not given God chance to do His best with us and in us; we have not submitted to Him to be the Lord of all and the king of our lives. A positive mind is also a productive one. Therefore regret and sorrow robs you of your creativity and new ideas that will change your story. Confess the following: In the midst of these crisis I believe God and His word I am not trapped by circumstances and situations. I am alive and I am in tune to His grace and glory. I cannot be a victim but a victor. I cannot be stopped but I will be excelling in all places and at all times. Jesus, I can't be small, I can't be limited, I can't stay in crisis, I am coming out of the season of Joblessness, I cannot be misfortune, **I take the place of greatness by Divine mandates.**

Prayer Points: Worship God using song 3:Page 124.

1. Oh God I thank you for your word to me.
2. Lord Jesus, I shall not be in any form of crisis.
3. Oh God help me do your will and keep to your word.
4. Give me the ability to stay strong confessing by position in Christ until I see victory.
5. Oh God I receive in Jesus name, the mind set of Victory.

TEXT: (1 Corinthians 13 vs. 28 – 33)

Many persons are revealed to danger! Being around a high-tension is risky but not bad, but what happens when those around ask you to touch it and verify whether it shocks for them. **The dangerous society is not the problem, the problem is the people surrounding you.** If God wants to lift a man, He bring men close to him, so what do you think the devil will do if he wants to bring a man down? Devil copies the same. Some persons you met in life are not there for your lifting and progress. Is not everyone that came across you came for blessing and upliftment. There are people who are not in a good condition of life today and it wouldn't have been so if it is not for the person that came across them. There was this lady who had sickle cell anemia. Irrespective of the blood dysfunction she appears diligent and good to be with, you can hardly come across her and will not like her. She read medical related course; done with studies, trying to move forward in life then the devil brought people around her. Any group of persons that makes you dilute or change your core value that aligns with the word of God are not from God. **Friendship that has no eternity and earthly gain of values have no reason for continuation.** When those group of friends came to her, they told her that she needed a boyfriend. You know satan comes in disguise. She needed a boyfriend; meaning to enter into a relationship. For a lady of her level and class to enter in a relationship is not bad, but they meant finding her a sex partner for whom I suspect was the one that sent them to help him fetch her. She began to have intimate relationship with the man who was an HIV/Aids positive patience, she contracted the disease. Imagine her health condition (Sick cell anemia) contracting such illness with those weak antibodies. She couldn't manage it and she lost her life in the process. Nothing destroys faster than joining a group your soul rejected just to appear as though you follow the trending. Verse 33 of today's scripture echoed, “*Be not deceived: evil communication corrupt good manners*”. Which evil communication are you allowing around you gradually? It is obvious that you need money, is it enough reason to join scammers? Yes, you needed someone that will love you and treat you right is that the reason you turned to a prostitute. Jehovah shall still show us mercy today, Amen!

TEXT: (Habakkuk 2 vs. 4)

Faith is the capacity to survive when the options are not singing same tune with you; when everything else around is suggesting that you give up. When all hopes seem lost, faith tells you to keep going by the end of the tunnel. Faith stands with you knowing that God is the greatest and He is for you. There are many acts of faith and grace with faith that one could not see until He touches God. See the story below: It stated simply enough. "I don't believe God exists" Mike the barber said in a matter of fact way. Bill went to a barbershop to have his hair cut and his beard trimmed. As the barber began to work they began to have a good conversation, telling stories as usual. They talked about politics and election, the state of the economy, their families and kids. When they eventually touched on the subject of God, Mike said: "I don't believe God exists. Why do you say that?" Asked Bill. "Well, you just need to go out in the street to realise that God doesn't exist. Tell me Bill, if God exist, would there be so many sick people? Would there be abandoned children? If God existed, there would be neither suffering nor pain. I can't imagine a loving God who would allow all of these things". Bill thought for a moment, but didn't respond because he didn't want to start an argument. Mike finished his barbering job and Bill left the shop. Just after he left the barbershop, he saw a man in the street with long stringy dirty hair and an untrimmed beard. He looked dirty and unkempt. Bill turned back and entered the barbershop again and he said to Mike the barber, "You know what? Barbers do not exist because if they do there would be no people with dirty long hair and untrimmed beard like that man outside." The Just shall live by His faith. It is your duty to trust God and see his mightiness. God can do nothing except we hold him accountable. Some time He allows His mercy to cover our irresponsibilities but He can do nothing except we allows him. God bless you!

TEXT: (Ephesians 4 vs. 1 – 3)

In life you must not understand every step within by looking at other People's journey and not paying full attention at yours. God is faithful, sometimes where we find ourselves may not be where we cherished and appreciate but if we appreciate where we are then great things shall come out of there to us. Many times we classify what we do as labour ignoring what others does, but if we should know the value in every effort, then that will assist us to appreciate every opportunity we have with others. Listen to this story, "A man and his wife travelled to the Zoo and they found a Monkey who was passionately playing with his female friend, His wife said to him, what a romantic relationship? Then they found a lion and his lioness separated from each other the silent lion sat alone on his corner as if the lioness does not exist. The wife said to him, "What a sad scene without love? The husband said to his wife throw a stone towards the lioness and watch, when she threw a stone at her, then the lion roared and run to the direction of the lioness to defend her. After this they left the scene and went to the place the Monkeys were, and the husband said throw a stone at the Monkey and see. When she threw the stone she realised that the romantic male Monkey jumped up and abandoned his female friend to save his own life. The husband looked at her and said do not be deceived by what you see on some men as romance. Sometimes it is a deceiving appearance that hides an empty heart, there are others on the contrary who shows nothing but their heart are full of love. Sometimes you get the biggest care from the fake ones turning your face away from them that truly loves you and care for you. Don't envy people, you may not like to be them if you really know what it takes to be them. It is better to have the heart with you than having the body or tongue with you. Verse 2 of today's scripture says, "*with all lowliness and meekness, with long suffering, forbearing one another in love*". Digest and think about it.

TEXT: (Psalm 29 vs. 20, (Roman 1 vs. 1-7))

To some persons, holiness is strictly the act of trying to be good, do well and appear in a way familiar to the sense of your church as regards true Christianity; holiness is far beyond that. Today's first scripture revealed, "Give unto the Lord the glory due unto His name; worship the Lord in the beauty of holiness". God is speaking to someone's hearing saying, "**Holiness is my nature; holiness is me**". You can't be like God by just copying to be like Him. You become like Him by yielding your spirit to his until His spirit possess you and live from you. Who is the fellow that has the spirit of God in him? Yes, it is that fellow that does what God directs Him to do. You may not accept wearing trouser. Does it suggest that wearing trouser is bad? No, it is not because as a man I wear trouser and God doesn't complain when I do. The major problem is that trouser isn't a decent wear for ladies because of the nature of their body. It makes a lot of them appear naked; it defaults the purpose of dressing, and speaks a different message entirely. Dressing isn't to promote seduction but to cover nakedness. God is modest, He doesn't want you to live without shame and be infected with strange spirits. Holiness is a code of godliness. A child of God having God in him is guided with godly conscience; hearing voice of what to do and what not to do, that's spirit of holiness. There is another realm of holiness that this space here cannot permit me to introduce but get the basics, "No child of God is under the law". Apostle Paul speaking on today's second scripture verse 4 says, "**And declared to be the son of God with power, according to the spirit of holiness**". Struggling to be holy cannot keep you holy. You need power first because it is the power that brings the Spirit. "For as many as are led by the Spirit they are the sons of God" (Romans 8 vs. 14). You cannot be led by the Spirit and remain a sinner (Galatians 5 vs. 16). The church should concentrate more in giving out the Spirit. Jesus said, if you keep my command you are my friends (John 15 vs. 14); later he saw that it is difficult for man to keep his command, then he said, "When the Holy Spirit shall come he shall guide you into all truth" (John 16 vs. 13). **The ratio of Holiness is the level of the Spirit of God one possess and obeys.**

TEXT: (Psalm 46 vs. 1 – 6)

Read the story below carefully; meanwhile I welcome someone before the one whose hands and grace are beyond human measures. A rich man was once interviewed on an Israeli TV programme. He was a billionaire. He was asked if he had ever been surprised by anything. He said, yes on one of his many trips around the world, a Christian man shocked him with a belief. So he began. In the street of Jerusalem one day, I looked directly inside a church and saw a man extending his clenched palms towards heaven. It was after the afternoon prayer. Everyone else had finished praying and gone, but he remained praying. Curious, I went inside the church to see the man's face and I saw him in tears as he was praying fervently. I waited patiently until he was done with prayers then I asked him what the problem was. He said he had an urgent need for \$10,000 for his wife who was in the hospital. I said, "Is this why you are praying so passionately? He said yes. Coincidentally I had exactly \$10,000 in my pocket. So I counted the money and gave it to him. Without waiting to thank me first, he prostrated instantly to thank God. Then he stood up and thanked me too. Bewildered by his attitude, I told him how impressed I was. So I extended my personal card containing my direct line and direct email address. I'm impressed by you, anytime you need anything, money... any amount, call me directly and you shall have it. This man shocked me! He refused my offer. The TV host was surprised too. "Why did he reject your offer?" "His reason made me a changed me." Answered the young billionaire. "What was his reason?" the obviously impatient TV host asked. Well in his word, he said, "**No, thanks. I won't call you when I need money or anything else. I will always call the one who sent you**". Don't let any man play God in your life not even your boss. God is the giver and controller of the universe. Digest verse 2 and 3 of today's scripture and then know that God is in the midst of you". He has the connection and link to greatness.

TEXT: (Ephesians 3 vs. 20)

I welcome you to the front line of the Almighty God. The one whose name cannot be compromised by any situation or circumstances of men. Beyond imagination is not just an ordinary statement or structures, it is scripturally backed up with evidences in people's lives and situations. When the Lord is willing to push you beyond imagination then the proceeds of your own life will keep you in awe and surprise of God's marvellous manifestation and manifold blessings. The scripture officially backed it up saying in verse 20 of today's scripture, ***“Now unto him that is able to do exceeding and abundantly above all that we ask or think, according to the power that worketh in us”***. So anything is possible above what one could think but also according to the power that works in us. Many persons wants to see God but they are scared of pressure, every great testimony in the scripture was birthed by trials. Great trial results to the dividend of great testimonies. You cannot talk of the wonders of God except you are in the position to experience His wonders. I want to encourage anyone going through any form of pain or sorrow. You are on the line to see the greatness of God but let there be power at work in you. To them that received He gave the power to become the sons of God (John 1 vs. 12). Everything about Jesus is power People who had faith in Jesus during his days on earth believed He might not die on the cross but he could just jump out of the cross or disappear but God relaxed. On his way to Calvary some were thinking that something great could just happen. Probably some of the Apostles disappeared to go and pray, as they were praying expecting something to happen but God relaxed because in his plan was written ***“Beyond imagination”***. Oh He died, he was also buried that was the end of argument in someone's opinion. The death was the end of it for those who were hopeful that something could happen but surprisingly a third day came, for someone something amazing is about to happen for you, even at this point where it seems hopeless. God bless you.

TEXT: (Proverb 18 vs. 12)

“He that wants to sit on the throne should not mind going through the pits if that is the only route to the throne” (Isaac Chidolue). I welcome you before the One who is called the Most High. Humility is the key we actually need to hold to access our destination in life. Before the glory there were humbling situations, though not everyone sees it. It is not about bearing the humbling situations but it is treasuring them knowing that those are part of what it takes to share the testimony. I have learnt that anything that humbles me has a great lesson to offer which most times serves as key to the next phase of greatness I am about to experience. God is saying to someone who is reading these lines that you need to embrace humility for the goals you seek. An individual could be a child, or someone lesser than you are, but you don't mind learning from them if that is exactly what it takes to get to the height you seek. Learn to take advantages of humbling situations, don't live fake life, present yourself with dignity and wisdom but at the same time live in humility. Jesus speaking said in Luke 14 vs. 11 saying, ***“For whosoever exalteth himself shall be abased; and he that humbleth himself shall be exalted”***. So to actually reach the goal comes from the place of humbling one's self. I once had an argument with a man who scratched my car. When I was on my own the Spirit in it's small still voice said to me, don't you think you spoke so arrogantly out there. The proud most time doesn't know how proud he/she has become. Pray with me saying: ***“Lord, let me learn your humility through you Spirit and your grace. Enable me to love and cherish you in all things all the days of my life. Jesus I receive the grace to stay humble as I walk through this life in Jesus name, Amen!”*** Digest again today's scripture.

TEXT: (Romans 15 vs. 1-7)

Welcome you to the throne of the giver of life and lift of men. Someone said, **“The world calls for and expects from us, simplicity of life, the spirit of prayers, charity towards all, especially towards the lowly and poor, obedience and humility, detachment, and self-sacrifice”**. Without mark of holiness, our word will have difficulty in touching the heart of modern man. The Christianity of Christ is the kind that cares about the weakness of others and still keeps it secret. The Christianity of Christ likes to make the unhappy happy and puts joy in the face of the sorrowful. Once a time, there was a poor kid growing up whose mother sends to birthday parties with no present just so he could eat. At a time he understood his position in those events and became as embarrassed as hell. In his fifth grade his friend's mum invited him to sleep over night before the actual birthday party. When her daughter was in the shower, the mom laid out the toys that she bought her daughter for her birthday, She let him pick one to wrap and put his name on it. The same young boy is now 37 and still remains grateful for such an act of kindness and love from a strange mom who is thoughtful and loving. That's an impact that will never die. By our actions we impact lives. Don't just be the Pastor who preaches alone but also be the kind that understands how to touch lives. Don't speak in tongues and go blind to the needs of a brother who you can comfortably help. There are Christians who find it so dissatisfying to help someone in need. It is time to fix it up with Christ. It is the actual time to do it the way Christ would. God speaking to us in verse 2 of today's scripture says, **“Strength is for service not for status”**. It is our duty to look out for the good in others asking ourselves, 'How can I help?' **If you help someone in his need when he needs it, you have communicated Christ enough more than your words could say.** God forbid those who takes joy in making mockery of others weakness. Support someone's academics, business, marriage, ministry as God gives you grace. Be Part of COF Prayer Network anywhere you are. just Dial: 07066085556.

TEXT: (Psalm 124 vs. 4 – 8)

In my walk with God I have witnessed the days of fire and the days of coldness, which I believe is similar to every sincere person. Prayer is a burden every true child of God can never ignore or wish to let go. The best way to handle a prayer burden is to pray. Never get use to prayerlessness. There are times when to pray is almost impossible Daddy Paul Enenche would say tow yourself to a prayer place. Pray until you pray, fast until you fast. Pray little by little until you have actually prayed. You don't really need to look at it from hours stuff, let the Lord pray from you. Just in anything you do talk to God, satan is looking for whom to waste if you let him but you got to stop him. I heard from a man of God the story of a young man who graduated with first class degree and went for youth service, and after the passing out parade, he was on his way back and died in Lokojah Nigeria. Though the accident was not ghastly but he was the only one that died, before that day he was telling his friends the dream he had, that he was seeing coffins appearing before him on many occasions and he did nothing about it until he became the prophet of his own doom. Then another one sees a dog coming to bite him on his right hand and he kept talking about it, one day the dog came and bit him where he was, the sad news was that the wound never healed until the young man died. Let the prayer fire remain in you, the devil will always fail. When my car ran into a ditch it had chances of killing 5 persons that was not in the car but none was harmed inclusive of myself who was driving and my younger brother who was with me. We all came out without a scratch glory to Jesus we had the damages fixed but within those periods I was laying down talking to God then he led me to a scripture Amos 3 vs. 7 where it says, **“Surely the Lord God will do nothing but he revealeth his secret unto his servants the prophets”**. Then I remembered he showed me something similar but prayers and mercy made the devil's mission to fail. Just hold God and tell him to help you pray and pray enough.

TEXT: (1 Corinthians 2 vs. 1 - 14)

A spiritual man is the man that knows the essence of life and its spiritual implications, a spiritual man is a man who does not do things carelessly but for the glory and mercy of God. In my own word I will say life is more spiritual than physical A Spiritual man is a man who is deeply connected to God even when GOD is not felt. Let's digest today's scripture together where it says in verse 14 of it saying, ***“But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him, neither can he know them, because they are spiritually discerned”***. A spiritual man in the real sense at times is considered a foolish man because his philosophy to life is not as tactical as others could assume it. A spiritual man is the man that yearns for the word of God that keeps alive. It is the spiritual that prays when every other person sees prayers as a burden. A spiritual man is simple hearted towards God. It is a Spiritual man that returns money that is not his after it was already taken without trace of any other person knowing. Oh, it is a spiritual man that waits on God to marry well without entering into marriage where he could cause himself problems and inconveniences. A spiritual man is simply a God man, the man who does it when God says it. The man who lives by the book and ways of the spirit. The man who needs no permission from anybody to speak in tongues and pray in the Holy Ghost. A spiritual man is the man that see the need to thank God even when there was no need. He is the person that trust God even when the reasons to trust Him are not there. A spiritual man is the man whose fire does not go down because he has mastered his spiritual system and is willing to level up in the Spirit as he becomes God's own in all things and decisions.

TEXT: (Matthew 4 vs. 15 – 17)

God's kingdom is a place where glory is revealed. He is able at all times and in all places. I welcome you to the sanctuary of the One who is Jehovah all by Himself. Verse 17 of today's scripture says, *“From that time Jesus began to preach and to say repent for the kingdom of heaven is at hand”*. From which time, indeed the kingdom of God is really at hand. Repentance in the heart of a person is what God expects to occur at a time. No one is born into repentance; your parents may be God's people but their repentance is not your repentance. You could be born in a praying family by praying parents but repentance is not still what your praying parents does for you. Every individual who claims to belong to Christ most come to that point where the individual willingly and consciously repent from his/her old ways. The reason for repentance is not because of the Pastor's message, it is not also because of anyone's persuasion but simply because of JESUS. Jesus was the one who preached. The message we speak now is not different. **Jesus is our message, and He is the only sure message that can change, and save.** Your repentance is justified when you accept the call of Christ through His preaching. Yes Jesus preached and He is still preaching. Today is still the day to hearken to His message and turn to a new person, see page 82 to take step on this. Why again should you repent, for the kingdom of heaven is at hand. There are individuals who just mind the world. Trying all their possible best to make the earth their heaven but that satisfaction of heaven is not found anywhere here. Expectation and plan should spur you into understanding that humanity is not concluding here. Life goes beyond the energy of this planet. Time and people trances beyond this horizon. No one has eternity to stay here and everyone living today must one day disappear from this atmosphere to a place of eternity and no one without repentance will enter Heaven. To repent is to turn away from evil ways and ways that does not justify the nature of God. Develop a mind of value for God and a mentality that rejects the old ways of sin that leads to destruction.

Be a new person and lead a new life.

TEXT: (Matthew 6 vs. 20 – 30)

Faith is mostly easy when spoken about but on the practical level, everyone faces the fight of it. No wonder Apostle Paul said, *“Fight the good fight of faith”* (1 Timothy 6 vs. 12). This simply tells that faith is actually a fight. There are some inconveniences open and hidden battles that can be associated with faith. When you believe God even when there is no need to believe Him. When you trust Him amidst pressures and unfavourable circumstances. I don't know if you have the knowledge of the battle of faith, though faith battle can still be avoided, and the only way to avoid it is for the individual to decide not to have faith. These battles sometimes can makes you to doubt the essence and presence of God. The moment you decided to walk in faith you have equally signed up for battles. Every faith is tasted but may the Almighty crown your faith with wondrous answers. Many of us have fallen victim of questioning the place and relevance of God in the battles of our faith. The testing of faith comes with these questions, because faith is not proven without confession. Where you might record a loss and God would say just forget about it and tell it to no one. Faith was same thing Jesus applied while he was seeing his death on the cross but still believe that it is all for good. That situation that makes you question the goodness of God is the situation that could be holding your testimonies. Faith is not sweet at the beginning, it is more like a very rough game that at times in the midst of deep pain God would ask you not to cry if he must be involved. I know that his day God is telling someone to stay strong, it can only be better. The crisis is over, just stay strong and testimony equally abides with you and in you. Faith is trusting God in the worst, this I believe was the reason why someone said, **“wise men cannot serve God but only fools; of course wise men cannot agree with the demands of faith since it doesn't satisfy the intellectual reasons they expect”**. God bless you rapidly in Jesus name, Amen Study verse 30 of today's scripture.

TEXT: (Psalm 37 vs. 10 – 16)

Verse 16 of today's scripture echoed, *“A little that a righteous man hath is better than the riches of many wicked”*. A lot of people recently have been victimized with all sort of oppression and intimidations. This has led many individuals to slavery of money and occultism. Evil has increased and pressures are much especially among the young people to follow among the trending, rushing into paths of destruction. Youths joining all manner of groups and society to plus their theft (Yahoo) and many evil. Why has things degenerate to this level because of greed and show off; believe me when I tell you we are in a generation where many persons are living just to make impression to others that things are fine with them. Some bought the cars they don't need, living in a mansion that is far above their income. The purpose of wealth determines what should be done with it. You don't become big only when you do evil, there are a lot of genuine people that are very rich and wealthy even among the young people. Someone told me that the worst mistake he made as a youth was to limit his fellowship with God because he had the mentality that people of God are broke. He was speaking in regret as an adult. When I was a kid I visited one of my relative's village. As we were walking about I saw a massive mansion, white painted but was looking deserted. Then I became curious to ask who owns the house. The eldest among us said, *“It was so and so but he is late now, they killed him abroad due to drug dealings”*. The way of evil takes the life of those that journeyed from it. May be not today or not too soon but it will certainly not last; it was not programmed for preservation. I have videos of young men and women who ran mad here and there and some are majorly victims of this satanic processes. **God blesses but He develops your capacity before placing pleasure on you.** Verse 11 of today's scripture sited, *“But the meek shall inherit the earth; and delight themselves in the abundance of peace”*. **Oh, what can be satisfying above the abundance of peace?** Don't focus on people, don't envy what they have got, don't be carried away by their move of pleasure and wicked riches. Is it car and mansions you want Jehovah gives it as many as you want to have. When you follow God and do what he wants you to do, then relax, other things will certainly fall in place.

1. Oh God I thank you for your word to me, Father, let me grow in You!

If you keep vision wait for it, live by it, go to it and God will make it stay and be actualized. Vision is the foundation that engages you in high achievements. The little thing we nurse in our hearts rising to be the demanding factor of the time; this is exactly what vision does, little assumption that align our lives to a level and fraction of what we expect to achieve. God is asking someone, **“Is there a vision that is part of your life today”**. Are you special today because you lived today according to the very reason your vision have suggested to your life. Many time we pursue our goal and tasks without minding the essence of living. This goal could just be money. I have seen great minds run after money until the day they die. No one can deny the impact of money in our daily living, but dropping our visions to run after money seems to keep one speechless when the essence of life is verified and one has no place in vision and aspiration. When you actualize your vision of living it is indeed obvious that you will not lack money but staying to fight for the vision is the tasking factor. The world renowned player Pele passed away on the 29th of December 2022 but I heard an impressive story about him which tells, that while he was 10 years old his country Brazil lost at the world cup to Uruguay and his father was crying then. He asked his father why he was crying and the man told him that it was because of the loss then Pele said to his father, “Daddy don't cry, I will win the world cup for you. 7 years later he was 17 and he won the world cup for his father like he promised, he didn't just win the world cup but he won it thrice. He scored his 1000 goal on 19 November 1969 which was his 909th match. Same is replicable in any area of your interest. Where do you want to go in life, put yourself in the street that leads there, then begin a step, then a walk and then the journey has taken place. Even though the vision may tarry just wait for it. (Study verse 3 of today's scripture).

TEXT: (Luke 14 vs. 8 -11)

There was a proud teak tree in the forest. He was tall and strong, there was a small herb next to the tree. The teak tree said, "I am very handsome and strong, no one can defeat me". Hearing this the herb replied, "Dear friend too much pride is harmful. Even the strong can fall one day". The teak ignored the herb's words. He continued to praise himself. A strong wind blew. The teak stood firmly. Even when it rained the teak stood strong by spreading its leaves. During these times, the herb bowed low. The teak made fun of the herb. One day there was storm in the forest, the herb bowed low. As usual the teak did not want to bow. The storm kept growing strong and the teak could no longer bear it. He felt his strength giving way. He tried his best to stand upright, but in the end he fell down. That was the end of the tall tree. When everything was calm again, the herb stood straight. He looked around and saw that the proud teak had fallen. Do not let your pride get in the way of overcoming great difficulties. The proud teak was so prideful; his inability to yield caused his own fall. A proud man is an enemy of God. **You have signed for God resistance and destruction the moment you deliberately decide to walk in pride.** Some are proud of the school they went to, the house they built, the spouse they married, and so many other areas. God expects man to honour Him for every little progress you make considering you cannot do anything without Him. He controls your heart and the systems and sub-systems that compounds your body. This was what Jude saw when he wrote in Jude 1 vs. 25 saying, ***"To the only wise God our saviour be glory and majesty, dominance and power, both now and ever"***. God's glory in your life is now and ever. Anyone that does not give glory to God is appointed to fall. See it clearly stated in verse 11 of today's scripture where it says, ***"For whosoever exalteth himself shall be abased; and he that humbeth himself shall be exalted"***. **You shall be exalted if you stay humble at all time, Amen!**

3. I take away any form of pride and arrogance that dwells in me in Jesus name, Amen!

TEXT: (2 Timothy 3 vs. 10 - 17)

The person of Christ is the person that every Christian has been thought to emulate. The Bible told us to look unto Jesus the author and finisher of our faith (Hebrew 12 vs. 2). One must look unto him to have a life that befits his person. It takes time to look like Jesus. It is never an accidental act but it must be deliberate and intentional. A child of God who must come to the average character traits of Christ must study himself and identify those places where he is far from Christ and work on himself as grace will demand and as grace is released through effective prayer and study seasons. I personally have grown in few areas and there are areas I am working for my growth. ***"The path of the Just shineth brighter and brighter even unto the perfect day"***. You are not in the perfect day yet so you have to admit it and start working towards arriving to the perfect place. A perfect man doesn't just happen it is a process. In verse 17 of today's scripture God's word told us, ***"That the man of God may be perfect, thoroughly furnished unto all good works"***. That the man of God may be perfect. It is a calling to perfection. Don't say no man is perfect; one of the assignments of Christ is to bring you and I to the place of perfection. He told Abraham, walk thou before me and be thou perfect. It is an intentional stuff. Abraham let's walk as you become perfect. I must emphasise that the place where such perfection is achieved is in God's presence, just walk in his glory and perfection will come, take his Spirit and grace along then perfection will come. Any fault that your life has sustained can be handled by perfection. When you stay perfect then you can swim in the actualizations of God's promises. Don't pursue people and things, develop the passion to sustain a healthy relationship with God that is not sponsored by any personal need, then you will realise that God will not allow you to have needs. In God's routine is his perfection met. **When you become like Christ in character and attitude then you will also do like him.**

TEXT: (Zachariah 3 vs. 1 – 7)

One of the lies people have been told is that no one actually minds them weather they are rising or not; there are factors responsible of limitations;. You cannot make progress and pretend as though there are no resisting forces. The bird that flies high has the force of gravity to contend with. There are powers you must oppose to stay in your purpose for life. Verse 1 of today's scripture clearly reads , ***“And he showed me Joshua the High Priest standing before the angel of the Lord, and satan standing at his right hand to resist him”***. There are peculiar things about this particular scripture. Joshua was a high Priest who commands the presence of God. The place he was standing was before the angel of God; yet nothing minding all that the devil was still by his right hand to resist hm. Being around God doesn't in any way shift aside the resistance of the enemy. There are powers behind setbacks before you give them physical and statistical explanation ensure that the Lord of host who abides with you have resisted them on your behalf. Warfare should be a practical activity of your Christian routine, fighting against powers and forces that wanted to stop your glory and your shine. You must be intentional about generating results. The bible says, “For the weapon of our warfare are not carnal, but mighty through God to pulling down of strong holds. There are warfare you must embark. Satan doesn't fear people he fears rebuke, like we saw, Joshua was with the presence of the Angel yet satan stood but God gave us a formula to handle such situation in verse 2 of today's scripture it says, ***“And the Lord said unto satan the Lord rebuke thee o satan; even the Lord that hath chosen Jerusalem rebuke thee; is not this a brand plucked out of fire?”*** Did you see how God observers you... **A brand plucked out of Fire!** Meaning that this is my brand plucked out of fire therefore be thou rebuked. No wonder the Scriptures clearly printed saying, ***“Resist the devil he will flee from you”***. You need to enter into the intense place of prayers now and pray resisting the devil he will flee from you.

TEXT: (Matthew 13 vs. 33-37), (Psalm 119 vs. 9)

The living is moving. As men lives their life changes because they have actually moved to a location of life different from the one they are already used to or they witnessed in the past. The point is that once an individual encounters Christ his life shape changes because his creation has changed as well. So it improper for one to remain frustrated after salvation or after an encounter with Christ. This was the mind in Eugene H. Peterson when he said, ***“To follow Jesus implies that we enter into a way of life that is given character and shape and direction by the one who calls us”***. I guess you came across God's tablet in verse 34 of today's first scripture which says, ***“For the son of man is as a man taking a far journey, who left his house and gave authority to his servants, and to everyman his work, and commanded the porter to watch”***. This season of the year you need a new mind-set that you are moving into a brighter day”. Anyone within the circumference of God shouldn't be hopeless. It is an improper fraction to expect a life lesser than the one you have lived in the past. It may be a clear example of reality to notice that your income went down. It could also be part of it to notice that your source of increase and expectation has reduced. It might still make sense to understand that your privilege in the past and now are not the same, nevertheless you need to understand your atmosphere. Your present location in life is in the place of the man who lives in you to shape your life. For we do not live by the weather, either fair or dark, our source is in Christ Jesus. You don't change level except your mind is changed. From our scripture today, God first gave us authority and then commissioned work to us. It is by authority that we determine our lives. Until you utilize your authority in Christ you may still be a victim of satanic molestation. Exploit is available for individuals with authority. Are you in the convent of Christ, then you are moving into greatness, breakthrough, taking what is yours by fire and reaching your place of glory. Digest verse 9 of today's second scripture, ***“You can only cleanse your ways by living the word of God”***. Get your way cleansed from poverty, lowness, and causalities. **Pray in the Holy Ghost.**

TEXT: (1 Timothy 6 vs. 1- 6)

There are life we embrace that injures or harms our ways of righteousness. Godliness is a factor that we can't possibly ignore if we desire to see Christ face to face at his coming. You cannot be Godly except you are conscious to circumvent the enemies of godliness that may want to interrupt the help and mercy of God around your life. There are character and life style that are unhealthy for godliness. Anyone who wants to live holy must be intentional about it trusting the help and mercy of God. Holiness doesn't emanate at any given time, it is built and constructed with Divine intelligence. You must be appropriate in making decision that aligns with your Spiritual Destiny. Godliness is profitable investment this was why the scripture printed boldly saying, ***“For bodily exercise profiteth little; but godliness I profitable with all things, having promise of the life that now is, and of that which is to come”***. So the attack on your godliness is also an attack on your profit. Ensure that nothing is sustained that is unhealthy for your godliness, people, many times tend to live ungodly not recognising that they are in covenants. Not recognising that grace is proficient for them. On today's scripture verse 6 says, ***“But godliness with contentment is great gain”***. Stay like Christ would want you to stay, be that Holy and godly individual, stay focused. Turn off any obvious approach of unrighteousness, in a situation where you are powerless and weak always ask of God's grace and mercy. There are friends you don't need to keep, individuals you don't need to maintain around you. Just stay up and blessed and see how the Lord has helped you. When you are prayerful enough God's grace will help you to stay holy and focused. I pray with you that any character of the past that seem to be limiting you is hereby destroyed permanently in Jesus name, Amen! Study today's scripture again and again.

TEXT: (Isaiah 42 vs. 16)

God is so wise and infinite. A lot around me today tells me so. In the past five years or more there are things that has happened around me that I don't know how they would have happened if God didn't intervene. A young well qualified officer left the Job in Lagos and immigrated to Canada for better prospects and applied for sales man's job at Vancouver's premier downtown department store. It was the biggest store in the world: you could get anything there. The boss asked him, “Have you ever been a salesman before?” Yes sir, I was a salesman in Nigeria. The boss liked him and said, “You can start tomorrow. Learn fast and do well”. The first working day was long and arduous for the young man but he got through it, finally 6pm came around. The boss duly fronted up and asked, “How many sales did you make today?” “Sir I made one sale!” Shot back the boss. “No! No! You see most of my staff make 20 or 30 sales a day. If you want to keep this job, you would be doing better than just one sale. By the way how much was your sale worth?” “\$933,005.00 (#466,502,500)” Said the man. “What? How did you manage that?” Asked the flabbergasted boss”. **Great things sometimes does not come from many places but just one place.** One place of honour. There are experiences you take in life that will be to your advantage. I preach by grace and do it very well simply because God anointed me to do so, but more to it He also exposed me to preaching channels from my childhood days. He reveal ministerial opportunities and platforms to me which I treasure and cherish. You cannot make too much testimonies without classic experience. More to that may the Lord give you a shift that will be greater than 100 threads. Some people progress, build houses, after a time buy car, after sometimes get married and after sometimes... but there are those like me, I don't know who is in the same category with me, **“Who will buy car, build houses, get married and achieve great things in life all at the same time”**. Today's scripture says, ***“And I will bring the blind by a way they knew not; I will lead them in paths that they have not known: I will make darkness light before them”***.

TEXT: (Psalm 106 vs. 1 – 10)

Welcome you to this page of encounter with the one whom alone is the Almighty God. So many times due to trials our mind leaves the essentials of our Christian codes and faith. Where we divert money to meet up our needs and other things. Where pressure is readily climbing on us. Many have lied not because they are intentional liars but because they felt that it is the only system that can guarantee their purpose at that time. This becomes a phenomenal thing as it is seen everywhere, believers lie about their age to keep the job longer. This extends to people purposely keeping the money that is not theirs and many times the reality of God escapes our mind and we become engulfed by the current situation that is surrounding us. In the current state of God and dignity we must tell ourselves the truth of the word of God and stand by it. No matter the situation ask the Holy Spirit to always help you with the right thinking to stand by the truth of the word of God and stand strong even if it doesn't favour you. The truth relevance is more important than the need at hand. My prayer for you is that grace will differentiate you from the rest. God will keep you on the track of righteousness and holiness. I saw in Bishop Oyedepo's book where he wrote. Something happened some time ago, that involved this ministry. A Christian brother from our church in Kaduna went to Lagos to buy some things. On his way back at the Lagos airport, he discovered that he underpaid for the goods he bought, to the tune of 10,000 naira. When this happened 10,000 is way much more than the flight money, so it was a big money then in Nigeria currency. The calculation on the receipt was wrong. He left the airport and went back to the office to explain what had happened. The chairman of the company could not believe it. Someone could say the brother was already a big man by then and could not have much need of the money. It is a principle in the kingdom that the one who will attract God more is the one who tries to stay focused with what God has given him and ignore other things from other places as they are not his yet. **"Blessed is the man that doeth righteousness at all time; every time, he does righteousness blessed is the man"**

TEXT: (Proverb 21 vs. 1 – 5)

Excellency is not an accident, it is the combination of little things that compounds excellence. There are people who are not normal simply because they passed through some abnormal experiences in life. My own terms for abnormality is above-normal. In continuation of previous story we have: (You can read two days ago study to have a full and clearer background to what it is). "...Well said the salesman, "This man came in and I sold him a small fish hook, then a medium hook and finally a really large hook. Then I sold him a good fishing rod and some fishing gear. Then I asked him where he was going fishing and he said down the coast. So I told him he would be needing a boat, so I took him down to the boat department and sold 20-foot schooner with the twin engines. Then he said his Volkswagen wouldn't be able to carry it, so I took him to our automotive department and sold him that new Deluxe 4x4 Blazer. I then asked him where he will be staying, since he had not decided, I took him to camping department and sold him a six-sleeper camper tent. Then he said I should throw in about \$200 worth of groceries and two cases of juice. The boss took two steps back and asked in astonishment, "You sold all that to a guy who came-in for a fish hook??" No sir, answered the young man, "He came in to buy sanitary napkins for his wife and I convinced him that since he will be bored with his wife being in period. Fishing is the best remedy for boredom". Boss: "where did you acquire this professional training?" **"Onitsha Main Market in Anambra state Nigeria sir"**. Everything that comes your way is a channel for your expansion. Great people are majorly individuals that are careful with their environmental observations. They observe their environment and locations, knowing that what is stored in the environment can bear their glory. It was the rod in Moses hand that the Lord used for His upliftment. Verse 5 of today's scripture says, *"The thought of the diligent tends only to plenteousness; but of everyone that is hasty only to want"*. **Diligence is a major goal setter among risk takers.** If you are not diligent enough you hardly progress to an exciting height of advancement. May God make you from the experiences you have gathered.

TEXT: (Psalm 17 vs. 6 – 8)

I want to call to someone remembrance that to be trapped in life is one of the ways of life which at times is hard for one to miss but coming out of the trap is a means of exaltation. Some individuals became trapped at a particular stage of their lives by circumstances and situations. God assisting us today I also need to remind you that the traps of life have actually eliminated some persons. Some persons through accidental occurrences were trapped in a trap they never expect to find themselves in. My prayers for you is that you don't fall victim of any at all, the grace to stand firm and win in the battle of life I pray that God will grant you in Jesus name, Amen! Some years ago on a hot summer day in south Florida, a little boy decide to go for a swim in the old swimming hole behind his house. In a hurry to dive into the cool water, he ran out the back door, leaving his shoes, socks, and shirt as he went, he flew into the water, not realising that as he swam towards the middle of the lake an alligator was swimming towards the shore. His mother in the house was looking out the window saw the two as they got closer and closer together. In utter fear, she ran towards the water, yelling to her son as loudly as she could. Hearing her voice the little boy became alarmed and made a U-turn to swim to his mother. It was too late. Just as he reached her, the alligator reached him. From the dock the mother grabbed her little boy by the arms just as the alligator snatched his legs. That began an incredible tug-of-war between the two. The alligator was much stronger than the mother, but the mother was more too passionate to let go. It is not about the forces against you. It is about the passion of God to sustain you. This is a covenant aid, a big mystery seeing that God is not just interested in you but also passionate about you. This mystery is also enough to keep you through any form satanic challenges knowing it shall do nothing. The one you are with is the one that is called the Alpha and Omega.

TEXT: (Psalm 124 vs. 1 – 6)

I welcome you this day to the way of divine presence of God. My prayer with you is that all the traps of the enemy against your life shall be frustrated by God Almighty in Jesus name, Amen! In continuation of the story we saw the last time... A farmer happened to drive by, heard her screams, raced from his truck, took aim and shot the alligator, remarkably after weeks and weeks in the hospital, the little boy survived. His legs were extremely scarred by the vicious attack o the animal. And on his arms, were deep scratches where his mother's finger nail dug into his flesh in her effort to hang on to the son she loved. The newspaper reporter who interviewed the boy after the trauma asked if he would show him his scars. The boy lifted his pant legs. And then, with obvious pride, he said to the reporter, **“But look at my arms, I have great scars on my arms, too. I have them because my Mom wouldn't let go”**. You and I can identify with that little boy. We have scars too. No, not from an alligator, or anything quite so dramatic, But the scars of a painful past. Some of those scars are unsightly and have caused us deep regrets. But some wounds my friend, are because God has refused to let go. In the midst of your struggles He's been there holding onto you. The scripture teaches that God loves you. You are a child of God. He wants to protect you and provide for you in every way of need. But sometimes we foolishly move into dangerous situations. The swimming hole of life is filled with peril and we forget that the enemy is waiting to attack. That's when the tug of war begins and if you have the scars of his love on your arms be very grateful. He did not and will not let go of you. In verse 6 of today's scripture it boldly printed saying, **“Blessed be the Lord who hath not given us as a prey to their teeth”**. He has not given you and I as a prey to their teeth what a mighty God we are serving, we are eternally grateful to the King of Kings and the Lord of Lords. God bless you richly, Amen!

TEXT: (Hebrew 10 vs. 20 – 25)

While at a park one day, a woman sat down to a man on a bench near a playground. That's my son over there", She said, pointing to a little boy on red sweater who was gliding down the slide. "He is a fine looking boy", the man replied. "That's my daughter on a bike in the white dress". Then looking at his watch, he called to his daughter. "When do you say we go Melissa?" Melissa pleaded, "Just few more minutes, Dad. Please? Just five more minute". The man nodded and Melissa continued to ride her bike to her heart's content. Minutes passed and the Father stood and called again to his daughter. Time to go now?" Again Melissa pleaded, "Five more minutes, Dad. Just few more minutes". The man smiled and said, ok. "My, you certainly are a patient father," The woman responded. The man smiled and then said, "Her older brother Tommy was killed by a drunk driver last year while he was riding his bike near here. I never spent much time with Tommy and now I would give anything for just five more minutes with Melissa. She thinks she had five more minutes to ride her bike. The truth is I get five more minutes to watch her play. Life indeed can be downright hectic but as long as your priorities are straight, you will be able to make the most out of your hard work. No matter how busy things get, don't forget to spend time with people that matters to you! Be a responsible family member. Get in touch always with your family. The time we spend with our loved ones is the time that matters. Verse 25 of today's scripture says, "Not forsaking the assemblies of ourselves together, as the manner of some is; but exhorting one another; and so much the more, as ye see the day approaching". If you are busy for your family it leads to regret. **If you are not abiding by the rule of balance, it will really affect you negatively.** When everything is gone you are left only with family. Especially young families, learn to make out time for your family so that you can plant in them those things the Lord has planted in your heart at all time. Every time and resources spent on family is worth it. **God bless you!**

TEXT: (Job 29 vs. 1 – 10)

Anytime darkness occurs, achievements becomes slim. Darkness limits progress and eludes increase. Sometimes you don't have too many options revealed to you than walking through the darkness. There are times it look like breakthrough is far and grace isn't forth coming, it takes grace that is beyond human compression to stand in the bright side of God after a dense dark experience and satanic manipulations. See this bible passage with me. (Job 29 vs. 2 – 3) it says, "**On that I were as in months past, as in the days when God preserved me,** (verse 3): **When his candle shined upon my head, and when by his light I walked through darkness**". If the light of God is not around you when darkness comes, the darkness is likely to eat the fellow up. I don't know whom the Lord is speaking to today that even though you have walked through darkness (Hard times, rough days, when it appeared as though the Lord is far from you, when you lost money, lost friends, lost opportunities in the midst of those crisis his light was with you and around you). I don't know the problems that may seem to surround you, the light of God will shine on you and cause you to prevail on every side and from every corner. You shine when you don't allow darkness to cover you up. Come out of that worry and all day sorrow; you can't stay sorrowful for too long like you are staying and still walk in God's light. You must be deliberate and intentional about it. You must also encroach into God's grace which will light your part at the place of darkness. The scripture says, "**I don't stumble in darkness because you are a light in me**". By the divine guidance of God I walk in light and in the grace of God. I have been able to shine and excel in all wisdom and grace of God. Let the Lord be a shining light unto you, Amen!

The supernatural is a place of glory and honour. You cannot talk about the supernatural if the hand of God is not obvious in your story. I still yearn for that supernatural phase of my life where wonders shall be the order of the day. Where God shall be highly exalted among the people because we are fully representing his Goodness and Power. To engage in the supernatural is first gotten by a full awareness and consciousness of it. The men of the supernatural are men of great faith. Great faith is believing based first. It is the belief that will consolidate the works. You can walk in the power of healing and great miracles but you will not demonstrate it if you don't put your mind there. One of the fathers that walked in the supernatural was Abraham and take a look at what the scripture said about him in (Romans 4 vs. 18): *“Who against hope, believed in hope, that he might become the father of many nation, according to that which was spoken, so shall thy seed be”*. I don't know the area you want to see God, you will first of all believe him and know that he is highly responsive in that particular area. You also engage in the supernatural by building a high spiritual presence through an effective spirit filled prayers. Those who walk in the Spirit are individuals that interrupts the customs of the reality. There is a button in the realms of the Spirit that controls the physical realms of occurrences. Today's scripture reads, *“Our help is in the name of the Lord, who made heaven and earth”*. To engage in the supernatural is to recognise the work of God. You need to remove your confidence and trust from self to the one whose strength cannot be limited, the Alpha and Omega. To get to the place of the supernatural is also a way of never allowing the devil to intimidate you into silence. Keep declaring the goodness and doings of God and life will succumb to you in Jesus name, Amen! I want you to pray in the Holy Ghost as you are led, as long as you can and see the shift.

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Lord Jesus, I shall begin to walk in the supernatural from today.
3. My dear God I shall not fail on any side of my life and destiny.
4. Jesus arise for me and put me in the place of grace and power in Jesus name, Amen!

So many persons inclusive of you that is reading this piece from God can testify that at a point in time you were grateful to God for a situation you once felt like it was a very bad one. The Bible speaking said, *“All things everything work together for good to them that loves God”*. It didn't say good things work together for good. There are time you could be walking in the purpose of God and yet you will be asking *“God why”*. Personally I have things I never expected at a time happen but surely I have reaped only testimonies from them all. See the story below: there is a farmer he lives with his son and they have one horse, and the horse runs away. And everyone within the town came by that night, and they say oh no what a terrible news. The farmer said I don't know if it is good news or bad news, we don't know yet. And then the next day the horse came back with two other horses and everyone from the town came by and they say what a good news, now you have three (3) horses, and he said, well, I don't know if it good news or bad news and then the next day the son went out and trained one of the new horses and fell and broke his back and everyone from the town came by and said, oh no what a terrible news and he said, I don't know if it is good news or bad news. The next day the counsellor from the military came by and said we are taking all the able bodied young men to join the military. And he said my son broke his back so he can't go to army. Everyone from the town came and said good news your son didn't have to go the army and this goes on and on. God has interest in that situation that you see nothing to praise him for yet. In that condition that you have no reason to testify Jehovah has an interest, you need to understand and have the knowing that it will surely work out for good. Verse 50 of today's scripture says, *“Great deliverance giveth he to his kings and showeth mercy to his anointed, to Isaac Chidolue (you can add your name) and to his seed forever”*

TEXT:(Acts 2 vs. 1 – 5)

Sometimes these things does to us like crazy stuff. If you are still conservative with your walk with God, then you can't go far. If you are a brother at some places and a guy some other places, it is a limitation in your kingdom investment. There is a dimension of God where grace for this End Time move was built, it is on the proportion of those who wants to jump the sky for God. **“The power of God comes with a massive level of willingness”** (Psalm 110 vs. 3). To go crazy for God is to walk in the unusual dimension of power. It is in human nature to give up, slow down the fire, follow Christ from afar just as Peter did, but God knows the limitations of man, that is why He never gave up on peter neither did He give up on Thomas. He carried them because the day of magnification is coming. Some of you got trapped by a particular damage of the devil. You are a sister in the church, choir or any other serving department yet you have found yourself in uncountable immoral situations, what of a brother who has stolen, a gospel minister who is a smoker, even those involve in gay relationship. These are traps of the enemy; he weakens you with them for a momentary pleasure to keep your spirit guilty and take it far from God. He does this bearing in mind that in such situations there is no much you can do for God. What of a revival evangelist whom the devil wants to shut up with masturbation. There is power that breaks lose for limited glory of Christ that was what we saw in today's scripture verse 4 saying, **“And they were all filled with the Holy Ghost, and began to speak with other tongues, as the spirit gave them utterance”**. There is a filling that widens boldness. I announce this filling on you right now in Jesus name, Amen! Without such filling you may still want to be hiding. **It takes a level of craziness to be abnormal in a normal world.** Father, we cry for your filling today. **Shakabranozagoyat**, go ahead and pray in the Holy Ghost as you are given grace in Jesus name, Amen!

TEXT:(Ephesians 5 vs. 10 – 20)

The Spirit of God is in different phases for a spiritual man, for a man who has God as his choice and dwelling. The Spirit of God can rest on a person but it can go beyond resting on a person to the season of performance and influence. There are those who have the Spirit of God in them but the Spirit is silent on them and does not speak. It takes an activated Spirit to function in a person. The spirit of God is the engagement of God around our lives and destinies to do supernatural things. It is already a known fact that many people have knowledge of the Spirit of God but barely invest on it. As we are told in the book of Galatians 6 vs. 8 where it says, **“For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth of the Spirit shall of the Spirit reap life everlasting”**. So the Spirit of God is an investment. You must diligently and willingly invest on it through prayers, fasting and living a holy life and trusting God for excellence and greatness. As you invest in the Spirit you also grow in the Spirit then you begin to act by the Spirit. The walk with God in the Spirit doesn't end when you receive the Spirit, the individual will deliberately and consciously invest in the spirit to be able to get maximum result and input of God. In today's scripture verse 18 and 19 respectively God took us through the corridors of what should be done for testimony to be generated. It says, **“And be not drunk with wine where in excess; but be filled with the Spirit; (Verse 19): Speaking to yourselves in Psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord”**. Maintain a spiritual friendly atmosphere and then communicate the nature and precepts of God around your life and Destiny. Be deliberate to grow in the Spirit, relate with God to see more of Him. If space allowed I would have showed you where Paul the Apostle was making great impact through his growth of the Spirit. When the Spirit grows your godly impact will grow too

Once upon a time, a very strong wood cutter asked for a job with a timber merchant, and he got it. The pay was really good and so were the work conditions. For that reason, the woodcutter was determined to do his best. His boss gave him an axe and showed him the axe which he was supposed to work with. The first day the wood cutter brought 21 trees. “Congratulations”, the boss said, “Go on that way!” Very motivated by the boss’ words, the woodcutter tried harder the next day but he only could bring 17 trees. The third day he tried even harder but he only could bring 10 trees. “I must be losing my strength”. The woodcutter thought. He went to the boss and apologised, saying that he could not understand what was going on. The boss asked, “When was the last time you sharpened your axe?” I have been busy cutting trees. Sometimes working hard alone is not enough to achieve success. You have to work smartly too! The wood cutter in the story is the best person for the Job but he doesn't have the right attitude to be successful in this particular task. With the right attitude nothing is impossible in life. There is time for sharpening. Thank God for the grace upon you as a minister and your message are fresh and new daily. Yes, there is need for refreshing. Are you aware that every six months the world shifts from what it used to be. The grace of God you carry requires that you are advanced for something new to happen. Less results are seen when labour and effort to accomplish success exceed above the length of preparation. ***“If the iron be blunt, and he do not whet the edge, then must he put to more strength but wisdom is profitable to direct”*** (Verse 10 Of today's scripture). When the iron is blunt less results are achieved. Sometimes it doesn't speak that you are not smart but it speaks of less information. I pray for you, receive the grace to be mentally stable and strategically informed in Jesus name. Amen!

TEXT: (Philippians 3 vs. 1 – 13)

One of the most important prayers you should be praying is to have the heart and mind that focuses to the next. You don't reach the height when you don't see a height to reach. Many are relaxed where they are because they are surrounded with people that they tend to be better than hence they find no reason to upgrade themselves into something better and bigger. The moment you stopped engaging the effort that brought you to where you have risen you will start falling back. Listen to the interesting story of Lionel Messi below: At age 11 Messi was cut from his soccer team because he was too small. He was diagnosed with a growth hormone deficiency which made him much smaller than most kids his age. However, Messi didn't let this stop him instead, week after week, every day, before going to sleep, he would inject growth hormones into himself. Messi would do this for seven days in one leg. Then seven day in the other, for six long years. Fortunately, Messi's foresight and persistence paid off. Now he is one of the highest paid soccer players. Having a net worth of over 400 million Dollars. Is considered one of the best soccer players of all time. And has won soccer greatest achievement "The Ballon d or" seven times which is the highest in football record. No footballer has won that much. Even when it seems nature is against you at first, she bends to those with strong will and staying power". Don't quit because that is not how things are pursued and keep achieving as the goal is still ahead. Don't stay where situations and circumstances kept you. Keep your dream alive, God is faithful and powerful. Your present problem is a step to the fulfilment of Destiny. Don't be the story teller just go ahead and be the achiever and Destiny fulfiller. Paul the Apostle said in verse 13B of today's scripture, ***"But the one thing I do forgetting those things which are behind, and reaching forth unto those things which are before"***.

TEXT: (Matthew 26 vs. 20 – 33)

Many at time some persons felt they have given God so much but what can be given that is enough to what he has given to us and has done for us. The question is also what can God ask of us? The truth is that I personally do not know what could be given God by anybody that will match what He deserve from us, beyond the sacrifices and giving that is being made unto God He still requires us living for him and him alone above all. Hence nothing given is beyond a life that is genuinely given. Beyond the achievements that are made bearing the label of God through us, God is more interested on how much of allegiance we could pay to Him as a people of the kingdom. Most importantly is how much of God do we apply ourselves too. The world is almost like a deceit because nothing achieved by you could survive the century to come if not as a vision invested on purpose through the envoy of reliable characters. One of the reasons we give God substances is to commit him in our resources and express love to him. Commitment to God has made people go out of their way for God giving him everything they stand for. Some persons have left your dream Job to pursue God's purpose for their lives. What can be given to God is of levels and phases based on one's covenant with God. I still desire to come to that place where I will not only say Lord you can make any demand of me but also that place where my heart is willing to offer anything to him. There was total submission from what we saw in today's scripture, considering form Peter's corner where it says, ***"Peter answered and said unto him, though all men shall be offended because of thee. Yet will I never be offended"***. Peter said, ***"Lord anything you do to me is right... I will take no offence Lord! I am all about you, my happiness is you not if what you do favours me or not. I may not have the capacity to keep that but I will do what is right. Even if I betrayed you, you will always find me within. I am here Lord for nothing else if not you"***.

TEXT: (Esther 5 vs. 1 – 4)

I want to assure someone today by the voice of the one who is called the Almighty, **“your enemy shall be caught in his own trap in Jesus name, Amen!”** I proceed to prophecy that never again shall your life satisfy the expectation of the wicked in Jesus name, Amen! Go with me to verse 14 of today's scripture where it say, **“Then said Zareh his wife and all his friends unto him, let a gallows be made of fifty cubit high and tomorrow speak unto the king that Modechai may be hanged there then go thou in merrily with the king unto the banquet, and the thing pleased Haman and he caused Gallows to be made.”** It was a plot by Haman and his family to bring Modecai down. Oh poor Modecai couldn't bow to Haman but he didn't know that they plotted to kill him but that can only happen if the giver of life is no longer on the throne. Note: To stay safe in life against any form of satanic plot against you, you need to be solidly connected to the Almighty God, the one whom alone is God all by Himself and in all things he represented, shall cause the wicked who is against you to be found in his own misery. No weapon or source of slavery can ever come near you and your family. Look at how the end came for the trap Haman and his family set against Modecai and I trust God to make same the condition of your enemies. **“And Harbonah, one of the Chamberlains said before the king, Behold also, the gallows fifty cubits high, which Haman had made for Modecai, who has spoken good for the king, standeth in the house of Haman. Then the king said, hang him there on”.** Oh Yes, hang him there on”. Your enemies will fall into the pit they set for you presently by the God of heaven the resurrected Jesus, therefore I announce a turnaround in your life and destiny in Jesus name, Amen! Pray loudly in the Holy Ghost and spew fire out of your mouth.

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word.
2. Jesus give me the grace to stand in your grace and glory.
3. My God I shall not fall victim of any satanic trap in Jesus name, Amen.
4. Oh God any presently existing trap shall be covered upon the wicked.

TEXT: (Psalm 72 vs. 1 – 7)

I want to tell someone who is paying close attention that riches are about to get on you and overtake you. I am very sure for someone that wealth that is above your size, vision, expectation, and plan is actually coming to you. The question you could ask me is why am I so sure? The Bible said in verse 7 of today's scripture that, **“In His days shall the righteous flourish and abundance of peace so long as the moon endureth”.** In whose days, the days of Jehovah therefore being rich is a covenant you cannot ignore or avoid. A child of God is not called to romance poverty. Learn the skills of godliness also understand through the wisdom of God the doings of wealth. God is the one that empowers one to be wealthy that is why His word says, **“But thou shall remember the Lord thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he share unto thy fathers as it is this day”.** I want someone to travel to the part of wealth and be highly intentional about it, be objective about it and stay hopeful expecting it. Get books and read do not hang your life on anyone or people, be positive and optimistic, take action, take bold steps and obviously God will see you through. Riches from God comes from his empowerment. Get God's empowerment by being connected to Him through affection, addiction and love towards God. These points are not just enlisted but they are prayed into patterns and methods of living, to genuinely love God is spiritually empowered, to be affectionate towards him is godly motivated. You hope to construct your life in these methods to produce results that are uncommon and great. **I sincerely pray for you that wealth and riches shall embrace you from this moment forward in Jesus name, Amen!**

1. Oh God I thank you for your to me.
2. Jesus I receive your grace and empowerment to be wealthy and rich.
3. I enter into the place of divine wealth and riches, I shall not be poor.
4. My God enable me to love and know you the more, Amen!

TEXT: (Isaiah 41 vs. 10 – 18)

Have you ever being in situation where it seem as if God has not done what He designed to do, in ways he wanted to do them and how he wanted to do them. God is reminding someone who is reading attentively that He stands at the back of His word to bring it to pass. Here are the word of God I recommend to you digest for ultimate result and response to life and opportunities. God's promises stand when they are believed, trusted and expected. Recall that expectation is a tool of faith and faith triggers action. Let's look at these promise of God made to you and I, it says, ***“Thou shall seek them and not find them, even them that contend with thee, they that war against thee shall be as nothing, and as a thing of naught”***. This tells that all those contending with you shall no longer be found. I don't know the individual that is facing a lot of contention around his destiny and life career presently, the end of such contentions have come. Get God's word and claim the promises there for you. If you read today's scripture verse 18 says, ***“I will open rivers in high places and fountains in the midst of the valleys: I will make the wilderness a pool of water, and the dry land springs of water”***. Stand on God's promises if you are desperate like myself get the scripture and allow God work. You can go on prayer vacation that is going somewhere private to pray within few days until you see the hand of God that Elijah saw on the days of Ahab. No matter what has gone wrong register this God's word in your heart where it says in Isaiah 51 vs. 11 saying, ***“Therefore the redeemed of the Lord shall return, and come with singing unto Zion; and everlasting joy shall be upon their head, they shall obtain gladness and joy and sorrow and mourning shall flee away”***. I don't know if you heard the last line of today's scripture where it says, ***“Sorrow and mourning shall flee away”***. For someone I announce that sorrow shall no longer be sustained by the power of the almighty God. Amen!

1. Oh God I thank you for your word to me.
2. Lord Jesus help me to love you and to remain standing on your promises.

4. My God I shall not be trapped by unfavourable situation rather I shall overcome.
5. Jesus, I decree the fulfilment of God's promises upon my life in Jesus name, Amen!

TEXT: (Romans 12 vs. 10 – 20)

One of the true secrets a Child of God most hold to himself is the awareness that his enemies exist and does not seek his best interest. When you avenge your enemies by yourself there are chances you weaken what God intends to do by himself. So the best approach against the enemy in your expectation of vengeance, is let God lead the process. The truth is that the Bible made it obvious saying, ***“Though hand join in hand, the wicked shall not be unpunished, but the seed of the righteous shall be delivered”*** (Proverb 11 vs. 21). This is a sure promise of God saying the wicked will surely be punished. There is this story I would like to share with you where it says, “A man came and married a sister as a virgin then began to have children outside their marriage but hid it from the sister. Then the sister later discovered after 10 years of marriage. Then she raised the issue and the man said pack your loads and leave my house so for the next 25 years her prayer was God, let the man die, I release the most bitter curses of the Egypt on him. I release fuel and flame on Him. Guess what? The man prospered the more, he expanded from the left to the right, every form of expansion of the man had grieved the sister that she returned to her prayer room to intensify more; asked God to kill the man and she did that for 25 years and one day she came to pray curses upon the man like she had always done and God asked her, can't you forgive him? Okay I will forgive. “Then she said, Lord I forgive him”. Then the man died. When you free yourself from the hurt and from the hurt and pray in tune to what the word said to us in verse 20 of today's scripture saying, ***“Therefore if thy enemy hunger, feed him, if he thirst give him drink: for in so doing thou shalt heap coals of fire on his head.”*** This is a secret to take care of your enemies. It is very hard to bless the one whom have hurt you but that is where God most time choses to take his vengeance from. (Today ensure you bless those whom have deliberately caused you pain).

4. Holy Spirit direct me on how to pray to get vengeance.

TEXT: (Hebrew 10 vs. 19 – 30)

The question is why should God expect you to be silent when you have a lot to do and say, when you can control power and strength, when you can destroy your enemy by yourself. This is most applicable to individuals who really has power to do things to harm their enemies but Choses not to utilize them. There is something I believe God does to people especially when he allows others who are lower than them to abuse them. This was heavily displayed by our Lord Jesus Christ when He said in verse 53 of Matthew 26 saying, *“Thinkest thou that I cannot now pray to my Father, and he shall presently give me more than twelve legions of angels”*. Whose presence can destroy the whole earth but in His power and Might He kept calm because He knew the testimony that was in his path will cut short if he had sought for vengeance by himself. Between yesterday and today God in His mightiness has been bringing to our attentions that we should retrieve from our vengeance missions. Obviously people could target anything, thy might say within themselves if I was the one this and this is what I would have done. If Jesus brought down the Angels like he had power to do, will he be lifted in the course of exaltation that God has in stock for Him which can only be gotten from the sacrifice of the cross. You have been hurted, let that not be the centre of your prayer points but let the one who stands by you take your place in the battle because no generation traceable as His enemy survives the finger of His wrath. Let your mind and your soul be free again and again. Verse 30 of today's scripture says, *“For we know Him that hath said, vengeance belongeth unto me, I will recompense, saith the Lord, and again, the Lord shall judge His people”*. Do you know Him, then remind him of the vengeance he should avenge for you, and forgive your enemies.

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Lord Jesus I receive the grace to stay in wait of your vengeance.
3. Lord Jesus, avenge my enemy this day.
4. Help me Jesus, to trust in your vengeance.
5. I stand on God's vengeance over my enemies.

TEXT: (John 4 vs. 31 vs. 38)

An agent of God is one who works the interest of God. One who moves the mission and vision of God in verse 30 of today's scripture it says, boldly. *“And he that reapeth recieveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together”*. If you study the scripture you will discover that Jesus was telling his disciples of the need of harvest. That it takes harvest to have result and then to also be paid by God. Recall that we have already established that an agent of God is needed in our time and age, one who will go loud about God in his business place, office, environment, status, all round and place of life telling the world about the wonderful man **Jesus**. The woman of Samaria exhibited that in verse 28 of today's scripture where it said, *“The woman then left her water pot, and went her way into the city, and saith to the men. (Verse 29): Come, see a man, which told me all things that ever I did: is not this the Christ? She left what she was doing and became an agent. You don't remain the same after you have met the man of Galilee, he must transform you and turn you around. The man of Galilee is the man whose performance and system is beyond normal, He is a king and a father. You must be an agent of God to carry the testimonies of God and His grace around. Those who are God's agents are those who are possessed of Him. A real salvation is followed by an unarguable quest to tell the world about the change. Anyone who is saved but can't talk about it is not really saved indeed to be real saved is to talk about the change even in front of your sinful teams and partners, **the city knew the story of the woman but it didn't stop her from telling them about the Messiah she just found and met, who changed her life.***

TEXT: (Judges 13 vs. 3 – 4)

I welcome you before God who is the custodian of greatness to all of us and every other thing that exists. Many persons are still trying to understand happenings of miracle and the outstanding performances of God as it relates to us. **Miracle is God doing exactly what he can do the way He wants them to be done.** Sometimes what God wants to do does not necessary support our pattern of doing things or how things are done. In the year 1969 Lvy Oisen a recently divorced and struggling young mother was moving into a modest one bed room apartment with her two sons. Money was tight and Ivy had troubles making ends meet even with her Job in a doctor's office, her situation became particularly troubling during the Holidays, one of the hardest thanksgiving she ever have had was thanksgiving after divorce according to her, she said waking up the thanksgiving morning then realising that nobody had invited her and her children to their home, the only food they had was 3 hot dogs and it was an overwhelming feeling of what have she gotten into and how is she going to get out of this. She was down and really felt despair. She was coming home after they went out for a mini picnic wondering what would the boys take for Dinner since there was no money, no food and nothing, but as she got home climbing her stairs a little old lady came out from the bottom apart and shouted honey I cooked thanksgiving Dinner for you and the boys. She had never seen her before she was just a complete stranger. She and the boys went and ate the Dinner being a prayer answered. Food was massive in-there and they had a wonderful evening then left with loads of food that lasted a week for them. As she packed the containers and returned to the apartment to give her back her containers and the house was empty no one was there. Then she called the house manager to ask of the tenant and the manager said no one was living there for the past 4 months, the angel served them food. God is about to set you “on”, supernaturally to your phase and place of abundance.

1. OH God I thank you for your word to me.
2. Jesus, give me the grace to carry your miracles around.

TEXT: (Job 29 vs. 1 – 15)

One of the sweetest source of human preservation is living within the absolute, unadulterated place and forms of God's guidance. In verse 2 – 3 of today's passage Job testified and said, ***“Oh that I were in months past, as in the days when God preserved me.*** (Verse 3): ***When his candle shined upon my head and when by His light I walked through darkness”.*** Oh my God, there is a desperation that resides inside of me with passion to walk by His light in darkness. The world is full of darkness, frustrating and disappointing circumstances, conditions that are entirely helpless and life-mental threatening. So Job had that kind of experience. Sometimes it could look so dark in some certain areas of your life, maybe financially, mentally and otherwise that you don't really know the best way to approach it, I want to announce to you that God's light is coming. To be strategic in the midst of adversaries at times appears as a risk, since you don't really know what the outcome would be, but not when God is the one guiding and directing you. I think that one of the most essential prayers I am praying for you now is the grace to be divinely directed, I have never seen one who lost by God's direction, no, not one. The scripture revealed this long ago with the insight of what our state will be when that is done and it says, ***“For behold the darkness shall cover the earth and gross darkness the people: but the Lord shall arise upon thee, and his glory shall be seen upon thee”.*** This was what Job encountered but his end was a gross testimony as he testified in verse 13 saying, ***“The blessing of him that was ready to perish came upon me: and I cause the widows heart to sing for joy”.*** I have blessing even that of He that wanted to perish came upon me. Just remain in God's calendar I am well assured that the issues of this present shall not survive the impact of his presence, intelligence and discipline.

TEXT: (Isaiah 51 vs. 11)

Giving up like I used to say is the easiest thing to do, everyone does that and any one can do that. Crown comes upon the head of those who refused to give up, who took no path in surrendering to the place and phase of weakness; anyone can give up but let it not be you. The truth is that once anyone begins the journey of building something great mot times it appears as giving up is the only option that worth it but don't fall for it, stand straight and lift your head to excellence. You can slow down but don't give up. Get strength from the Holy Spirit, abide in God's presence to get motivated and inspired on your cause in life and Destiny. People always go for what they felt they deserve but gets weak along the line. See this interesting popular story below: During the gold rush, a man who had been mining in colorade for several months quit his Job, as he didn't struck gold yet and the work was becoming tiresome. He sold his equipment to another man who resumed mining where it had been left off. The new miner was advised by his engineer that there was gold only three feet away from where the first miner stopped digging. When things start to get hard, try to persevere through the adversity. Many persons give up on following their dream because the work becomes too difficult, tedious or tiresome – but most often, you are closer to the finish line than you may think, and if you push just a little harder you will succeed. Just push harder, I personally many time and in many occassions have had the urge to give up at times but I don't settle for that, there is a great mark ahead. Get it on your mind that God didn't give up on your course, His mind and heart is with you so don't give up. See today's scripture, *“Therefore the redeemed of the Lord shall return and come with singing unto zion and everlasting joy shall be upon their head, they shall obtain gladness and joy and sorrow and mourning shall flee away”*.

The reason they were singing with everlasting joy is because they never gave up!

TEXT: (Psalm 18 vs. 45 – 50)

One of the fastest limitation of people is not in what they do or their ability to do it well but it resides in where they are. One of the strategies of the enemy is to distract the one who has many obvious potentials and trap the individual with his Jokes. I must at this point say that it is not only necessary to be well talented and developed as an individual but it is also very paramount for one to be in the right place. If God would open your eyes in this study you will discover that many great minds have fallen victim of such satanic projected disadvantage simply by the virtue of where they are and who they are. See this story below: A mother camel and her baby were lying down, soaking up the sun. The baby camel asked his Mom, “Why do we have those big humps on our back?” The Mum stopped to think and then said, “We live in the desert where there is not much water available humps stores water to help us survive on long journeys.” The baby Camel then stopped to think and said, “Well why do we have long legs with rounded feet?” His mother replied, “They are meant to help us walk through sand”. The baby asked a third question, “Why are my eyelashes so long? The mother replied, “Your long eyelashes offer you protection from sand when it blows in the wind”. Finally the baby said, **“If we have all of those natural abilities given to us to walk through the desert, what's the use for Camels in the Zoo?”** The skills and abilities you possess will not be useful if you are not in the right environment. You have probably heard of a professional who ditched his or career to follow their dreams or the person who remains unfulfilled in their Job. One of the deliverance the Lord should grant you is deliverance from the wrong place. Verse 48 of today's scripture says, *“He delivereth me from mine enemies”*. Oh yes, that distracting Job that keeps you out of God's task for your life is one of your greatest enemies.

TEXT: (1 Corinthians 3 vs. 5 – 10)

Bishop David Oyedepo was the one who said, “No Lazy man has a future, don't be slothful, following giants in any field is a great task. Every step of a giant is a long Jump for a dwarf”. The person who works hard to impact a society and create a change is not only doing it for others but for himself also. An exceptional man is celebrated for his great impact simply because he has kept himself different and apart from other men. I can plainly tell you that nothing celebrated is lacking the sweat of men who by their strength and effort keeps it glowing. This is one of the reason why God himself does not employ the lazy because to maintain the standard in heaven requires the discipline of heaven which cannot be kept by men who are slothful. See the interesting story below: A boy once asked a wise old man what the secret of success is. After listening to the boy's question, the wise man told the boy to meet him at the river in the morning and he would be given an answer there. In the morning the boy and the wise man began walking towards the river. They continued on into the river. At this time, the wise man ducked the boy into the water. As he struggled to get out, the wise man pushed him further down. The boy felt a slip by his leg and squired to get up even harder. The man eventually pulled the boy's head so he could get air. The boy gasped as he inhaled a deep breath of air the wise man said, “What were you fighting for when you were under water”? The boy replied, “Air!” The man said, “There you have the secret of success. When you want to gain success as much as you wanted air when you were under water, you will obtain it. That's the only secret”. Verse 9 of today's scripture says, “*For we are labourers together with God: ye are God's husbandry ye are God's building*”. You are co labourers with God, you labour with him and you work harder with him. Nobody labour if He is not in view of success. God bless you.

My God my Father while I stray: Song 1

Charlotte Elliott

My God, my Father, while I stray
Far from my home in life's rough way,
O teach me from my heart to say,
"Thy will be done."

Though dark my path, and sad my lot,
Let me be still and murmur not,
Or breathe the prayer Divinely taught,
"Thy will be done."

What though in lonely grief I sigh
For friends beloved, no longer nigh,
Submissive still would I reply,
"Thy will be done."

If Thou shouldst call me to resign
What most I prize -- it ne'er was mine:
I only yield Thee what was Thine --
"Thy will be done."

Let but my fainting heart be blest
With Thy sweet Spirit for its Guest,
My God, to Thee I leave the rest;
"Thy will be done."

Old rugged cross: Song 2

On a hill far away stood an old rugged cross,
the emblem of suffering and shame;
and I love that old cross where the dearest and best
for a world of lost sinners was slain.

Refrain:

So I'll cherish the old rugged cross,
till my trophies at last I lay down;
I will cling to the old rugged cross,
and exchange it some day for a crown.

O that old rugged cross, so despised by the world,
has a wondrous attraction for me;
for the dear Lamb of God left his glory above
to bear it to dark Calvary.

In that old rugged cross, stained with blood so
divine, a wondrous beauty I see,
for 'twas on that old cross Jesus suffered and died,
to pardon and sanctify me.

To that old rugged cross I will ever be true,
its shame and reproach gladly bear;
then he'll call me some day to my home far away,
where his glory forever I'll share.

Christian seek not yet repose: Song 3

Charlotte Elliott

Christian, seek not yet repose,
Cast thy dreams of ease away;
Thou art in the midst of foes:
Watch and pray.

Principalities and powers,
Mustering their unseen array,
Wait for thy unguarded hours:
Watch and pray.

Gird thy heavenly armor on,
Wear it ever, night and day;
Ambushed lies the evil one:
Watch and pray.

Hear the victors who o'ercame;
Still they mark each warrior's way;
All with one sweet voice exclaim,
"Watch and pray."

Hear, above all, hear Thy Lord,
Him thou lovest to obey;
Hide within thy heart His word,
"Watch and pray."

Watch, as if on that alone
Hung the issue of the day;
Pray that help may be sent down:
Watch and pray.

Just as I am: Song 4

Charlotte Elliott

Just as I am, without one plea,
But that Thy blood was shed for me,
And that Thou bidst me come to Thee,
O Lamb of God, I come, I come,
O Lamb of God, I come, I come.

Just as I am, though tossed about
With many a conflict, many a doubt,
Fightings and fears within, without,
O Lamb of God, I come, I come,
O Lamb of God, I come, I come.

Just as I am, poor, wretched, blind;
Sight, riches, healing of the mind,
Yea, all I need in Thee to find,
O Lamb of God, I come, I come,
O Lamb of God, I come, I come.

Are you washed in the Blood: Song 5

Elisha Hoffman

Have You Been To Jesus For The Cleansing Pow'r?
Are You Washed In Blood Of The Lamb?
Are You Fully Trusting In His Grace This Hour?
Are You Washed In The Blood Of The Lamb?

Are You Walking Daily By The Savior's Side?
Are You Washed In The Blood Of The Lamb?
Do You Rest Each Moment In The Crucified?
Are You Washed In The Blood Of The Lamb?

When The Bridegroom Cometh Will Your Robes Be White
Are You Washed In The Blood Of The Lamb?
Will Your Soul Be Ready For The Mansions Bright,
And Be Washed In The Blood Of The Lamb?

Refrain:
Are You Washed In The Blood,
In The Soul Cleansing Blood Of The Lamb?
Are Your Garments Spotless? Are They White As Snow?
Are You Washed In The Blood Of The Lamb?
