Why the COF and How to use the COF

(Psalm: 90vs12): *So teach us to number our days, that we may apply our heart unto wisdom.* A man's days will be told as an ordinary story if he/she wasn't able to number them according to God's wisdom. The wisdom of God is Jesus: and Jesus is found through the word of God (John: 1vs1). **Don't be fooled by the Calendar. There are only as many days in the year as you make use of (Charles Richard).**

Through the daily digestion of the word of God, days are utilized and destinies are experienced. Through this daily devotional God makes you to channel your days toward the reality of your destiny. In COF God has a direction and an instruction for you daily. Start today, remain steady and the eternity will celebrate your days.

7 steps on how to use the COF

- 1) Create a time with the Almighty God daily; preferably in the morning hours.
- 2) Disconnect yourself from distractions.
- 3) Connect to God either through short Prayers or worship.
- 4) Carefully and meditatively read the bible passage that is allocated for the day.
- 5) Write down any insight or instruction captured from the bible passage you read, if any.
- 6) Carefully study the inspirational write up meant for the day according to the dates in this book, and follows the instruction given to you either from the Holy Spirit or from the servant of God, if any.
- 7) Pray the prayers that are meant for the day as you go ahead to maintain Godly atmosphere for the rest of the day.

WELCOME TO JANUARY

THEME

DIVINE EXPOSURE.

I welcome someone who is super excited to be involved in what God is doing. He is the all sufficient God and the I am that I am. This is the long awaited 2021 and here is the word of God to you which says in verse 9 of today's scripture saying, *"The glory of this latter house shall be greater than the former, saith the Lord of hosts: and in this place will I give peace, saith the Lord of hosts"*. Many persons lost hope in 2020, some gave up expectations, a lot of dreams and visions were not fulfilled because of some certain things that came within the year which include, coronavirus pandemic, protests, increase in dollar rate, increase in PHCN tariff plan, bank charges, fuel price and so on and so forth. The amazing thing is that in this season the Lord is giving an assurance saying, "In this year will I give peace." I don't know the chaos the world is speculating this year, in this season we shall know peace. In the midst of the chaos of 2020 the Lord called it our year of "Upon this Rock". Indeed the land seemed rocky but the Lord built us. Now He calls 2021 our year of **"DIVINE EXPOSURE"**. There is an exposition of greatness that will be revealed to someone this season. For someone, this 2021 shall reveal your green pasture to you. Yes, someone who aims for fresh fire and fresh grace the Lord in this season shall reveal Himself to you. This year, all the regrets of the lost years shall be compensated. Trust the Lord, despite the crisis that surrounds 2020, I know a lot of persons that recorded it as their best year. The world shall not decide your success this year. Get ready, you are entering into your season of God's sponsorship and responses. All your prayers of the past shall begin to manifest their answers, Amen! God is saying to someone that this is the year to act. 2021 is a year of responsibility; standing up to face what faces you is a sign of being responsible. **"Expectation without action leads to retrogression"** (Isaac Chidolue). **"God is part of you at any point of your life, He only appears absent whenever you keep silent"** (Isaac Chidolue). Take action in pursuing your thoughts that are divinely inspired. Be part of the 21 day fasting approaching from the 11th – 31st of January 2021. This is not a cultural keeping but the doings of the Lord to keep you aligned for exploits.

Prayer Points: Worship God in your own style.

1. Oh God I thank you for your word to me.
2. Oh God, arise and show me your face this season, Amen!

TEXT: (Luke 12 vs. 21 – 28)

Depth is stronger than height. Heights with shallow depths don't survive waves. The secret of fulfilment in life is basically a deep depth of root. This is why Jesus assumed the place of root, like the root of David (Revelation 5 vs. 5). This year aim to plant the seed of righteousness and integrity. Integrity minds depth more than heights. Think more about impacts more than income. No man honours a man without honour, because honour is found on impact. I do tell people that approach and attack is fine but what is amazing is a strategic method of getting things done and that is through a satisfying meeting with God. I have personally experienced all manner of breakthroughs after I waited on God patiently. It takes man to make plans and think of way forward to get things done rightly but it is better to wait on God because that is the way upward. I have seen dimensional issues taken care of, after waiting on God because that is the way upward. I have watched battles fought and victories gotten after I waited on God. "God spoke to us yesterday about action but here today He is giving us the secret that makes action worthy of samples. There are actions that results to nothing. The most successful of all men are not the most active of them but the act of waiting on God is forever amazing. Jesus waited for 30 years and the foundation where His foot is planted is amazingly great. Joseph waited for 13 year and his life became a phenomena among many. The secret of Joseph is worth his wait. **"The only way to attract God's might on yourself is to recognise your lowliness before Him"** (Isaac Chidolue). God is provoked to action when we rely on His strength. God's strength on a matter is welcomed through faith. When you have faith, you have invited God. Verse 28 of today's scripture says, *"If then God so clothe the grass which is today in the field, and tomorrow is cast into the oven how much more will he clothe you, o ye of little faith?"* Jesus, show me your grace as I wait. Someone should slow down a bit and wait on God, Our Fasting and praying starts 11th of this month and the Lord shall handle every crisis.

Prayer Points: Worship God using song 3: Page 120

1. Oh God I thank you for your word to me.
2. My God give me the grace to be yours now and forever.
3. Father help me with the heart that waits until I win in Jesus name, Amen!

Channels OF Fulfilment

TEXT: (Genesis 30 vs. 25 – 30)

The Lord is the one who alone remains God. People neglect heights of excellence because they fail to be diligent. It is an insult to your spirituality to be less productive in the field where you represent. Bishop Oyedepo would say, **"Spirituality does not replace hard work"**. Working hard is a fruit of self-respect and then being productive is a sign of smart ideas. **This year, may God lay hold on your effort to attract His method of greatness to you in Jesus name, Amen!** In verse 27 of today's scripture we read, *"And Laban said unto him, I pray thee, if I have found favour in thine eyes, tarry: for I have learned by experience that the Lord hath blessed me for thy sake"*. Become an asset anywhere you are, that people will testify of your presence. Let the breeze that blows by your presence speak increase. Challenge yourself to have a better result this year. Believe me when I tell you that success is never an accident; why? Because the successful challenges himself to succeed. Productivity is a sign of diligence. The presence of Jacob was the success of Laban. **"Seest thou a man diligent in his business! He shall stand before kings; he shall not stand before mean men"** (Proverb 22 vs. 29). Now it is diligence that leads to exaltation. Don't do anything ordinary, add some energy and Synergy. See Jacob's testimony in verse 30 of today's scripture where He says, *"For it was little which thou hadest before I came, and it is now increased unto a multitude; and the Lord had blessed thee since my coming: and now when shall I provide for mine own house also?"* You have no excuse to watch things go lesser than you met them. This year 2021 plan increase and work it out, plan exploit and put effort according to your plan. It is your year of Divine Exposure. As the year is unfolding in seconds, minutes, hours, days, weeks and months the Lord will be revealing things to you. Prepare yourself, friends and loved ones as the 21 day fasting approaches from 11th – 31st of January 2021. God bless you!

Prayer Points: Worship God using your own songs.

1. Oh God I thank you for your word to me.
2. Jesus, show me your light and your grace.
3. Mighty God help me to be diligent, break the work of weakness and laziness in me.

Showing of Christ. *Channels OF Fulfilment*
TEXT: (John 21 vs. 1 -14)

I wish to assure someone by the Help of the Holy Spirit that Jesus is willing to show Himself to us strong and mighty this season, 2021. For someone whose strength has failed, He will show himself strong and mighty unto you in Jesus name, Amen! The question someone may be asking is why hasn't Christ shown Himself to me? What kept Him back from showing His mightiness around me? Let see a little about the Apostles, maybe their experience will answer those questions and confusions. We should remember that in Luke 5 Jesus used Peter's boat to preach which after, He made fishes to be caught in the same boat. Now in the absence of Christ the same miracle did not follow Peter. There are people who had past breakthroughs because God made Himself available to them. He showed His might and power around them. God was aiming to teach us that there is a supernatural grace that pays attention more than effort and it is found in the person of Jesus. Verse 3 of today's scripture says, *"Simon Peter saith unto them, I go a fishing. They say unto him, we also go with thee. They went forth, and entered into a ship immediately; and that night they caught nothing"*. Throughout the night they caught nothing and that confirms God's word in (Psalm 30 vs. 5) saying, *"Weeping might endure for a night but joy comes in the morning."* They laboured all night and had no reward for their labour, but in the morning Jesus stood by the shore. I really want to assure someone that the presence of Jesus shall bring manifestation of greatness around you in Jesus name, Amen! The previous years may be your night but trust the Lord when He had said that this 2021 is your season of upgrade to higher dimensions of glory. A lot of difficulty will give way, a lot of crisis will fade away, the hand of the Lord shall turn everything around and testimonies shall abound in Jesus name, Amen! Digest verse 14 of today's scripture where it says, *"This is now the third time that Jesus showed Himself to His disciples, after he was risen from the dead"*. He showed Himself and appeared the third time, by the reason of His word the Lord shall appear to you again. Amen!

Prayer Points: Worship God using song 2: Page 121

1. Oh God, I thank you for your word to me.
2. Jesus, I request you show yourself to me.

Channels OF Fulfilment **TUESDAY: JANUARY 5th 2021**
Swallowed Disasters. *Channels OF Fulfilment*
TEXT: (Hebrew 4 vs. 1 – 11)

There is a point in life where one lives to win and never knows defeat, the good news is that someone is coming to that stage and point of life in Jesus name, Amen! You shall not die this year neither your loved ones nor those who are related to you. None shall die and none shall be lost in Jesus name, Amen. Faith is the Capsule to withstand challenges and when you have no faith you have no Christ. Without faith men cannot quench the arrows of the devil. Faith is all it takes to stand out and win because outside of faith God's word is not provable. See verse 2 of today's scripture where it says, *"For unto us was the gospel preached as well as unto them: but the word preached did not profit them, not being mixed with faith in them that heard it"* (KJV). Considering another version says, *"For this good news – that God has prepared this rest – has been announced to us just as it was to them. But it did them no good because they didn't share the faith of those who listened to God"* (NLT). They made no profit or result out of the word preached because they didn't receive it with faith. Faith is one of the greatest virtue you need this season to start shining in the light of God. To reach where God has already programmed for you, you need to believe His word through faith. **Faith is the real thing.** Nothing received of God comes without faith. Verse 10 of today's scripture also said, *"For he that is entered into His rest, he also hath ceased from his own works, as God did from his"*. Your effort is good but the prosperity of it shows the sponsorship of God. **It is God's work in us that causes perfection in us.** I am hoping to work this year but I am much more concerned on what the Lord shall work in me. In His work disasters and limitations are not allowed neither are they sustained. (2 Corinthians 4 vs. 15): *"For all things are for your sake, that the abundant grace might through the thanksgiving of many redound to the glory of God"*. Oh God show forth your gracious power and capacity in us all, Amen!

Prayer Points: Worship God using song 5: Page 124

1. Oh God I thank you for your word to me.
2. Jesus, swallow the disaster that swallowed me in the past.
3. Oh God swallow up every crisis that surrounds me.

TEXT: (Hebrew 11 vs. 29 – 33)

People look exactly as their faith is. Nothing brings the glory of God more than the life of faith we showcase at all times. Faith that is drastic initiates survival in the face of death. Sir Adrian Carton de Wiart was a British soldiers who fought in both wars, was shot in the face, head, stomach, ankle, leg, hip and ear, survived two plane crashes, tunnelled out of POW camp, bit off his own finger when the doctor refused to amputate it, and said of WW1, “Frankly, I had enjoyed the war”. A child of God sees many wars but wins all by the faith He possessed. Faith is that which makes a poisoned diet nutritious to you, and also turns a disaster to a distinction. This is the new 2021, certainly, all of us within this year shall add a year to our years but we have the choice to determine what will add to our years. **I don't know the pit the devil is threatening you with but you can disrupt his escapades by living in dangerous faith style.** See verse 29 of today's scripture where it says, *“It was by faith that the people of Israel went through the red sea as though they were on dry ground. But when the Egyptians tried to follow, they were all drowned”*. It is by faith I am where I am and I am moving to heights greater than here. Some persons thought it was just God's power that divided the sea but no, it's not. Moses had the faith that brought that kind of power into manifestation around Him, and the People of Israel had faith that they will not be drowned by the two bridges of water that was on their both sides as they crossed the sea. The Egyptians had no faith because they are strangers of God. If they had God in them they would have replicated the same miracle. Like the story of Sir Adrian we saw above, one of those encounters he encountered above takes people's life but he was not on the list of such deaths. It doesn't matter what the devil may wish you this year, your place of dwelling shall be very far from his reach. Digest verse 33 of today's scripture, *“Who through faith subdued Kingdoms, wrought righteousness, obtained promises, stopped the mouth of lion”*. **Faith does all things. Picture what you want to have this year and obtain them all by faith.** Our Fasting starts from the 11th day of the first month of this year. Get prepared. **PLAN FOR THE 31st EVENING TOO!**

Prayer Points: Worship God using song 1: Page 120

1. Oh God I thank you for your word to me.
2. Jesus, help me with faith to possess what you have given me this year.
3. Oh God, show me your grace and you.

TEXT: (Isaiah 42 vs. 10 – 16)

For someone who seems to have been forgotten this year, Jehovah whom you have trusted shall come to your rescue, Amen! The devil is good at showcasing his strength but this season the Lord shall put Him to permanent shame in issues involving you in Jesus name, Amen! Satan makes threat in absence of God's glory. Jehovah might be present but maybe He hasn't showed His glory yet. For a daughter/son of Zion whom the devil had showcased his power around, the end of his show has come! Amen! God's word spoke saying, in verse 14 of today's scripture saying, *“I have long time held my peace; I have been still, and refrained myself: now will I cry like a travelling woman; I will destroy and devour at once”*. I don't know what exactly it looks like but the appearance and reaction of God is tremendous. In the land of Egypt Jehovah held His peace for years, in the life of Joseph he also held his peace, before Samson was born he held his peace, when Abraham had no child for 25 years, God was holding his peace. Esther lost her parents at a tender stage, God held his peace. The food of the widow finished to the very last, yet God held His peace. This is the mystery of God that Satan doesn't know. Satan does nothing in God's presence except He is holding His peace because greater manifestation of Himself is approaching. For someone the Lord is saying over that crisis you have faced I have held my peace for long and I am not holding it anymore; therefore this season in your life and destiny there shall be **turned around**; opportunities shall embrace you and your testimonies shall be witnessed in Jesus name, Amen! Prepare your celebration style because the Lord has begun his work. Digest verse 16 *“And I will bring the blind by a way they knew not; I will lead them in paths that they have not known: I will make darkness light before them; and crooked things straight. These things will I do unto them and not forsake them”*. God said about you that **“He will not forsake you this 2021!”**

Prayer Points: Worship God using song 4: Page 123

1. Oh God I thank you for your word to me.
2. Jesus, help me to be yours now and always.
3. Oh God help me to be all that you want me to be.

May you be found worthy of being regarded as the master's vine. We are in the generation where a lot of persons are confused; some persons started to get engaged with the work of darkness that was already rejected. Many people seem to have gone back to idolatry. What honour does God get from you that you go about involving godless means after showing you how faithful He can be. It was the curse of the old that many of us battled with to regain our family foundations from the devil. It seems like these days many persons are returning to the past mistake many of their fathers made, getting trapped again by the enemy. Stalin once plucked the feathers off a live chicken as a lesson to his followers, he then set the chicken free on the floor a short distance away. The chicken immensely coated in blood and pains yet, when Stalin began to toss some bread crumbs towards the chicken it followed him around. He said to his followers: **“This is how easy it is to govern stupid people, they will follow you no matter how much pain you cause them, as long as you throw them a little worthless treat once in a while”**. I must say it audibly enough through the sponsorship of the Holy spirit that there is no gain of whatsoever in following after the devil. Do you use charm to do business; like that is where your prosperity is laid, it is a trap the devil set to bring you into calamity, the one that will be seen here on earth and the one that will go with you to eternity. Today's second scripture says, *“Behold, they are all vanity; their works are nothing: their molten images are wind and confusion”*. If you are under any idol's influence, in the name of Jesus I announce your freedom right now, Amen! Don't allow challenges to drive you out of God's grace. (Galatians 6 vs. 9) says, *“And let us not be weary in well doing: for in due season we shall reap, if we faint not.”* There are times when you might be weary considering to faint but there are also due seasons; wait on the Lord as the due season comes on you! Verse 14 of today's scripture says, *“They shall be turned back, they shall be greatly ashamed, that trust in graven images that say to the molten images, ye are our gods”*. The Lord is good and His mercy endures forever; He is ever faithful to them who trusts in Him.

Prayer Points: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Jesus show me your grace and mercy and save from every idolatry work.
3. Oh God arise and show yourself faithful help me to walk with you at all times.

The best way to handle crisis most times is to lead yourself out of it or attach yourself to a higher leadership height to find yourself out of it. There are crisis you cannot fix if you do not face them. There are easiness you will not know if you do not submit yourself to leadership patterns. Dwight D. Eisenhower the 34th President of the United States and a former Army general said, **“Leadership is the art of getting someone else to do something you want done because he wants to do it”**. There are things people around you would like to do, then get them to do it. Learn to tap into every potential that surrounds you. Without a deliberate plan to involve others you may not achieve God's choice and mind for you. You must not be the player and the goal keeper, learn how to extend your energy. Verse 21 of today's scripture says, *“Moreover thou shall provide out of the people able men, such as fear God, men of truth, hating covetousness; and place such over them, to be rulers of thousands and rulers of hundreds, rulers of fifties and rulers of tens”*. Life is not hard if right strategies are applied. For some persons what you need to be above where you are now is to get your wife involved in what you do, for some of us is just to get your friends involved in what you do. This year, don't just improve yourself, build yourself as well. **Whatever you do that cannot survive your absence in same location is not strong already.** Someone needs to get busy by finding out the potentials around him/her. John G Lake had anointing but still died of stress because He took it upon himself to serve God using less of those that were around him (my opinion though). See Jethro's word to Moses in verse 18 of today's scripture it says, *“Thou will surely wear away, both thou and this people that is with thee: for this thing is so heavily for thee; thou art not able to perform it thyself alone”*. When you are not led and you don't lead, you will wear away. **Managerial skill is always on the lead.**

Prayer Points: Worship God using song 1: Page 120

1. Oh God I thank you for your to me.
2. Jesus, I hand over myself to you, come and lead me.
3. Oh God show me your glory and your grace in Jesus name, Amen!

SUNDAY: JANUARY 10th 2021
Attacking attraction.

TEXT: (Proverb 13 vs. 9), (Psalm 109 vs. 26 -29)

Within this 2021 I think God would want you to speak loud in recognition and appreciation of what you admire. One afternoon, a fox was walking through the forest and spotted a bunch of grapes hanging from a lofty branch. Just the thing to quench my thirst; he thought. Taking a couple of steps back, the fox jumped and just missed the hanging groups. The fox tried again but still failed to reach them. Finally giving up-, the fox turned his nose up and said, 'They are probably sore anyway; and walked away'. **Many have turned to enemies of what they really wanted just because they didn't have it when they pursued it.** Some people pursued money but couldn't find it and ended up calling every rich person a ritualist. This is one of the reason why that individual will remain poor because he never believe anyone can be rich unless he does ritual. Don't attack what you secretly admire and wish you could have. God is very observant with this. **There are people whom God has already decided to limit because they didn't appreciate those He lifted.** Rejoicing in the good that happened to others is a way of letting God know that you are ready to receive the same goodness. There are people who condemns someone's car, not because the car was bad but because of the person who drives it; they are simply jealous of the person. This is also applicable to Ministers that built their ministries on condemning others, most times it is noticed that growth is difficult for them. Learn to give in to what God wants for you. In 2021 appreciate more and condemn none. Digest today's first scripture, ***"The light of the righteous rejoiceth: but the lamp of the wicked shall be put out"***. Wickedness is when you unnecessary become angry about someone's progress and wish them evil." (Verse 29): *"Let mine adversaries be clothed with shame, and let them cover themselves with their own confusion, as with a mantle"*. Gather your friends and loved ones, as we embark on tomorrow's 21 day fasting that will stay till 31st of January, **God bless you!**

Prayer Points: Worship God using your own songs.

1. Thank you Lord for your word to me.
2. Jesus, show me your mercy as you help me to appreciate what you did for others.
3. Father, forgive me for the things I have attacked.

MONDAY: JANUARY 11th 2021

TEXT: (1John 4 vs. 15 – 17)

I wish to announce to someone that the very work of God in your life and family shall be perfected in Jesus name, Amen! Nothings shall put you down and no man shall put you back in Jesus name, Amen! **I decree that none of your effort and labour shall be wasted this season in Jesus name, Amen!** There are people being sponsored by the devil, making attempts around your life and Destiny to pull you down and occupy the place of honour but it is not unto them to occupy because Jesus said to us in Luke 19 vs. 13 saying. *"And He said unto the ten servants, and delivered them ten pounds and said unto them, **occupy till I come**"*. As the Lord brings you to your season of **Divine Exposure**, you shall rightly occupy in Jesus name, Amen! A young business man in a part of Nigeria brought in a container of tiles, the container travelled from abroad, came into Nigeria, passed many states and arrived at the environment where it was to be needed. As the young man parked his car beside the container moving some steps away probably to find labourers who would help Him offload the tiles, as he was moving some steps away from his car which was parked beside the container, the container fell on top of the car, damaged all the tiles into a breaking tiles which was cost many millions of Naira damages. His car was damaged not to be recovered again and the business he intended to start got crippled. He ran back to oversee with his life and never returned again. He was told by some group of men after the incident that you don't rule with an empty hand. **Somebody shout Fire!** Satan has no power or authority to frustrate your life or operate it the very way it pleases him, no, not at all! This season you shall not be distracted or frustrated by the devil in Jesus name, Amen! We declare that the mercies of God shall be found and largely displayed in your life and destiny and satanic rules shall be far from you, do you know why? See verse 17 of today's scripture where it says, ***"Herein is our love made perfect, that we may have boldness in the day of judgement: because as He is, so are we in this world."*** If He cannot be touched by the forces of darkness so shall I not be touched in Jesus name, Amen! The fasting has started. Enter the realm where you shall rule by divine exposure this fasting season and no devil shall stop your glory. See page 106 for the fasting PRAYER POINTS. Prepare your family and loved ones to take charge of 2021 from here. Be consistent and prepare for the IPC (International Prayer Conference) @ Venus Hotels Fegge Onitsha on January 31st 2021. **If you are involved in the prayers you can text us with this: 07066085556.**

TEXT: (2 Chronicle 15 vs. 12 – 15)

Any attempt without force looks ordinary and in most cases produces an ordinary result. You don't break down a door by knocking. Someone who needs God's intervention should be willing to venture into prayers! Someone said, **“Knowing what you need to do to improve your life takes wisdom. Pushing yourself to do it takes courage.”** Sometimes you need to push yourself to produce the kind of result you need through prayers. Smith Wigglesworth said, **“There is nothing impossible with God. All the impossibility is with us when we measure God by the limitations of our unbelief”**. This is the very season where desperation shall make the difference. Someone who is desperate to seek God shall find Him. When we were kids there were many stories in the movies which we were conversant with, one of them is HULK. For those of you who knows about it. The incredible Hulk story was inspired by a real woman who single handedly lifted a car to save her baby. According to Hulk producer Jack Kirby: this woman proved to the world that the ordinary person in desperate circumstances can transcend himself and do things that he wouldn't ordinarily do! This point is of two phase. **1st:** You and I are Jesus babies and He can go out of His way to lift any barrier to save us. **2nd:** It shows that when we are desperate over something through the force of faith and prayers we can do all things. You need to pursue this covenant of fasting with all that is in you. See verse 12 of today's scripture, *“And they entered into a covenant to seek the Lord God of their fathers with all their heart and with all their soul”*. Seeking God takes all, that's why it is deliberate to ignore food right now and seek Him, in verse 15, *“And all Judah rejoiced at the Oath; for they had sworn with all their heart and sought Him with their whole desire; and He was found of them. And the Lord gave them rest round about.”* Oh men and brethren they had rest round about. Engage strongly in the activities of this Fasting and Prayers and see all round rest, **carry your family and friends along!**

TEXT: (John 1 vs. 23 – 34)

I welcome someone to the very presence of God. Do you know that sheep is soft-hearted, upright, elegant and meek. They are usually very quiet and gentle, holding themselves aloof from the world. In a herd all the sheep tends to listen to their leaders and show esteem to them. No wonder Jesus spoke in John 5 vs. 30 saying, *“I can of my own do nothing: as I hear, I judge and my judgement is just; because I seek not my own will, but the will of my Father which sent me”*. Jesus was the lamb of God who listens and does the will of His Father”. As He hears He judges. On your behalf Jesus will hear, decide deliberately with God and all the host of heaven to uplift you and cause you to stand on the mountain top. Amen!! It is the Lamb of God that delivers from the hand of sin. In verse 36 of today's scripture we saw, *“And the next day John seeth Jesus coming unto him and saith, Behold the Lamb of God, which taketh away the sins of the world”*. He is the lamb and He taketh away the sins of the world. If He takes it away then why should you stay with it? He takes out sin in us which we cannot take out by ourselves and lives in us to actualise perfection with us. Why then did you chose to retain sin and carry out the works of the flesh when Jesus came to take them away, why would you have them kept? **“Nothing that defileth shall enter into the kingdom of God”**. Horace Bushnell said, **“O thou lamb of God that taketh away the sin of the world, what thou bearest in thy blessed hands and feet I cannot bear, take it all away. Hide me in the depth of thy suffering love; mould me to the image of thine divine passion”**. His will is to take them all away. The greatest miracle is not the breeze of anointing. It is not the blind who saw neither is it the dead that arose but it is the transformation of men. A change of heart where one can gladly say, the things I use to do before, I do them no more. God bless you earnestly, Amen! **Pray the Fasting prayers also, for DAY 3. Hold God by discipline!!**

One of the very secret of progress is being committed to those we love. Love is an act of God that brings transformation and grace in others. Recently BBC news read about an elderly couple who had been married for 60 years, reunited after 221 days apart. The reunion was a private one though someone recorded with a camera. Joseph the husband was hospitalised in March 2020 but couldn't have visitors because of Covid-19 restrictions. Eve his wife met her husband again at the care home where they lived and was in tears to see her husband. One of the greatest effort of righteousness is to be committed to those in your life. Commitment is the greatest sign of love. How can you love God well when you despise your neighbour? *"In this the children of God are made manifest and the children of the devil: whosoever doeth not righteousness is not of God, neither he that loveth not his brother"* (1 John 3 vs. 10). Doing the mind of God is regarding the people who are connected to you. There are women who are punctual and appears frequent in Godly meetings, yet they despise their homes and disregards their husbands. There are men who are also committed to God's work but ignore the wife of their youth, keeping her unloved and depressed. How can you be God's part if you haven't lived like Him among men? It is the Love that you showed to others that will compel them to come after you and make a team with you. This goes down to every area of function. Most times is not your anointing as a minister that keeps people glued to you, it is the love of God that you showed them. Now Digest verse 12 of today's scripture where it says, *"No man hath seen God at any time. If we love one another, God dwelleth in us, and his love is perfected in us"*. **Now God's love is perfected in us when we love others**, I am kind of surprised to learn that it is not even when we speak in tongues. As you engage in Fasting and Prayers, also ensure you walk in Love. Keep the Fire of prayers burning, **also committe yourself and others to the IPFCC on 31st January 2021 @ Venus Hotels Fegge Onitsha Anambra State, Nigeria!**

Welcome to the 5th day of this year's 21 day Fasting and prayers. Ravi Zacharias was the one who said, **"Herein lies the cardinal difference between the moralizing religions and Jesus' offer to us. Jesus does not offer to make bad people good people but to make dead people alive"**. See this story: As a doctor who worked in a part of Lagos State. One evening around 9pm he was on his way home when two men intercepted him. It happened around a Pharmacy by a bus stop. The light was bright and people were passing but nobody stopped. They showed him a pistol and asked him to bring his phone and all his belongings. There was no way he was giving out his phone because that was the night he was expecting the text message that could change his life. They cocked the gun and threatened to shoot but he stood his ground. They took his wallet. Luckily he had left his debit cards in the hospital at the suggestion of one of the nurses on night duty. The wallet contained about 6k. They hit his head and dealt with him severely then left. When he crossed the road a small group of sympathizers had formed just observing from afar. "Ehh Doctor, sorry o. they collected your phone? They even doubted him. Ehh Doctor touch your pocket you sure?" He had to go back and sleep in the Hospital. Being a Christian is not just by appearing in church meetings which is helpful though and buildings too but there is more to it. **Deliberately decide to be a true child of God this year, a lot of things are depending on it.** The story above will continue later but how often do you question yourself on how Jesus would react if He was in the position you find yourself. In verse 9 of today's scripture we saw where Apostle Paul was described as a prisoner of Christ. To be caged by God is to find yourself in His character at any point in life. Verse 11 of today's scripture says, *"Which in time past was to thee unprofitable but now profitable to thee and to me"*. **Christ sees the profit in every man and that is why He earlier died from everyone. God bless you!**

TEXT: (Ephesians 2 vs. 1 – 10)

Welcome to God's presence, in continuation of yesterday's story, (you can read yesterday's devotion for better understanding). Cult fights erupts in that area at least 3 times in a week. It was so bad that residents around came to beg his MD that when it's 1am they should switch off the hospital generator so that when gunshot sounds, they can hear and lie down on the ground. That night was one of them. He don't want to talk about how himself, the nurses and the patience lay on the floor. It was a very big night. The interesting part is that at about 4am a patience was rushed in, with a horrible forearm gunshot injury. He had bled till he was just hanging on a thin line. The doctor (him) rushed over to intervene. Behold it was one of the men who dealt with him the previous night and collected all his money. He looked at him, the robber looked back at him. He looked at the robber back. They looked at each other. Not minding, the doctor swung into action. Established haerostasis, stabilized. There was an indication for blood transfusion so he gave him one pint of blood. When he was discharged, he couldn't look at the doctor. The doctor said I have forgiven you, 2 days later he brought back his wallet with 6k inside. He was never attacked again since that day anytime he walked passed you will hear, "Clear road for Dockay". When people are bad to you punish them with kindness, that is exactly what Jesus would do. All you need to win more souls around you is to be the man Jesus was; always forgive and ignore. God defends his own. All those enemies of yours that you have not worked for their defeat even though they seem to fight you, Jehovah will engage in your fight. A.W Tozer said, **"When I understand that everything happening to me is to make me more Christ like. It resolves a great deal of anxiety"**. Digest this, **"Nothing teaches us about the preciousness of the creator as much as when we learn the emptiness of everything else"** (Charles H Spurgeon). Verse 10 of today's scripture, *"For we are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them"*. It is God's work in us that classifies us for greatness. **God bless you, Amen!**

TEXT: (Psalm 102 vs. 12 – 18)

Every great thing has its strength from God. "Every grace has its source from God. It is the Lord who builds. No matter how far men would want to build, only what the Lord build stays. **Who He leads reach the goal.** Wilma Rudolph was the 20th of 22 sibling, born prematurely at 4.5lbs. She suffered infantile paralysis, Polio, and scarlet fever. She wears a brace for twisted leg until age 12. She eventually became world's fastest woman. Winning 4 Olympics medals. Imagine the combination of all that. "Premature birth, scarlet fever, polio and paralysis are legendry permanent disfiguring agents on their own but they didn't survive because the Lord built her. Dr Pastor Paul Enenche would say, **"No one is a great man or a great woman, they are simply individuals helped by God"** and I so much agree with Him. Man can hardly push himself out of his bed by his own accord. Someone may ask, 'are the unbelievers included?' Of course, God is the God of all in as much as He is angry with a sinner daily. He isn't given up on them until the last day, but the wicked will never go unpunished. Verse 13 of today's scripture says, *"Thou shalt arise and have mercy upon Zion, for the time to favour Zion, the set time is come!"* For someone, this is the very year the Lord told you about, this is the season of His mercy and help. **The Lord shall build you again!** In this season of divine exposure you shall be built, Amen! See verse 16 of today's scripture and Digest it in your spine: ***"When the Lord shall build up Zion, He shall appear in His glory"***. You are God's Zion and today is the time He shall build you. For you, heights that are not reachable in the past shall be reached. Places that are not traceable in the past shall be traced. Levels your mind haven't thought of reaching, you shall reach in Jesus name. Amen!

3. Abba Father, show me mercy and carry me to your place of glory.

I don't know what you want to pursue but togetherness is a means that can achieve anything. Maintaining human relationship is a skill to exploit. It appears unfortunate that this skill is possessed by just few persons. Irrespective of who you are or what you have, learn how to stay with people and stick to them. Someone said, **“When two brothers are busy fighting, an evil man can easily attack and rob their poor mother. Mankind should always stay united, standing shoulder to shoulder so evil can never cheat and divide them”.** Irrespective of how great the vision is, you have not started expecting its manifestation if you have not improved your relativeness. There are people God gives to make people whom He wants them to be. If you are in the group of self-sufficient people, needing no man, it may be hard to carry out the goal of God in your life. Whenever God wants to do something He starts gathering people. Consider verse 1 of today's scripture where it says, *“And when the day of Pentecost was fully come, they were all with one accord in one place”.* **They were all in one accord** (Point to note). This is not the season to be a believer alone, keeping others aside. Carry your family along. Encourage your friends to join you in the Fasting and Prayers. Tell someone about it today as part of your assignment in this Fasting season. Coach them to fast and every mountain before them shall collapse. You can get extra COF by dialling: 07066085556 or go to www.b-ok.org and search for Channels of fulfilment Jan – Mar 2021 to get the free PDF copy. This is just the 8th day of the fast, we have more 13 days to go. Plan to walk with people this year. Aim at achieving your goal this season. Don't keep your wife at the dark, don't keep your friends at the dark too. Some persons started failing the moment they became ungrateful to the nice persons the Lord attached to them. It is not every music in your playlist that you play but you still don't delete them. The people you needed today at a junction, you can still need them tomorrow, and God bless you! Prepare for the 31st IPECC meeting, see page 32.

1. Oh God I thank you for your word to me.

3. Oh God, help me to be friendly in a goodly way.

Having Jesus in your life as your personal Lord and Saviour does it ring a bell in you as something you already have or as something you may not be having. **I welcome you to the day of the Lord.** Once a rich man who loves art work and purchased the most expensive of them all which worth millions of Dollars. The rich man had a son who was good to a very poor beggar who stays across the street. As the boy was growing progressively he was a good fellow that helps the needy as he could, so having being good to the beggar the beggar thought of how to show him gratitude he drew an art work that was not professional and gave it to the boy as a gift. The boy brought it and treasured it. One day the boy died, not long after he died his father died too and there was an invitation to everyone in the city on the day the art works were to be auctioned. A lot of people attend, likewise the beggar who looked his best to attend. The lawyer was having the man's will and was coordinating the auction process. He read out that the rich man desires that before any of the art work will be auctioned that his son's own must be bought first. So they brought out the art work, sketched by the beggar, it was not looking like what any of them wanted. The beggar then raised his hand mentioned some few coins and no one stood to challenge him. He proceeded and got the son's art work on his way back the lawyer read again, that according to the will, the rich man said that anyone that bought the son's art work has the rest of the art works without any other money. The beggar became a millionaire because he had the son's art work. When you don't have the son, you will lose everything. Many persons are busy pursuing one thing or the other in life. Verse 2 of today's scripture says, *“For the law of the spirit of life in Christ Jesus hath made me free from the law of sin and death.”* There is a law of spirit of life in Christ Jesus. When you have the son, then you can be full of life. To survive the arrows of the devil, all you need is to have the son. **God bless you! Keep Fasting!**

WEDNESDAY: JANUARY 20th 2021
Walk in Righteousness.

TEXT: (Isaiah 54 vs. 8 – 14)

To walk in the righteousness of Christ is the secret of occupying the place of glory. God is ever ready to defend his own and prove Himself faithful, but most times He is counting on our ways and acts of righteousness. In verse 13 of today's scripture it says, *"And all thy children shall be taught of the Lord; and great shall be the peace of thy children"*. Your children been taught of the Lord is to make them distinct and exceptional above what is obtainable. Verse 14 of today's scripture says, *"In righteousness shall thou be established: thou shall be far from oppression; for thou shalt not fear: and from terror: for it shall not come near thee"*. God's establishment is to walk in righteousness, for someone to reach the very height God is aiming for Him or her the individual should wear the garment of righteousness. This year is a year you should be willing to carry the mark of God's righteousness in all that represents you! Be a brother/sister known to love God and walk in His part. The secret of tremendous outcome this year is anchored on the character of walking like Christ would want you to. Of course it is already confirmed that the secret of elevation is walking in righteousness like it was written in Proverb 16 vs. 12 saying, ***"It is an abomination for kings to commit wickedness: for the throne is established by righteousness"***. If you actually aim the throne then you need to walk in righteousness. Thrones are not occupied with adultery, immorality, wickedness, lying and cheating because the raw material for its establishment is righteousness. God went down to make His opinion known in Proverb 14 vs. 34 saying, ***"Righteousness exalts a nation but sin is a reproach to any people"***. As you fast and pray this season may the Lord build you on the part of righteousness, in Jesus name, Amen! What can make you is within the pages of God's responsibilities; He has all it takes to build you. You shall be made, kept, lifted and exalted as you deliberately walk in the righteousness pattern of God, Amen!

Prayer Points: Worship God using song 3:Page 124.

1. Oh God, I thank you for your word to me.
2. Jesus, give me the grace to stand tall on your promises.
3. Oh God help me to walk as you walked and as you would walk.

THURSDAY: JANUARY 21st 2021

TEXT: (1Peter 2 vs. 7 – 15)

The will to be outstanding is outstanding on it's own. In 1948 a man wore 30-pond, three-doped loop shoe and stamped around a Florida beach during the night. The foot print lead people to believe that a 15-foot tall penguin was roaming their lands. He kept up the prank for 10 years, visiting various beaches. The hoax wasn't revealed until 40 years later. Someone said, ***"At age 20, we worry about what others think of us. At age 40 we don't care what they think of us. At age 60, we discover they haven't been thinking of us at all"***. Some persons have esteemed the devil so high that most times they accredit the happenings around them to him. Some other persons assumed their success was delayed or limited because of a particular enemy or another one but over here in verse 9 of today's scripture the word of God says, ***"But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should show forth the praise of him who hath called you out of darkness into his marvellous light"***. Note: you are called out of darkness. Just like the story above where a man deceived an entire city for 40 years. This is exactly the pattern of the devil over some lives. Let it out of your mind that opportunities doesn't last with you. Let it out of your mind that you are not always lucky. It could look real that the things that tends to justify these negativities around you might be happening but don't accept the satanic pranks. Don't be fooled by the devil again, this season of prayers use it to put the enemy to shame, Verse 15 of today's scripture says, ***"For so is the will of God that with well doing ye may put to silence the ignorance of foolish men"***. It is your duty to put to shame the imagination of the devil. I speak to someone again, ***"This year shall never look like other years for you; you will dwell in excellence!"*** All the difficult parts of the past shall turn out well for you this season in Jesus name, Amen! **NO WEAPON FASHIONED AGAINST YOU SHALL PROSPER. AMEN!**

Prayer Points: Worship God using song 5: Page 124

1. Oh God I thank you for your word to me.
2. Jehovah, by your hand I receive the grace to shame and suppress the enemy of my destiny.
3. Oh God, do for me what I can't do for myself.
4. Father, today I clean my mind from every satanic pranks and deceit.

I welcome you to the throne of the one who is the all-knowing Jehovah. When you have mastered a continuous winning act then you will be tagged a legend. Copa America known as Conmebol America cup. Copa America is the oldest international football competition in the world and almost everyone tuned in for the 2019 year's rendition. Each year 12 teams compete to be the champion of South America. The men's football tournament was hosted by Brazil in 2019. Brazil also won and defeated Peru and Argentina for the first place title after. Brazil has won the cup for 8 times. **Steady wins are not luck oriented. "There will be obstacles. There will be doubters. There will be mistakes. But with hard work there are no limits"** (Michael Phelps). You should host your win this year. My activities this year are not based on the world's economy or the economy of Nigeria but on the power of God. The confidence you build on God is what attracts His sponsorship. **"Those who know how to thank God are those whom the devil doesn't succeed around"** (Isaac Chidolue). When you maintain the sound of thanksgiving you will always have laughter in your face. My major attraction on the Copa America cup was that Brazil has won the cup 8 times. They hosted the last one and also won. **There is a point in life where it is known that the Lord sponsors limitless victory; and soon your life will start witnessing it this year.** The victorious hand of God is powerful, multiple and mighty. Do things this year knowing that you are on the winning side, engage in battles and know that victory is yours. Like we saw in the life of Daniel in today's scripture where it was mentioned that despite the decree of the king, he kept his will with God, why? **He knew that the person he was standing with is the one who makes the standard of life, to the observation of all.** Verse 22 of today's scripture says, *"My God hath sent His angel, and hath shut the lion's mouths, that they have not hurt me: for as much as before him innocence was found in me; and also before thee O King, have I done no hurt."* **God bless you, keep Fasting!**

Money is good, very good but there are limits to how it can be chased. I bless God for you and me trusting Him to help us in all ramifications of life. At every time and seasons everybody actually needs money. Taking myself as example, I need it in a high measure to be able to achieve what I needed to achieve in Christ Jesus before He comes. Despite how much we all may need money God is asking us today, what can you do for money? Come to think of it many wickedness carried out in this world was as a result of money. People steal, kidnap, terrorise, cease what belongs to others, assassinate, prostitute, indulges in fraud, internet theft, money laundry, selling of hard drugs, fake pastoring and prophecy, and many countless number of things. Money being needed to settle lots of need around here has made many persons lose their worth before God. This could be why God said in His word in Proverb 1 vs. 32 saying, *"For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them"*. Some of the untimely deaths some persons witness are destructions from evil money. A Christian who is heavenly minded cannot do everything for money. Selling hard drugs and hut drinks to pay tithes or sponsors the gospel changes nothing about how God sees the money. I saw the other time a young man kidnapped a small girl child who could be 5 years or less because he was to be paid 950k. Never you pack curses for yourself because of monetary gain. If you want to make money genuinely God sponsors you. He is the one who gives the power to make wealth (Deuteronomy 8 vs. 18). Reducing the quality of things for example fuel pump, to generate more gain is the love of money and an act of wickedness. What can you do for money? See verse 10 of today's scripture, *"For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows"*. Whatever that has the potential to make you to err in faith, stay away from it. Whatever that has the tendency to compromise your faith stay away from them. **God bless you.**

Prayer Points: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Jesus help me with the grace to stand out for you.
3. My God make me discipline in the area of money.

To someone who has tremendously been waiting on God this season and trusting His mercy and help, great things shall soon happen for you, Amen!! Spending time with God is the key to our strength and success in every area of our lives. **“Be sure you never try to wok God into your schedule, but always work your schedule around him”** (Joyce Meyer). A man who was once diagnosed with cancer was told he had 6 months to live. He went back to the doctors 10 years later to tell them that he was still alive, only to find out that the doctors who diagnosed him were all dead. He died 102 years old. I don't know what others might have told you or what they are predicting about you but one thing is certain that Jesus always has the final say, in everything and anything. They predicted his death but sadly enough is not in a man to know when another shall die. **God didn't rest it upon the shoulders of men to determine another's future.** You might have met people or probably know people but it is not in their hands either to push or determine your destiny. **You can hardly make sweetness out of men's choice for you if God is not behind the sponsorship.** Jesus is the master that controls everything and rules everything. **The person you are talking to at this period of fasting and prayers is the person that knows how to handle things.** He is also the same person that says the final thing. Nothing happens except He assigned it. Verse 7 of today's scripture says, *“And to the angel of the church in Philadelphia write; these things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth and no man openeth;”* **Who can initiate in your life what God has cancelled, who can bring to you what God has rejected for you?** This year be careful to tell God all you would want Him to do around your life and destiny. There is nothing too hard for God to do just stand with Him and see Him prove Himself faithful in all things, Amen! **Plan your way to God’s throne on 31st of January, it is surely your day of visitation. See page 32.**

Prayer Points: Worship God using song 4: Page 123

1. Oh God I thank you for your word to me.
2. Jesus, show me your sayings about me and help me to see them!
3. Make my life according to your mercy and love not by man’s expectations.
4. Father, help me trust in your sayings concerning my life

I welcome you to the God's place of choice and His place of grace and glory. Life is word driven and word directing. Someone said, **“Raise your words, not your voice, it is rain that grows flowers not thunder”**. Someone else says, “Handle them very carefully, for words have more power than atomic bombs”. Life is directed by words. Words being easy is a road pointer to human existence. **You cannot have it better than you have spoken it. You cannot see it better than you have expressed.** When an individual loses guide on his tongue then His life is exposed to all manner of crisis and circumstances. God's word says in Job 22 vs. 29 saying, *“When men are cast down, then thou shalt say, there is lifting up: he shall save the humble person”*. The scripture says, **'You shall say...'** Why will you say, because your life's experience is connected to your expressions, this explains the reason why prayers are made by **expressions**. You don't lose what you have spoken about and we have references of testimonies in the scripture which could be traced around Joseph, David, Peter, Paul and many others. These are men who directed their lives through words, you are meant to produce result when your words are **'Channelled towards positivity'**. Considering today's scripture in verse 4 it says, *“Behold also the ships which though they be so great, and are driven of fierce winds, yet turned about with a very small helm, withersoever the governor listeth”*. The helm is the director of the big ship as little as it appears. The mouth is the director of the big life no matter how little it appears. I have seen where doctors said that so, so and so will die to terminal disease but the individual still lives on and death is far away from them. **You can have the life you desire if you keep your words alive.** James 3 vs.3 says, *“Who is a wise man and endued with knowledge among you? Let him shew out of a good conversation his works with meekness of wisdom”*. **Having wise word in your mouth is a sign of determination to rule.**

Prayer Points: Worship God using your own songs.

1. Oh God I thank you for your word to me.
2. Jesus, I receive the grace and ability to stand out in my doings.
3. Father, give me the grace to say what is right in every situation.
4. Father I receive the grace to declare as God would, in every situations of my life.

TEXT: (Matthew 5 vs. 48)

If you have not gotten to the perfection of it, why then will you stop doing your best? To arrive to perfection is not impossible as many would assume, it is still achievable. Perfection is what God does in us if we give Him the chance to do so. Leo Tolstoy says, “If you look for perfection, you will never be content” but I disagree with him. **The question is what content will you get from imperfection.** I always believe that there is a better version of everything compared to whatever it is now. The reason for perfection is the need for improvement. When you stop looking for perfection, you start downgrading your standard and quality. This could be the reason why someone said, **“Perfection is achieved, not when there is nothing more to add, but when there is nothing left to take away”.** In this season of the year, the Lord shall cause you to record perfection on every side of life and destiny in Jesus name, Amen! What is God's opinion about this perfection? First God is responsible for all round success and progress therefore he wants perfection for you. Literally perfection speaks of success in everything, your thoughts, ideas, business, marriage and many more are products of your effort towards perfection. This is why in Jesus' words on today's scripture we found in verse 48, **“Be ye therefore perfect, even as your father which is in heaven is perfect”** (KJV): Jesus was literally saying, grow up, you are kingdom subjects. Now live like it. Live out your God created identity. Live generously and graciously towards others, the way God lives towards you. Being perfect is the nature of God. Perfect people possesses heaven. A child of God's heart is in constant check. If you are around me most times you will hear me say, shut up satan, not like I am confronting a demon but the wrong thought which contradicts the word of God that he could suggest in my mind. You can pursue anything at any time but in your pursuit seek for perfection.

Prayer Points: Worship God using song 2: Page 121

1. Oh God I thank you for our word to me.
2. Jesus, assist me to be perfect and glorious.
3. Oh God help me to constantly work towards being us.
4. My God, let me see your light that ~~points~~ the path of perfection for me.

TEXT: (2 Timothy vs. 20 – 22)

John Wooden says, **“Don't mistake activity with achievement”.** Vessels are purged and people are built. **No one is lucky, to embrace luck happens when an opportunity meets preparation.** Someone asked a wise man and said, “tell me sir, in which field could I make a great career?” He said with a smile, **“Be a good human being. There is a lot of opportunity in this area and very little competition”.** Good human beings are not accidental they are the things we make out of ourselves. If you want to be a vessel of honour then you have to raise your standard. We are in a generation where attributes are given to money but people rise to honourable position without money only to attract money by the value they have made out of themselves already. There are systems of growth you can't ignore if you want to make value out of yourself. Now taking a sample from our God who is glorious and awesome, He is full of value and honour and at this season of prayers He urges you to be like Him. His word described Him in Romans 11 vs. 33: **“The depth of the riches both of the wisdom and knowledge of God! How unsearchable are his judgements, and His ways past finding out”.** Now see what verse 21 of today's scripture says to you, **“If a man therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use and prepared unto every good work”.** God purges people also, nothing is achieved with God is done carelessly, you should learn how to purge yourself. Nothing is benefiting in Christ above the act of self-purge. Self-discipline constitutes the acts of self-purge. **Being available for progress initiates the act of self-discipline and laying of task on yourself.** How serious are you of being a servant of God when you are still determined to have for yourself fraudulent ways of things. Some persons are tormented by the spirit of fornication and they seem not to be worried about it in any way. Some pastors feels the need for closeness to God and yet are not touched by it in any way. Some persons are lazy and yet are comfortable with it... How could one think that with laziness that great heights are achievable? Are you willing to sustain half sleep as you aim to achieve your goals? There are some impurities you really need to purge out to attain to the height of honour; weigh yourself and get yourself blessed and honoured. **Be @ Venus Fegge Hotels Onitsha On 31st January 2021.... You shall be exposed to God's glory!**

Nothing is able to keep you out.
TEXT: (Proverb 8 vs. 14 – 22)

“In life everything is possible if we start believing the possibility of what we can achieve by ourselves” (Isaac Chidolue). The greatest challenge many people have faced is the challenge of being asked to get it done. There is an inspirational story I saw about an 11 years old girl in Philippines who couldn't afford to buy athletic shoes to compete in local inter-school sports event, so she wrapped her feet with bandages and plaster, wrote Nike on one side and drew the Nike logo on top of it. She not only competed in the athletics event, but also won 3 gold medals in the 400m, 800m and 1500m competitions. It is not the shoe that makes athletes it is the inner being that makes them and **it is not equipment that makes professional, it is training that makes professional.** Whatever that is needed to be done which is not done could be as a result of not being ready yet to do it. Loving God grows with the understanding that everything is possible. See verse 18 of today's scripture where it says, “**Riches and honour are with me: yea, durable riches and righteousness**”. It is the Lord that honours not equipment. The word of the Lord says, durable riches. There are riches that are durable indeed. The very one that is from within and then manifests outside. The grace of God is the reason for awesome performances in life. See verse 21 of today's scripture where it says, “*That I may cause those that love me to inherit substances; and I will fill their treasures*”. He will fill their treasures because they love Him. To love God is the reason of exalted life and grace. You have the capacity to get it done this year. You have been Fasting and Praying, now is time to achieve it. Nathan W. Morris was the one who said, “**While others were dreaming about it. I was getting it done**”. Don't dream, don't procrastinate, don't assume, just start it. **Busy hands achieve more than idle tongues.** Someone would say, “Your future is being created through the actions of today”. This is 2021, set new standards, get involved with new things and get everything done at once. Prayerfully prepare your 2021 expectation lists and come with them on 31st, we shall present it to the Lord for approval, God bless you ultimately fine. Pray the prayers of today's fast.

1. Oh God I thank you for your word to me today.
2. Jesus, give me the grace to be yours now and always.

FRIDAY: JANUARY 29th 2021
Jesus is the reason not men.
TEXT: (Hebrew 1 vs. 1 – 7)

I have seen many situations where individuals are angry either with their Pastors or people who had shepherd them. **People are not the reason for the church but Christ is.** I am sorry if you are hurt by the church at some point and that weakened your faith. But remember that was humanity not Jesus Christ. In one of the recent headlines I came across I saw where a young man was stated to have charged and sued his church on the charge to refund Him all his offerings and tithes which he had given in the past. It could be in some cases as a result of the contradiction in character and things done by the church as judging from the man Jesus was. Most churches are being headed by human, and humans generally cannot be classified as **reliable agents of transformation.** Anybody who should come to Christ should come seeking Him not men. If you miss Christ, you will miss heaven, you really got no one to blame. When satan wants to attack the church he will cause you to take offence in some of the church activities and in most cases these matters really look insignificant. So then if you must be as Christ would want then you need to follow Him genuinely. Don't follow Pastor's or minister who don't have the Character of Christ in them, be led to God, by the desire to seek him more, not the desire to be prophesied to or the desire to be touched one way or the other but come with the desire to seek Christ. Let the person of Christ be the one that draws you to Him. **When you look up to men instead of Christ you may end up being disappointed** (Hebrew 12 vs. 2). Verse 3 of today's scripture says, “*Who being the brightness of His glory and the express image of His person, and upholding all things by the word of his power, when he had by himself purged our sins, sat down at the right hand of the majesty on high*”. Jesus is the express image of God, your fellowship to God this year is planted on who He is not on any man. Keep fellowshiping with God, invest on who He is not on men! So the more of Christ you look like, the less of men you embrace. God bless you. Prayerfully prepare for the 31st evening with Jesus! IPFCC: International Prayer and Fasting Closing Conference @ Venus Hotel Fegge Onitsha Anambra State Nigeria. **Jesus will be there live and direct. 1 day to GO!!!!**

Prayer Points: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Jesus, help me be yours now and always.
3. My God, help me to focus on you, not on people or things.

Life is simply a product of the honour we pass therein. It is indeed the system of men to honour who they would honour. **When you fail to appreciate your fellow man it becomes a limitation to your growth.** Is quite unfortunate that many individuals find it difficult to appreciate those who are good to them. Many persons feel entitled to the privileges they receive from others; but life is not like that, the moment you start honouring people who are good to you the more you start gaining their attention. **It is already justified that God lifts people with people, but then it is someone's duty to make those people feel welcomed.** Someone says, **“Be honest. Be kind. Be honourable. Work hard and always be awesome”.** The greatest way to access humanity is to show love and concern to the people that surrounds you. During the previous America election last November BBC news gave a headline about one of the President Trump's dedicated supporter who replaced his neighbour's stolen Biden sign. Tim was one of the Biden's voter in his Wisconsin neighbourhood, when His Biden – Harris sign was stolen, he got some unexpected help from a Trump supporting neighbour. You are not meant to be a nice brother to church members alone but also to all that you know. People respond back to you based on how you treat them. **“Be honourable yourself if you wish to associate with honourable people”.** Winston Churchill was the one who said, **“All the great things are simple and many can be expressed in a single word: freedom, justice, honour, duty, mercy and hope”.** Verse 43 of today's scripture says, *“Ye have heard that it hath been said, thou shalt love thy neighbour, and hate thine enemy”.* Loving your neighbour is the simplest way of communicating Christ to them. Never worry not about your evil neighbour the Lord shall maltreat them this season in Jesus name, Amen! Let nothing within the universe keep you out of God's presence tomorrow at the IPFCC, where mantles to rule 2021 shall be released by the awesome presence of God.

Prayer Points: Worship God using song 4: Page 123

1. Oh God I thank you for your word to me.
2. Jesus, show me your grace as I go ahead to show concern to those around me.
3. Father, take away any form of pride and character damages around my life and destiny, Amen!

Thank God for this is the last day of the Fasting and prayers. In the stream of high spirituality and absence of noise, look for God's direction because it is present. Let's see verse 26 of today's scripture where it says, *“And they gave forth their lots and the lot fell upon Matthias; and he was numbered with the eleven Apostles”* (KJV). Also let's also see it with MSG: *“They then drew strands. Matthias won and was counted with the eleven Apostles”.* There are situations where many persons have prayed and neglected actions. If you don't mind action, your speed will cut and your movement will stop. After we have prayed God expects us to Act. After we have told Him what to do he wants us to believe that it is done. There was a time I spent more time in some of my daily plan, meanwhile I was meant to visit the bank and a network office same day. Then I looked at the time for activities it was already far spent. I had the alternative of calling those who could attend to me in those offices but I didn't because if I did they would discourage me from coming since the time had really gone down. I prayed a simple prayer asking God to grant me free access and favour to those places. I first got to the bank and the security was busy that he never noticed my entrance while keeping some standing, I never entered there with the influence of a man of God, or someone popular. The young man who was to attend to me was rightly seated on his seat which is actually unusual to me. Then I went to the next office which was looking more serious than the previous. People were standing outside and some in canopy. The door was rightly in front of me and I couldn't see the security standing by it. I walked in and the security was approaching the door as I was coming in. He saw me immediately and didn't say anything else, wanted to frown initially, he then gave me a hand shake and said welcome sir. I don't have the document required to be attended to, they said sir please get those documents and come back later and those documents are in far south. As I was thinking of what to do, a thought came on me and I suggested to them and they said is not easy, then a lady said sir, excuse me, there must be a way out. Everything was resolved amicably. There were people who came there by 8am still not attended to. The Apostles didn't wait to hear the thunderous voice of God but they walked in faith after prayers and casted lot. Grab your testimony with faith, don't wait. May God order your foot to his presence this evening, 4:00pm at the dot. At Venus Hotel **Fegge Thank God for the Fasting which He has carried us through.**

TEXT: (Numbers 11 vs. 24 – 27)

God's reachability is diverse and His arm is universal, His grace is ultimate and His mercy is reachable. Welcome to the 2nd month of the year 2021. There are people who felt that God's visitation is far from them simply because they have not appeared where they should or to meetings where their mind is. On today's scripture we saw a sample of God's mind in verse 26 where it says, *"But there remained two of the men in the camp, the name of the one was Eldad and the name of the other Medad: and the spirit rested upon them; and they were of them that were written, but went not out unto the tabernacle: and they prophesied in the Camp"* (KJV). Seeing it with the MSG for a better clarification, it says, *"Meanwhile two men, Eldad and Medad had stayed in the camp. They were listed as leaders but they didn't leave the camp to go to the tent. Still the Spirit also rested on them and they prophesied in the Camp"*. They couldn't come to the tent where impartation was done but actually the Holy Ghost on that meeting didn't work on those who were present alone but He worked according to the list Moses made containing the names of leaders/judges. The Holy Ghost fetched them at the camp where they were. This is to tell you that God reads most of the list you have written to Him. He sees beyond the present appearing and locations. Make a list for God because He reads it. Are there people you need to remember in prayers, make a list for them and God's hand shall reach out to them. Are there things you needed to achieve but don't know how, make a list for it. The extending power of God is beyond physical contacts. His mercy and help is beyond approaches. This year the Lord is not just in this month, he can travel within the months up to December to fix for you what you need to see. The Amazing grace of God and His power is heavy and mighty to turn everything around. God can reach to your relatives abroad from here. Make a list on whatsoever you would prefer that Jehovah does for you. Amen!

Prayer Points: Worship God using song 4: Page 123

1. Oh God, I thank you for your word to me.
2. Jesus, show me beyond my location and present stage of destiny.
3. Father, help me to stand a place where you can locate me at all times.

Adjustment of life.

Channels OF Fulfilment

TEXT: (Psalm 25 vs. 1 – 6)

When things are not correct and you stick to them it serves as the beginning of retardation and limitation. I don't know if you know about how Coca-Cola was invented. A confederate soldier was wounded in battle and had a surgery performed. To ease the pain he used morphine but became addicted to it so he tried to make a cure for his addiction but instead made a Coke. When you are blind to adjustment upliftment becomes a challenge to you! God is ever willing to support and sponsor those who are determined to adjust themselves at the course of exploit. **To be comfortable with abnormality is a sign of mind damage.** God is ever ready to help and build individuals who finds what is wrong to be wrong. In verse 2 of today's scripture the bible says, *"O my God, I trust in thee: let me not be ashamed, let not my enemies triumph over me"*. To escape shame is to gain victory over the enemy. **When shame is sustained the enemy triumphs.** The man whose story we saw above was a man who never wanted to stay comfortable with his addiction knowing it was not the right thing to retain. Then in his fixing was a global transformation, is not a news to say that what Coca Cola has done globally cannot be over emphasised. Any act of shame sustained brings victory to the enemy. An adulterous husband or wife who does not turn his/her back away from evil to face God meets shame at the end of the journey. When laziness is sustained it leads to lowliness of life. Life is all about adjustments. Human is constantly in a journey colliding with stagnating objects but if you are not willing to walk in divine wisdom then limitation gets you down. There are days I would realise that I am not actually myself. In those days I will still be bent on being productive maybe not up to what my target for the day could be and such causes me to be troubled as though I lost something, then I anticipate for the coming day to utilize it to the fullest. **If you really have God in you then your nature is not programmed to retain abnormalities.** This goes a long way, if there are battles your Christian life is facing, maybe an addiction or something don't surrender to it but give yourself wholly to adjustments. Whatever that is not godly around you will be handled when you adjust yourself. Digest verse 6 of today's scripture, *"Remember, O Lord, thy tender mercies and thy loving kindness; for they have been ever of old"*. Say with me: *"Oh, Lord have your full details listed in me!"*

Prayer Points: Worship God using song 5: Page 124

1. Jehovah, take away that which makes me imperfect in you, and less productive.

TEXT: (Psalm 25 vs. 7 – 15)

“When truth presents itself the wise person sees the light, takes it in, and makes adjustments. The fool tries to adjust the truth so he does not have to adjust to it” (Henry Cloud). I hope this physiological truth from Zig Ziglar will boost your mind, he says, “**Success comes from repeated effort day in and day out. You learn from your mistakes, make adjustment and continue to press forward until you achieve the result you desire**”. To live in adjustment is the reason why growth is embraced. To dwell in the opportunity that calls is the reason for growth and empowerment. You are not empowered until you keep yourself down for adjustments. Having being born again there are parts of you, you need to retreat so you can be as the Lord wants. The ways of God are detailed on adjustments; this is why the scripture says, “**Work out your salvation with fear and trembling**” (Philippians 2 vs. 12). So there is actually a work to be done. When you don't work on yourself you get stagnated. The basic reason why vision dies is because those involved were not able to adjust to the very time within and around them. Verse 12 of today's scripture says, “*What man is he that feareth the Lord? Him shall he teach in the way that He shall choose*”. When you fear God, you adjust to be like Him and also to do what He wants. You dress like He would want, behave like He desires and represent Him in all things. Of course the way of God is not without record. The scripture says, “When this is done the Lord shall teach such man His ways and that is the way of progress and testimonies. Being thought by God on how to excel is a means of reaching the glorious height. The act of God is basically with them that fears Him. His testimony is in their mouth. No one knows where he/she is going but walking with God is the vaccine that makes it impossible for you to end up at the wrong place. Digest this quote, “**Man thinks because he doesn't know the future but God plans the future because He is the future**” (Isaac Chidolue).

Prayer Points: Worship God using song 3:Page 124.

1. Oh God I thank you for your word to me.
2. Mighty God, help me to be like you at all times.
3. Jehovah, give me the grace to stand strong at the place of adjustment.
4. Father, may I not be unserious to note and carry out the adjustment you would want me to make.

TEXT: (1 John 2 vs. 5 – 7)

“Be so confident about God's plan that you don't even get upset anymore when things don't go your way” (Uknown). When you are dear to someone the way they present you tells you something unique about you. In 1986 a French woman studied for months so she could learn how to fly a helicopter. Then she rented one, flew it over the prison and grabbed her husband, who had robbed a bank, from prison's roof. One of the things that boosts confidence in life is the realisation of who carried you. **Knowing that you are carried by God is a secret you need to master in Glory.** In today's scripture verse 5 says, “*But whoso keepeth His word, in him verily is the love of God perfected: hereby know we that we are in him*”. “**Know we that we are in Him**”. This is a deep mystery to digest, know that He is in you and you are in Him. If you are in your house at the moment that means you are housed by the structure not you carrying the house but the house is carrying you. When you are driving, the car is carrying you. When you are in Christ, He is also carrying you. It was a criminal act considering what the wife did above to rescue her husband who was a criminal. Though they might have faced the law but the point there is the risk, courage and commitment behind the act. She treasures her husband and was not afraid of anything that comes with it. Then imagine what you mean to God; knowing that He carries you is the very reason why you should prosper this year! Knowing that the Lord carries you is the assurance you have not to be stocked by any form of satanic prison. Knowing that Jehovah didn't leave you on your own is the reason behind your growth and your glory. **Knowing that you are carried by Him is basic reason why you should excel in all ramification.**

Prayer Points: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Father, arise and show me that I am not on my own.
3. Jehovah rescue me from every satanic prison and lock in Jesus name, Amen!

Let God answer by Fire.

Channels OF Fulfilment

TEXT: (Isaiah 26 vs. 8 – 13)

You serve the God who answers by Fire. His response is fire. He was the pillar of cloud and the pillar of fire the people of Israel witnessed in the wilderness. He is a consuming fire and His name is Jehovah. I don't know the operation of the enemy around your life and destiny. The fire of God shall respond to them in the mighty name of Jesus, Amen! The fire of God is the answer that responds to the wicked. Some years ago during one of our prayer meeting one of us approached me speaking about a missing goods. According to him someone came to his shop bought some goods and also took with him what he didn't buy. Since then all attempts to reach the young man was proving abortive. I then released a word by the help of the Holy Spirit saying I command the man to get back to you within the next 2 hours in Jesus name, and within 2 hours the man called him and was reporting about the goods, apologising for having not called back since and brought back the goods the next day. **There is a fire that retrieves what is your from the hands of your enemies.** God's judgement may tarry but it surely comes. Maybe you have really waited but the truth is that you are not the only one who waited. The Israelites did, David did, Moses, Elisha, and many other persons actually did. Verse 8 of today's scripture says, ***"Yea, in the way of thy judgement, O Lord, have we waited for thee"***. In the way of His judgement have they waited! They were waiting for His judgement just like you have been waiting and the one they were waiting on is an irreplaceable king. This is not one of the days to pray for the repentance of the wicked. God will keep them at the pit of shame this season, why the scripture told us in verse 10 of today's scripture saying, ***"Let favour be shewed to the wicked, yet will he not learn righteousness: in the land of uprightness will he deal unjustly"***. Certainly the Lord has determined their reward today and their outcome is recorded in verse 11B of today's scripture saying, ***"...but they shall see, and be ashamed for their envy at the people; yea, the fire of thine (God's) enemies shall devour them"***.

Prayer Points: Worship God using song 3:Page 124.

1. Oh God I thank you for your word to me.
2. Jesus, I retrieve everything that is mine the devil has ceased, in Jesus name, Amen.
3. Father, help me to witness your reward upon the wicked this season.

TEXT: (Psalm 150 vs. 1 – 6)

Welcome to this awesome place where Jehovah is found. Digest these quotes: ***"Whatever God has left with you is what He will use to lift you"*** (Isaac Chidolue). ***"You cannot wait on God and still wait for things"*** (Isaac Chidolue). ***"The urge you have for God determines the surge you will cause in Life"*** (Isaac Chidolue). Many people are masters in recording what they are not, what they don't have, where they have not reached, whom they are not, and so many of similar cases. Many people don't considered what they have already, where they are and whom the Lord has made them. Many persons just majors in complains. **God doesn't have anyone disadvantaged, He helps the weak and builds the small to be big.** The basic step to an amazing life is doing what we have done earlier which is fasting and prayers. If we have actually prayed enough, then this is the time for action. I have realised that the answers of prayers are buried within actions. **Faith without work is dead.** Realising that life is beautiful is the beginning of having the best of it. When you spend most of your time and days in regrets and complains, then you find it difficult to triumph. Verse 6 of today's scripture says, ***"Let everything that hath breath praise the Lord, praise you the Lord"***. However bad the situation may look if there is still breath attached to you, then there is a need to praise Him. If you don't pay for the oxygen you take in then there is a huge reason to praise Him because you still have life in you to see more than you have asked Him. If the marriage you prayed for hasn't come, then you need to thank Him because you are still marriageable. If you are broke, then you need to thank Him because you still have the possibilities of getting rich. The Almighty is the one whom we are dealing with. **Even if you look disabled then you still need to trust Him because he can still make you able.** Let everything that has breath praise our God! **God bless you amazingly, Amen!**

Prayer Points: Worship God in your own way.

1. Oh God, I thank you for your word to me.
2. Jesus, give me the grace to understand how good you have made life to be for me.
3. Oh God, help me to see the reason to say thank you Lord at all times.

I welcome someone before the very sanctuary of God. One may say that the idea of stabilizing your family is to have the money they may need. Perhaps we don't need to underestimate the role money plays in family's management but at the same time many occasions we have seen a family lose it all because no one cared on how to keep the family moving. As a parent there are things God has invested in you to help you keep and build your family and these things are not traceable at other places more than it could be traceable to you. **You are not a good parent if you don't spend time with and around your kids.** There are things needed to invest in a child through parental hood and nothing else does more than these investments. In your field of business it is very necessary that you allocate a time to your family. **Train your kids through friendship, solid communication, acceptance and prayers.** Your kids don't just watch you do what you do, but they will want to understand why you do what you do. **If you don't create an understanding of value and character to them the society will end up explaining to them the uselessness of the values you have created.** Mother Teresa asked a question saying, **"What can you do to promote world peace? Go home and love your family"**. Your appearance and performance in family is the key to sustenance and addition to whatever you seem to be building now. You cannot get the best and make the best if you don't put yourself in line for the best; and being in line for the best is found on the time and participation you invest in your family. Seeing verse 19 of today's scripture it says, *"For I know him, that he will command his children and his household after him, and they shall keep the way of the Lord, to do justice and judgement; that the Lord may bring upon Abraham that which He hath spoken of Him"*. Any investment made higher than that of family is likely to crash if the children don't understand your values and disvalues, that means that whatever value you build shall still Collapse. I have sat down to listen to Pastor David Oyedepo Jrn (First Son Bishop David Oyedepo). I discovered he wasn't forced to be a Pastor by His father but He understood the values behind the calling.

TEXT: (John 15 vs. 17 – 20)

One of the basic need of human society is the need to lay hold on genuine Christianity. “Life is wasted if we do not grasp the glory of the cross; cherish it for the treasure that it is and cleave to it as the highest price of every pleasure and the deepest comfort in every pain. What was once foolishness to us – a crucified God – must become our wisdom and our power” (John Piper). There are things that doesn't seem to make sense that a Christian would do to attract God's sense. There are heights of glory one could not have excepted if He/she hasn't given-in to God. You should consider the gain of nice treatment Joseph would have had if he gave-in to the Potiphar's wife seduction. Perhaps he could be a slave with honour, who get a high ration of everything from Potiphar's Palace and probably granted privileges to travel to some places, yet it cannot equal reaching the height of a governor. But being a good Christian threw Joseph into the Prison. For being who you are, believing what you believe sometimes you may likely suffer hurt. Don't be a Christian that subdued His honour to get the regard of the world. **For the truth you said you might get hurt sometimes.** “God never said that the journey would be easy. But He did say that the arrival would be worthwhile” (Max Lucado). Don't live a Christian life that pleases more of the world instead of Christ Jesus. In verse 20 of today's scripture Jesus says, “Remember the word that I said unto you, the servant is not greater than his Lord. If they have persecuted me, they will also persecute you: if they have kept my saying, they will keep yours also”. They persecuted your Lord, what do you think about yourself. Don't ever stop doing what the bible approves, even though it doesn't look like it is trending. God's word may not trend but He still reigns when every other thing has failed. Kameron Devasher, “**Jesus was not loaned, He was given**”. Take Him and eat Him and behave Him in your life. Paul the Apostle would say, “Let all bitterness and wrath, and anger, and clamour, and evil speaking, be put away from you with all Malice”.

TEXT: (2 Corinthians 3 vs. 14 – 18)

In a trial, a small – town prosecuting attorney called his first witness, an elderly grandmother to the stand. He approached her and asked: “Mrs James, do you know me? She responded, “Why yes, I do know you, Mr Williams. I have known you since you were a young boy, and frankly you are a big disappointment to me. You lie, cheat on your wife, manipulate people and talk about them behind their backs. You think you are a big shot when you have not the brains to realize you never will amount to anything more than a two –bit paper pusher. Yes, I know you. The lawyer was stunned! Not knowing what else to do, he pointed across the room and asked, “Mrs James, do you know the defence attorney (the opponent's lawyer)?” She replied again, “Why yes, I do. I have known Mr Bradley since he was a youngster. He is lazy, bigoted, and has a drinking problem. He can't build a normal relationship with anyone and his law practice is one of the worst in the state. Not to mention he cheated on his wife with three different women. Yes I know him. The judge asked both lawyers to approach the bench and in a quiet voice said: “If either of you rascals asks her if she knows me, I will send you to jail for contempt of court!” **Is there something that exist about you which is a top secret and an act of ungodliness which you are scared to make another person know.** Many of us may had similar records but as the record continued at a point it was stated that Jesus took over us. A man who is in Christ shouldn't be ashamed of the past he had. We were lost, but he found us. So His finding on us was unique and will be appreciated. Verse 14 of today's scripture says, “But their minds were blinded: for until this day remaineth the same vial untaken away in the reading of the Old Testament: which vial is done away in Christ”. There was a vial in the past which resulted to blindness. At this point if there is anything about you, that you won't want someone else to hear, ensure you settle it with God. Digest verse 18 of today's scripture where it says, “But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Spirit of the Lord”. We are renewed into the very nature of God!

TEXT: (Job 35 vs. 1 – 9)

Good Christians are circumcised over anything, that's why they don't steal, because money isn't as important as their salvation and they are fully aware that the one who begats them is the very owner of silver and gold. Can you threaten a USA president's child over some few dollars. I guess that's the wrong address for the threat. **When you see a child of God with relaxed mind facing things that others consider as sources of treasure, the individual has grown to the understanding of who His Father is.** There is nothing capable of staining your hands with sin but given-up on by you that your heavenly won't give you in excess as long as you maintain diligence with Him. When a South Carolina couple recently sold what had been their dream house. They were sure they had tied up all the loose ends before the sale. Repairs had been made, the Paper work was all in order, and they had removed their belongings from the home in which they had spent the last 32 years or so their lives. A few days after the sale was finalized, James and Clarrisa Munford discovered a literal treasure, which the former owner had hidden and forgotten, all about 50 gold and silver coins. Legally, the coins-valued at \$15,000 were now the Munford's property, and they were well within their rights to quietly sell them and pocket the profits. However the Munford's who own Clarrisa's Kitchen and Catering Columbia, chose to contact the sellers and return the coins, which had been left inside a built-in drawer in the home. There is an old saying, "You reap what you sow", said the original owner who was astonished. "My wife and I spent a great deal of time and effort to ensure that we left our home in excellent condition for the Munfords, and one good deed was certainly returned by another!" Verse 8 of today's scripture says, "*Thy wickedness may hurt a man as thou art and thy righteousness may profit the son of man*". **The basics of God with mankind is that in our righteousness we are meant more like Him and less of ourselves.** God bless you richly in Jesus name, Amen!

I welcome you to the enforcement territory of the Most High God. Heavenly support is Godly support. The reason why you will stand every obstacle and challenge that may come your way this year is because you got heavenly backup with you. When a life attracts God to itself the life is lived easily. **Oh my God, Jehovah will bring you to that point of life where you live above struggle in Jesus name, Amen!** When an individual is strong, through His strength a lot is achieved, now imagine what it looks like when one is living and surviving by the strength of GOD. God is not just strong but with him is the power of all the universe. I think this will help our understanding, "Consider what it takes to build a house: the money, the man-power/energy required. The bigger the house the higher the demand for input and energy and no big house that involves long length (maybe a sky scraper) is built in a day, not even in weeks, very hard you see one that was built in a month. To build by men requires strength, money and other things but imagine my God who never took loads of sand, molded any block or even planted a seed. He sat on His throne with crossed legs and said, "**Let the land be separated from the water, day separated from night, created the animals, and made man; all these took place within a week.**" I don't know the capacity of the house any man can build but God formed the earth that is housing above 7 billion humans just in a day. When you are support by this God of mine, you will live a simple and an easy life. Verse 10-11 Of today's scripture says, "*And the Lord discomfited them before Israel, and slew them with a great slaughter at Gibeon. (verse 11), "And it came to pass as they from before Israel and were in the going down to Beth-horon that the Lord cast down great stone from heaven upon them unto Azekah, and they died: they were more which died with hailstone than they whom the children of Israel slew with sword"*". The Lord is saying to someone, "**My effort in your life will bring you to prosperity beyond your remembrance. Don't just put your effort; you need God's support."**

TEXT: (Romans 8 vs. 28 – 33)

I welcome you to God's place of making and building. **It is always an advantage for anyone who has the right key that invites God in a scene.** Sometimes the secret becomes a mystery because such capacities are ignited by few. Many persons seek God for what they have heard about Him, but God desires more of those who could seek Him for who He is. **“Knowledge turns a mystery into a reality; what you know appears real to you and what you don't know remains a mystery to you”** (Isaac Chidolue). God's choice for you is not for you to seek things because in Him is the fullness of all things. Sometimes when people seek things they neglect the precept of God as they anticipate for things. I grew up to learn that God wants me to worship Him more than I approach him for needs. See verse 32 of today's scripture, It says, *“He that spared not his own son, but delivered him up for us all, how shall he not with him also freely give us all things”* (KJV). *“Since He did not spare even His own son but gave him up for us all, won't He also give us everything else.”* The very KJV says, *“...with Him also freely give us all things”*. Just with Him, this confirms God's word that says, *“Seek you first the Kingdom of God, and his righteousness; and all these things shall be added unto you”*. Come before God by the hunger of who he is, come before Him by the aura of what He represents. Be a Christian for the reason of following Christ. Be a Child of God from inside out. If you were put in a position of shame for the purpose of following God like Joseph. Maintain your joy because the one whom you are working with is The Superior King. He is more than able and gracious to do all things. **Let Jehovah help you in all areas of your needs, for God will end up leaving you without any form of need sustained.**

TEXT: (John 5 vs. 6-14)

I welcome you to the gallery of Him whose palm covers the whole universe. To turn that proposed step to walk this 2021, the miles to cover have started counting. Every step taken in life is with aim to cover some length. All the days a man lives, he lives to walk through the paths of life. What happens when a man who is on the path of life refuses to take a walk? What does it mean for one to ignore taking his walk? When an individual is worrying over the future he is not taking a walk. When an individual becomes frustrated and agrees to be stagnated, the individual had stop taking his walk? Could life be lived when the one living has decided not to exist anymore? Taking a step is the joy of the living. If men take no step obviously there would be no change of status, ranking and obviously no privileges. Jesus speaking in verse 8 of today's scripture said, **“Rise, take up thy bed, and walk”**. This very man was classified as an impotent man. The meaning is that he was a fruitless man. There was nothing recorded special about his living, there was no remarkable proof attached to his life. This is why he was on the bed when every other person is out to take their walk. When every other person is out during the day this man was laying on the bed; stagnated, frustrated, limited and hopeless, but the day he met Jesus he “took-in” the capsule **“Rise, take up thy bed and walk”**. There are heights you may not reach this year if you do not take up your bed and walk. Don't just hope for a change of status, change the status through your walk. Don't expect to be invited for a job, get up and do some jobs. You can work with an organization even when you have not been taken; I mean when you are not yet on their salary budget. Taking a risk is often times your first step towards success. Don't sleep around the house, take a walk. Though what you hope for has not come, yes, you can do something else. **Our help comes when we are busy helping others.** Master a system. People don't walk in life because they have the capacity/capital, **they walk because walking makes fruitful and delivers one from impotency.**

PrayerPoints: Worship God in your own way.

1. Thank God for the word you have heard.
2. Ask God for divine direction on the path to walk.
3. Ask God for the grace to walk aright.

TEXT: (Luke 19 vs. 13), (Roman 12 vs. 9 – 13)

I welcome someone before God who is conscious of occupying and seating in a territory until He comes. Jehovah is His name! One of God's choice for you is to initiate plans on how to enrich yourself. Wealth doesn't just come, people are built for it. People are designed to be wealthy according to the mind-set they have. Recently I witnessed a situation where someone who bought a large plots of land for #500,000 as at 1997 sold just a little portion of the land to a person for #500,000,000 (Five hundred Million Naira) in 2019, 22 years later. He sold two plots to a bank for #90,000,000, all these are from a land bought for #500,000, yet he hasn't used half of the land. As at that time the money can buy a very nice car maybe even a tear-rubber. Before you purchase anything, to consider if it is luxury or not, check it's capacity to yield in later times, if it didn't pass this test, you can leave it. What do you need car for when you don't have a source of income or something you are looking up to, to start yielding. There are offices that requires a car as a necessity, here there is nothing wrong with securing one at that time. Never find yourself living to impress the public or others. Stick to growth, learn how to manage money out of luxury. **Money spent on nothing results to empty-handedness.** No money is useless but it is about knowing what to do with it. If you have small money that cannot make investment then invest it on yourself, eat a good food, treat yourself well; but don't be luxurious. Also invest on yourself through study and learning. Register for a program for personal improvement. When you spend a day learning you have added to yourself. To have a car is good but get it as a car not a luxury. To live in a nice house is fine but plan on building your own. Whatever privilege the Lord has given you was given on the basis of occupancy. **Be an optimist that is strategized to utilize every opportunity that comes your way.** Today's first scriptures says, "*Occupy till I come*". Ask God for the wisdom to learn how to occupy that's the most essential of it all. According to the Parable in Luke 19, it tells that the kingdom of God treasures those who know how and ways to occupy. When you occupy well you get promoted. God revealed His mind in our second scripture today, where it says, "*Not slothful in business; fervent in Spirit; serving the Lord*". Not lazy in business; losing money in an investment is an investment also, because as you keep investing money runs after you. **Anywhere you sowed is commanded to give you harvest. that's the rule of life.**

1. On God, I thank you for your word to me.
2. Father, help me to be wise in investments.

TEXT: (Psalm 104 vs. 1-10)

To live above the valley is to be far from pity and limitations. Today, I welcome you to the throne of the Most High God. In (1 Samuel 17) the Israelites pitched by the valley of Elah but when David approached Goliath he ran above the valley to meet him and that was the beginning of his victory. If Samson did not meet Delilah at the valley of Sorek satan might not have played with his destiny, (Judges 16 vs. 4). **To stay out from the valley you are required to run out of it.** Valley here means: lowness in life, manipulation of God's original design, degeneration of destiny and testimony. Some individuals found themselves in the valley of life by circumstances and conditions they encountered, maybe by the parental hood they experienced and other factors; but verse 10 of today's scripture says, "*He sendeth the springs into the valleys, which run among the hills*". Wow! The meaning of it is that God turns valley experiences into mountain top experiences. He makes the meaningless to gather a lot of meaning. He makes ocean to occur in the desert. Digest the following points: If you don't take some risks, you will not get the chance to succeed. **While you are trying, you are winning.** If David did not run out of the valley where the Israelites were, he maybe in the same defeated position with them but he had to run out of there, then victory came. **The law of average is always by your side.** The more you try the greater your chance of succeeding. Never get discouraged, **every wrong attempt is another step forward.** People that make no mistakes usually don't make anything. **Make up your mind not merely to overcome a thousand obstacles, but to win in spite of a thousand defeats.** Your mistakes are stepping stones to success and your installment payments to victory. You cannot be a winner and be afraid to lose. Always remember: **"Ship is always safe at the shore, but it is not built for it"**. Climb above your valleys today, in Jesus name, Amen! **"I don't know the key to success, but the key to failure is trying to please everybody"** (Bill Crosby).

1. Thank God for Who He is.
2. Pray for the grace to always stand above valleys.
3. Ask God to give you the revelation of where he is taking you to.

TEXT: (Genesis 29 vs. 31), (Psalm 34 vs. 15 – 22)

Hatred is a disease not Godly impacted. Where hate dwells, God is not found. Where Love is missing progress is lacking. Hatred is something found among those who doesn't love God. Someone said and I quote, "Stop walking around with a mouth full of scriptures and a heart full of hate!" When you hate people you are not only manifesting the gift of satan but you are also carrying out his directives. Satan hates mankind and that is why his desire is to see that man ends in destruction but God conquered Him when the scripture says, **"For God so love the world...."** (John 3 vs. 16). With a hateful heart you attract God's opposition because the personality of God is love. Personally speaking people have hurt me and had given me reasons to hate them but occasionally I put myself in prayers asking God to forgive anyone and also give me a free heart towards everyone irrespective of what they might have done to me in the past. **Sustaining hate in your heart against anyone attracts God to put those persons in a better position than you.** This situation was confirmed in today's first scripture where it says, *"And when the Lord saw that Leah was hated, he opened her womb: but Rachel was barren"*. Hating someone who is not an enemy of God enhances their prosperity and introduces your cast down. This is the mystery that Martin Luther saw that made him to say, **"Let no man pull you so low as to hate him"**. Similarly Booker Washington said, **"I will permit no man to narrow and degrade my soul by making me hate him"**. Is not in the portion of honourable people to hate anyone. God's opinion was made plain today in verse 21 of today's second scripture where says, **"Evil shall slay the wicked; and they that hate the righteous shall be desolate"**. Wahala for who hates a righteous person, desolation comes upon the person. People can be terrible atimes though. There are people that doesn't really deserve you, you have to guide your mind to let go of their toxic memories. **Learn to adjust, make friends slowly, trust few persons and get in touch with the Holy Spirit to avoid satanic unrest.** When people hate you, don't fight with them in hate, God's will respond to them, God bless you.

1. Oh God I thank you for your word to me.
2. Jesus, give me the grace to trust you and not to hate anyone.

TEXT: (1 Peter 1 vs. 6-13)

I welcome you to the conference hall of the Almighty where He handles our mind to believe in growth even at a smaller stage or little beginning. When the mind is lifted life is lived with hope of better days ahead. The last man to see at the place of pity is a man with lifted mind. I believe you took this capsule from today's scripture verse 7; ***"That the trail of your faith being much more precious than of gold that perisheth, though it be tried with fire might be found unto praise and honor and glory at the appearing of Jesus Christ"***. It is obvious that faith is tried. Do you have faith? If yes is your answer, are you also willing to fight through the trying of your faith. Jesus with faith hopped to be the savior of mankind, He was tried by the devil when he asked Him to surrender with promise to offer Him all the earth (Matthew 4 vs. 9-10). "He was also tried through the cross that He wished the cup had been taken away" (Matthew 26 vs. 39). His faith was also tried in the midst of the synagogue among the Pharisees and the Jews; yet He persevered to the end. **Your task isn't big enough until the thought to give up strikes your mind.** Some of us at a time felt that giving up should be a better standing option; it is not wrong to feel like that but it is disastrous to give up, ***"The trying of your faith worketh patience"*** (James 1 vs. 3). "Make your ego porous, will is of little importance, complaining is nothing, fame is nothing. Openness. Patience. Receptivity. solitude is everything" (Ramier Maria). Someone said, **"Slow and steady wins the race"**. Develop a lifted mind; have hope that after this ugly day comes another beautiful morning; that's the mind Christ wants for you. Finally Digest this: **"Never cut a tree down in the winter time. Never make a negative decision in the low time. Never make your most important decisions when you are in your worst mood. Wait, be patient, the storm will pass. The spring will come"** (Robert H Schuller). No matter what's before you, you will soon come out of it.

1. Thank God for the gift of life today.
2. Father give me a lifted mind at all time and in the face of any situation.
3. Jesus encourage me, by doing amazing things as I persevere.

TEXT: (Matthew 5 vs. 14 – 16)

Against all odds do that which will make you to be remembered positively. Human life is as simple as a privilege. 2020 taught all of us a lesson about the vanity that is attached to human living. The basic thing that stays with every man is the impact that is attached to why they live and how they lived. A man was invited for a TV show. During the show he had no clue why everyone among the audience stood up. He kept a huge secret for 50 years that was finally uncovered. In the year 1938 Sir Nicholas Winton single handedly began to rescue Jewish children from the Holocaust (The systematic mass murder (genocide) of 6 million Jews perpetrated by Nazi Germany shortly before and during the World War 11). He successfully brought 669 Jewish children from Czechoslovakia to Britain, most of the children's parents would perish in the Auschwitz concentration camp. But Winton never mentioned the children to anyone. Until his wife, Grete, found a note book in the attic 50 years later, it included names and pictures of all the children that Winton had saved. His wife gave the book to a journalist and he was invited on a TV programme but doesn't know that every single person in the audience was a child he had rescued; now adults, they all came to thank him personally. Nicholas Winton died in 2015 at the age of 106. Jesus saved you that you may save others. He gave us an example with Himself. **It is one thing to have a good will, is another thing to have the heart to dare it.** Nicholas Winton to me was a brave man, having rescued the 1st child up to the 669th one. Here Winton did what exactly Jesus would have done. The question you leave with yourself is how he was able to gather 10 of them, then 100 and then 669; it was really a ministry for him. You are not better than your neighbour to mock them. You are not better than a brother in the church, colleague in the office to make them feel intimidated at your appearance. It will gladden heaven to know you gave food to your hungry neighbours and that you paid the school fees and bills of others too. Verse 16 of today's scripture leaves us with this popular saying that says, *"Let your light so shine before men that they may see your good works and glorify your father which is in heaven"*. **Are you shining as light where you are?**

TEXT: (Matthew 6 vs. 8)

Today is one of those beautiful day which the Lord has brought around you, to put smile on your face. What about getting a little closer to your Jehovah today remembering who He is and that you belong to Him. The basic thing is, do you really know who your Daddy is? Now let me tell you, "He is the first and the last, the beginning and the end." He is the keeper of creation and the creator of all. He is the architecture of the universe and the manager of all time. He always was, already is, and always will be, unmoved, unchanged, undefeated and never run down, He was bruised but brought healing, He was pierced but heals pain, He was prosecuted but brought freedom, He was dead to bring life, He is risen to bring power and He reigns to bring peace. The world cannot understand Him, armies cannot defeat Him, and schools can't explain Him, leaders cannot ignore Him, Herod couldn't kill Him, Nero couldn't crush Him, The new age cannot replace Him and no one can explain Him away. He is life, He is love and He is longevity, He is Lord, He is goodness and mercy, kind and faithful, He is God, Holy, righteous and powerful. His ways are right, His word is eternal, and His rule unchanging. His mind is on us, He is our saviour, our God, our peace, our joy, our comfort and our Lord. He rules over lives. His bound is love, His yoke is easy. His bound is life and His yoke for us is abundant life. He is the wisdom of the wise, the power of the powerful, the ancient of days, the ruler of rulers, the leader of leaders, He will never leave you, never forsakes you, never overlooks you and never cancel your appointment in His appointment book. When you fall He will lift you up, when you fail, He will forgive you. When you are weak, He is strong, when you are lost He is your way, when you are afraid He is your courage, when you stumble He will steady you, when you are hurt, He will heal you, when you are broken, He will mend you, when you are blind, He will lead you, when you are hungry, He will feed you, when you face trials, He is with you, When you are prosecuted, He shields you, when you are in problem, He will comfort you, when you face loss, He will provide for you and when you face death, He will carry you home with Him. He is everything, to everybody, every time and in everywhere. Verse 8 of today's scripture says, ***"Be not ye therefore like unto them: for your Father knoweth what things you have need of, before ye ask Him"***.

TEXT: (John 14 vs. 25 – 28)

It's no one's fault to have a need! The needs of men will certainly be replaced. This means that for every need resolved another set of need will certainly emerge; the need of men does not finish. Many individuals has given themselves to worry, some others have given themselves to stress which makes them to underutilize their own lives and live less than they could live. **So to live a quality life begins with giving yourself the reason to appreciate who you are and what you are; not being a victim but a victor of life.** When you worry today, you worry yourself out of the future, when you start living a life less than what you should live you become a product of self-suffocate due to the act of less value for yourself. Worry stands as a sign of the absence of God. The presence of God is certainly confirmed from the mind on how peaceful it is. In November 21 2020, UK doctors concluded the research started on 2017 where their study shows that healthy sleep habit help lower Risk of heart failure by 42%. Adults with the healthiest sleep patterns experience a 42% reduction in the risk of heart failure compared to those with unhealthy sleep patterns. Most sleeplessness people experience is caused by worry. George Bernard was the one who said, **“People become attached to their burdens sometimes more than the burdens are attached to them”**. and then Winston Churchill made a juice with this saying, **“When I look back on all these worries, I remember the story of the old man who said on his death bed that he had a lot of trouble, in his life, Most of which had never happened”**. And this is what Jesus our Master said in verse 27 of today's scripture saying, *“Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid”*. He leaves peace with us and peace is what He gives to us. His nature is peaceful and his way is right. His grace is stable and His might is glorious. The reason for Jesus is peace and examine anything that has taken your peace, they are things not worth around you

TEXT: (Genesis 29 vs. 15-30)

Someone said, **“Take from life all you can now because when it starts taking from you, it will take also your very breath”**. I welcome you to the presence of the one whom we are living for alone. There were plans and visions you wanted to carry out at the previous stages of your life; dear, this is a new year, could this year pass without you executing those plans again? God is saying to someone, **“You are not getting younger therefore do what I sent you to do now”**. Waiting for the proper time is wrong because there is nothing like a proper time in the clock. Any vision conceived, planned, and ready to be carried out is also ready to have itself occupying the proper time. Don't stay where people and conditions kept you, move forward! It doesn't matter what the day saw, time never stops ticking; be it earthquake, bomb blast, flood. **Time moves and moves with your life.** God has giving every man the gift of time so make the most use of yours accurately. Job speaking in (Job 14 vs. 1) said, **“Man that is born of a woman is of few days, and full of trouble”**. Few days, full of trouble. Never find any trouble strong enough to prevent your moving. In Jesus name, I curse your troubles to be troubled by God Almighty, in Jesus name, Amen! I command limitations to be powerless around your life and destiny and I decree God's coverage and glory in your life and destiny, in Jesus name, Amen! On today's scripture we saw where Jacob served for 14 years to fulfil his destiny, His service for this period of 14 years was monitored and had to keep him focussed to it day and night. Someone may say, he loved women but that's not it alone, he was also fulfilling his destiny. God's promise to his grandfather Abraham of a great nation was hung on Jacob's shoulder to be fulfilled by him. Indeed through Jacob Israel was built. Verse 20 of today's scripture says, *“And Jacob served seven years for Rachel: and they seemed unto him but a few days, for the love he had for her”*. Life is better lived with strategies on how to overlook troubles and move. Don't stand before a closed door waiting until it open; for the one who is with you opens many doors when one closes. **Go out today and move to establishment.**

PrayerPoints: Worship God in your own way.

1. Thank God for His word to you today.
2. Ask God for the mindset that never stops/waits but moves.

Verse 23 and 24 of today's scripture says, *"If thou return to the Almighty, thou shalt be built up, thou shalt put away iniquity far from your tabernacle."* (Verse 24): *"Then shalt thou lay up gold as dust; and the gold of ophir as the stones of the brooks".* **If you return to The Almighty you should be built up.** As many that are willing to return. Many of us have ended up as victims, taking the glory that is our God's and giving them to fellow man. Taking the honour He deserves giving to a fellow man. In fact many of us wake up into worry of help we would want from men and in doing this we have turned many of them to become gods to us, also by so doing many of us have gone too far from God. Taking the honour of God to men in negligence of the ways of God is the beginning of frustration as it regards glory and honour. **Men cannot make you what you are meant to be if you solely depend on them;** but when you depend totally on God, He uses men to honour your life. It is the Lord that builds those who put away iniquity far from themselves. How do you put away iniquity? Caution yourself not to sustain a life style that contradicts the nature of God. If the Holy Spirit dwells in you, then give him the chance to direct and narrate your life, when He guides you, He speaks to you, He tells you what is right and what is wrong. Give up anything that contradicts God's nature in you, give up on it. Daily rededicate your life to God and continually sponsor your rededication with actions of righteousness and brutal level of self-wash and self-guide. God is the king of prosperity that is why He told us above through His word saying, **"Then you shall lay up gold as dust."** It shall be tremendously heavy to lay up gold as dust. The meaning of that is you shall have more than you can calculate, you shall receive more than you can narrate, and you shall house more than you can contain. I decree upon you with faith in Christ Jesus saying, **"This very year, you shall prosper, irrespective of what surrounds you, you shall prevail in Jesus name. Amen!"**

Prayer Points: Worship God using song 2: Page 121

1. Oh God, I thank you for your word to me.
2. Oh God, I receive the ability to prosper.
3. Jesus, I shall not be in any kind of crisis in Jesus name, Amen!

On your behalf I thank God for your life. Some persons are limited because they have lost hope in themselves. What are you facing? Yes, somebody faced it before and came out smiling louder; you can have the same. **There is no part of God's word that was written just for the sake of relief, all scripture is for proof and evidences of testimonies.** Until you believe to see that which looks impossible in your life and finances turnaround, then you should not be bold to answer a believer. Believing what's normal, what anyone else can believe, what anybody can witness, is not enough reason why you should take on the title of a **believer**. Are you poor? The scripture says, ***"He raiseth up the poor out of the dust and lifteth up the beggar from the dunghill, to set them among princesses, and to make them inherit the throne of glory: for the pillar of the earth are the Lord's, and He hath set the world upon them"*** (1 Samuel 2 vs. 8). Just believe that which looks impossible with you and the Almighty God will perform His word. Have you gone through afflictions? In (Psalm 34 vs. 19) the bible says, ***"Many are the afflictions of the righteous; but the Lord delivereth him out of them all"***. Did you hear that? ***"Out of them all"***. No matter what you are facing He is delivering you out of it now. I think this was in Virgil's mind when he said, ***"Come what may, all bad fortune is to be conquered by endurance"***. If God's word that changes remains in your heart, then no condition is strong enough to withstand your testimony. Amen! **Believing God will set you ablaze for excellence.** Maybe what you suffered in the past is seeking means to penetrate your life the second time? Here is God's word for you, ***"What do you imagine against the Lord? He will make an utter end: affliction shall not rise up the second time"*** (Nahum 1 vs. 9). Is it barrenness? Believe God for the impossible, ***"He maketh the barren woman to keep a house and be a joyful mother of children"***. ***"Praise ye the Lord. Nothing is impossible once you believe"*** (Verse 26). Worship God until you are satisfied.

PrayerPoints: Worship God using song 3: Page 122

1. Pray that God should bring to pass what you believe.
2. Pray that Jehovah shall make testimonies to run after you.

Irrespective of what you want to receive from God, I think is a good cause if you should have a reason. Personally I believe that God listens to us according to how organised our presentations are from our hearts creating reasons to Him on how and why we should be who we are and do what we really need to do. I think the Psalmist gave a point on what the Lord is showing today when He added a reason to his statement in Psalm 118 vs. 17 which says, ***“I shall not die, but live, and declared the works of the Lord”***. He didn't say he shall not die alone but added a reason to it, saying, ***but live to declare the works of the Lord***. Also in Psalm 150 vs. 6: God's word went further and also attached a reason to life where it says, ***“Let everything that hath breath”***. that is to say, if you have breath flowing through your nose then you must praise the Lord. Attaching a reason to your request is a way of getting God concerned about your request. **When He becomes concerned about your request He also becomes committed to give you liberation and freedom according to the needs of your soul.** The very opinion of God was revealed in verse 21 of today's scripture where it says, ***“Produce your cause saith the Lord; bring forth your strong reasons, saith the king of Jacob”***. If you must prosper what reason are you giving Him? Could it be Oh Lord, prosper me for the growth of your gospel, for your word declared in Zachariah 1 vs. 17 saying, ***“Cry yet, saying, thus saith the Lord of hosts; my Cities through prosperity shall yet be spread abroad; and the Lord shall yet comfort Zion, and shall yet choose Jerusalem”***. No matter the volume of expectation you may have this year, it will also be important that you understand that necessity demands that you sponsor them with reasons before the throne of God. Go through the scripture and secure your reasons, Go through, the word and get your evidences. God bless you!

1. Oh God I thank you for your word to me.
2. Jesus, open my eyes to your reasons of upliftment.
3. Father, help me to stand strong on our wisdom and help me to advance.

I welcome you to the sanctuary of Him who has never failed to be faithful; Lord God Almighty. Years ago as a student in Ibadan I had a phone which was already bad and I came home for about 2 weeks holiday. Before the holiday I spoke to God saying, “Father, you can see that my phone is now bad and I must change it within this 2 weeks I have to stay at home for holiday”. Of course when I came back home I kept announcing to the hearing of my parents and my siblings on how bad my phone had gone and the need to change it before the holiday is over. They in return reminded me of the expenses waiting inclusive of my exam fee; so I got no option than to manage the one I am using presently. I replied them that I announced how bad my phone was and my need to change it to your hearing doesn't suggest that you people are the ones to change it. I have a Father, who is faithful. They laughed at me and said, no worries, thank God for your faith, indeed we look forward to you changing it without disturbing our peace. Now the end of two weeks was approaching and my phone went worst to what it used to be, It was a Friday and there will be no business/ market the following day being Saturday because of my State election. So is either I buy it on that Friday or I can't buy it anymore since I am traveling on Monday morning. That same Friday my mum called me in the morning and asked me to escort her to market that she wanted to change her own phone since it had been giving her some discomfort. I became hopeful but when we got there she bought her phone and forgot about mine, I said to God, “As you can see I have enough faith and we are leaving the market already, I know that you never ignored a strong faith. I believe today will not end without You giving me my own phone.” When I got home I slept off in depression mixed with faith. Not long I got a call on my phone though it didn't ring out because it was on silent but I felt a hand tap me to wake up, then I saw an incoming call on the phone. When I took the call a friend of mine invited me over, when I got there he gave me money for the phone and saying that he was led to give me that, I didn't ask him or told him about my phone; that same Friday around 5: 45pm I got my desired phone. **Are you faithful? Then you got a God who will respond to your faith this 2021.** Approach every door with unwavering faith; take every giant step with faith. Verse 6 of today's scripture echoed, ***“But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed”***. **By faith I live more than I get because faith is big currency.**

PrayerPoints: Worship God using song 5: Page 124

1. Father, I thank you for your grace that kept me through this month.
2. Jesus, give me faith that wavereth not.
3. Father, that which my faith has not gotten, I get them today, in Jesus name, Amen!

The coming of the Son of man!

TEXT: (Matthew 24 vs. 30 – 36)

“Repent ye: for the kingdom of heaven is at hand” (Matthew 3 vs. 2; 4 vs. 17). To repent means to be sorry for sin as morally evil, and to seek forgiveness to cease to love and practice sin. It can also be said to feel pain on account of; to remember with sorrow. So we can understand that to repent is to regret a pattern of life and behaviour which one was finding interesting in the past. This could be why Thomas Carlyle would say, **“Of all acts of men, repentance is the most divine. The greatest of all faults is to be conscious of none”**. So repentance is a self-check/retrace of steps. Now what could be sin? It is a misdeed, it is also a violation of moral or religious law; and error. **So any act that contradicts the ways of God in a man's life is sin.** Whatever the scripture condemns is sin, **“Sin is the most expensive thing in the universe. Nothing else can cost so much”** (Grandison Finney). To meet the son of man when He comes one has to repent and forsake sin; accepting Jesus as His personal Lord and saviour as the individual turns a new live to be more like Jesus. In verse 30 of today's scripture it told us that *“the son of man shall come to be seen of all things, He shall appear in the clouds of heaven with power and great glory”*. The son of man is really coming soon, how do I know because I saw in His word in verse 35 of today's scripture says, **“Heaven and earth shall pass away, but my words shall not pass away”**. If His word shall not pass away is really coming as His word confirms. A lot has happened in recent times which has never happened before; the world has actually gotten to the time where prophecy shall be fulfilled, that is why is important you digest verse 33 – 34, “Even so, when you see all these things, you know that is it near, right at the door. (Verse 34): “Truly I tell you, this generation will certainly not pass away until all these things have happened”. If you are yet to give your life to Jesus or rededicate your life, then pray the prayers in page It is God's will for you that you are nurtured. Try the next door.

TEXT: (Ecclesiastics 11 vs. 1-10)

I welcome you to the presence of God, the giver of life Himself. To every individual, there exist a mindset to do something else regardless of what has been done. When God is saying, try the next door what's on His mind? Microwave was innovated after a researcher walked by a radar tube and a chocolate bar, melted in his pocket.” He created microwave because his mind was seeing an opportunity not a regretting issue over a melted chocolate. **To try the next door is the wisest thing to do when the present door proves unbreakable.** Mind you, God is not telling us that patience and persistence is not necessary, 'NO' most importantly they are. Patience is one of the gifts of the Holy Spirit. Persistence is an act of faith; but why is God suggesting for another door? Of course there are door we are patiently waiting for them to open but God is saying, **“Not at all, try the next door”**. There are doors that might open when your interest is no longer there. There are doors locked just for the purpose of slowing you down or to limit your progress in life. The question is should we run once a door seems hard to penetrate. **God is saying turn to me to know what to do.** You should not condition your life by the decisions doors are making. Verse 1 of today's scripture says, **“Cast thy bread upon the waters: for thou shalt find it after many days”**. Many individuals are so scared to try out something new. Some persons inherited the same business from their parents and are still limited by making the same income their parents made or trying to maintain the business the way they were given. This day God is saying to someone, why not try out something new. You have been waiting for a particular sister to say yes and it is 6 (six) years now; obviously you are not getting any younger: Bro hear God and try the next door. Let me add, **“You should not marry anyone that showed no interest in you.”** Be sensitive to the Holy Spirit before deciding on what to do but don't hesitate once you get the conviction from Him to do something else. It was Roosevelt who said, **“The credit belongs to the man who is actually in the arena, whose face is marred with dust and sweat and blood, who strives valiantly. Who errs and comes shot again and again, who knows the great enthusiasm, the great devotion and spends himself in a worthy cause, who at best knows achievement and at worst if he fails at least fail while daring greatly so that his place shall never be with those cold and timid souls who knows neither victory nor defeat.”** Join our Home Cell Fellowship tomorrow @ any branch close to you!

PrayerPoints: Worship God in your own way.

1. Thank God for His word.
3. Jesus arise for me and give me the grace to live above door hindrances.

“A Christian isn't a man who never goes wrong, but a man who is enabled to repent” (CS Lewis). We have come to that season of life where many are scared of doing it right because right is treated as the wrong and the wrong is treated as the right. Where many have started being influenced by the wrong, and also disliking the good. Where it looks weird to be truthful and speaking against evil. **All these are cases of human deceit, keeping it out of the memory of men that the one who owns them comes quickly as soon as possible.** A lot are happening, fast-forwarding the time of the universe and the time of man, who could say it is the work of man no, but it is God's work among men. Irrespective of how untimely it could appear, it is the greatest desire of the bridegroom that we get ready not knowing the hour He will come. Jesus will certainly come, the most essential need of the church is not just to resist the world system ourselves but to be prepared for the second coming of our Master. Who knows if He will chose to come this week, month and year. As you walk towards fulfilment walk as well to be like Jesus. Hold unto what is right and don't give up on the right because many persons now sees it from different opinion. **“In our day, it is considered wrong to judge evil than to do evil”** (OS Guinness). Verse 38 of today's scripture says, **“For as in the days that were before the flood, they were eating and drinking, marring and giving in marriage, until the day that Noah entered into ark”**. Wahala for who never marry. The problem here is not the wedding but the problem is that **‘they never knew when Noah entered the Ark; were they actually aware of the ark?’** Anything you do without a mind of eternity is a risk. **Anything you pursue without caring for your soul is a danger.** Verse 40 of today's scripture says *“Then shall two be in the field; the one shall be taken, and the other left”*. **Humanity is with God's code, every human is registered in the register bank of God, that's why no one has same biometric ID.** He is the God of flesh so humanity is responsive to His nature. Ensure your ways are right with God against all odds. God bless you!

TEXT: (Genesis 27 vs. 1 – 4; 30 – 40)

The only reason why disappoint should not get hard on you is because you have chosen to trust God. Disappointment are sometimes within and above the strength and effort of those who disappointed you. Sometimes is not the choice of a man to choose disappointment but the situation around him suggests a handful of it. Most times man may be willing to render his own portion of the blessing but the situation surrounding the person may speak otherwise. Take for example the situation of Esau and Isaac his father. In verse 1 of today's scripture it told us saying, *"And it came to pass, that when Isaac was old, and his eyes were dim, so that he could not see, he called Esau his eldest son, and said unto him, my son: and he said unto him behold, here am I"*. Verse 4 says, *"And make me Savoury meat, such as I love and bring it to me, that I may eat; that my soul may bless thee before I die"*. He has already arranged on how to bless his son. Definitely at this point He was not aiming to play games on him. His mind was already made up to bless his own son. There are promises which many persons hasn't fulfilled to you simply because their hands are tied. Not actually that they wanted to fail but the situation makes them appear as though they failed. Man is not programmed to be static, **there are spiritual forces that sponsors the response of men.** How do you expect the fulfilment of someone's promise to you? It is simple, just trust God on their behalf and don't cast your dependence on them but in God. Men can aim to do but sometimes do not have the power to do but God is the final speaker, when he speaks every other thing is silent waiting for His command. **Trust God more than you trust men and you will find it hard getting disappointed.** It was in the same chapter where promise of blessings was made that it was disappointed in few verses ahead. Let see verse 33 together and it says, *"And Isaac trembled very exceedingly, and said who? Where is he that hath taken venison, and brought it me, and I have eaten of all before thou comest, and have blessed him? Yea, and he shall be blessed"*. **He disappointed not because he wanted to but because no man has the capacity to determine the end of matters like God.** Ensure that at all times your trust is heavily anchored on God. Be blessed and let your disappointments turn to opportunity.

PrayerPoints: Worship God in your own way.

1. Father thank you for rescuing me from disappointments, help me to trust you.

TEXT: (2 Samuel 15 vs. 12), (2 Samuel 15 vs. 31), (2 Samuel 16 vs. 23)

Jani Erickson Tada said, **"Faith isn't the ability to believe long and far into the misty future. It is simply taking God at His word and taking the next step"**. To rely on God is a cure for human abuse. **To rely on God is a means for getting it done by God's terms not by human analysis.** Anybody who rely on men could end up disappointed. The last time we established that man fails because his strength is limited but more to it man fails also because they lack the capacity to sustain another's trust and this played down on the relationship between King David and Ahithophel, today's. First scripture says, *"And Absalom sent for Ahithophel the Gilonite, David's counsellor, from his City, even from Giloh, while he offered sacrifices, and the conspiracy was strong; for the people increase continually with Absalom"*. Such an experience may look familiar to so many of us. Ahithophel was the very counsellor of David, a trusted person to David that is why David relied on his counsels and his counsels are solely divinely given that today's third scripture confirmed it when it says, *"And the counsel of Ahithophel which he counselled in those days, was as if a man had enquired at the oracle of God: so was all the counsel of Ahithophel both with David and with Absalom"*. **In such level of wisdom that He dwells, is surprising that he lacked the wisdom to counsel himself on the need of integrity.** I don't really want us to go ahead and blame him because such is the vulunablity of man. With all the trust and relationship he had built with David yet He decided to walk with Absalom. Now who is Absalom, He is David's son who killed his brother Ammon who was the rightful heir to the throne of Israel who rose up overnight to become his Father's enemy that he fought to kill his own Father so he could take up the throne in his stead. **In such height of rebellion the wise Ahithophel got himself attached to Absalom who was David's (his Father's) enemy on a mission to fight David who trusted Ahithophel.** That was why David prayed the prayers He prayed in our today's second scripture and God answered. **Trust God for men not men for God!**

Channels OF Fulfilment **WEDNESDAY: MARCH 3rd 2021**
Make people feel belonging. *Channels OF Fulfilment*
TEXT: (John 12 vs. 26), (Romans 8 vs. 14 – 17)

You might inspire or challenge people to improve themselves but never be the reason why anyone feels less of himself. **I welcome you today to the place of the wonder generating King.** Personally I would say I have spent more of my income in assisting people and supporting God's work than I have spent on myself. To make people around you to belong is the act of putting away your intimidating position or ability that could make them feel less. I believe the story below will go a long way in communicating God's mind to us this morning. A lady said, "I heard our mother asking our neighbour for some salt. I asked her why she was asking them as we already have salt at home. She replied, "It's because they are always asking us for things, they are poor. So I thought I should ask something small from them so as not burden them, but at the same time make them feel as if we need them too. That is why it will be much easier for them to ask us for anything they need from us". Making others feel belonging is the very attitude of God and I know certainly well that He would want us to do the same. Imagine how belonging Jesus makes us feel by having died for us and needing us to come to repentance that we may spend time and eternity with Him in heaven. What a pattern of Love He revealed to us and a manner of self-belonging he demonstrated to us. Seeing today's first scriptures the bible says, ***"If any man serve me, let him follow me; and where I am, there shall also my servant be"***. Where I am, there shall my servant be, not close to where I am but where I am. What a pattern of self-belonging He has extended to us. Don't enslave people by selfish intimidating acts and self-relevance you demonstrate around them. **"A deep sense of love and belonging is an irreducible need of all people. We are biologically, cognitively, physically and spiritually wired to love, to be loved, and to belong. When those needs are not met, we don't function as we were meant to, we break. We fall apart. We numb. We ache. We hurt others. We get sick."** (Brene Brown). Jesus even carried us in his suffer when we did nothing at all. Confirmed in verse 17 of today's scripture, ***"And if children, then heirs, heirs of God, and joint-heirs with Christ: if so be that we suffer with Him, that we may be also glorified together"***.

Channels OF Fulfilment **THURSDAY: MARCH 4th 2021**
Man and breath. *Channels OF Fulfilment*
TEXT: (Psalm 39 vs. 7 – 13)

I welcome you before Him who is the master of the heavens and the earth. The Almighty is what He is called forever and ever. Is quit unfortunate that many people hasn't considered the very unit of life. Personally I have sat down to analyse man. Sometimes I just sit and read the reaction of men and their responses to matters and event, then I keep imagining the work of God in man. The only difference between the living and the dead is just life that they possess and the breath they have. **Life is not an organ and life is not visible, it is the breath of God in man.** Take away breath, it will be same body structure, height, colour, intelligence, value, strength but no life; hence nothing else really matters in the absence of it. Knowing that someday nothing could be left other than a body and organs packed in it, given to the dust because no other place would want to accommodate it but the dust, is the reason why you must be **humble while living**. Now, you can lift your hand because life flows in you. When life is no more, nothing really matters and counts; and it doesn't matter what you have not gotten, if you still have breath within your nose then you are considered very rich. Now it makes sense to me the quote, **"Take from life what you can, because when it starts to take from you, it will take even your breath with it"**. "If you want to live a happy life, tie it to a goal, not to people or things". Not how long but how well you have lived is the main thing." It is the breath in man that makes up the value he is worth. You can make out time today to thank God, just for life. See verse 11 of today's scripture where it says, ***"When thou with rebuke doesn't correct man for iniquity, thou makes his beauty like a moth and what is dear to him consumes away; surely everyman is a mere breath"*** [Pause and think calmly about that]. Every man is a mere breath, no matter how intellectual the person is, they are all breath. Last year we witnessed the death of many classes of people. UK lost a Prince, Nigeria lost Chief of Staff to the president and some other governor's and prominent persons inclusive. In the world of football we lost Maradona of Argentina. Basket Ball lost Kobe Bryant, Hollywood lost Chadwick Boseman. There could be some other people who lost their breath you may know. All those who were lost, still stayed until they were buried, what they lost in them was just breath. Treasure yours because money cannot buy it. I decree in Jesus name, you will fulfil the number of your days, in Jesus name, Amen!

TEXT: (Matthew 13 vs. 24 – 28)

Satan can be called anything bad, but two things I know Satan cannot be called is the lazy one and the one without strategy. **The devil is ambitious and he carries his work with seriousness and strategies but Jehovah will frustrate his effort in your life.** See the story below: A donkey was tied to a tree. A demon came and released it. The donkey entered the field of a farmer and began to eat everything. The farmer's wife saw the donkey and was afraid that the donkey will destroy the farm, she took the rifle and killed the donkey. The donkey's owner saw the dead donkey, got angry and also took his rifle and fired at the woman, killing her. When the farmer got home and saw that his wife was dead, he killed the donkey's owner. The donkey owner's sons seeing their dead Father, burned the Farmer's field. The farmer in retaliation killed the sons: when they asked the demon what he had done, he said: "I did nothing, I just released the donkey". Do you get it now? The devil does not have power to do much, but one simple thing he does triggers the evil intents of men's hearts to harm one another. There are people the devil released a donkey around them. To some the donkey of lust, never you be comfortable with donkeys released by the devil. The donkey of lust has been nursed by so many people and at point in time the devil strategically plants people around you who will tell you it doesn't really matter. As a student in school I saw few things and same is obtainable in the society too. From nursing lust to having unwanted pregnancy, from that to sponsoring abortion. Just by stealing little money that's how every big arm robber was made. By copying each other in common entrance and WAEC that's how people end up obtaining a certificate on a field/course they don't know. By little covetousness, doing anything for money against humanity, selling fake materials and drugs that is the very beginning of occultism and ritualism. Dig out what the enemy has done in your life and around your life and cripple him now. See verse 28 of today's scripture where it says, "*He said unto them, an enemy hath done this. The servant said unto him, wilt thou then that we go and gather them up*".

1. Oh God I thank you for your word to me.
2. Jesus, enable me with the life of yours and grace.

4. Oh God I cancel every operation of darkness around my life and destiny, Amen!

TEXT: (Ecclesiastes 10 vs. 8 – 10)

It is partial to accredit your failures to others. **It is partial to feel entitled to have or receive something you are not willing to offer another if they are in your possession.** It is partial to expect your husband to love you, provide for you, and treat you like his queen, when you don't have the plan to do all those for Him if you are in capacity to. Love does not impose on any gender or group it is a mutual responsibility. The man isn't just the provider these days, both provides. I am not in any position trying to contradict God's word as you might have been taught in the past. Don't be lazy or sit one place shouting at the man. See verse 13 – 14 of Proverb 31 where it says, "*She seeketh wool, and flax, and worketh willingly with her hands. (Verse 14): She is like the merchant ships: she bringeth her food from afar*". What God is aiming to achieve in us today are not basically marriage related but my emphasis on marriage is because that branch took a large part of the study. **When your enthusiasm is down on anything to maintain progress in that thing becomes really difficult.** Old age doesn't change input if enthusiasm remains the same. How many times have you naturally showed your husband you love him even though your marriage has lasted for 15 years and more? If you have a high vision in the morning and got it reduced in the evening, chances are that the reduced vision will sadden your face and to a very large extent frustrate your mission. **Never get comfortable to it becoming lesser than it was when it first started.** When same energy is maintained success becomes the hit target. **Seek for advancement in every vision and walk your way into greatness and grace.** Be found on the very assignment that God gave you. **When value is unappreciated good news becomes scarce.** Verse 10 of today's scripture says, "*If the iron be blunt, and he do not whet the edge, then must he put to more strength; but wisdom is profitable to direct*". The iron gets blunt occasionally as long as it is in use but it is your duty to whet the edges. There is always a time when enthusiasm reduces but it is your duty to get out of that frustration, revive your zeal and commitment.

1. Oh God, I thank you for your word to me.
2. Lord Jesus, help me to keep my enthusiasm alive.
3. Father, help me maintain my zeal and commitment to you, Amen!

TEXT: (Joshua 14 vs. 9 – 12)

A teacher in an adult education shared the story we will see below our studies today. **God bless you as you ride with me on God's road of perfection today.** The teacher narrates: I teach foreign languages in a local community centre for the elderly and the disabled. One day before the beginning of a lesson, my elderly students were still fussing over their preparation, getting out their exercise books and putting on their glasses and hearing aids. Then an 81 year old student, adjusting his hearing aid, said to his wife: "Tell me something". 'I love you.' She whispered in reply, what? He said, readjusting the device 'I love you!' Both of them looked, embraced, and then the man kissed her gently on the cheek. I had to teach a class, and I couldn't stop sobbing. At 35, 40, 50, 60, 70, 80 and above when was the last time you told your spouse you love him. As a man when was the last time you just surprised your wife that makes her head nod in agreement that indeed you loved her. **To sustain your enthusiasm is the reason why the next stage of life will be embraced.** Never accept any norm suggested to you by the society, make the background of your expectation from the word of God. Have the mind of determination towards the word of God, **what the word of God says that is what I will see and nothing less.** It is possible to maintain the same enthusiasm in marriage as it was from the beginning. It is possible to have same zeal in God's call, maintained as it has been from the beginning. **No matter what the devil seem to be threatening you with never give him the privilege of taking your enthusiasm from you.** In verse 11 of today's scripture we saw, "*As yet I am as strong this day as I was in the day that Moses sent me: as my strength was then, even as is my strength now, for war, both to go out, and to come in*". He was old but same with strength. **Enthusiasm dies after an attack on vision prevails.** Don't live your life according to what circumstances suggests, but live it according to what God would suggest. **Get addicted to the infinite presence of God and your Joy shall be enlarged.**

PrayerPoints: Worship God using song 2: Page 121

1. Oh God I thank you for the privilege of yourself.
2. Jehovah, assist me for your grace and zeal to be continuous in my course.
3. Father, find me worthy of exploit with you.

TEXT: (Genesis 33 vs. 1 – 12)

In most cases people are really hurt that the question they kept sustaining within them is "**why should I forgive? Why should I let go after all they have done?**" The truth is that humans sometimes appears in wickedness and dwells on it as well but it is the very character of God and His nature to forgive; as His image is in us and His voice with us, He most time urges us to forgive. **Many of us turned down the grace and mercy of God in ways we are even surprise.** If He would still forgive us then why won't we forgive others knowing that our Father is a standard of forgiveness that's why He said to us in Luke 11 vs. 4 saying, "*And forgive us our sins; for we also forgive everyone that is indebted to us*". Its God call on you and me to learn how to forgive. In MSG it says, "*Keep us forgiven with you and forgiving others.*" I once read an headline of a lady who sought for the privilege to see someone who murdered her father just to clear her conscience that she had truly forgiven him. When you don't forgive then you have allowed your mind to bear a heavy burden which weighs you down; while carrying the load of bitterness. Why did you think that Esau prospered, he did simply because he forgave. See God's word in verse 1 of today's scripture where it says, "*And Jacob lifted up his eyes, and looked, and behold, Esau came, and with him four hundred men. And he divided the childe unto Leah and unto Racheal, and unto the two handmaids*". **The man who was played on had four hundred servants.** Forgive that your boss who appears to have used you and still said trash about you. **When you forgive, you have given yourself the licence to climb up higher.** When you forgive you have gotten to the very height of your destiny, unlike the man who was lifted in Matthew 18 but lost it because of unforgiveness. Forgive those whom you have loved genuinely and they chose to pay you back with evil, yes forgive them. Forgive your wife who hasn't been of help to your prosperity and progress. Forgive your husband who never respects your will, almost enslaved you and behaves as though you never existed. Forgive your leader who had abused your effort and has been partial towards you

TEXT: (Judges 3 vs. 13 – 14; 29 – 30)

When captivity approaches the Lord replies in fury to defend His own. God is always on plan to rescue and answer. For someone the Lord is asking why are you so mindful of what people had said about you; when I have made the ones they said in the past not to count. **The best reply is the one the Lord gives.** When God's reply comes, you enslave those whose captives you were in the past. God's responses are coming to you, just wait for it. Don't look at what is happening in your nation, the rate of poverty that has consumed people God's response is with you and in you in Jesus name, Amen! That you don't have a house today doesn't signify the absence of God in your life and Destiny. That you are not married yet is not a sign that Jehovah is not with you. The failure of those who promised to help you; that they couldn't do that anymore doesn't suggest that God has no plan for you. **For someone at the middle of sorrow, overflowing joy is coming after you from now in Jesus name, Amen!** Grace is running towards you. We have God displayed a sample of this in our anchored scripture today where it says in verse 14, *"So the children of Israel served Egbon the king of Moab eighteen years"*. The children of Israel served the Moabites for 18 years. **One thing God is aiming to establish with us today is that He those not dwell in time.** He is timeless, He is ever reliable and gracious. **Never allow that problem to suggest to you that God cannot do better.** That you have no baby of your own doesn't mean He has no plan for you! For 18 years the Israelites served a small king with his small god but see what the Lord did in verse 29 – 30: *"And they slew of the Moab at that time about ten thousand men, all lusty, and all men of valour: and there escape not a man"*. (Verse 30): *"So Moab was subdued that day under the hand of Israel. And the Land had rest fourscore years"*. **That is 80 years.** Sorrowful for 18 years and was glad for 80 years. For many of us the situation you are facing presently is simply preparing your testimonies. **He says for a small time does it look like you are forgotten but with great mercy I shall sustain thee.**

TEXT: (Jeremiah 12 vs. 14 – 16)

I welcome you to God's place of building. **You start growing tall when you start valuing information and then start respecting what others know.** There is no other form by which foolishness is displayed, if is not through the assumption of knowing it all. God is the only one who could be addressed as the all-knowing God. **A man tried to find out how much information the human brain can store, turns out it was only 1GB.** You know how small that is right, your small phone could be housing 16 to 64GB of storage spaces. It is also reported that we can only focus on 6 bites of data at a time. This means we don't know everything, nor do we have to, we are created for community and we know through shared knowledge. That you are good at something doesn't mean you are good at every other things. **The proud among us are those that think what they know is everything.** The humble are those that acknowledge that what we know is just part of community knowledge. Community knowledge is all we are propagating, you didn't originate what you know. Maybe you did one or two. This should humble you though. Talk less, listen more. **Don't seek to be the one at the spot light lower yourself more than the other people, if you are truly valuable as you are thinking they will come for it.** Let your wisdom be found in your silence and teachability. **God uses men whom haven't seen themselves to have arrived.** He uses people who does not play with the need of indebt building of knowledge and wisdom. Yes God does His wonders in us to achieve His will for our lives. One may say, what is the factual take of God on this then I recommend verse 16 of today's scripture where it says, *"And it shall come to pass, if they will diligently learn the ways of my people, to swear by my name, the Lord liveth; as they taught my people to swear by Baal; then shall they be built in the midst of my people"*. Wow, so God recommended we study others, relate with them and grab their knowledge that are not contradicting to His pattern, so we can be built before their eyes. **God bless you!**

TEXT: (Hebrew 11 vs. 6-11)

Your destination in regards to your destiny might be only a product of your imagination but you have God who is there already, for He declares the end from the beginning (Isaiah 46 vs. 10). God is saying to someone, **“Your desired destination in life is not far from your feet. Surely you will get there”**. Surely you will get that job of your choice. Surely you will soon settle down with your soul mate. Surely you shall fulfil your God given days in life. Surely you will witness the fulfillment of God's promises to you. Surely you will end 2021 far better than you have ever witnessed. Surely you will see the sample of God's love and mercy. Surely all those waiting to see you fail, shall drink the wine of God's shame. Surely your Christian life will manifest the reality of your God. Surely today is the end of the attack you face in the night which scares you from sleeping, in Jesus name, Amen! Verse 8 of today's scripture said, *“By faith Abraham obeyed when he was called to go out of the place which he would receive as an inheritance and he went out, not knowing where he was going”*. It was ministered in my Spirit that the reason why Abraham took the step is simply because he knew **“SURELY HE WILL GET THERE”**. He knew that since God has spoken he is also responsible enough to bring to pass that which He has spoken. We serve God who doesn't flatter but means everything He says; and I am so certain He has spoken concerning your future, of course He has spoken concerning 2021 and He said, **“It is your year of Divine Exposure”**. I am sure your life will witness His exploit for us this year. Since Jehovah kept you alive, He surely has a plan for you. Sip this juice from Elbert Hubbard, **“He has achieved success who has worked well, laughed often, and loved much”**. And Robert Browning echoed, **“A minute success pays the failure of years”**. Am not so sure of the details of your journey this year but through the Spirit of God that dwells in me, I am convinced you will reach where you are going. **“Surely you will get where you pictured to venture and dwell as your future”**. In Jesus name, Amen!

TEXT: (2 Peter 1 vs. 1 – 4)

There are many means of getting informed in this age and one of them is by **taking note of the information already surrounding you**. You can hardly have an efficiency that is awesome if you are not bent on learning around. Many people have abused some material simply because they didn't fancy reading the manual. I once heard a story about a man who was in a fancy restaurant and wanted to access the Wi-Fi that was available there. It was a free network that is made accessible for customers there. He approached the receptionist to inquire of what the password was. The receptionist replied him saying, **“Eat First”**. He went and sat on his seat ordered for food and ate, after He was done eating. He approached her again to ask for the password, the receptionist replied again saying, **“Eat First”**. The man got upset started to raise his voice saying I have eaten!!! The receptionist out of surprise said, **‘Really, I never meant you should ‘eat first, I just told you the password from the beginning when you came which was Eat first.’** Lack of information even causes distress and anxiety, stress and worry over nothing. **Absolutely nothing!** Verse 3 of today's scripture says, *“According to his divine power hath He given unto us all things that pertain to life and godliness, through the knowledge of Him that hath called us to glory and virtue”*. **He has given all that pertaineth to life and godliness through the knowledge of Him (Jesus)**. Some hear God's word and do what is written without knowing why it is written and what it handles. To build the knowledge of God is done and achieved when we study it through the very help of the Holy Spirit. Do not be a hearer, also understand and do what you understood through the help of the Holy Spirit. There are points the Lord drops to you, take note of them. May be through dreams or through His audible voice. Listen, observe and adjust yourself to the discoveries gathered from observation which will in turn make you to appear outstanding. God bless you.

According to Apple financial report, the company has entered the trillion dollar realm. Apple company began very small with a co-founder whose name was Ronald Wayne. This man co-founded Apple Computers (Now, Apple Inc.) with Steve Jobs and Steve Wozniak. He drew the first Apple logo, drafted the first original agreement between the founders and wrote the first manual for their first computer. He held a 10% share in the company but soon decided to relinquish it for \$800 and was given additional \$1500 to forfeit all right of ownership, two weeks later the company was officially registered in 1976. His reason for that decision was that the company was financially demanding. Today, if Ronald Wayne had kept his 10% share, he would have been with over 100 billion dollars, that would have made him the richest or second richest man on earth. But the total of everything Ronald Wayne collected in 1976 (44 years ago) stand \$9,498 in 2020. Today Ronald Wayne is worth \$300,000 less than the million dollar mark, yet the agreement he drafted was sold for over a million dollar when he left. The First Apple product he ever owned was Ipad given to him in 2011. Ronald Wayne said it was demanding on Him financially. If only He saw today, his decision of 1976 would have been so different. Everything of lasting value is highly demanding. **Greatness is not a product of convenience.** The greatness of tomorrow begins with the sacrifice of today. There is always a chance to build a better tomorrow from today; it all depends on one's capacity to see tomorrow today and offer all he can for the tomorrow he saw to become his present. Considering verse 7 of today's scripture says, ***"Though thy beginning was small, yet thy later end should greatly increase."*** God is counting on your hope and sight of vision. It takes your proposed destination to guide how you walk. **"The pain of knowing you had opportunity at a point in life to change the course of your life is the greatest pain and regret to live with."** Trust God and ask Him to guide your long walk to success because without long walk there is no breakthrough. **May God bless you.**

PrayerPoints: Worship God in your own way.

1. Thank God for His word to you.
2. Pray for the grace to get things right as God gives you grace.

You have gotten it wrong when you believe that there no reward for doing what is right. I do hear people saying to some other persons, **"Your reward is in heaven but they are wrong"**. Every good did is meant to be rewarded here on earth first. So anything less than the reward is not right. Diligent students are rewarded with quality grades; diligent persons are rewarded with success. At the start of the Coronavirus pandemic when supermarket shelves were suddenly bane, Mr Norris, 53, from Cambridge – shire, began to use his own car – on the days he wasn't working, at Asda in Wisbech to make sure elderly and vulnerable customers still got their shopping. He rallied his driver colleagues to volunteer their own time to pick shopping, go through the tills, and deliver it in their own vehicles on a Sunday. With the help of his wife Vanessa and daughter Anna, 22, he took orders by email and phone or customers contacted the store directly. I think we managed to do it for about 15 weeks said Mr Norris. **"It was hard but rewarding, seeing the gratitude you got from people that didn't think they could get anything"**. He was awarded as a Hero during the queen's birthday 2020 with the award of British Empire Medal (BEM). **Sincere goodness is always rewarding, being good and doing it right is always appreciating.** God has His means of rewarding a good man & woman. Take out the mind of what to gain and do it right because it is worth doing. Mind impacts more and not income. Verse 35 of today's scripture says, ***"But love ye your enemies, and do good, and lend, hoping for nothing again; and your reward shall be great, and ye shall be the children of the Highest: for he is kind unto the unthankful and to the evil"***. Sometimes it takes a strong mind to accept those who have wronged you and do nothing accordingly to show remorse about their dids. **It really takes divine encouragement to be generous if you are still weakened by the evil others has done to you, Jehovah shall show Himself to you again in Jesus name, Amen!**

TEXT: (1 John 3 vs. 9-12)

Verse 11 of today's scripture says, *"For this is the message you heard from the beginning, that we should Love one another"*. Some individuals are so caring of their brothers only in the absence of success or elevation. True love and friendship is seen both in prosperity and in need. A voyaging ship was wrecked during a storm at sea and only two of the men on it were able to swim to a small desert like island. The two survivors not knowing what else to do, agreed that they had no other recourse but to pray to God. However, to find whose prayer was more powerful they agreed to divide the territory between them and stay on the opposite sides of the island. The first thing they prayed for was food. The next morning the first man saw a fruit bearing tree on his side of the land, and he was able to eat the fruits. The other man's parcel of land remained barren. After a week the first man was lonely and he decided to pray for a wife. The next morning another ship was wrecked, and the only survivor was a woman who swam to his side of the land. On the other side of the island was nothing. Soon the first man prayed for a house, clothes and more food. The next day, like magic all of these were given to him. However the second man remained barren. Finally the first man prayed for a ship so that he and his wife could leave the island. In the morning he found a ship docked at his side of the island. The first man boarded the ship with his wife and decided to leave the second man on the island. He considered the second man unworthy to receive God's blessings, since none of his prayers had been answered. **Success is good but the joy of it is the impact made with it.** Obviously most successful people have gotten the bitter taste of failure, so they knew what it takes to fail; because it is said behind a successful man there's a lot of unsuccessful years. You don't succeed in business as a man and your wife will not feel the impact of your success. You don't succeed as a child without your parents feeling the impact. You don't succeed as a person without your bosom friends feeling the impact. You don't succeed as a pastor without your subordinates feeling the impact.

1. Oh God thank you for your word to me today.
2. Father, I ask for the success that will touch all that is around me.

TEXT: (Matthew 1 vs. 18 – 21)

I welcome you to the outstanding presence of God. See the story below: My husband and I are doctors. He is a surgeon one day I came to his practise, and lay for a few minutes on a couch behind the bookcase. And then my husband comes in with a very young and very pretty intern and they do not see me behind the bookcase. To my horror I hear the girl starts telling him how much she admires him, how she loves and absolutely adores him. Also she was naturally trying to show it as effective as she could. My heart stopped. And then my husband kindly, quietly and guardedly explains to her that she was just carried away by emotions, that she was young and would have her own experiences. He said that he loves his wife and family, and the girl should pay attention to guys her age. Then he went to the reception, and I slipped away quietly. I have been on cloud nine for three days and my husband can't work out why. **Integrity is a factor that sustains serenity.** When one has a problem sustaining what they meant through character and other means, it results to damages. And you know life checks up on you. **Strong integrity means accepting what you accepted publicly privately, then rejecting what you rejected privately publicly and vice versa (You can read that again).** To behave something and believe another is not just a sin but a betrayal of soul. To deceive people with pretence that they matter is also a damage on conscience. **Integrity is not what we expect from everyone, nobility is the birthplace of integrity.** An example was revealed to us in verse 29 of today's scripture where it says, *"Then Joseph her husband, being a just man, and not willing to make her a public example was minded to put her away privy first"*. He was a just man, secondly he knew Mary was a woman of honour and integrity, then He sustained His discipline. **There are people and things whose mouth says something and their mind says another, don't ever be found in that category of humans.** God bless you!

Thich Nhat said, **“Living our life deeply and with happiness, having time to care for our loved ones – this is another kind of success, another kind of power, and it is much more important.”** Helen Keller made a bomb when she said, **“I long to accomplish a great and noble task, but it is my duty to accomplish humble tasks as though they were great and noble. The world is moved along, not only by the might it shows of its heroes, but also by the aggregate of the tiny pushes of each honest worker”.** She simply said, “Success isn't a personal work there are some visible and invisible support the successful got, knowing it or not”. Now from today's scripture the brothers of Joseph made some little effort beyond his knowledge; they sold Him to Egypt. Verse 7 of today's scripture said, *“And God sent me before you to preserve a posterity for you in the earth to save your lives by a great deliverance”.* **God blessed you to bless others, He answered your prayers to answer others through you; be sensitive to these.** In continuation of the previous story (You can revisit two days ago devotion for better comprehend): as the ship was about to leave, the first man heard a voice from heaven booming, “Why are you leaving your companion on the island?” “My blessings are mine alone since I was the one who prayed for them”, the first man answered. His prayers were not answered so he doesn't deserve anything. You are mistaken! The voice rebuked him. He had only one prayer which I answered. If not for that, you would have not received any of my blessings. Tell me, the first man asked the voice, “What did he pray for that I should owe him anything?” **“He prayed that all your prayers be answered”.** For all we know our blessings are not the fruit of our prayers alone, but those of another persons praying for us. I pray that all your prayers will be answered in Jesus name, Amen! Never count success by how much you labored to get there; there are people who labored as you did, even farther than you did and still they didn't achieve what you achieved; this is a sign that there is God who simply chose to be merciful to you, so don't take his mercy for granted. **Show others that God blessed you to put smiles on their faces.**

Prayer Points: Worship God using song 2: Page 121

1. Thank God for His faithfulness and mercy.
2. Ask God to arise and give you the heart that blesses others as He blesses you.

A foolish man is a man who is basically self-focused. Until you engage others in your plan, then your plan is not yet smart enough. So a man of outstanding colour is a man who making other men is part of his plan. Someone might say, “Are you done living for yourself talk more of living for others and my question is all the while you have lived for yourself alone what difference has it made in you?” Limitation that's all. One day I had responsibility that is not personal. Two persons expected me to bless them financially. I said okay I have heard, forward your details. Frankly speaking I told them to forward their details having faith though I had no money with me to give them. So the day was running towards the evening. I said God bring money today let me give these people and settle their needs. Later on God brought the money and I settled them one after the other. We were in our prayer meeting that day when God said to me, “**Because you are concern about others, asking to receive so that you give them, am going to empower you with resources of others because I know you will reach them**”. Life is never meant to be alone. To be distinct is a call to make yourself a treasure to humanity; and guess what, this is what God has called us for and it is basically what He would want us to do. He has called us to produce a result that will stun those individuals who undermined us and underestimated us. God wants it to be clear to us in all ramifications that we are called for awesome examples. His mind has made known to us in verse 15 of today's scripture where it says, “*For so is the will of God, that with well doing ye may put to silence the ignorance of foolish men*” (KJV). “*It is God's will that your honourable lives should silence those ignorant people who make foolish accusations against you*” (NLT). “**By well doing**”. I declare upon you in Jesus name, you must do well, Amen! **To do well is to succeed**. Well doing is to be outstanding. Well doing is also to carry the very character of God. It is God's will that you give Jobs to those who spoke against you. It is also the will of God that you help those who felt you are carrying the bible in vain. It absolutely God's will that your success will silence your accusers and mocker's forever! “**It is only a lost coin that wonders what happens to the treatment and chase it had in the past... At that point its value is hidden within the spaces of grasses which compounds a forest. Value is noticed when exposed to where it is treasured**” (Isaac Chidolue). **Be where you are treasured and get involve with things you treasure, Amen!**

PrayerPoints: Worship God using song 4: Page 123

1. Oh God I thank you for your word to me.
2. Lord Jesus, I receive the grace to be distinct.

A time comes in someone's life when evil is so scared to exist where the person is. In a generation such as ours where evil seems to have increased; God is reminding us that we possess the grace and the capacity to stand above the existence of evil of any sort or kind. Understand that evil exist through the effort of darkness. Since evil is sponsored by darkness it is also clear that light resists evil (John 3 vs. 19). I assume this was in Jesus' mind when He echoed, “**You are the light of the world. A city that is set on a hill cannot be hid**”. (Matthew 5 vs. 14). **When we understand why we are chosen by God, it will be clear to us that God made the choice of us to put an end to evil**. The destiny of scaring evil was given to us according to our area of existence and functioning. You are raised by God to carry the antidote of evil. It is improper to see a Pastor in the house of prostitutes. It is improper for a married Christina brother or sister to cheat on his or her spouse. It is improper for one who enters the house of God (Church) to be part of lies or exist where they are being told: maybe because of a temporal gain. **It is improper to carry the Holy Ghost and exist where evil reigns without planting fear in the face of the wicked**. God is urging us to take our place in this possession in life. Righteousness is attached to glory. **There is a level of righteousness one exhibits that if sinners are not afraid of God they are afraid of you; meaning that they can't do some certain things around you or in your presence**. I guess you saw verse 15 of today's scripture which says, “*He that walketh righteously, and speaketh uprightly; he that despiseth the gain of oppressions, that shaketh his hands from holding bribes, that stoppeth his ear from hearing of blood, and shutteth his eyes from seeing evil*”. To be a Christian is not a personal idea or mentality it is a clear evidence that displays Christ to the confirmation of all. Even the centurion that crucified Christ said, “**Indeed, this is the son of God**”. People may criticize you openly but what truth did they say in their heart about you?

1. Oh God thank you for the grace to stand before you again today.

TEXT: (James 5 vs. 9 – 11), (Proverb 16 vs. 20), (Romans 14 vs. 21 – 28)

The secret of happiness is to know when to let go of those stress that tends to occupy your mind heavily. Creating a smile in the midst of tension is not abnormal, making fun out of a devastating situation is not stupid but reduces the strength of the crisis. Someone shared the story below when he said, “I dropped in to the post office. There was a queue of at least 30 people, probably more, and each person was taking 10 – 15 minutes at the window. Half an hour later, only three people had been served. Right in front of me there was an old man in his seventies. Suddenly he turned to me and said, **“When I came here, I was your age”**. Everybody in the queue burst into laughter. That old man just made my day! I think this is the reason why George Bernard said, **“We don't stop playing because we grow old, we grow old because we stop playing”**. Then someone else made a joke with this when he said, **“Don't take yourself too seriously, be the person who brings joy, humility and fun, even as you strive to reach difficult goals and make your difference”**. Today's second scripture says, *“He that handleth a matter wisely shall find good: and whoso trusteth in the Lord, happy is he”*. **Trusting God is directly proportional to happiness**. You cannot trust God over any matter and not be happy. Don't let what you are struggling with overtake you. You are the person facing the situation not the other way round. There has never been anything that stopped time from ticking that means life keeps moving. Don't stay with any challenge, see it and overlook. **We have the capacity to do our best handling situations if they don't weigh us down**. Someone said, “Don't watch the clock, do what it does; keep moving”. Deliberate choice to be happy enforces our decisions and helps us to be outstanding. Finally let's digest today's first scripture verse 11 where it says, *“Behold, we count them happy when endure. Ye have heard of the patience of Job, and have seen the end of the Lord; that the Lord is very pitiful and to tender mercy”*.

When you endure challenges, you chose happiness over regrets. God bless you!

TEXT: (1 John 4 vs. 12 – 18)

It sounds weird to some persons when they are told of how God-like they look. If God dwells in honour that is your place too. Man is not even a mini god but man is god! Human's begat human, then how can God begat mini god? There is nothing about Jehovah that is mini. If sickness cannot live in Jehovah then it cannot live in you. If death cannot stop God, then it also has no power in you. A brother was recently abducted, He was in the company of a VIP group. Some police men escorting them were shot dead. I think about four of them; but when the brother was taken inside bush and was kept on the kidnapper's custody, he never ceased to worship God, one of the songs is a song written by Pastor Paul Enenche and they shot him but the bullet couldn't penetrate. It could not be just the song he was singing that made him exceptional but the realization of who he is in Christ Jesus. **“No weapon Fashion against you shall ever prosper”** (Isaiah 54 vs. 17). Such is found in who God is. Weapons don't penetrate on God, and on you. Digest the line of the scripture below to plant your feet on the path of preservation this season, **“I have said, ye are gods; and all of you are children of the most high”** (Psalm 82 vs. 6). If you are the child of the Most High, then the DNA of the Most High dwells in you. Beyond that too, He said all of you. Wow! All of us. No one is exempted! All of you! **“Jesus answered them is it not written in your law, I said, ye are goods?”** (John 10 vs. 34). Is it not written in your law? If God reigns where He is, then you should reign. If God rules where He is, then you should rule. The question is how? *“Hereby know we that we dwell in Him, and He in us, because he hath given us of His Spirit”* (Verse 13 of today's scripture). He hath given us his spirit. Digest verse 17B of today's scripture, eat it and remember it, **“...because as He is, so are we in this world”**. As Jehovah reigns in heaven so are we called to reign on earth. **Don't forget that the word of God is an absolute truth. So prove it with yourself.**

Prayer Points: Worship God using song 2: Page 121

1. Oh God I thank you for your word to me.
2. Jesus, I inherit your nature in my life and destiny.
3. My God I receive the ability to carry the force of God in all my endeavours.

Verse 9 of today's scripture says, *"Surely His salvation is near them that fear Him that glory may dwell in their land"*. Hope you saw this: "... that glory may dwell in their land". To live in God's glory is to carry His presence anywhere and anytime. The glory of God is with them that fears Him. The fear of God is the beginning of His glory. I think that Ken Sante made it clearer when he said, **"When you draw on God's grace to put off your self-centered attitudes and act on the principle, you put His glory on display. Your life points to His vast wisdom, compassion and transforming power, and as you look for God's glory, the impact reaches far beyond because you give everyone around you reason to respect and praise God"**. Glorifying God is not about letting others see how great you are. It's about letting them see how great the Lord is. When you maintain a Godly attitude you attract God's glory. The glory of God is too sensitive to righteousness which is found in Christ Jesus. Some group of persons gathered for public meeting and they began to ask their leader many questions, but their questions were centered on life beyond the grave. The leader only laughed and did not give any single answer to his disciples, who demanded the reason for his evasiveness, he later said, Have you observed that it is precisely those who do not know what to do with this life who wants another one that will last forever. But is there life after death or is there not? Persisted a member,. **"The real question is; is there life before death?"** Said the leader enigmatically. It is life before death that determines life after death. A life not lived with glory may not have a place with God at the end of it. To live in God's glory is a choice available for every Child of God, mind where you go, mind the friends you keep, mind what you do, mind your life according to God's demand then you are already covered by His glory. Act by asking yourself what amount of glory will God harvest from what I want to do. If God's presence which is his glory is not preserved it disappears. **Father, I receive grace to align with the demands of your presence.**

PrayerPoints: Worship God using song 1: Page 120

1. Thank God for His faithfulness.
2. Ask God to come and take His place in your life and destiny.

Have you ever come to the point where your effort has failed even though you were trusting God? There are things Jehovah does just by Himself alone to demonstration His power to us. **I don't know the crisis life might have showed you but the power of God is supreme above crisis.** There was this barren couple who had waited on God for years, for their children to come, nothing happened. The situation looked like one of those very impossible ones because medically it was said that the wife doesn't produce her own eggs which can be fertilized for conception to occur so it was evidently impossible for the couple to have their own babies. They have money and could afford any height of medical treatment, so they went for IVF (Invetro fertilization). They borrowed eggs about three time repeatedly and they all failed. So at that point all their hope was lost. They concluded their state and accepted the situation but Jehovah said, **"Since your effort has failed, allow me to do my own thing for you."** Suddenly the woman became pregnant because Jehovah touched her. Now they have their own kids, they had three at once! **If you take God's word with you don't think of the factors responsible to achieve it.** When God speaks, He is enough by Himself to actualize His own word which says in verse 9 of today's scripture, *"He maketh the barren woman to keep house, and to be a joyful mother of children. Praise ye the Lord"*. Barrenness was actually the situation of the woman we saw above who had no egg of hers, but God made them male and female and the meaning is that He made them complete, Amen!! This season believe God for proving Himself through you, in the presence of God and His power He achieves what He wants to achieve through us. If you are believing God for the fruit of the womb have your baby now! At every crisis the Lord is the Ultimate and Faithful King. Verse 7 of today's scripture says, *"He raiseth up the power out of the dust and lifteth up the needy out the dunghill;"* The way He raises the poor out of poverty, the poor himself hasn't even known that. God bless you!!

1. Oh God I thank you for word to me.
2. Jesus, perform your wonders in my Life.
3. Oh God I take hold of your divine manifestation in me in Jesus name, Amen!

“Opportunities are not similar but the form they appear looks familiar to each of them”. God has made glory available but it is someone's duty to get it activated. God has set an open door but it is someone's responsibility to walk through it. Verse 5 of today's scripture revealed, *“And the sons of the Prophets that were at Jericho came to Elisha, and said unto him, knowest thou that the Lord will take away thy Master from thy head today? And he answered, yea I know it, hold ye your peace.”* Elisha knew His master was about leaving the circle of the earth and yet followed him. I believe by this time Elisha is already a prophet; but he knew there is a glory yet missing. He knew without this glory the absence of his master will be missed without any substitute to replace Him. Elisha knew if he did nothing about the glory that he won't witness it's manifestation in his ministry. The sons of the Prophets approached him asking, why are you still following your master, are you not aware he will be taken today? It has been a custom to them; to know when a high prophet finishes his ministry. **“In the midst of all the suggestions, Elisha was saying I desire for a glory: that same glory that covers my master”**. Of course He got the glory and other prophets lined at his back, as it is written in verse 15 of our basic scripture: *“And the sons of the prophets which were to view at Jericho saw him, they said, the Spirit of Elijah doth rest on Elisha. And they came to meet him and bowed themselves to the ground before Him”*. Without being told they saw the Spirit of Elijah on him; and they bowed. There is a glory you need to activate, by going extra miles, by stepping up to greater height, there is a glory you need to activate by refusing to be normal with others. **Persist with God, believe Him, Do what He asked you to do, pray as supposed, fast as needed and aim higher than average so that the Lord who bring dreams to pass shall favor you.**

PrayerPoints: Worship God in your own way.

1. Thank God for His faithfulness.
2. Ask God to activate His glory in you today.

There are individuals who are good in abusing God's blessings. Cross check yourself today and ensure you don't fall into the category. There are individuals who became the worst of themselves after God lifted them to a certain height of life. There are men who became strangers to the lovely wife they married after some level of upliftment. One of the things I cannot fathom is why is it that people abuses God's blessings on them. There are sisters who prayed to God to have a good home, and a good husband, but when the man came they abused Him. **Could it be an act of carelessness or a disannulment of value.** Many individuals met the verge of death and said, Lord, just give me one more chance to live and I will do all I can to be yours which the Lord answered but their lives speak different of the things, they said to Him. There was a day I was bargaining a deal with some elderly men. The money wasn't that much and they were asking me to agree to their price. I was trying to see if I could cut out some money from what they already mentioned and I heard a voice said to me I blessed you to bless not to stress people or do you want me to stress you. Don't abuse God's blessings by doing what doesn't suit it. **Is a big sin to wait on God for marriage after years and God later blessed you but the person you are married to isn't happy while marrying you.** It is a sin to be anointed and at the same time people abuses God for your sake. Verse 6 of today's scripture revealed the mind of God when it says, *“Thus saith the Lord; they also that uphold Egypt shall fall, and the pride of her power shall come down: from the tower of Syene shall they fall in it by the sword, saith the Lord God”*. **Upholding Egypt means to abuse the freedom God has given. Rejecting His goodness to uphold satanic mess.**

TEXT: (Deuteronomy 32 vs. 7-14), (Psalm 16 vs. 5-11)

The Lord is our portion in the land of the living. I welcome you to the throne of the one whose wisdom is of no match within the circles of the universe. Your portion in life determines your position in life. Verse 9 of today's scripture says, ***"For the Lord's portion is His people; Jacob is the lot of his inheritance."*** What portion is the Lord's? Is there a limit to His portion? Obviously almost all of us are seeking for His portion this 2021. Portion in marriage, business, academics, and career; and the Holy Spirit is reminding us today that Jehovah is our portion. Of course to get your portion or maintain it some battles would take place. Especially when your desired or possessed portion is a beautiful place. **I don't know what you seek this year but I know the Lord's portion is mighty and great.** There is no limit to the portion of the Lord. David had this understanding, having noticed a lot of battle around him. He became stronger knowing the Lord was his portion he said in Verse 5 of today's second scripture, ***"The Lord is the portion of my inheritance and of my cup"***. "My choice is you, God, first and only. And now I find I'm your choice". The reason why your portion is outstanding in life is because you are God's choice. This is not what persecution changes, trials doesn't delete it. As you are journeying within this year always remember that the Lord is your portion no matter the situation or the challenge, it will surely end well. The most qualified worker to be promoted is you. The next favored person to prosper in business is you. You are the most qualified person to end this year with testimonies. You are also the most dignified person to be respected for righteousness. Just trust God and follow his lead. Digest this from Nicholas Spark: **"I have faith that God will show you the answer. But you have to understand that sometimes it takes a while to be able to recognize what God wants you to do. That's how often it is. God's voice is usually nothing more than a whisper, and you have to listen very carefully to hear it. But other times, in those rarest moments, the answer is obvious and rings as loud as a church bell"**. May God lead you to your portion in Him. Amen! Join our Home cell fellowship this Sunday @ location close to you.

1. Thank God for His faithfulness.

TEXT: (Isaiah 63 vs. 12 – 17)

I welcome you today to the infinite presence of God. **Giving God all is to come to the point where you rely on God for the very best on yourself.** A lot of people who had failed in their walk with God are really genuine. Some of them wanted to do the best they could do with God. They had good intension and they do fear the Lord. When you see a sister who became pregnant out of wedlock, it doesn't mean that she is really unrighteous. It doesn't also mean that the individual don't know how to keep the precepts of God and obey the will of God but they took their Christian faith upon themselves instead of handing it over to God. ***"Jesus is the author of our faith and also the one who finishes what He authored in us"*** (Hebrew 12 vs. 2). From my beginning of walk with God, I have had many keen approach towards righteousness and keeping the standard of God but as I advance I discovered that the best way to see ourselves walking and living like God is to hand over all of our being and choices to Him. Verse 17 of today's scripture says, ***"O Lord, why hast thou made us to err from the ways, and hardened our heart from thy fear? Return for thy servant sake, the tribes of thine inheritance"***. From the scripture above it shows that it is the Lord who makes one not to err. This is the day to pray against that satanic trap surrounding your life and your destiny. What God does not sponsor cannot be entertained. What God do not allow cannot be accepted. You have all the needed capacity to be controlled by God! Say with me, **"Father, I am yours, my life is yours, my ways are in your hand"**. Disconnect me from the lust of my decisions and connect me to your greatest purpose for my life and Destiny. Help me to be yours now and always. **"Guide me through your ways, and may I not fail you because you didn't allow me to"**. Jesus is not just our saviour but He is also our keeper, He is not just our Lord, He is also our source.

TEXT: (Ephesians 3 vs. 10 – 19), (Judges 9 vs. 1)

I welcome you before the One who is classified as the Adonai. Have you ever considered why family, why God did chose to connect you with people, by blood and relativeness? **Family is essentially given to render support to us.** Someone told a story about what happened when He was ten years old, according to him, he said, then he tried to start earning money. He made knitted napkins and sewed oven gloves. Then He gave them to the art centre to sell. And when they sold them they gave him a few coins. He was awfully proud! And only in his thirties did he learn that it was his granny who had gone there every time and bought all his hand-made napkins. According to Him she still uses them today. There are many ways to get into what is needed and the best way to do that is to be a lover in your family. Do what is right and show others love and in so doing you have fulfilled God's mind. Many people are better outside than in their family. I think that's why the word charity begins at home is of great essence. Little support and encouragement you show to your family makes many of them to emerge succeeding and such goodness are most times unforgettable. **“The informality of family life is a blessed condition that allows us all to become our best while looing our worst”** (Marge Kennedy). Be a brother that will be remembered for good and also be someone who your family will always be grateful to God for. Verse 16 of today's scripture says, **“That he would grant you, according to the riches of his glory, to be strengthened with might by his spirit in the inner man”**, Jesus is our family head who is willing to guide us in the riches of His glory. Being with your family is the first way to start loving them. (Judges 9 vs. 1): **“And Abimelech the son of Jerubbaal went to shechem unto his mother's brethren, and communed with them, and with all the family of the house of his mother's father....”** **He communed with his Family!** God bless you!

TEXT: (Proverb 3 vs. 29-35)

Verse 33 of today's scripture says, **“The curse of the Lord is in the house of the wicked: but he blesseth the habitation of the just”**. If God had already cursed the wicked, who am I not to allow the curse on them? **There is no holiness in refusing to do what God has done.** You know some Christians try to be holier than God Himself. The wicked are those individuals that doesn't want your progress or peace. You may not be rich but there are people too pissed off to see you still breathing. We are in a world where some men are claiming gods over their fellow man. Of course they are everywhere and they are strategic in their oppression. Believe me if I tell you that some of the attacks and challenges some believers are facing isn't God's will for them. Some individuals are angry seeing you carrying Bible and yet succeeding being unaware of the bullet from the scripture that says, **“And I will give you the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the Lord which calleth thee by thy name [am] the God of Israel”** (Isaiah 45 vs. 3). I have witnessed God frustrating His enemies. Some of the wicked are angry with you for no reason, maybe because they are building a story and you are building two (2), or they expected you will remain unmarried and once they saw you marry they vowed you will not enjoy your home, or you will not have a child to call yours. There is someone reading; your downfall began the very day you had attack in the dream and woke up with a painful body; today God is resetting your progress to default not to suffer satanic manipulations anymore. Lift up your hand and say with me, **“In the name of Jesus I command, the element of the universe, the sun, the moon and the stars, to hear God's word. Any operation going on in my life as a result of satanic and wicked activities, I put an end to it today; and I command the sun, moon and stars to activate curses upon the wicked standing against my fulfillment. I offer the wine of God's wrath upon any kingdom or altar trying to determine my progress in life, in Jesus name, Amen! I command breath to cease from that nose that is working tenaciously to see my down fall in Jesus name, Amen!** (Isaiah 3 vs. 11), **“Woe unto the wicked, it shall b ill with him for the reward of his hand shall be given him”**. Jesus, by your name, I curse the wicked in Jesus name, Amen!

TEXT: (2 Corinthians 7 vs. 10 – 16)

It is a glorious day before the all wise God, Jehovah Nissi. A man's wife got missing with his car that she was driving and he visited the police station to report the case, below is his conversation with the police officer.

Husband: My wife is missing, she went shopping and hasn't come back.

Inspector: What is her height? Husband: I never checked.

Inspector: Slim or robust?

Husband: Not slim, may be robust.

Inspector: Colour of her eye?

Husband: Changes according to seasons.

Inspector: What was she wearing?

Husband: Not sure if it was dress or suit.

Inspector: Was she driving?

Husband: Yes.

Inspector: What colour of car?

Husband: Black Audi A8 with supercharged 3.0 litter V6 engine, 333 horse power, teamed with an eight- speed tiptronic automatic transmission with manual mode. And it has full LED headlights which use light emitting diodes for all light functions and has a very thin scratch on the front left door... and ... (Starts sobbing).

Inspector: Don't worry sir, we will find your car. Kind of funny or crazy but same is applicable in many person's life. Funny enough some couple don't really care about each other but only minds what the other fellow does. Some don't care about their husbands but about the money he could bring. Some men don't really care about their wives but minds the treatment they get from them alone. Some employees don't mind their workers just the service they receive and renders to them. Some Pastors don't mind their workers and people. Life is basically about what you mind. Some parents ignore their kids to run after money and things. **Human is not a thing and nothing can equate a human whom God has committed in your life.** Digest verse 12 of today's scripture which says, - *"Wherefore though I wrote unto you, I did it not for his cause that had done the wrong, nor for his cause that suffered wrong, but that our care for you in the sight of God, might appear unto you."* **Care for people in such a way that they will be proud of your care.**

TEXT: (Matthew 9 vs. 23 – 31)

The coming of Jesus into a matter, projects His solution on that matter. Jesus is a solution giver and a life changer. He doesn't step into any place leaving the place in the same situation it was found. I don't know what the devil may seem to project around your life and destiny but the coming of Jesus presents a solution to you now in Jesus name, Amen! **When Jesus comes solution presents itself.** He is the major solution provider. I don't know the terrible situation the devil might have kept around you but is not as worse as death and therefore the help of Jesus this day, will transform and liberate your life in Jesus name, Amen! Verse 23 of today's scripture says, *"And when Jesus came into the ruler's house, and saw the minstrels and the people making a noise".* Oh, why was the noise, because death visited the family. There could be a noise of limitation around your life and destiny, noise of disappointment, noise of backwardness, and noise of calamity. This was the very situation in the ruler's house but the good news is that Jesus visited! His visit doesn't sound like it but His impact is undeniable. His glory is undisputable. His grace is highly accessible. When Jesus came, He spoke the word of faith. If you wish to demonstrate faith watch the words of Jesus, He said, **"Give place: for the maid is not dead, but sleepeth"** (Verse 24). To get Jesus involved you need to speak faith. **Faith doesn't confirm what happens or what has happened it speaks of what should replace what has happened.** Jesus walking in Faith said that the dead maid was not dead but sleepeth. Whatever ugly situation presently in your life, Jesus is telling you to speak in disagreement and opposition of it today and now. **"Yes declare it"**. I am not reserved for hell, am just running my race to get my crown from Jesus. I am not poor, I am just expecting my cash now. No, No! I am not sick (mention the illness), I am better than I have ever been. When Jesus comes, situations don't remain the same, when He comes yokes and burdens are broken. When Jesus comes, your testimony shall abound and He just arrived at someone's family, therefore all the advancements of the wicked shall be set ablaze in Jesus name, Amen!

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.

2. Lord, I receive the guide and help of God as Jesus steps into my life.

3. Father, as you step in take away anything that does not represent you in me in Jesus name, Amen!

My God my Father while I stray: Song 1

Charlotte Elliott

My God, my Father, while I stray
Far from my home in life's rough way,
O teach me from my heart to say,
"Thy will be done."

Though dark my path, and sad my lot,
Let me be still and murmur not,
Or breathe the prayer Divinely taught,
"Thy will be done."

What though in lonely grief I sigh
For friends beloved, no longer nigh,
Submissive still would I reply,
"Thy will be done."

If Thou shouldst call me to resign
What most I prize -- it ne'er was mine:
I only yield Thee what was Thine --
"Thy will be done."

Let but my fainting heart be blest
With Thy sweet Spirit for its Guest,
My God, to Thee I leave the rest;
"Thy will be done."

My Hope is built: Song 2

My hope is built on less
Than righteousness;
I dare not trust the sweetest frame,
But wholly lean on Jesus' name.

Refrain:

On Christ, the solid Rock, I stand;
All other ground is sinking sand,
All other ground is sinking sand.

When darkness veils His lovely face,
I rest on His unchanging grace;
In every high and stormy gale,
My anchor holds within the veil.

His oath, His covenant, His blood
Support me in the whelming flood;
When all around my soul gives way,
He then is all my hope and stay.

When He shall come with trumpet sound,
Oh, may I then in Him be found;
Dressed in His righteousness alone,
Faultless to stand before the throne.

Christian seek not yet repose: Song 3

Charlotte Elliott

Christian, seek not yet repose,
Cast thy dreams of ease away;
Thou art in the midst of foes:
Watch and pray.

Principalities and powers,
Mustering their unseen array,
Wait for thy unguarded hours:
Watch and pray.

Gird thy heavenly armor on,
Wear it ever, night and day;
Ambushed lies the evil one:
Watch and pray.

Hear the victors who o'ercame;
Still they mark each warrior's way;
All with one sweet voice exclaim,
"Watch and pray."

Hear, above all, hear Thy Lord,
Him thou lovest to obey;
Hide within thy heart His word,
"Watch and pray."

Watch, as if on that alone
Hung the issue of the day;
Pray that help may be sent down:
Watch and pray.

Guide me, O thou: Song 4

William Williams

Guide me, O Thou great Jehovah,
Pilgrim through this barren land.
I am weak, but Thou art mighty;
Hold me with Thy powerful hand.
Bread of Heaven, Bread of Heaven,
Feed me till I want no more;
Feed me till I want no more.

Open now the crystal fountain,
Whence the healing stream doth flow;
Let the fire and cloudy pillar
Lead me all my journey through.
Strong Deliverer, strong Deliverer,
Be Thou still my Strength and Shield;
Be Thou still my Strength and Shield.

When I tread the verge of Jordan,
Bid my anxious fears subside;
Death of deaths, and hell's destruction,
Land me safe on Canaan's side.
Songs of praises, songs of praises,
I will ever give to Thee;
I will ever give to Thee.

Jesus keep me near the cross: Song 5

Fanny Crosby

*Jesus, keep me near the cross,
There a precious fountain
Free to all, a healing stream
Flows from Calvary's mountain.*

*Refrain:
In the cross, in the cross,
Be my glory ever;
Till my raptured soul shall find
Rest beyond the river.*

*Near the cross, a trembling soul,
Love and mercy found me;
There the bright and morning star
Sheds its beams around me.*

*Near the cross! O Lamb of God,
Bring its scenes before me;
Help me walk from day to day,
With its shadows o'er me.*

*Near the cross I'll watch and wait
Hoping, trusting ever,
Till I reach the golden strand,
Just beyond the river.*
