## Why the COF and How to use the COF

(Psalm: 90vs12): *So teach us to number our days, that we may apply our heart unto wisdom.* A man's days will be told as an ordinary story if he/she wasn't able to number them according to God's wisdom. The wisdom of God is Jesus: and Jesus is found through the word of God (John: 1vs1). **Don't be fooled by the Calendar. There are only as many days in the year as you make use of (Charles Richard).**

Through the daily digestion of the word of God, days are utilized and destinies are experienced. Through this daily devotional God makes you to channel your days toward the reality of your destiny. In COF God has a direction and an instruction for you daily. Start today, remain steady and the eternity will celebrate your days.

### 7 steps on how to use the COF

- 1) Create a time with the Almighty God daily; preferably in the morning hours.

WELCOME TO JULY

THEME

**DOMINION.**

Anyone can do anything but everything isn't the idea of anyone. **"The moment you grow up, you will surprise some persons because they hope to see you where they saw you last. They never know they saw you there for the last time"** (Isaac Chidolue). I welcome you to this month of July. The Lord has called it our month of **dominion**. I decree upon you, 'By the Power in the name of Jesus, Let there be shake-off, of every form of load that limits your flight in Jesus name, Amen! Any ancestral force that has limited your appointments for the previous months, they are hereby arrested and destroyed forever, in Jesus name, Amen!' By the mercy of God I proclaim peace in every side of your life and destiny, Amen! Sometimes it is very necessary to take a drastic decision. Yes, it is necessary to take a drastic decision. It is necessary to notice how bad things are and get angry about them. Shake them off. Verse 14B of today's scripture was clear when it says, *"... Shake off his leaves, and scatter his fruit: let the beasts get away from under it, and the fowls from his branches"*. **Why are you expecting God's intervention maritally yet, you haven't let go of the sinful, mission-less and fruitless relationship you are keeping.** Don't be scared of shaking off the draughts/ loads; your life is not built on any man but on God. If Moses did not go, Joshua couldn't have shined. **The truth is that you don't move to a better life compared to your present, until you are tired of your present life.** It takes a thought and an action to shake it off. (1 Chronicle 4): Jebaz became angry on that particular day and he shook-off the womb curse on him. This is not a month to lament but a season to move to the next phase of glory. I prophesy change of level in Jesus name, Amen! **The more of God you see, the more of chances you cease.** You cannot carry such an efficient God and live insufficient. **"It is the birth-right in grace to explore the content of the earth and consume the riches of the gentiles"** (Isaac Chidolue).

**Prayer Points: Worship God using song 1: Page 120**

1. Thank God for the privilege to witness a new month.
2. Jesus, arise and push me to the next level.
3. Mighty God I thank you for a new month.
4. Jesus, triumph in my life.

TEXT: (Isaiah 61 vs. 1-5)

“**Standing with God when every other thing seems to fail is a sure standing that doesn't allow things to fail**” (Isaac Chidolue). I don't know if you really understand the word above, but the Psalmist said in Psalm 37 vs. 25, *“I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging for bread”*. This shows that there are times when things goes hard, when it looks as if the righteous cannot carry himself anymore. Life's challenge minds no one, the wind that generates storm minds not the passengers on the boat, so in life challenges and problems comes but the Psalmist says here, in those challenges the righteous is never forsaken. I don't know what may be around you, making it appear as though you are forsaken, I want to assure you, that Jehovah cannot forsake His own. We had a clear example of this in the life of Job who looked as though he was forsaken, everything about him was saying otherwise. It was popular and loud that his friends forsook him, likewise his wife but the bible spoke satisfyingly in Job 42 vs. 12-16 saying, *“So the Lord blessed the later end of Job more than his beginning: for he had fourteen thousand sheep, and six thousand Camels, and a thousand yoke of Oxen, and a thousand she asses. Verse 13: He also had seven sons and three daughters. Verse 14: And he called the name of the first Jemima, and the name of the second, Kezia; and the name of the third kerenhappuch. Verse 15 says, “After this lived Job an hundred and forty years and saw his sons and his sons' sons, even four generations”*. That's the story of the man who was not forsaken by God. **Who left you doesn't really matter if God hasn't concluded with you.** God bless you richly.

**Prayer Points: Worship God using song 3: Page 122**

1. Oh God, I thank you for your word to me.
2. Jesus, show forth your grace to me.
3. My God, do for me what I can't do for myself.
4. My Father, remember me afresh today.

TEXT: (Isaiah 61 vs. 1 – 5), (Psalm 126 vs. 1)

I thank God on your behalf for it pleased him to bring us together this period. Someone made a juice out of this line when he said, **“Intelligence increases with experience. This is in relation to experimental intelligence. It the street smartness of people. So which takes as much experience as you can. It will make you more mature to deal with life's problems”**. In life, experience they believe is the best teacher. As God helped us yesterday we saw the experiences of two persons in which we will still consider one of them today. King David was the one who said, since he was young he hasn't witnessed the righteous forsaken. This was a statement he made from his experience. One who may not understand would ask, how possible is that? I may not have the right answer to that but the story about Job's end like we saw yesterday went very far to answer that; where his later end was far greater than his beginning. Brethren the Lord is speaking to someone in his full voice saying, **“I will not leave thee nor forsake thee”**. How do I know the authenticity of this? Today's second scripture echoed. **“When the Lord turned again the captivity of Zion we are like them that dreams”**. Oh yes, just one morning you will wake up with a new story. One morning you will wake up with your baby, yes, after months/years of waiting. One morning your marital expectation shall come. It will definitely look like dreams but you aren't dreaming. Today's first scripture which was same with yesterday's says, *“To appoint unto them that mourn in Zion, to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness, that they might be called trees of righteousness, the planting of the Lord, that he might be glorified”*. Ashes signifies shame. So for your shame, the Lord will give you beauty, Amen! Don't drop your faith and trust for you are not forsaken. **Contact us: 07066085556.**

**Prayer Points: Worship God using your own songs.**

1. Oh God, I thank you for your word to me.
2. Jesus, show me your power of abundance.
3. I take on the grace of God's excellence and power.
4. I shall dwell in the beauty of the Lord.

TEXT: (Psalm 138 vs. 1 – 8)

Very simple it appears among men to find out what is the best choice to make, what else would I do, where should I run to, and who will I trust. Most people's problem in life is that they don't know the psychology of God's thought towards man. Brethren I want to remind you that the Holy Spirit is still concerned about the perception of man. A man cannot see God beyond the status of His thought. The scripture made this obvious saying, *“As a man thinketh in his heart so is he”*. The thoughts of a man is the reason behind every evidence and proof of God's presence around him. No man saw the reality of God without a clearer understanding that he will appear if He wants. The thought of God towards man is static and concluded. He made his mind known in the scriptures where He said, *“For I know the thoughts that I think towards you saith the Lord, thought of peace and not of evil to give you an expected end”*. (Jeremiah 29 vs. 11). We see God from the exact point we expect him. To someone the Lord is saying today, “It is my thought to bless you with a peaceful home and a great life partner”. To someone else he is saying, “I will make greatness to germinate out of you”. This year cannot be counted as loss despite the losses you might have encountered as a result of the pandemic. The Psalmist gave us a hint in verse 2 of today's scripture where He says, *“I will worship towards thy holy temple and praise thy name for thy loving kindness and for thy truth for thou hast magnified thy word above thy name”*. We praise Him not for what He has done alone, we praise Him for who He is. God's mind is always reachable when we seek out for it. **“Living by plan is good, but life is easier when one lives according to God's mind/will for us”** (Isaac Chidolue).

**Prayer Points: Worship God using song 2: Page 121**

1. Oh God, I thank you for your word to me.
2. Jesus, I receive the grace to know your mind.
3. Father, let me live your mind.
4. My God, give me the grace to know you and stand for you, Amen!

TEXT: (Psalm 138 vs. 8), (Ephesians 3 vs. 16)

Welcome to God's presence! We are now in that generation where it seems that the hardest time to follow God is when there is no money in the pocket of the follower. I can recall the attraction of John Wesley who was inspired by the Potter in his university hostel. This very Potter had only one clothe, no house of his own, no family and was poor but John found him singing and worshipping God with sincerity of heart and that led to his question which was, “Why do you still find it cool to worship God despite how empty you look?” The potter replied, “Am grateful to God for life and for loving me”. God's love towards man is not found in the abundance of his possession. There are people with heavy bank accounts yet condemned before God. Yes, there are people who have nothing in their account and yet dwell in the abundance of God's love and grace. God's mind for you is to give you the very life you desire, bless you and keep you connected to Himself. This was the understanding that made the Psalmist to say in today's first scripture saying, *“The Lord will perfect that which concerneth me: thy mercy O LORD, endureth forever: forsake not the works of thine own hands”*. I don't know the person who has an urgent debt to settle like a rent, God is saying, “I will perfect that which concerns you”. Don't worry, live in the promises of God. Oh yes, His promises is made available to you in all that pertaineth to life and Godliness. That there is no sign of them today around you, does not mean that they will not come. He has provided the right spouse for you. Seek Him and find all things. I declare the manifestation of God's mind in someone's life and if you are the person shout Amen! God bless you! **Digest today's second scripture.**

**Prayer Points: Worship God using song 4: Page 123**

1. Oh God, we thank you for your mercy and loving kindness.
2. Jesus, give me the grace to live for you alone.
3. My God, let me access your provisions.
4. Father, today by your name I escape the degrading rate of life.
5. Faithful God I put to an end any form of limitation existing around my life.

TEXT: (Luke 7 vs. 17)

God is not responsible for the frustration any man could face at a time of crisis.

**The word of God is the antidote for any form of frustrating thought or ideas.**

The Lord expects His own to harvest testimonies from any form disadvantage or crisis any of us could face. It is never the will of God for His own to look like what He/she has passed through. This is why the Lord sounded loud in His word in Psalm 34 vs. 19 saying, **“Many are the afflictions of the righteous: but the Lord delivereth him out of them all”**. Affliction comes, but God's delivering hand is present in the midst of it, not to allow it to prevail against a child of God. In the recent times the world experienced the pandemic Covid-19. A lot of lives were lost but there this story about a man from New Yoke USA, you might have heard of it. He was very wealthy and known; during the pandemic he lost his wife and children to the deadly virus. He was broken I believe, and couldn't bear it any more, he climbed to the top of a building and jumped out of it committing suicide. After crisis comes a testimony. It might look hopeless today but tomorrow will make you laugh in remembrance of today. God is never out of plan. When human wisdom is exhausted, God's plan begins. You cannot tell what God has for you next but I am sure it is something really great. Don't die with the crisis of yesterday, don't conclude your life with what was seen yesterday. The world is not ending yet but Jesus is coming soon, expect him with Joy and fullness of life. Today's scripture reads that Jesus touched the bier. Was He the only one that touched it? No, but the bearers of the dead child stopped and faced him and a miracle took place. **The touch of God cannot change a man who cannot stop for Him.** His touch cannot have effect in the life of a person who didn't recognise it. **Jesus is not just with you today but He is also with you tomorrow. God bless you!**

**Prayer Points: Worship God using song 1: Page 120**

1. Oh God I thank you for your word to me.
2. Jesus, give me the grace to know you and work with you.
3. My God, I receive the grace to triumph and overcome.
4. Oh God, thank you for your word to me today.

TEXT: (Exodus 8 vs. 16 – 19)

The wrath of God upon His enemies does not end half way until destruction is achieved. I pray for someone, any enemy of your destiny and fulfilment is laid to rest today in Jesus name, Amen! I decree again upon those persons making effort to destroy you, limit you, shorten your days, cripple your vision, make you unhappy, today Jehovah shall destroy them, Amen! The truth is that until you have enemies you have never made progress. There are people who will certainly hate you, not that you had quarrel with them or something else but that they just envy your greatness and wish you less. Someone might be asking what do I have that I should have enemies, yes, there are people dwelling in bitterness just because they saw another person living. Sometimes, they relate to you as though they care, ask you some sensitive questions just to access you, not because they rejoice with you, no, but they want to know how far you have gone. I pray for you today, the Lord will silence them forever. May you run today, in a speed they cannot understand. May your path become a solution they can never access anymore in Jesus name, Amen! The challenge that was seen in today's scripture is, what have the children of Israel have done against Pharaoh, absolutely nothing. They were enslaved because they were found more prosperous than the Egyptians. Now they were slaves. Pharaoh was glad seeing them as slaves and never wanted to see them better than that. **May the hand of God pull you out of people's negative expectation for your life and destiny, Amen!** Verse 19 of today's scripture reads, *“Then the magician said unto Pharaoh, this is the finger of God and Pharaoh's heart was hardened, and he harkened not unto them as the Lord had said”*. I decree this season let the warring angels of the Lord be released on your behalf to frustrate, limit, conquer and subdue every work of darkness and strong men around your life and destiny, Amen!

**Prayer Points: Worship God using song 5: Page 124**

1. Oh God, I thank you for your word to me.
2. Jesus, give me the grace to prevail.
3. In Jesus name, I arrest today every enemy of my life and Destiny.
4. Oh God, I shall not be suppressed by any fellow anymore in Jesus name, Amen!

**TEXT: (Philippians 2 vs. 8)**

What could a man who has no-need need? The need of a man is basically inspired by his thought or area where his attention is captured but the greatest of need is the need of the soul. Most times the needs of men is in what they don't see. I came across this story of a multi-millionaire who attended a dinner and sat next to some people who were discussing the subject of prayer. He joined the discussion and boldly declared: Prayer may be alright for you; but I don't need it. I worked hard for everything I have. I don't ask God for anything! A polytechnic lecturer beside him responded; "Sir, there is one thing you don't have that you might pray for. You have one need sir." And what might that be asked the multi-millionaire. The lecturer replied: "Humility!" **Humility is one of the most vital virtue required to reach greatness.** The question the Lord is bringing our way today, to a user of this COF is are you humble? A humble person recognises God at all time. A humble person doesn't show superiority even when He is superior above others. A humble person doesn't get angry when he is directed to serve humanity. A humble person sees the good in others no matter how hidden it appears. Humility is the key that keeps the great greatest. No matter who you are and what you have achieved, never allow others to see it in your words and arrogant relation to them. Jesus after he rose walked with two strangers, ate with them and yet they didn't disclose his identity until he left. You are better honoured when people find out who you are than when you tell them. I have met men of God who didn't recognise me initially and they will introduce themselves as Apostle, major Prophet, Bishop and when they ask me about myself, I will reply "Isaac Chidolue". God's announcement is more impactful compared to any other.

**TEXT: (2 Corinthians 3 vs. 15 – 18)**

The Holy Spirit is a force found in mortals, carrying the embodiment of Christ, all around beings. Up till now and forever I still desire for the fullness of the spirit, it has no limit of measure. May God help us not to be carried away with the shadows of events that worth nothing in the scale of God but to be lifted and empowered through the glory of the Holy Spirit. May we be impregnated with the conception of the real needs of the kingdom of God. Let the heaven support and back our moves up as we reveal the glory of God in such a generation. **It is the Spirit of God that holds the maximal of Godly service, it is the spirit of God that conquers the power of deception released in this age.** Brethren for all that are led by the Spirit of God has an automate energy that carries one into the very act and will of God. From today's scripture we heard about veil. Yes, there is a veil that blocks vision, limits progress, and withstands destinies. There are some individuals who are destined great but because of the satanic influence on their lives through his veil they find it difficult and impossible to reach greatness. To some persons the veil is an ancestral force, to another set of individual it could be a curse or generational pattern but God says, "when it shall turn to the Lord, the veil shall be taken away". The presence of the Lord is the Spirit and where the Spirit of the Lord is there is liberty. The Spirit of God is found through the Lord Jesus Christ. For someone who is desperately in need of transformation, God is saying turn to me. I don't know what you think but I am certain that in the Lord life changes, destiny gets set, mountain melts, any other thing that seems to change life is so insignificant to be compared with the giver of it. With the Lord that owns this vision, life changes, yokes are broken. This was introduced in verse 17 of today's scripture when it says, "**Now the Lord is the Spirit and where the Spirit of the Lord is, there is liberty**". I think Job has a story on this, likewise Moses, Jacob and the rest of us. God bless you!

TEXT: (Proverbs 11 vs. 1- 7)

God bless you today, as He has kept you a witness to his grace and mercy today. **Integrity as many could call it is a virtue not known or seen in frequent places within this generation.** It will be improper if we forget that the beauty of life is determined not by what was gotten where we live but by what exactly we lived by, for and with. The life built on integrity is worth more than any page of influence. Many years back around 1975 there was Masters Tennis Tournament in Sweden, Arthur Ashe who was the first black Tennis champion in the USA played the Romanian, Nastase, then known as Nasty Nastase because of his aggression during games! He cursed and abused Ashe like a mad man during game. Mr Ashe finding it hard to continue with the game quit and walked away off the court saying, "I have had enough, I am at the point where I am afraid I will lose control". The umpire warned him that if he left, he would lose the match. Ashe replied, "**I don't care. I could rather lose the game than lose my self-worth.**" The day after the unfortunate cursing incident, the tournament committee came to the surprising decision, they queried Nastase for his unsportsmanlike conduct, and awarded the match to Mr Ashe. Ashe won the game and won the heart of the world. Today's scripture read in verse in verse 3 saying, "*The integrity of the upright shall guide them: but the perverseness of the transgressors shall destroy them*". Integrity is with uprightness. God rewards men who maintained integrity. As a Christian, the very life you owe yourself is the life of integrity. To live in integrity is to live in a path that is justifiably true and glorious. The Lord shall reward you earnestly.

**Prayer Points: Worship God using song 3: Page 122**

1. Oh God I thank you for your word.
2. Jesus, help me to live in integrity.
3. Father, give me the life that will represent you well.
4. Oh God, help me to stand with you always even when abused.

TEXT: (Genesis 8 vs. 15-22)

Once upon a time, all villagers decided to pray for rain, on the day of prayers all the people gathered but only one boy came with an umbrella (That's faith). When you throw a baby in the air, she laugh's because she knows you will catch her (That's Trust). Every night we go to bed, without any assurance of being alive the next morning but still we set alarm to wake up (That's Hope). We plan big things for tomorrow in spite of zero knowledge of the future (That's Confidence). We see the world's suffering, and marriages breaking but still we get married. (That's Love). I remember few years ago when we went for a crusade at Okija in Anambra State, Nigeria, we prayed against rain and God heard; the last day of the crusade there was a few drop of rain but I had confident that it won't rain, but a lady carrying a child spread her umbrella and I shouted from the pulpit, 'Put that off' and I guess that was faith too. Immediately, the few drops disappeared. Verse 21 of today's scripture said, "*And the lord smelled a soothing aroma. Then the Lord said in his heart, 'I will never again curse the ground for man's sake'*". Two questions to answer: (1) why did Noah offer sacrifice? (2) Why did God make a new silent decision? Noah's sacrifice was for thanksgiving in regards to the preservation of himself and his family, and also for a new beginning. Which includes, 'I trust God not to destroy the earth again (Noah did not mention that but it was in his mind)'. How do I know? It is found in the decision of God. Noah thanked God for the progress he wished to witness in the future and God responded. Now Noah did not know the response of God because God made the decision in His heart. But his faith through the thanksgiving sacrifice he offered had kept his mind stable that God will not destroy the earth again with water. When you hold God with a right mind-set He performs your mind's agreement.

**Prayer Points: Worship God using song 2: Page 121**

1. Thank God for His word today.
2. Pray that God will position your mind for excellence.
3. Come against any thought that limits your mind set.
4. Ask God to clean your heart of any negative ideas.

TEXT: (Psalm 130 vs. 1-8)

The ways of God has not been seen or proven anyway to cause crisis and limitation upon the righteous but have made the righteous to dwell on His mercy and grace. Following after God has not paid less than it should to any individual. Recently I came across a headline that reads, 'a suspected drunk driver who killed six German tourists and injured another four at a Ski resort in Italy'. The driver who had four times the legal limit of blood alcohol, drove up on a side walk. Four times above normal body alcohol limit was found in his body. If no man got drunk six lives wouldn't have been lost. Sin is a reproach indeed. Sin kills the want and desire of God. Sin takes away the truth of the gospel from the mouth of the preacher. Sin limits the audacity and authenticity of the anointed. The result of sin eats deep in the body of its victim. Brethren God called us not to live with sin but to be free from it. Christianity is the work of Christ in man but equally man is not out of responsibility, responding to the needed makes one responsible. The temptation to engage in immorality should be there, it is your duty to flee. The sin of fornication sometimes produces unwanted pregnancy, because that's not what the individual is ready to accept at the moment, it also results to blood shed through abortion. The sin of dishonesty results to loss of opportunities. The sin of laziness results to lowness of life and goals. The sin of greediness results to calamity and emptiness in life. The sin of disobedience results to destruction. **To be sin free is to be decent in living and then embrace success.** It doesn't really matter the sin you have fallen victim of in the past. The Lord got it handled in verse 7 of today's scripture saying, *"Let Israel hope in the Lord there is mercy and with him is plenteous redemption"*. Hope in the Lord, in Him is mercy. When you hope in the Lord you produce answers and testimonies. When you hope in the Lord you live in His ways!

TEXT: (Psalm 147 vs. 1 – 5)

Do you know God is aware of that which troubles you! I welcome someone who is ready for the hand of God today. As a young Pastor I have heard people ask me questions relating to if God is actually aware of all they have been facing, if He knows what it costs them being where they are, following Him and all that. There are times when it seems as though the prayers are not heard, times when it looks as though testimonies doesn't actually come from you but no matter how dark the sky may look God is still on the throne. He is God not man, time does not exist in him and with him. Nothing has passed the stage of his intervention from eternity till now. Glorious in His place and wonderful as God that's Him. In the anger of God He might keep calm, in His joy he might still keep calm. Keeping calm does not mean He doesn't know what to do but it means that he has done what should be done and will command the moment to respond to it. *"The king's wrath is as the roaring of a lion; but his favour is as dew upon the grass"* (Proverb 19 vs. 12). The Lord is telling someone today in the remaining days of this year my favour shall come after you, and shall give you multiple testimonies, Amen! Verse of 3 of today's scripture says. *"He healeth the broken hearted, and bindeth up their wounds"*. **He healeth and bindeth up wounds.** If you have been mishandled by poverty, yes the Lord healeth thee with wealth. If you have been beaten by sin, He giveth thee grace, if it was barrenness, He giveth thee children. He bindeth their wounds. This tells that after the Lord is done with you, it shall be known that you dealt with what dealt with you. Digest verse 13 of today's scripture where it says, *"For he hath strengthened the bars of thy gates; he hath blessed thy children within thee"*. May God bless you to the point you shall not remember your loss anymore, Amen!

**Prayer Points: Worship God using song 5: Page 124**

1. Oh God thank you for your word to me.
2. Jesus, arise and help me.
3. My God, heal my wounds and deliver me from my enemies.
4. Father, I have learnt that you know, therefore show me that you really know.

TEXT: (Luke 1 vs. 35 – 37)

I welcome you to God's presence where grace is found and mercy is received. **“The capacity of God is within His will not outside His will”** (Isaac Chidolue). The will of God guarantee's the power of God. On a journey where God's will is known the power of God is seen. **We are much more concern at doing the will of God because therein is the assurance of God's power we anticipate to see.** In the absence of God's will is a destruction tool from the enemy. In the happenings of life God has a will and His will is most often outstanding. No matter what you want and how ambitious you are, these two can never be match with God's will for our lives. The will of God is strictly outstanding and powerful. The will of God surfaces irrespective of the atmosphere surrounding a nation or locality. During the peak of coronavirus cases I came across the headline that reads on how Kenya announced the release of 5000 prisoners whose crimes are petty, saying they wanted to decongest the prison. Who knows the man who called God and God's will came to his rescue; while the world was talking about pandemic heaven was speaking of his freedom. Any man who wants to go far in life should let go of any other prayer and pray for the will of God to happen. On today's scripture the Lord showed us in verse 35 saying, *“And the Angel answered and said unto her, the Holy Ghost shall come upon thee, and the power of the highest shall overshadow thee: therefore also that holy thing which shall be born of thee shall be called the son of God”*. She was on the will of God and the result that comes with God's will is always outrageous. Elizabeth Zachariah's wife got the yoke of barrenness broken from her life at the frequency of God's will. I speak by the mantle of God over my life, let every difficulty in your life encounter the manifestation of God's will in your life, Amen!

TEXT: (Psalm 13 vs. 1 – 6)

No where today is outside of tomorrow's opinion. This means that your present situation works out your future condition. I heard my spiritual father, Dr Pastor Paul Enenche say, **“Don't be afraid of lion, and don't be afraid of the bear because the battles of today are the foundations of the victory of tomorrow”**. In continuation, I will like to share this testimony with you. There was a young graduate who read Engineering course and after graduation it was difficult for him to secure a job. Luckily for him, he secured a job where he was paid #40,000 monthly. After serving there for few years, he felt that his intelligence and certificate worth more than he was earning. Then he decided to submit CV to other places. One day he wasn't in the office for about 2 hours because he went to submit his CV and when he returned, his boss questioned him and asked him to submit an apology letter. The young man instead of writing apology letter, he wrote resignation letter. For two months he was staying at home doing nothing. Soon enough he got an appointment letter from an Oil Company, and was placed as a trial staff and as a trial staff he was been paid #750,000 and latter was confirmed as a staff which earns him more than a million naira monthly. Let me remind you that during those months of joblessness, he was prayerful and join prayer meetings. You cannot see a glory if you have no story. You cannot have a testimony if there was no test. God is the only one that has never being confused and can never be confuse. He is God not because He was supported; **'Himself' is the only support He needs.** He is wise not because He read too many books but He is wise because He is the phenomenon behind everything. He is the mystery behind everything. In fact in Him is all knowing. ' So, He knows how to make you great and presently you are on His buttons of greatness.

TEXT: (Job 23 vs. 11 – 17), (Genesis 8 vs.21)

Do you know what? God harvests the sooth aroma from your mind. He is God because He made you; you are His because you look like Him. Most things God does are in connection to His mind. In God's mind, He knows that He is the Alpha and the Omega. In your life you are what your mind says that you are. Noah did not pray for God to change His mind about men but simply he thanked God for the new beginning and inside his thanksgiving is a suggestion to God. Inside Noah's thanksgiving is a request he couldn't just make but he esteemed thanking God from a sincere heart above making a request and his thanksgiving was so special that God could not ignore it. Today, God still wants to remind a user of this COF that He eats nothing more than thanksgiving from a sincere heart. Then Noah thanked God with a sacrifice and God received the sacrifice being the all knowing God, He spied the mind of Noah and saw, "Father please if it is possible, I suggest that you should not destroy the earth again with water". Verse 21 of Genesis chapter 8 says, "After God smelled the aroma of the sacrifice", the next need He responded to was the need in the mind of Noah. "I will never again curse the ground for man's sake". God wouldn't have paid attention to that if it was not close to the mind of Noah. See this as well: "God did not announce to Noah His new decision, but Noah believed, and so it is up till today, God has not caused the ground to perish by water. For that need before you, appreciate God, offer sacrifices of thanksgiving to Him, make yours so tasteful, and make yours so delicious for He eats our thanksgiving. Behind your thanksgiving have a mind of your request. If God enjoys your offer, then He will settle your problem without request (secret!) Hmmm: **Stay up today and thank Him for nothing but for being God all by Himself.**

TEXT: (Mark 3 vs. 14 – 15)

Today, we thank God for the grace to behold another new day of excellence. To someone the need to follow Jesus, might be to be healed, to someone else it could be to follow up/ maintain a Christian lineage but that's not the major essence of our fellowship with Him. Jesus is a master to them that follows him. The word master could go for many things; it can be The Owner, the Lord, Father, Boss, The decision maker, The role model, The supervisor, The teacher, The first, The king, and The guardian. To him that lives with a master, he doesn't consider his own choice primary but that of the master. **Jesus is a master to all that follows Him.** We are in that generation of the Spirit and it is of more importance if we can study the ways of the master like the Holy Ghost will teach us today. God speaking to us through his word in verse 14 of today's scripture says, "And he ordained the twelve that they should be with Him, and that He might send them forth to preach". Who were those twelves' to Jesus? In the previous verses, He sought for them and found in them the willingness to follow Christ and to run after His ways. They left what they were known for because they found a Master in Christ. He ordained them in His mind, as He was ordaining them He was determining a responsibility for them in His mind, "... and that he might send them forth to preach". As Christ was thinking about that he was never for once challenged with a thought of what if they refuse, are they really going to welcome that? Is Jesus your Master? The response of a servant to a Master is not an argument, it is 'oh yes Lord'. God communicates stupid things that makes a whole lot of senses. Recently I was believing God for an accomplishment He asked me to table it down and present it on continuous level for 7 days. He didn't ask me to fast anyway. Servants fellowship with their boss is not based on prior knowledge but is based on the "yes sir" theory. Irrespective of how we dig, the mind of God is deeper than our shovel can reach. The most we can do is to obey as our Master, as he wows us.

1. Oh God, I thank you for your word to me.
2. Lord Jesus, make me your own, be my Master indeed.
3. My God, let me be your servant indeed.

Verse 8 of today's scripture says, *"I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and has kept my word and hast not denied my name"*. It takes commitment to be committed to the discipline of God's word. You don't read COF because it motivates you, you read it because you have respect for the name of the Lord, and you read it because you have not denied the name of the Lord; and then because you have been committed to these things God said, ***"I have set before you an open door, and no man can shut it!"*** I believe that when your doors are open they are open to forwardness not backwardness. It should occur to you that you deserve nothing less than a better tomorrow. Jesus never had a better yesterday, God was not greater in the past and you shall never be greater yesterday in the name of Jesus, Amen! No matter what you have achieved, hope for the greater. Hear this: **"Nothing hoped for, waited for and prayed for will escape happening"** (Isaac Chidolue). The major problem with many of us is the desire to celebrate yesterday than today. Presently, if you witness a better yesterday than today stop talking about it. It impresses no man to know how successful you were in the past. Leaving your past behind you is the major secret behind greater tomorrow. No wonder Apostle Paul said in Philippians 3 vs. 13, ***"Brethren, I count not myself to have apprehended; but this is one thing [I do], forgetting those things which are behind, and reaching forth unto those things which are before"***. Your ability to assume you have not started even when you look great already is the secret to the next greater height. Digest this: **"The timeless in you is aware of life's timelessness. And know that yesterday is but today's memory and tomorrow is today's dream"**.

**Prayer Points: Worship God using your own songs.**

1. Thank God for His word for you today.
2. Pray for the grace to work out better tomorrow than you have worked today.
3. Speak against any power or kingdom working against your future.
4. Declare that tomorrow shall yield out positive results for you, Amen!

People would always contribute that expression is better than silence but there are more silence that is far safer than expression. **"Before the tongue can speak, it must have lost the power to wound"**. The words of men guarantee their lives. There are individuals who are where they are today, simply because their words kill their future before they arrived there. People's words can tell you what they look like. Their answers to matter can communicate to you how intelligent or foolish they are. As a young pastor I have been to homes whose future cannot be traced because of the words of either the man or woman. Just words: sound made in the air but dangerous. God is saying to someone pray, try and struggle to stay mute. Not everything said can be withdrawn. Not every time you can talk, not every day that you need to say a thing. Even when a fool is silent, he is considered wise, even though he be foolish. Today's scripture the Lord made his mind plain speaking from the life of Goliath He said, *"When Saul and all Israel heard those words of the Philistine, they were dismayed, and greatly afraid"*. The question the Lord planted in my mind is, What was the interest of God in this battle, was God actually waiting for David for 40 days? Where was Prophet Samuel? Who was the spiritual force encouraging the Israelites to the battle? Permit me to tell you that at this point God had rejected Saul and He wanted to punish his leadership with the Philistine. Therefore I perceived that God wanted to grant victory to Goliath but because He is the Lord that shares not His glory with any man; Goliath projected himself so powerful that God had no place in his victory. For forty days God was waiting for him to speak humbly but he couldn't and after that the heavens introduced the plan B which was David. **The victory of David spoke about the mightiness of God through David's mouth.** Whatever you can't say before God if he was in person, don't say it to someone else because He is everywhere and hears everything. **Stay mute again! Your mouth is not your own** (today's first scripture).

TEXT: (2 Samuel 22 vs. 7-13), (Matthew 3 vs. 11)

-CS Lewis said, **“It is when we notice the fact that God is present in us, it is the very sign of His presence”**. “The spirit of God is the presence of His fire in a life,” you cannot have the spirit full and have the fire cold. The presence of the Holy Spirit is the centre point of all the Christian activities you profess to possess. When you possess the Holy Ghost, you don't only attract the attention of God but also escape all satanic intimidations. “Years ago I was sent by my grand ma (of blessed memory) to go and buy her some bags of sand. When I got there, I was trying to balance the difference between prices from the sand sellers and suddenly I heard someone call Pastor from afar, obviously I was not dressing like a pastor so I knew that the individual that called me will be someone that knows me too well. So I asked him how he sales, he told me, and after a little bargaining I asked him to go ahead and load them for me, at the end of the transaction the amount he was mentioning was different from what we discussed. Quickly I asked the Holy Spirit on what to do and He asked me to gather them so that we pray, since they first recognized me as a Pastor, and I did exactly that. While I was about to start the prayers God began to open my eyes about them individually and I began to mention and speak to them one on one, first with one who ran out from the village after impregnating a girl and other subsequent ones that was not argued by any of them. After the prayers they asked me to pay any amount I want and I gave them what we first bargained and they said **“thank you Pastor”**. Now, with the help of the Holy Spirit we escape intimidations and limitations. I will like you to lift up your hand and say, “Holy Spirit” show yourself in my life and all around me. The scripture said, *“He shall baptize you with Holy Ghost and fire.”* Nothing can differentiate an unbeliever and a believer if not the sensation of the Holy Spirit.

TEXT: (Luke 4 vs. 6 – 10), (Genesis 3 vs.1 – 6)

Satanic attractions begins with finding value in what God rejected. The moment one starts valuing fame more than process, sacrifice more than obedience, that is the road of damnation. This is a great tool in the hand of the devil which greatly contributes to why men are more confused and not conformed. He presents an attraction and many people runs into the attraction of life instead of going for the process. There are individuals that have chased money from childhood, adulthood, old age and yet they find it not simply because they seem to be carried away by attractions. I can recall the story of a man who had a master. His master one day gave him an assignment to push a rock until he (the master) returns. The servant pushed the rock as long as he can and it couldn't move, later someone suggested to him why not push it with a caterpillar and he bought the idea, later the master returned and he ran with excitement to meet him explaining how successful he was with moving the rock from where it was. So disappointed he was because the news did not gladden the master as he responded to him saying, **“The goal is not to move the rock but to push the rock”**. Is not important if the rock moved while you are pushing, just push the rock. The way of God is so important that we maintain it irrespective of the present outcome that has not aligned with our mental wellness. God making this clear to us, showed us in verse 6 of today's scripture saying, *“And the devil said unto him, all this power will I give thee, and the glory of them: for this is delivered unto me; and to whomever I will, I give it”*. I just laughed because of the devil's brag. Brethren those things the devil mentioned there were parts of the exact things Christ came for, but imagine satan giving Christ power, he would have engaged in a lost mission, but today, by the mentioning of Christ's name every knee of both the heavens and the earth bows; this became effective just two (2) years after satanic's brag/temptation. Now satan himself also bows and waits for the command that should be issued by the name of our Lord Jesus Christ. Satan's aim is to attract you with what you need. Is not because you want to marry that you will be in a hurry to accept satan's proposal: you were sure that this is not what God wants. then why allow it.

TEXT: (Genesis 26 vs. 17-22)

I welcome you to the sanctuary of Him who alone is God. Faith indeed begins again. It has no end point different from what it is hoped to produce. **To the faithful nothing is taken except the reality of what is hoped for through faith.** Martin Luther said, "Faith is a living, daring confidence in God's grace, so sure and certain that a man could stake his life on it a thousand times". If anyone is certainly faithful he works again, hopes again, prays again, believes again and restarts again until the desired vision is achieved. From today's scripture when Isaac dug a well (investment) but it was taken by the men of Gerar, he dug another one and it was taken as well; until he dug another one which was not taken and he called the name Rehoboth saying, "*For now the LORD has made room for us, and we shall be fruitful in the land*". I don't know how much you have tried and failed, but I want to inform you that no amount of trying is enough until the desired result is achieved; don't create a theory from your last failures. Theories like: "That does not favour me, it is always hard to get, I don't think I am called into that line, is not my destiny to be there". No one who tried and never gave up has gotten less than he wanted at the end. Thomas Edison tried for 1001 times, Hartland (KFC) tried for 1009 times and here Isaac tried many times in different locations. **The time you stop doing something about the things that wanted to limit you; that's the time you are limited indeed.** Are you faithful? Then begin again. Begin with passion and enthusiasm; you must hit the rock of testimony. Douglas Adams said, "**I may not have gone where I intended to go but I think I have ended up where I need to be**". May God help your faith!

TEXT: (Isaiah 40 vs. 29-31)

Verse 31 of today's scripture says, "*But they that wait upon the LORD shall renew their strength; they shall run and not be weary; and they shall walk, and not faint*". "Those that wait", Remember that God is meant to be waited for. If He made promise, He will keep it but only those that waited for Him will see the fulfilment of the promise. For one to see what God has spoken the individual should wait. You may be late in the eyes of others while waiting, your life may look so pitiable but only you knows that you are waiting for. Through the wisdom of God, He knows that some persons are tired of waiting, then He added, "**Shall renew their strength**", Can someone actually renew his or her strength by himself? How can a weak individual renew his strength? The wisdom of God is trying to make us understand, that as we wait on the Lord, we should not expect encouragement from people or things surrounding us, that we should be the source of our strength. We should proclaim the greatness of God as we are waiting. We should feed our spirit man so as to empower the physical. Job said, "*All the days of my appointed time will I wait, till my change comes*" (Job 14 vs. 14). As you wait on God, you gather enough strength even before your miracle is done; you have grown so courageous. Here this: A sister's son died while she wanted to go for choir rehearsal, do you know what she did? She wore her cloth and left the child covered on her bed, and said within herself, 'Oh you spirit of death, you are so unserious to stop me from worshipping my God?' She left her house to the church after the choir rehearsal she came back home wake her child as though he was sleeping and the child responded. Satan doesn't mess around with those that knows how to wait on God and how to renew their strength. **I proclaim upon you, your life shall frustrate the devil. Amen!! (Pray in the Holy Ghost). TEXT: (2 Timothy 4 vs. 11-16)

The seeds we plant today is the harvest we reap tomorrow. Days are seeds. Empty field remains empty, land with a seed produces harvest after a certain time. Study this, after seed sowing, the empty field and the field with seed looks almost alike, but as time continues the difference between the two are known and not hidden. The very life we live is a seed. To invest in your self is a product of self-watch, decision, ambition and focus. When one invest in himself his future becomes clear to him and unknown by others but he is sure of where he goes. Apostle Paul impacted in the life of Timothy on today's scripture saying, *"Let no man despise thy youth; but be thou an example of believers..."* Despising of youth is ignoring seeds. Bill Clinton was the American President who shook hands with President John F Kennedy while he was 17 and 30 years later in the year 1993, been born in 1946, Bill Clinton became the President of America. At 17 He picked a seed. People succeed basically by the seed they picked and planted in themselves and allowed to germinate. Over here in today's scripture Apostle Paul touched many areas of interest in verse 13 – 14 saying, *"Till I come, give attendance to reading, to exhortation, to doctrine"*. Verse 14 he says, *"Neglect not the gift that is in thee..."* He says, **"Neglect not the gift is in thee..."** There are seeds within that are enough to project greatness from someone. Give yourself to reading, He knows that within books are seeds. He also knows that gift makes difference in people and individuals. God is counting on your readiness to pick up seeds. Verse 15 He said, *"Meditate upon this things..."* "I cannot tell you how many books I have read but I am sure of the points I have noted". Pick the seed to run!

TEXT: (Exodus 6 vs. 1-8)

Hear Brother John Newton: **"When we have been brought very low and helped, sorely wounded and healed, cast down and raised again, have given up all hope-and been suddenly snatched from danger, and placed in safety; and when these things have been repeated to us and in us a thousand times over, we begin to learn to trust simply to the word and power of God, beyond and against appearances"**. Today God is revealing Himself to us as the one who never changes. One of the major reason why you should trust God so much is that He remains Himself, His power has not been limited, probably if it has, I guess that we will first see the sign from the rotation of the earth that causes day and night to occur. It is the nature of God that propels the manifestation of the new day and a new night which you will witness today and as well see tomorrow if Jesus tarries to come. This is clear evidence that God has not changed and He will not start to change in your situation. Verse 6 of today's scripture says, *"Wherefore say unto the children of Israel, I [am] the Lord, and I will bring you out from under the burdens of Egyptians, and I will rid you out of their bondage, and I will redeem you with a stretched out arm, and with great judgments"*. It is impossible for Him who made the statement above to change. It's normal for people to change, relations to change, uncles and aunties to change, parents to change, best friends to change, but it is absolutely impossible for God to change. It is so impossible for the God whom you have come to meet today reading this COF to fail. He does not fail and he can't do it in your life. He remains Himself. Surely He rescued the Israelites from the Egyptians just like He said and He will bring your husband this year just like He said as well, He will help you and your family just like He said, and He will help you just like He promised.

TEXT: (Ephesians 2 vs. 13 – 18)

Verse 16 of today's scripture reads, *“And that he might reconcile both unto God in one body by the cross, having slain the enmity thereby”*. God does not carry out a routine, he carries a process and there is nothing with God that is not of a deep essence. Over here in the scripture we saw three reasons of Christ. 1. Why He came; to reconcile man unto God. 2. Why the cross; to constitute the exchange of human on his own body. 3. Why slain; to destroy the enemy of God in the flesh which is sin. No, it is a taboo to maintain a routine in the place of God without a reason. Why are you reading? To maintain devotion, that's a wrong idea. It should be to encounter God. See this story: some years ago, the Czar (Emperor) of Russia was walking through a park near his place when he came across a security guard! He cursory asked, “What is it that you are guarding?” The security guard answered: “Your excellency, I'm not really sure. I am just told to come here each day and go guard duty in this part of the park”. The Czar responded, “Are you telling me we are spending state money to have you guard something you don't even know what it is? I shall look into it”. So the Czar searched the government archrives and discovered that a hundred years earlier, a Russian queen, Catherine the great, had received a rose bush for her birthday. She had it planted and sent a solider to the spot to guard it so that no one will trample it. The duty Roaster was therefore extended daily from one guard to the other for more than hundred years! By this time the rose bush had long died! This means the security men were still standing guard in the remote area of the park over nothing. In such manner reasons have been extracted from some person's routine. Anything does in life outside of reason has no end and should not be considered. Attach a reason to everything you do and God will reward you with speed.

3. My God, help me to live a life of meaning, Amen!

TEXT: (Proverb 15 vs. 1 - 7)

Welcome to the throne of Him who founded both the heavens and the earth. I guess you know Thomas Edison. In 1914 when he was 67 years, He lost his factory, which was worth a few million dollars, to fire. It had very little insurance. No longer a young man; Edison watched his lifetime effort go up in a smoke and said; **“There is great value in disaster. All our mistakes are burnt up. Thank God we can start anew”**. In spite of the disaster, three weeks later he invented photograph. **What an attitude!** Every situation that surfaces along the road of your destiny will look exactly as you describe it from your mind and whatever you call it, it will answer. Some persons have defined good things around them so bad and it eventually worked out to be bad. Edison never submitted himself to the crisis of the fire burn. Remember this was the condition some persons met and it resulted to their suicide or loss of self esteem but he stood his ground and made the fire burn a process. He told the world, come see me in three weeks time and after three weeks here comes a photograph. That was the origin of camera, videoing, scanning, choral designing, simply because a man said, I might lose the business, the contract, the company, the effort but never did I submit myself to the situation, therefore I never lost myself and since I made every other thing, then none of them is really lost when I am still available. When one loses himself to a terrible situation, he lost everything that seems to represent his true identity or nature. **“From all I learned about life, you can't lose yourself in other to discover yourself, you will get lost forever”**. (Chinaeny Chidolue). God is hoping that you never allow yourself lose anymore, that's why He is telling us today to never submit ourselves to that challenge, never submit yourself to that miscarriage, never submit yourself to that debt, and never submit yourself to that office crisis. God still remains on the throne!

TEXT: (Psalm 109 vs. 1-5)

What do you say about one who truly loves and cares but was still destroyed by the love he has. I once heard the news about a Chinese woman who killed her husband and cut off his throat because the man did not buy the very Chicken lap she requested. Now the question is, how could that be arranged? It is inconsumable to understand that a woman who is married to man could gather up such reason as tiny as that to take the life of someone who she shares intimacy with as her husband. It is indeed satanic manipulation. Such is also seen among families where enmity that cannot be held on something concrete generates among brothers to the point that one takes it upon himself to see the other perish. In Jesus name no form of manipulation from your enemies could get to you in, Amen! You cannot believe what I have seen or heard in this my little years in the Lord. Sometimes it becomes a major area of concern trying to determine why couple should have such high level of disagreement to the point that one seeks the down fall of the other. This was the similar experience the Psalmist lamented about in today's scripture verse 4 when He said, *"For my Love they are my adversaries: but I give myself unto prayers"*. **You should always bear it in mind that there are people that can never be treated right.** There are people who treating them good will amount to absolutely nothing. You shouldn't stop doing good anyway but anyone who appreciates no good around you will be taken off your territory in Jesus name, Amen! For the singles, you shall not fall victim of any form of satanic marital plan and activities in Jesus name, Amen!

TEXT: (Isaiah 14 vs. 1-3)

Becca Lee; **"The surest way to lose your self-worth is trying to find it through the eyes of others"**. Also see this juice from Vivian Greene, she said, "Life isn't about waiting for the storm to pass.... It's about learning to dance in the rain." Listen to this: Two brothers known as Wilbur Wright and Orville Wright were borne to Bishop Milton Wright by his dear wife Susan Koerner. These growing boys were passionate about few things but mostly enjoy the family Bible study and dreamt of attending university of Yale after high school in USA. But the oldest Wilbur was injured during a hockey game and that resulted to his failure of attending university. The second followed after his footprint but both read a lot of books from the family library and beyond. In 1889 the brothers started their own newspaper, in 1892 they started selling bicycles and designing their own. In December 10 , 1903 a New Yoke times editorial questioned the wisdom of the Wright brothers who were trying to invent a machine heavier than air that would fly. In December 17 (a week later) at Kitty Hawk the Wright brothers took their famous flight. Though discouraged by USA government; by 1909 their flight business went across the globe. I will tell you, **'dream like the Wright brothers'**. The Lord wants somebody to understand that nothing can limit your lifting if not you. If they had attended Yale's University somebody would have said, they got the idea in school but this was what they developed on their own. I read on how much time they spent in deserts trying to see if the flight will fly; sometimes no food but you have a choice either to submit to the current situation or to overcome it and triumph. God is waiting for your rising. He is able to sponsor you. Today's scripture verse 2 says, ***"They shall take them captive whose captives they were."*** Escape captivity today!

TEXT: (Genesis 26 vs. 1 – 13)

I welcome you to God's sight of glory and excellence. To a Christian who wants to see the power and glory of God, one thing is so certain he or she should always recall, believe and affirm that with God nothing is impossible. The truth is that within the circumference of God nothing is really impossible, everything is achievable, any height is attainable, every grace is reachable and feel able. Never underestimate the power with the Most High God. He hates estimation; he wants to hear us testifying to His Almightyness. The Lord made known to us today in His word in verse 2 of today's scripture saying, *"And the Lord appeared unto him said, go not down into Egypt: dwell in the land which I shall tell thee of:"* He planned for Egypt but the Lord suggested a place for him that would not be his interest but he remained there. The power of God is mostly seen within the circle of his will. That's why the word says in (1 John 5 vs. 14): *"And this is the confidence that we have in him that, if we ask anything according to his will, he heareth us"*. The ultimate place to stay, to be able to qualify the attention of God is in His will. Lift your hand with me and say after me, *"Oh Lord, put me in your will. Lead me to your will, all the days of my life, Amen!"* In God's will testimony becomes your address! Verse 12 of today's scripture says, *"Then Isaac sowed in that land and received in the same year an hundred fold: and the Lord blessed him. Verse 13 reads, "And the man waxed great, and went forward, and grew until he became very great"*. The foundation of Isaac's testimony is in doing the will of God. God's will is boundless and limitless. **In God's will answers are sure and testimonies are real.**

TEXT: (Luke 8 vs. 26 – 34)

I welcome you today to the very presence of God. The reality of human life/behaviour is a project of the Spirit. **The very spirit in the inner man projects action and action determines outcome.** What can be said of the very individual who does something that are not rationally placed anywhere. Imagine a situation where it is said that a father molested his own daughter, someone committed suicide. Such acts are not rationally examined even within the thought and mind of those involved. On January 3rd this year, a man wielding a knife entered a suburban park in Paris and began a stabbing spree. He killed one person and injured two others before being shot and killed by police (CNN). Who could understand how such a thing could happen? The very exact question here should be what inspired his act? I assumed that he himself, if he had opportunity to be interviewed before he was shot might not have a reasonable reason to support his action. He didn't just buy a knife, he had been a wielder. This was seen in today's scripture in the life of the young man we saw here in verse 29 of today's scripture reads, *"(For he had commanded the unclean spirit to come out of the man. For often times it had caught him: and he has kept bound with chains and in fetters; and he breaks that bands; and was driven of the devil into the wilderness.)"* For often times it had caught him and was driven of the devil into the wilderness. I declare in the name of Jesus, now is the end of any satanic drive around your life and Destiny in Jesus name, Amen! This has happened to people in many ways, **"Maybe the devil drove you into a business you never knew how you invested on, or drove you into an act or word you know you can't just say. Today that yoke is broken forever off your life and Destiny in Jesus name, Amen!"**

## CHANNELS OF FULFILLMENT (COF)

2021

WELCOME TO AUGUST

THEME

**AUTHORITY.**

God did not create any man or anything inferior, every of God's creation is costly and to make it more evident enough; breath has no price and life has no duplicate. Men are born of God not because they are produced or manufactured but simply because they bear the most valuable image and nature of God in them. I think this will be clearer when I tell you that your thumb print is unique and it has no duplicate in all the universe of over 7 billion humans. I welcome you to the month of August with the voice of the Most high God; hence I decree that August events shall reach out to you. The Lord has ordained this month as our month of '**Explosive Weapon**'. Being costly designed by God should leave within your memory that you bear His nature. It is visible in my spirit that the reason God is calling our attention to this is because you need to understand that the one who is carrying you is not just sufficient in strength but also strong in capacity to bear and carry you through anything life can offer. By God's mouth it was confirmed in verse 43 of today's scripture saying, *"But now thus saith the Lord that created thee (Fill in your name), and He that formed thee O Israel, fear not: for I have redeemed thee, I have called thee by thy name; and thou art mine"*. I think the reader of this should understand the position of the one who said this. He is the one the scripture defined as **He that killeth and maketh alive** (1 Samuel 2 vs. 6). I believe your eyes were fixed to this: **"...for I have redeemed thee"**. This is a clearance that tells that he has taken care of all your debts, needs and oppositions. I don't know what may seem to cause you sleepless night this season but God is saying, "I will never allow you to be weakened or suppressed by any form of affliction. Stand tall and look beyond the barriers because the other side is your portion. Your name is attached to God's responsibility note. In Jesus name, nothing shall weaken you this month and this year in Jesus name, Amen! I speak abundance of grace on you in Jesus name Amen!

**Prayer Points: Worship God using song 1: Page 120**

1. Father, I thank you for the grace to witness a new month.
2. Aba Father, drop in me the consciousness that I am your creation of.
3. Mighty God may I not be molested to intimidation by any form of satanic strategy.

**How can you expect the down fall of a child of God simply because you prayed for him to fall?** God does not obey every command, He does not carry out every instruction. I welcome you to the centre of God's knowledge. Years ago I came across a story where a young boy who was a thief approached a Pastor to be prayed for so that him and his gang can be successful in their next operation. He came looking like a business man with fat envelop just to receive the prayers of the Pastor. Indeed the Pastor has some major needs the money can address which includes his sick wife who requires urgent medical attention; being a true man of God he asked the young man what he does for a living. He replied to be an international business man who does with exportation and importation of goods. As the man of God was about to pray God stopped him saying, **'Don't pray for Him'**. Though he didn't hear clearly of whether the business was genuine or not but his spirit refused to pray for the young man or even collect the money he brought. Yes, this young man had an improper expectation when he was expecting God who said plainly, *"Thou shalt not steal"* (Exodus 20 vs. 15) to prosper his evil ambition. It was impossible of God to sponsor such an activity. This kind of thing repeats itself on many occasions when people are expecting God to do what His nature forbids. Someone is asking God to help him cover the fraud he committed, which is impossible. Today's scripture was specific when it says, *'For thou [art] not a God that hath pleasure in wickedness neither shall evil dwell with thee'*. The spirit of God is saying to someone that it takes Holiness and Purity to involve God. Jehovah does not involve Himself in the wickedness of men. It is an error to work, plan and expect the failure of a child of God. God does not sponsor a business that was not built based on His principles. It takes respect for God to see the aspect of God. There is nothing beyond God, but his nature is seen when his will and respects are kept. **It is improper to expect Jehovah to play part in evil.**

**Prayer Points: Worship God using song 2: Page 125.**

1. Mighty God I receive grace to stand above satanic expectations or planned evil against a child of God.
2. We of the just where I have expected a fall or planned evil against a child of God.
3. I receive the mandate of God to announce to the universe never to condone any satanic strategy, implanted by anyone against my life and destiny.

TEXT: (Esther 1 vs. 10-12)

It is not to have position that is important, the most important there should be, is how do you value your position. A lot of persons have lost credible things simply because they haven't understood where they were standing. By the grace of God I cultivated the habit of regard and value to anything I am to handle or lead. I may not seem to do much but I know exactly where I was standing and have always thought of how to impact on it. Don't fall victim of this like Esau who sold his birth right for a pot of stew. Something similar happened to Rosa Parks but she reacted positively in December 1 1955, Rosa Parks being tired from a full day's work boarded a Montgomery bus and that was forever one of the most inspirational act of boldness that changed the world. She refused to obey the driver's order to give up her seat and move to the back of the bus so a white person could sit there, though she was arrested but Pack's act of defiance, and the Montgomery bus Boycott that followed, are recognised as pivotal moments in the civil rights movements. People that are black stopped boarding Montgomery buses which was the change that stood till today, you sit where you find, be you white or black. Today's scripture verse 11 says, "...to bring him queen Vashti represented in her royal crown. He wanted to show off her beauty to the guests and officials. She was extremely good-looking. (Verse 12): But Queen Vashti refused to come". This was a good example of abusing a position. She failed in her queen's duty simply because she was ignorant of her position. In the next Chapter she was replaced by Esther. This is more spiritual than physical. God does not sponsor any form of abuse and disrespect on places of honour. No, He does not! Let God find in you the enthusiasm of being who He has called you to be. Mediate by the Holy Spirit and repent from every abuse of the past.

TEXT: (Proverb 26 vs. 3 – 7)

A less smart couple can always find it hard to be at peace? A prayer less couple will always face intellectual challenges inspired by the devil. There was a woman married to a man who was not faithful to their marital vows. The man relates with another lady sexually. Then one day his wife picked his phone and checked his Facebook activities, she then came up with a beautiful idea, without the husband's knowledge. She then met her husband that night telling him that there is need for a serious revival in their family since she is having the feeling that satan is up to something against any of them. The husband ignored the message; she kept persuading him until he agrees. Then they started praying all night before going to bed. In her prayer points she will add, "Oh God do not turn your face from us. Maybe I have sinned forgive, maybe my husband is following other women, forgive him and bring him closer to yourself." The man at this point does not find the prayer comfortable but in other not to stand on the way as the devil he keeps joining the prayers. One night during the prayer she worship so hard and long then read the Bible passage that says, '*confess your faults one to another and pray one for another, that ye may be healed.*' She started with herself; confessed her fault and disobedience, then when it come the husband's turn he confessed but not mentioning about the extra marital affair then the Wife said, "I have a burden that you are not saying the whole truth; thank you father, who is Vivian from Jetes, I am seeing super market." Then the husband confessed and that was the end of it. **If you have waited before taking up a fight against that person, maybe you would have found a better solution.** Today's scripture verse 4 says, "*Answer not a fool according to his folly, lest thou also be like unto him*". Your battle can be fought without a noise. Your victory can be won without a fight. Just apply God's principle. Just try to do it differently. **May God bless you!**

**Prayer Points: Worship God in your own way.**

1. Thank God for His faithfulness.
2. Pray for the wisdom to fight your own battles.
3. Ask God to give you patience to wait until change comes.

TEXT: ((Proverb 10 vs. 1-6), (Proverb 11 vs. 22-25))

Some persons and individuals are so selfish that they always wanted to get and accumulate for themselves only. I welcome you to throne of Jehovah. God's attention towards us today is not to question our personal interest but also to diversify our study today on **"Getting Always"**. Today's second scripture verse 24 says, *"There is one that scattereth, and yet increaseth; and there is that withholdeth more than is meet, but it tendeth to poverty."* He that saves is wise because there comes a time when what is saved is needed; but he that spends just for his satisfaction alone is foolish. There is a supernatural law from God that is determined on sponsoring the prosperity of them that saves others through what they have made. I think I have read where someone commented saying, **"Oh God let's not lack what we give out freely"**. But he that gets always should make a provision for the day that he might get nothing (though this is being psychological). The manner stopped the day the people of Israel tried to save of what remains. People don't just survive by what they saved but by the grace of God. I believe in investing more than in savings. If you have money that could just be saved why not invest it. Supernaturally investments are done through concrete adherence to all the spiritual laws/covenants that attracts wealth; which includes tithing, sowing of seed and helping the needy. Recently I needed money in a particular day which I cannot exceed beyond that day else the need can never be met. I met a man on the road who directed me to where I was going after which he asked me to help him with some money which I did. Immediately after giving him the money he asked for, something spoke to me saying someone is bringing the money you need. Within 2 hours mine which was a huge amount of money came through someone else. Today's first scripture verse 5 says, *"He that gathereth in summer is a wise son: (but) he that sleepeth in harvest is a son that causeth shame"*.

~~Substantially invest and save in people's life. God will bless you and win you~~  
no day of lack in your life in Jesus name. Amen!

TEXT: (Isaiah 7 vs. 9-17)

To him that believes nothing shall be impossible. Daily many human-beings come across many journeys which its outcome may subject them with thoughts like should we go ahead, should we stand at a place. It takes the summary of your journey today to speculate what your tomorrow may look like. Where nothing is done, nothing happens. When actions are taken, passion is equally examined. Some persons are limited, covered and prevented simply because they have failed to do what they should have done. Take the steps they should have taken and become what they should have become. It is quite difficult to conceal that many Christians don't take risk. Waiting for God's direction. Oh yes, it is important but what happened to faith? I pray even before I make friends, also before I do anything in life but most times even if God approves what we wanted to do, it takes the condition of your heart to determine your possession in life. I feel that's the same thing David Cameron was saying when he said, **"I believe that in life, you have to give things your best shot, do your best. You have to focus on what needs to be done, do the right thing not the popular thing"**. I agree with Pastor Sam Adeyemi when he said, **"Being a Christian is not an excuse for you to suspend your brain!"** There are things you should have asked but the reason why you didn't have them is simply because you never asked. There are also places you should have reached, the reason you had not gotten there is simply because you didn't begin the journey of going. On which stage of life are you now? Are you in a journey? Just believe and do the best you can. God being plain said in His word in verse 9 of today's scripture saying, *"...if you will not believe, surely ye shall not be established"*. The establishment of God is built on believing, you don't believe in him and escape establishment. Any journey you are embarking on in life trusting Him, surely you will get there. When one believes He wins and reaches.

**Prayer Points:** Worship God in your own way.

1. Father, I thank you for your faithfulness.
2. Jesus, give me the heart that believes.
3. Mighty Jesus, I receive the grace and ability to receive your ability in my destiny.
4. May I not be limited in any destiny journey I embark.

The heart of men is the place of life. The more secured your heart is, the more your life will be. You are not far from how you think. There are individuals whose lives are ugly, not because God cannot make it beautiful even though they are in God but simply because their thought have accepted the ugly place of life, hence they dwell in that very sphere of existence. What do you say about someone who has agreed to fail in life, someone who is not expecting anything great from life? Someone who is not 'in' for any destiny transforming news, yes, someone who continuously dwells in the terror of evil and wickedness, surprisingly it happens that way to them. "I reflexly developed this unconscious attitude of shunning the devil. I can't count the number of times I say shut up satan". Responding to an improper thought that generates from my mind. Cripple the devil from the thought bank. Negligence of this have led to so many disasters in the lives of those that are involved; disasters that one wouldn't ordinary want to adapt to. Let go of that thought that tells you, yes, you will still remain the same person before the year runs out. Let go of that impression that tells you that the relationship you are into will fail like others. Let go of those thoughts that someone whom God has sent into your life to help you came to steal your destiny. This reminds me of the story about a man who was drowning in water and a boat came by and said, "Do you need any help?" He said, "No, thank you, God will save me". Then another boat came by and said, "Do you need any help?" and he said, "No, thank you, God will save me". Then he drowned, and he went to heaven and he said, "God, why didn't you save me?" And God said, "I sent you two big boats, you dummy". Negative thinking switches people out of God's plan. Imagine someone who should attend university when he should and a thought tells him, in Nigeria today graduates are poor. Poverty has nothing to do with wisdom and knowledge. Finally digest verse 23 of today's scripture saying, *"Keep thy heart with all diligence; for out of it are the issues of life"*.

**Prayer Points: Worship God using song 3:Page 124.**

1. Oh Lord, I thank you for your grace and mercy.

TEXT: (Ecclesiastics 9 vs. 10-18)

I welcome you to the room where God's voice is so audible and comprehensible. **By chance we are whatever we are but wrong chances can be controlled.** My reason of using the word chance is because no matter how one struggles it takes God to keep one wherever He (God) wants to keep him. The case here is that there are people who missed chances that should have yielded best for them. I personally have studied some wise men and I came to the realisation that they give chance for things to happen when it doesn't they forgo the event and everything. Listen to the story below: My wife's long-time friend just visited from United States. She was about to leave when she beckoned on my two kids and offered them \$1000 each (A whole lot of #720,000). Only for these children to shout out loudly... **“Thank you Ma, our parents warned us never to collect gift from strangers”**. The embarrassed woman quietly put the money back in her bag. She replied, 'Well trained kids'. I started sweating, almost shouted, which parents said that to you? (Story told by Unknown). Standards upgrade should not serve as reason why positive chances should not be taken. **Any positive action that limits genuine rewards isn't smart enough.** Sometimes assuming it to be wisdom, we play some level of silliness and manner of approach which keeps us confined at one place and one level of life. God speaking to us said in verse 11 of today's scripture, *“I returned, and saw under the sun, that the race is not to the swift, nor battle to the strong, neither yet bread to the wise, nor yet riches to the men of understanding, nor yet favour to men of skill; but time and chance happeneth to them all”*. Wherever you are that is satisfying and comfortable, maintain such a chance because it needs not to be abused. You got married to that woman/man. Though you seem to be having some personal problems with yourself, can you make her/him stay married at peace. Chance brought either him/her to you. When a chance is abused it can forever be regretted. Chance is of God and time is His own. allow him and keep whatsoever he gave you which you may likely not deserve.

**Prayer Points: Worship God using song 2: Page 121**

1. Thank God for His grace and ability.
2. Jesus, I need wisdom to maintain chances and opportunities.
3. I request for the grace to stand firm and tall for you oh Lord.
4. I shall never be a victim of any sort of satanic molestation.

TEXT: (Proverb 3 vs. 11-17)

A dead mind, is the mind that has forgone learning. Nothing is difficult, but most things appears difficult because those who are called to master them have given themselves too many things that are not as important as learning. Believe you can do it and you are half way of getting it done. Boldness is impacted by Knowledge. Excellence is a product of Mastery. For a destiny that will go far one thing is certain, the individual should give himself to learning in a deep form. I long heard from Bishop Oyedepo when he said, “After he visited the United Kingdom many years back, he returned to Nigeria, as they got to his house he was offloading cartons from the trunk of the cab that brought him home. His wife saw them from afar and was glad her husband returned from UK with a lot of thing they might need as a family but her thought was disappointed when it related with the reality. Those cartons were contained with books”. We are in that very generation where money drives people and many of them do not understand that life is not found in pursuit but is found in mastery. Spend more time in learning so that you won't spend all your life trying to figure what you should have mastered at home or in the field. Someone said, “It is an error to learn how to shoot at the battle field, before you are done trying to aim a target your life is already taken”. The very wisdom for success is in Christ. Don't just register to the family of Christ be His student as well: in Christ is wisdom in totality. Breaking the mystery of today's scripture it says in verse 15, **“She is more precious than rubies: and all the things thou canest desire are not to be compared unto her”**. Nothing you can desire can be compared unto her. I so much desire for the wisdom of God in my life, I don't know about you. **May God satisfy the hunger of such desires in Jesus name, Amen!**

**Prayer Points: Worship God in your own way.**

1. Oh God, I thank you for your word to me.
2. Jesus show me your wisdom and spirit, Amen!
3. I refuse to walk in the foolish path of life.

TEXT: (1 Peter 3 vs. 1-6)

Archie Panjabi said, “**The predicable thing about 'the good wife' is how unpredictable 'The Good wife' is.**” A wife is that person who knows how to bring out the best in her relationship without getting bored of the length, time and stress involved. When you marry a man with the intention of a home builder, then you happily manage your home with spiritual guidelines persevering over hard and difficult moment in raising the destinies that are attached to your existence. Today's scripture verse I says, “*Likewise, ye wives, be in subjection to your own husband; that, if any obey not the word, they also may without the word be won by the conversation of the wives*”. The scripture is trying to make us understand that even a man that does not regard God can still be won for Christ just by the attitude of a good wife. I believe God that the reason for this encouragement to wives by the Holy Spirit is that a Godly wife is equal to a Godly home. When the wife is gotten for God, the home is gotten as well. Men are so much sensitive to attention and encouragement. If you will tell your husband daily that you are proud of him, no matter the little he brought, he will try to impress you the more. Talk to your husband with honour especially in front of the third party (children/strangers). Don't make him an ATM dispenser, learn to manage little and don't demand for much even when you felt that the income has grown. I learnt of a woman when her husband's salary increased and the man wanted to surprise her with shopping but she declined saying: “your salary increased not to do shopping for me but to take care of your family and make investments”. I learnt of another whose humility converted her wicked husband to Christ. Despite the situation in your home, God knows about it, the burden can never be bigger than you. Hesiod said, “**For a man wins nothing better than a good wife and then again nothing deadlier than a bad one.**”

As a man love your wife, and treat her as the love of your life.

1. Thank God for His faithfulness.
2. Ask God to be a good spouse to your wife/husband.

TEXT: (Psalm 121 vs. 1-8)

I welcome you to God's presence today. Someone may find it hard to believe but the truth is that you don't even think about yourself as much as the Lord does. The LORD'S thought towards you covers a circle of time in 24 hours. 'Am with thee' covers a sensitive numbers of places in the scripture being the authenticity of God's assuring presence. In the midst of the battle He is there. Don't mind your relative, He relates to you more than them. If God be for you who can be against you? Everyone will also be for you. Don't be weighed down about the Job search, yes, the Almighty is intervening today on your behalf in Jesus name, Amen! Yes, for that very young man reading, the Lord is saying that frustration is not for your place. Never allow your mind to give it a consideration. This season the Lord's helping hand is reaching out to you. With God, days of frustration and limitation ceases. To someone, I decree the helping hand of God shall rest upon you today in the name of Jesus, Amen! God helps those that trusts in Him; you cannot trust God and be stocked on the road of life. The Psalmist thought about the inverse of God's help in verse 1 of today's scripture when He said, “*I will lift up mine eyes unto the hills, from whence cometh my help. (Verse 2): My help cometh from the Lord, which made heaven and earth*”, What you have asked God, He will do for you! What you have believed Him for, He will do for you! The promises of God are beyond human comprehension and His help is basic and sustainable. I pray with you today, 'Jehovah will help you'. The Lord is always conscious, yes, He is aware and conscious of your business, Job, home and academics; that is the very reason why you will not record any failure in any of these areas. The Psalmist got the revelation of it when He said, “*Behold, He that keepeth Israel shall neither slumber nor sleep*”. This is not just about Israel but you. Finally declare with me, “*Behold, He that keepeth (Put your name) shall neither slumber nor sleepeth*”. Thank you Jesus.

**PrayerPoints: Worship God in your own way.**

1. Oh God, I thank you for your word to me.
2. Jesus, show me your self in my life and destiny.
3. My Father, by your name I have escaped any form of satanic molestation.
4. My God thank you for being conscious of me, Amen!

TEXT: (2 Samuel 13 vs. 26-34), (2 Samuel 14 vs. 29-33)

One of the greatest challenge of man is on how does he stand up to face the ugly incidents that was attached to his name. Surviving today beyond the errors of yesterday is not just a function of grace but also a function of hope. There is nothing anyone did today that cannot be handled. **I trust the Lord to restore on someone the grace to stand and win the war of accusation against his/her destiny.** There is no wisdom above that of an individual who understands his position and stand in the midst of every matter and events of life. It takes a better understanding to keep a decent character in unison to the present day events or activities. Ugly past catches up with individuals that are not ready to pick the dirt. No man is a saint and growth sponsors gradual change and matured judgement. On today's scripture we saw the story of Amnon and Absalom. Amnon deceived his sister Tamar and forced her to bed which made Absalom bitter over his brother Amnon. Verse 29 of our first scripture reads, *"And the servants of Absalom did unto Amnon as Absalom had commanded"*. On the path of Absalom he did the most terrible thing that was least expected from any of David's children. He slain his own brother. Verse 34 confirmed that He (Absalom) fled. He ran to avoid the king's punishment. Every human action is attached to his/her existence. What you did today can always be pointed to you. Though Absalom fled but it changed nothing about his status in Israel. It was confirmed in verse 33 of today's second scripture that he regained forgiveness when he sought for it. The scripture reads, *"So Joab came to the king, and told him: and when he had called for Absalom, he came to the king and bowed himself and his face to the ground before the king; and the king kissed Absalom"*. Don't pass your mistakes, correct them now that you have an opportunity. I have heard of a man who carried his wife to all the women he committed adultery with to seek for forgiveness. Tomorrow that man can be a man of God and less/no accusation should be pointed to him because he cleared his past. Humility is the nearest thing to perfection. There are individuals who have so much raised their egos that they don't listen to anyone or do anything others suggested them. As we seek for God's confirmation and approval also we should be ready to pack the dirt or trash we created with other humans.

**Prayer Points: Worship God using song 3:Page 124.**

1. Oh God I thank you for your word to me.
2. Jesus, give me the confidence to handle any of my ugly past.

TEXT: (Psalm 129 vs. 1-8), (1 Samuel 16 vs. 11 – 13)

There is a time God's grace holds you and set you up to a height where men cannot stop you anymore and that is what is called **breakthrough**. Breakthrough means to prevail above length of stoppage. It is to triumph above oppositions of greatness and glory. Breakthrough is to arrive to that very point where hell has given up on you because the Lord is involved. The Lord made this visible in the life of David as we saw in today's scripture where it read in verse 2 saying, *"They have kicked me around since I was young, but they never could keep me down"*. **"...but they never keep me down"**. I pray for someone by the Spirit of God available here you are moving to heights where you can't be stopped anymore. In verse 11 of today's second scripture we saw what happened to David, the scripture says, *"And Samuel said unto Jesse, are here all your Children? And He said, there remaineth yet the youngest, and, behold, he keepeth the sheep. And Samuel said unto Jesse, send and fetch him: for we will not sit down till he cometh hither"*. David was about to be stopped because he was called the youngest. Their meaning according to their judgement is that his time of exultation has not come. Presenting this reason many times, they have always said, he is the youngest. Yes, with that very reason they have deprived him of many privileges and honour in the past but this time was a different time because it was his time of breakthrough. From that very day no man ever prevailed against David anymore because he had broken through. I declare upon someone from today onwards it shall be clear to you that you indeed have broken through Amen! Nothing shall stop you anymore, you have become unstoppable and unlimited in Jesus name. Amen!

**PrayerPoints: Worship God in your own way.**

1. Oh God, I thank you for your grace and power.
2. Jesus, thank you for making me unstoppable today.
3. O Lord, I escape today any form of limit and delay in Jesus name, Amen!
4. Any area of my life where I have been beaten I declare recovery

TEXT: (James 5 vs. 8-13)

There was once a pastor who would go into their town handing over gospel tracts with his eleven year old son. One Sunday afternoon when it was time to go into the town and hand over tracts there was a heavy down pour of rain and the weather was cold as well. The boy bundled up in his warmest and driest clothes and said, Okey Dad, I'm ready: His daddy said, "Son , it's very cold outside and it is pouring rain: the boy gave his dad a surprise look, asking, 'But Dad aren't people still going to hell, even though it's raining?'. The boy took his Dad's permission to go alone. The young boy went into street handing over the track to anyone he met door to door. After two hours of walking in rain he was so cold and down his very last tract. He stopped and turned towards the first home he saw and rang the bell, nobody came out, and he rang again and again still no one answered. He waited but still no one answered. About leaving yet he was persuaded within him to ring it one more time, and as he did an elderly sad looking lady came out, 'what can I do for you, son?' the young radiant eye boy said, "I am sorry if I disturbed you ma, but I just came to tell you that Jesus loves you and I have my last tract for you which will tell you more about His love". The woman replied thank you son and God bless you. The following Sunday the pastor (Dad) was on the pulpit, he asked do anybody have a testimony and a lady stood to her feet. As she began to speak, she said, "I lost my husband few years back and I have being left in this world so lonely and hopeless. I was not a Christian and the Sunday before I was about to commit suicide then a young man told me about Jesus and I read more from the tract; now I am a born again and I feel peace and joy in Jesus, if the young boy observed the rain, he wouldn't have saved the lady. Most time we mind unnecessary things to the point of watching lives lost to the devil forever. Are you not born again? You can tell people about Jesus now. You need not to be comfortable before you do that. Just tell someone about Jesus today.

TEXT: (Psalm 81 vs. 1-10)

It take the state of mind to determine the rate of action. **“There are some music you will dance only by pointing your toe to the ground... and such music is played by life when you want to stand taller above your vision barriers”**. (Isaac Chidolue). You cannot win with an imbalanced mind or attention. Every man meets a challenge; meaning there is a plan a man places on his future which is more or less above his power. No one does impact unless he has the capacity to live above his challenge. Some months ago in Chicago (where temperatures were colder than Antarctica), Miss. Payne decided to use her own debit card to rent 30 hotel room to shelter local homeless people from the freezing cold. Upon hearing of her good deed, others pitched in to help, and she was able to secure 72 rooms for five nights, providing refuge for 122 people. Candice Payne is just 34 years. In a time like this God is looking for those that can impact lives. He is waiting for those that will stand upright to bring the change that has not been. Ask Jesus for the grace to see how to help others, how to fix others and how to touch their lives. **Nothing given is not received.** To maintain a constant level of supplies the individual should practice a constant level of giving (Luke 6 vs. 38) because seed time and harvest shall not cease (Genesis 8 vs. 22). Today pray for Pastors; yes your Pastor in particular. Find someone in need and help; give out a little of what you expect to receive. This is an instruction that should abide this month (don't forget). Even those that are yet to get COF should carry it out. It is straight and plain, a balanced mind is found during the dance of success. Digest verse 6 of today's scripture: *“I removed his shoulder from the burden: his hands were delivered from the pots.”* Whatever your challenge is: may the Lord remove burdens from your shoulder. Burdens are lifted today. Worries are arrested. Amen!

TEXT: (Revelation 3 vs. 1-8)

Today I introduce to you a God who opens a door and sets no limit on it. Kari Jobe said, **“When the Lord opens a door, walk through it. If He doesn't, just trust Him.”** Greatness is with God. We have kept uncountable records on the victories gotten in the past and in our records are the efforts and systems carried out by men which eventually led them to success; but most times our records have being proven wrong by those who carried out the same effort and systems yet were not able to encounter success. Personally, I so much believe in effort but not just effort placed on self but effort mounted on the ability of God. Whatever you do in life do it with reference to what the Lord has said to us in verse 8 of today's scripture. *“I know thy works, behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept my word, and hast not denied my name”*. The meaning of that scripture is, before me God has set an open door, therefore as I approach the door through my walk (effort) nothing shall stand before me. Oh, I think Brother Roy Lessin made it clear here, on why you must be great with God, **“God is bigger than time, dates and appointments. He wants you to move through this day with a quiet heart, an inward assurance that He is in control, a peaceful continuity that your life is in his hands, a deep trust in His plan and purposes, and a thankful disposition, towards all that He allows. He wants you to put your faith in Him, not in a time table. He will put everything together, see to every detail... arrange every circumstance and order every step to bring to pass what He has for you.”** Obviously you can do nothing of your own without God. Make your plans known to Him and your faith anchored on Him and definitely He will see you through and will set you free. **“Don't plan with what is in your pocket; plan with what is in God's pocket”** (Reinhard Bonnkei).

**Prayer Points: Worship God using song 3:Page 124.**

1. Pray in the Holy Ghost concerning your goals.
2. Ask God to give you workable goals...
3. Pray for the strength required to achieve your goals.
4. Ask God to break every limit that is standing against you.

TEXT: (Matthew 18 vs. 18-20)

Our lives are built from the content of our words, what a man says is what he will see. I will like to borrow from Benjamin Franklin the line that says, **“Remember not only to say the right thing in the right place, but far more difficult still, to leave unsaid the wrong thing of the tempting moment”**. The major aim of the devil why he raises some dust around you is to see you say the wrong thing. The Just, bible speaking shall live by faith not by plan or analysis of the present events or situations. (Hebrew 2 vs. 4). Whatever we have around us today is a product of the word we said yesterday; people don't live outside of their words because out of the abundance of the heart the mouth speaketh (Luke 6 vs. 45B). There are individuals who have mastered how to sound negative about themselves just to attract pity or resist expectations, all the same God is saying to someone I have planted your exploit within your **mouth**. Be scared of sounding negative, though negative things might have happened to you in the past but you have an option of amending your life with your word. Get a pen and paper write out what you wish to see in your life and around you and declare them on yourself. Keep it continuous and nothing negative shall cross your circle. I am seeing a woman who is reading this; poverty and lowness seems to have invaded your home because you have never sounded positive and your kids grew with that mind-set. Today that yoke is broken in Jesus name, Amen! Jesus became what He said, Jesus became who he said; you are not just what God says you are but who you said you are. Learn to make a speech about yourself. Oh yes, because the hand of God is on me, **“I shall reign in the midst of nations, I refuse the low phase of life. Because Jesus lives, I will testify.”** Digest verse 19 of today's scripture

**Prayer Points: Worship God using song 3Page 124.**

1. Father, I thank you for your word to me.
2. Jesus Plant in me the mind to sound positive at all times.
3. My God, by your name, I reverse every negative word around me.

TEXT: (Matthew 14 vs. 22-27)

The faster one runs the better He stands the chances of overcoming distracting traps. Also, I think that fastness could be pointed to focus and determination. To overtake those that are ahead of you is a product of supernatural power of God. The scripture revealed in verse 22 of our study today saying, *“And straight away Jesus constrained His disciples to get into the ship, and to go before him unto the other side.”* The other side implies a place of specific progress. God is not the problem of any man. His will for anyone cannot be against what the individual needs, if the person dwells in Him. It is already the will of God for you to progress in life, achieve your dreams and live beyond your yesterday. The problem is that sometimes it seems as if the nature was built to oppose people's progress. Yes it is natural to experience delay, limitations and rejections. The evidence was shown in verse 24 of our scripture today when it reads, *“But the ship was now in the midst of the sea, tossed with moves: for the wind was contrary”*. Do not forget it was Jesus that sent them out. I think this answers the question on why people are troubled sometimes even on the journey that God recommends. Some persons prayed and fasted before entering into their marriages, yet their experiences have not been good so far, because of this they sometimes question the will of God on their choices; was it actually God that brought me here, was it actually by His will that I am where I am and who I am? They were on that journey and Jesus spent time with the multitudes, sent them away after which he went to the mountain and prayed. I want to assume that all those took within 6-7 hours, yet the disciples were trapped at the middle of the sea, feeling cold with fear of losing their lives. Then Jesus walked not even ran but walked until he met them again. It takes Jesus to move faster on a will He recommended. If you are a Pastor, is it God's will for you, if yes, then it takes Him also to drive you on His will. Digest this: **“Your speed in life is not based on what you observed but who is observing you.”** May God take you to the height of abundance and excellence. Amen!

**Prayer Points: Worship God using song 4: Page 123**

1. Oh God I thank you for your place in my life.
2. Jesus, I decree that your grace will stand for me over anything I am in.
3. Mighty Jesus, release your speed on me, break any cause of limit and delay around my life and destiny.

TEXT: (1 Samuel 19 vs. 9-17)

**“No pain that we suffer, no trial that we experience is wasted. It ministers to our education, to the development of such qualities as patience, faith, fortitude and humility”**. All that we suffer and all that we endure, especially when we endure it patiently, builds up our character, purifies our hearts, expands our souls, and makes us more tender and charitable, more worthy to be called the children of God... and it is through sorrow and suffering, toil and tribulation, that we gain the education that we came here to acquire and which will make us more like our Father in heaven (Orson F. Whitney). I agree with Ernest Hemingway who said, **“The world breaks everyone and afterward, some are strong at the broken places”**. Two kids were travelling with their grand-mother to atrium medical centre. They are Skylar 10 and Chame 8. She parked outside the emergency room entrance to the hospital and helped a friend towards the door. The children remained in the back seat. Within seconds a stranger hopped into the car and attempted to drive away with the children inside. The little boy opened the door to escape and the little girl stated to jump out also but the man grabbed the hoddie of the little girl not allowing her to leave”. Her little brother grabbed hold of her and pulled her away from the kidnapper and they both tumbled out of the vehicle as it was moving, He pulled His sister out of the car with no concern of his own safety. To escape any form of captivity you need to struggle even with your last breath. **Never manage what you cannot live with.** The captive must be willing to escape irrespective of the hurt the escaping process caused. Develop the desire to remain only a captive of God, develop the courage to stand against any form of destiny depriving opportunities. The young boy saw the risk to save his sister more than the life he is having already. What's the essence of life when lived in captivity? Digest verse 10 of today's scripture

**Prayer Points: Worship God using song 2: Page 121**

1. Thank God for His word to you already.
2. Ask God to uplift you above any form of captivity.
3. Pray for the grace to prevail above any form betrayal and destruction.
4. Ask God to attract the right people around your life and destiny.
5. Pronounce around your existence that no form of captivity will exist.

TEXT: (1 Kings 18 vs. 31 – 38), (Acts 2 vs. 1-4)

I don't know how much you have prayed, but if the fire has not fallen then you have not prayed enough. God responds to nothing heavier than an effective, fervent prayer. When we pray we operate in the realms of the supernatural and grow in the grace of God. No wonder ME Andross was of the opinion that, **“There is no other activity in life so important as that of prayer. Every other activity depends upon prayer for its best efficiency”**. Wow! And Andrew Murray reveals this juice that **“We must begin to believe that God, in the mystery of prayer, has entrusted us with a force that can move the Heavenly world, and bring its power down to earth”**. Also, Osuald Chambers echoed, “Prayer does not fit us for the greater work; prayer is the greater work.” Until you give enough time to prayers then you have not commenced the real move towards fulfilment. No man sees the greatest of God without a greater praying life. Until you develop a strong muscle through prayers, then you can't punch the devil to defeat. Once a time it was reported to Kenneth Hagin that one of his dedicated church member was dead and He said, “Father, if you mind my opinion, let her not pass the gate to death, bring her back to life”. He made the statement in the church the woman was in the hospital about to be taken to mortuary but she jacked back to life. In a community where nothing moves, a group of brethren gathered themselves to pray, they prayed for years and the man responsible for the retrogression in the community began to confess one evening. Until you pray men would pity your life. Until you pray you may be a prey to the enemy. Until you pray, you have not known the ability of your God. On today's scriptures Elijah prayed down the fire that consumes and the Apostles prayed down the fire that edifies. There is God who answers; pray He will answer. Stay up to night and pray August prayer from No. 11 – 20...

**Prayer Points: Worship God using song 5: Page 124**

1. Thank God for His words to you today.
2. Pray and ask God to glorify Himself in your life and destiny.
3. Demand for the grace to pray.

TEXT: (2 Timothy 1 vs. 5-12)

**Accepted intimidation is the beginning of retardation in a journey that began with determination** (Isaac Chidolue). No one on earth puts his energy and force into what He or she is not determined about but the very reason why most times it seems like intimidation took over the situation is because intimidation itself wears the face of lion and it presents itself so clear and plain. It was Napoleon Bonaparte that says, **“The only victories which have no regrets are those which we gained over ignorance”**. Maybe you have come across the story of Thomas Wiggans: Who was born into slavery in 1849. Thomas was born blind and nonverbal, but as a toddler he began spontaneously playing piano and by age three was performing complex symphonies. Eventually, Wiggans can play two songs on two different Piano while singing a third, according to autistic and unapologetic; the website reports; “The subject of countless books, various TV programs and one Elton John song, Wiggans will perhaps be remembered best as the first African American to perform in the white house. **Blind but bold**. That's why the word of God was clear and specific when it pointed in verse 7 of today's scripture saying, *“For God hath not giving us the spirit of fear, but of power, and of love, and of sound mind”*. It takes a sound mind to sound right in life. Whatever that tends to intimidate you, gives you space when approached. It doesn't matter what you look like, prettiness is attached to boldness. The more enemies you have, the more you are determined to prove them wrong. Tim Fargo was of the opinion, **“Your friends will believe in your potentials, your enemies will make you live up to it”**. Nothing is impossible when effort is introduced to it. You have all it takes to be the best. Never be intimidated by your past but paste the post of determination on your fore-head because success has one master key and that's **determination**. Without determination you cannot believe God and even please Him

**PrayerPoints: Worship God in your own way.**

1. Thank God for His word to you.
2. Jesus, arise and make me bold.
3. Help me to stand firm to your will and help towards my life in Jesus name, Amen!

It takes favour to move out from the labour phase of life to the honour phase of it. It takes God to remove the rod of affliction from a life and take the person to a ground of favour. Without favour your labour can not be enough to place you at the place of honour. It takes God alone to honour a person. Consider the following: “The Chief Butler “Introduced” Joseph to Pharaoh”. Modecai introduced Esther to the king. Servant of King Saul introduced David to King Saul. Obededom never applied for the Ark. Joseph never contested for the Palace. Elisha was not a son or relation of a prophet. Mary never contested to be mother of Jesus Christ. Peter did not invite Jesus Christ to his ship, with all these events you can agree with the word of God. In Zachariah 4 vs. 8, **“It is not by power or by might but by my spirit says the Lord.”** It takes only the Lord to run faster and longer than your mates. Verse 12 of today's scripture says, *“For thou, Lord, wilt bless the righteous. With favour wilt thou compass him as with a shield.”* Hold on God and believe in His power and might. It takes the favour of God to experience a flavoured life. I speak upon someone desperately in need of God's favour: Be Highly favoured in Jesus name, Amen! The favour you need to actualize your marital dreams, may God give unto you, Amen! The favour you need to take the gospel round the world may it come upon you, Amen. There is God who is rich in favour and that God is your God. Drink this: “Divine open doors are not for the arrogant, adulterers and wasters, they are only meant for the humble that will be wise with the opportunity and blessing that comes from them”. Shout with me: “I receive God's favour (say it up to five times). Shout a loud Amen!”

At the end of a particular page is the beginning of another new page, life goes on. There are people who are more in the past than they are in the present. Life is given to those who wants to live it in line and relation to the future. **Nothing that happens to you is capable of making you less than you are without your consent.** What I am personally asking God is the grace to do His will and opinion at all time. I declare to a reader of this content of God, satan will amount to nothing as long as your life is covered. Joanne Rowling after she was divorced, she began to struggle to make ends meet, “listen, you cannot make choice for others, but for the very one you make for yourself, do it in such a way that it really represents you and that it has the capacity of shifting you to the next level of life”. She was a single Mom. She thought of anything possible to survive and later turned to work on Novel she had been outlining for five years. She never thought she would find herself among other people who changed the world and influence generations of people. Harry Potter and Sorcerer's stone was published in 1997 under the name J.K Rowling. Her publisher did not believe a woman's name would appeal to young boys. Harry Potter has shattered sales record and enthralled millions of readers of all ages. Amazingly, God does not leave you empty handed, He has something within you that will manifest glory. Keep working with God. Verse 2 of today's scripture says, *“And Elisha said unto her, what shall I do for thee? Tell me, what hast thou in the house? And she said, thine handmaid hath not anything in the house, save a pot of oil”*. An oil pot was left with her and that's where her blessing is. Yes, God keeps something remaining when other things seems lost. Don't remain where people left you, get up straight and move. Our breath is different, our hearts are different, yes, and our mind is different. God did this that none of us could appear resistible by the bridges of limitation and disregard, others built against us. The very secret of God within you, to transform you is there, just dig deep through praise and worship to access them. God bless you! Thank God!

TEXT: (Psalm 127 vs. 1-5)

Verse 1-2 of today's scripture says, "Except the Lord build the house, thy labour in vain that build it: except the Lord keep the city, the watchmen waketh but in vain. (Verse 2): It is vain for you to rise up early, to sit up late, to eat the bread of sorrow: for so he giveth his beloved sleep". "EXCEPT THE LORD..." Yes, it is the Lord, just the Lord who does great things. When we walk by ourselves we make records that inspires no one, nor motivates anyone. Irrespective of how diligent you are, there might be people who does more. Maybe the reason why you have not heard about them is probably because they have not succeeded. Success is the reward of God. I don't know the person who is truly confident in himself. I have understood that great things are done when grace comes in. There is a grace to push forward and run with speed that no one will meet in your field and that grace is divinely given. The truth is that hard work is good. In fact there is nothing amazing in lacking human effort. Nothing happens if a man is not in front of it. As a student there were days I read for 20 hours and days I read for 2 hours. When grace came I saw that the days I spent just 2 hours produces result more than days of 20 hours. I can then conclude that grace comes when we are determined working in response to God. Initially when this vision newly started we produce the book with pressure and questions of where do we get money, but these days we don't even know when we produce them as long as finances is concerned. Don't trust in your strength, human strength takes him nowhere. It is God's grace that will settle you martially. Yes, it is God's grace that will grow your business. It is God's grace that will grant you favour. I pray that this season, you are escaping any form of satanic moves in Jesus name, Amen!

TEXT: (Micah: 4 vs. 8-13), (Isaiah 60 vs. 1-3)

Today's second scripture verse 1 says, "Arise, shine for thy light is come and the glory of the Lord is risen upon thee..." Wow, I trust the Holy Spirit to reveal the word 'arise' to our understanding. The scripture above did not proclaim or prophecy shine or shining as the case maybe, it says: **Arise, Shine!** So what happened when no one wants to rise? What happens when one wishes to shine without knowing the need for him/her to arise first? The deposits we need to enhance our shining have been made available for us, the only need remaining is that we need to arise, yes, you and I are meant to arise. It takes a light to shine. Nothing shines unless it emits light, and nothing emits light except there is a source supplying the light. From the scripture above we could see that light has come and the shining agent which is the glory of the Lord is made available for us. Today's first scripture went on to clear the dust when it says in verse 13 "On your feet (arise) Daughter of Zion! Be threshed chaff, be refined of dross, I'm remaking you into a people invincible, into God's juggernaut to crush the godless people. You will bring their plunder as holy offering to God, their wealth to the master of the earth" (MSG). One of the reasons why it seems difficult for some of us to shine is because most of us are still looking at those limitations, we are still seeing those hindrances, we are still considering the last failure we had, but God said, **arise shine!** How do you rise? Just believe that all things are possible, work towards them. Go for that impossible dream and achieve it. Start that new mission today. Hear my shout: "You cannot live better than you give to life!" **Breaking Lose.**  
**TEXT: (Acts 16 vs. 16-26)**

I welcome you to the throne of God where no limit exists and every bound is broken. Verse 24 of today's scripture says, *“Who, having received such charge, thrust them into the inner prison, and made their foot fast in the stocks”* (KJV). See how MSG wrote it, *“He did just that-threw them into the maximum security cell in the jail and clamped leg Irons on them”*. It is obvious that they were not just in the prison; their legs were stocked/clamped with leg irons so that they don't move around. Likewise, many individuals have been kept in a place by the devil to be limited. Don't be uncomfortable when I tell you that among many that are stocked by the devil are children of God. They are not just in prison but also stocked that they will not move to any place of glory in life. Lift your hands now and say with me: “O Jesus, you are the freedom giver, the deliverance grantor. Therefore by your name I stand today to declare your word upon my life and destiny which says in John 8 vs. 36 *“If the son therefore shall make you free, ye shall be free indeed”*. Therefore Jesus upon my life and destiny I declare freedom from every ungodly oppression. I declare freedom from every stagnated journey in Jesus name”. No doubt about the status of Paul and Silas; they were not just the people of God but servants of God and beyond that they were on the Lord's mission. Such is the extent of the devil. He doesn't just respect positions and operations; he dares anybody but is humbled when humiliated. The question is why should Paul and Silas pray and sang (Verse 25) because they knew whom they represent is far better and bigger than any bound. I don't know the attack you may be facing but this season is the end of it, Amen! As they sang praises the prison doors opened by earthquake and every band were loosed. Today stand and praise God on your own. You can get praise MP3 and dance to God in response to today's command from God. Dance for 20 – 30 minutes and every prison door shall open for you. **Partner with COF Producers: +2347066085556.**

**Be encouraged in the Lord.**  
**TEXT: (Psalm 118 vs. 1-8), (2 Chronicle 17 vs. 5)**

I welcome you to God's site of wonders, there is none like unto Him. He is the mighty man in battle. For every great achievement done within the circle of the earth, there is always a height of personal encouragement and reformation of plan. Humans are not machines, they are products of body, spirit and soul; this tells that human structure is emotionally built. Machines does work and makes work easier; but for human to work on productivity there are times, he just works simply because He encourages himself to do that. **“If you work on something you really care about, you don't need to be pushed. The vision pulls you”** (Steve Jobs). God in His place is our strength and pursuit. You could imagine there are times I could have a lot of things to do, in such moments to write COF could appear difficult but the Lord is the one who works out His purpose in us, yes diligence is accredited to His nature. Man is not a machine therefore his achievement and productivity is given by the Almighty God. It is God who gives us any form of strength we could have. He gives us life and health to actualise usefulness in the direction of life He has determined for us. Someone like Charles Wesley who wrote three (3) hymns weekly for about 47 years making up to eight thousand (8000) hymns. To be continuous on the path of diligence and success is what God works in us. He confirmed this in today's scripture verse 8 and second scripture respectively: saying, **“It is better to trust in the Lord than to put confidence in man”**. I don't know what is standing before you at this very moment of the year. The question is have you built your confidence in God to prove His unusual power. In today's second scripture, It is the Lord who established the Kingdom in the hand of Jehoshaphat. He didn't do it himself. Trust **God to see his grace as never before.**

**PrayerPoints: Worship God in your own way.**

1. Oh God, I thank you for your grace and power.
2. Jesus, replace my strength with yours.
3. Faithful God I rely on your strength to reach where you are taking me not mine.
4. My God, show me your mighty hand and power this season.

**Do you know that God is not just a supreme being but your wealthy Father?** What exactly comes into your mind when you discover that your Dad is very wealthy; not just wealthy but very wealthy with influence and power over most prominent organisations in the world? To have a wealthy intelligent Dad is 60% clearance out of poverty. Yes, some person are wealthy but not intelligent and hereby producing poor children (Speaking from a psychological point of view). Yea, grace of God is the root of all things but imagine you have such a Dad who has everything you may need or imagine but at a time you step out of his coverage hopping you can always do it on your own. There are some similar cases we may drive our attention to, have you seen a situation where a wealthy man dies young, leaving his children behind, perhaps with no or very few investments; even with investment, sometimes these children still suffers as though they were not born in a wealthy home. God is not just your owner but your supreme Daddy. He owns everything beyond the walls of the earth. His strength and power covers the whole horizon of the universe down to the pit of hell. Acts 7 vs. 49: Described His possession as, “... **The most high God, possessor of heaven and earth**”. And the same God is your **Father**... “... *Thou art my Father, my God, and the rock of my salvation*” (Psalm 89 vs. 26). Forget it; glory and greatness is with God **alone**. No matter how much he has given to you, you cannot do without Him. No matter what He has supplied to you, you cannot do without your source. You have nothing on your own capable of making you to excel; your excellence is with God and Him alone. Don't take a step without God. (Verse 18 of today's scripture says, “***I will arise and go to my father, and will say unto him, father, I have sinned against heaven, and before thee***”.

Reconcile with God now and welcome His Fatherhood

1. Oh God I thank you for your word to me.
2. Jesus, give me grace to always stand firm and strong to always come to you.
3. My God you are all I need therefore do not hide your face from me.
4. Everlasting Father, I seek for the grace to know and recall your sufficiency.

To die begins when an individual stop living for something. The greatest gift in life is to find yourself living the very life of impact. The wonder working God whom we serve pushes men as instruments of impact that is why He said in His word saying, “*And I will make them and the places round about my hill a blessing, I will cause the showers to come down in his season; there shall be showers of blessing*” (Ezekiel 34 vs. 26). God's hand blesses, His nature is to bless, and His will is to make you a blessing. Therefore the essence of living is for one to impact in other people's life. Where the impact is lacking, tells of the absence of life, speaks about non-existence. There are men whom the devil has made to appear dead in the sense that Impact is missing from their existence, being dead or alive no one comes because they are out of impact circle but the one who is the Almighty is rich in mercy and full of kindness in His glory and power to impact them for impact. In today's scripture the Lord reversed the plan and declared a change of system to the men who are concerned, he spoke in verse 19 of today's scripture saying, “*The dead men shall live, and together with my dead body shall they arise. Awake and sing, ye that dwell in the dust: for thy dew is as the dew of the herbs, and the earth shall cast out the dead*”. The summary of this portion of the scripture is the revelation of God's lift upon the man whom the devil seem to have gained influence upon. If your impact has been silenced God's impactful hand is reaching out to you in Jesus name, Amen! Oh God, I pray today that the revelational hand of God shall oppress and limit the works of darkness against your life and Destiny. Thank you Lord Jesus for hearing us in Jesus most precious name, we have prayed, Amen!

TEXT: (Luke 23 vs. 23-33)

I welcome you to the venue that host God's assigned people of excellence. When last did you imagine the phrase that says, “**Slow and steady.**” You can never tell the distance a snail covers from sunset to sun rise”. **Steadiness is the reason behind exploit.** I believe that William Channing was of a perfect idea when he said, “difficulties are meant to rouse, not discourage, and the human spirit is to grow strong by conflict.” **“One's dignity may be assaulted, vandalised and cruelly mocked, but it can never be taken away unless it is surrendered”** (Michael J. Fox). In life it is very import to note that every single step counts. A man's favourite Donkey fell into a deep Precipice. He can't pull it out no matter how hard He tried. He then decided to bury it alive. Soil is poured on the Donkey from above. The Donkey feels he load and shakes it off and steps up. The more the load was poured, the higher it rose. By noon, the donkey was grazing in green pasture. The target of the destination you are aiming to reach should be the driver that drives you to your gaol. Jesus saw the cross through the Calvary. He almost considered giving up but realising it was the will of God for Him he deliberately passed through it. Verse 33 of today's scripture revealed, *“And when they were come to the place, which is called Calvary, there they crucified Him, and the male factors, one on the right hand and the other on the left hand.”* Jesus never wanted the cross personally but the journey began the night after the last supper. Irrespective of how weak or discouraged you are to carry out a task or begin it; start something, somewhere and somehow you will achieve the task. Never be silenced to begin what you believe in. **“No man ever threw away life while it was worth keeping”** (David Hume). It is prominent that you exist for that very mission your destiny needs not to resist

TEXT: (Ephesians 2 vs. 1 -10)

God's grace is powerful, because inside His grace we have remedies that substitutes human's weakness. **“For grace is given not because we have done good works, but in order that we may be able to do them”** (Saint Augustine of Hippo). In our greatest loss grace keeps us as peculiar as God would want us to be. It is God's grace that sets the uniqueness and standards of every stand we would claim to have. **“You must pay for everything in this world one way and another. There is nothing free except the grace of God, you cannot earn that or deserve it”** (Charles Partis). I think Max Lucado makes it explicit when he said, **“When grace moves in... guilt moves out”**. To stand on God's grace amidst pressure is the greatest sense of belonging to God, our God is not in absence when expected. The attraction of God is built on the awareness we create around us, knowing that He is ever present, glorious and powerful. I must confess, I haven't achieved anything in life by my might and power. God's grace is the capacity that puts us through what we can't ordinarily achieve by ourselves. It is grace that keeps man aside to actualise God's will and direction on Him and with Him. In the balance of God's grace we take the place of honour and power without counting on our effort. Irrespective of who you are or what you have achieved in Christ Jesus, those are the very works of grace around our lives and destines. This could be one of John F MacArthur Jrn's opinion when he said, **“If am not showing grace... have I forgotten the grace I have been shown”**. God speaking of His opinion to us today said in verse 8 of today's scripture saying, *“For by grace are ye saved through Faith; and that not of yourselves; it is the gift of God”*. God's grace is not even deserved, it is the gift of God. It will make you graduate well. Yes, this grace will surely crown your year with honour. It is just God's grace that will take you to your marital home this season, Amen! God bless you! **Be a COF distributor, contact: 07066085556**

**THEME**

**MIRACULOUS GOD.**

“So many times, people told me I can't do this or can't do that. My nature is that I do not listen very well. I am very determined, and I believe in myself. My parents brought me up that way. I do not let anything stand on my way” (Chantal Sutherland). People do succeed on earth irrespective of their believe (either in God or not) but all who succeeded believe in one thing and that is I have the power to rule my world irrespective of anybody's opinion. But success with God is sorrow free. **Get this:** Electricity existed at the time Moses was walking on the earth. Electricity existed at the time Julius Caesar was walking on the earth. Electricity existed at the time Napoleon was walking on the earth. Was it God's fault they were walking in the dark, was it God's fault they had no light? Surely not. It is just that humanity needed to evolve to that level where someone could discover the light bulb, discover electricity, and discover batteries. God gave man the capacity to search for whatsoever his mind can perceive. God also gave man the capacity to create whatsoever his mind can concieve. Bishop David Oyedepo said, “**Do not replace handwork with spirituality**”. **You can not be too lucky more than you worked.** The difference between a successful believer and a successful unbeliever is that success with God adds no sorrow. It is too clear to fathom through the historic record of those that have lived in the past. Your life is a product of what you allow God to do with it. You shall live an amazing life the point when you appreciate the wisdom of God and try to live like Him. “**The world you make begins from the word you mark from your mind**”. You can live, but to be alive is a choice not just made by living beings but by those living with an exceptional mind. May God give you a positive name after you have lived. Amen!

TEXT: (Jonah 1 vs. 5-8)

I welcome you to God's place of knowledge. It is a new day for your life. There are people whose presence in your life is the very reason your life sinks. Believe it or leave it, your association determines your speed, success and failure. This is what some persons seems to ignore in such a time, thank God for the wisdom of the old we tapped into from today's scripture. There are people we might have accommodated around us but they dwell in God's disobedience, hence because they are rebels to God we may not see the rescuing hand of God around us. This video was played in verse 5 of today's scripture where it read saying, *"Then the mariners were afraid, and cried every man unto his god, and cast forth the waves that were in the ship into the sea, to lighten it of them"*. What a tragedy, because of the presence of the wrong man, they prayed extensively and such prayer was unanswered. If you study down the scripture you will realise that it was said that these are men that fears the Lord. Thank God for prayers... but what happens when you pray to fix what God is out to scatter? Men and Brethren I wasn't thinking that these men's prayers would have made God to change his mind in considering to spare the boat. I think that the initial plan God had was that through his torture on the boat all of them will sink and the life of Jonah would be spared because a fish had been assigned to pick him up and that would have resulted to the death of many on board. Personally I have seen people doing well in business until the very wrong person comes in; maybe a wrong sales personnel, wrong associate and so on and so forth. The solution to the very crisis on today's scripture was discerned in verse 7 of today's scripture where it says, *"And they said everyone to his fellow come, and let us cast lots, that we may know for whose cause this evil is upon us. So they cast lots and the lot fell upon Jonah"*. There are people for whose cause God's calamity is seen. Oh yes, there are people for whose cause the church is limited. I declare today, "May the Lord draw a line of demarcation between you and those persons in Jesus name, Amen!" Harboursing the wrong person causes disaster and damages. Recall, they threw away their valuables to lighten the ship but until Jonah was cast out the storm continued.

TEXT: (Proverb 17 vs. 1-5), (Isaiah 48 vs. 9-11)

I welcome you to the screen house of God where realities of his mind are revealed to us. Today's first scripture verse 3 says, *"The fining pot is for silver, and the furnace is for gold: but the Lord trieth the hearts"*. The furnace for gold. God's training house is mostly a bitter experience. Sometimes God wants to make a point telling you that His will for you is the ultimate, his will is superior to your wants and choices. Yea, though you have prayed, fasted and sacrificed and he remained the same; yea, the situation remained exact, it is not suggesting that God doesn't care but He (God) is making a point, telling you, **"Why not allow me to make you through the furnace."** Sister, you are the Lord's gold. You don't win a fight except you fight. You don't conquer battles except you become a warrior. Stop crying for the devil; if you are truly in Christ, this present battle is to show the gold in you. Oh yes, for God hath not given us the spirit of fear; but of power, and of love, and of sound mind". Be sensitive and active. Your situations are exactly as you define them. Construct your mind to speak well even with unfavourable situations. It doesn't matter what is around you, the true identity of it is the true definition your mind gives it. The moment you say Father promote me, be willing to develop capacity and capacities are not built except pressures are involved. "We all have the capacity to find the will to do what must be done-even when that which we must do terrifies us most. Remember this." (Jessica Shirvington). **"The greatest thing a man can do in this world is to make the most possible out of the stuff that has been given him. This is success and there is no other"** (Orison Swett). When you imagine of what God thinks of the present situation that surrounds you, "remember verse 10 of today's scripture which says, *"Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction"*. **If you want big things from GOD except the uneasy.**

TEXT: (Ezra 4 vs. 22)

Failure is not appointed to anyone; in fact people fail mostly because they fail to avoid the road that leads to failure. To fail once, twice, thrice, or more is not bad when the individual that failed those times is not found at the same spot where he/she failed. The person that failed is that individual who never see reasons to rise after he failed the last time. Without errors you may not reach perfection. Without the wrong accord, there may not be a proper guide. Some individuals were not educated today because they did not try one more time after the last failure they had. Some are not wealthy today because they refused to try something new after encountering the last failure they had. No one is above failing but some people are not comfortable enough to stay at a floor cemented with failure, therefore they bounce back again. **“It is not how far you fall, but how high you bounce that counts.”** -Zig zigar. Oh I think Henry Ford made a juice with this: **“The only real mistakes are the one from which we learn nothing”**. “Failures are finger posts on the road to achievement” (CS. Lewis). **Mind the following:** invest a portion of your income, and be patient to see it grow. If what you have in your hands is not good to be called a harvest then it is a seed; sow it. Give out loans that you can part with as gift, so that you do not destroy your business and relationship. Have the habit of keeping a pen and a writing pad handy because ideas come in form of flashes. The smallest pen is bigger and better than the biggest brain. Take whatever you can from your life because when life starts taking from you, it takes even your last breath. There is no joy in victory without running the risk of defeat. Finally read today's scriptural again until you digest it. **Move above failing!** Win a soul for God today. Tell people about the **trending Jesus.**

**Prayer Points: Worship God using song 3:Page 124.**

1. Thank God for His word to you today.
2. Pray that you shall never see reason to remain with failure.
3. Ask God to hold your hand until your success becomes too clear to be doubted.
4. Present that which borders your heart to the Lord Almighty.

TEXT:(Psalm 8 vs. 4-6), (Deuteronomy 4 vs. 6-9)

There is a source of everything, of course there is a source of life, source of peace, source of wealth, and source of all things. Today I welcome you to the sanctuary of He who owns all things; Jehovah Elion. It is in the idea of few that God is the source of all things. Not many also has gotten to the understanding of how infinite and powerful He is. Digest verse 7 of today's second scripture which says, **“For what nation is there so great who hath God so nigh unto them, as the Lord our God is in all things that we call upon him for?”** Note: As the Lord our God is in all things that we call upon Him for. **God is in all things...** there is no limit to prayers, there is nothing which prayers cannot handle. Prayer does everything. It changes a concluded matter, changes a conversation, arrest without weapons, provide in the desert. Prayer is the only letter God reads. Praises and worship are the only music He dances. Producing result in everything/ area of life, one needs to be so nigh to God. **Nearness is the reason behind farness from calamity.** The nearer you are to God the more responsive and active He is to you. It is part of the characteristic of the kingdom to ask the source for things. One day I lost money, on realising that the money was missing, I prayed saying, “Before the end of today, I recover this money into my hands in Jesus name, Amen! OF course that same day around 6:00pm that same day, I was somewhere for lecture and an individual came to me and handed over the same amount to me. Asking the source at everything is a process one develops when his confidence in God has grown so big. Faith is expressed by how free and less worried you are after prayers knowing that what you asked for will certainly entre your hand. Jesus emphasising on this mentioned in (Mark 11 vs. 24) saying, **“Therefore I say unto you, what things soever ye desire, when you pray, believe that ye receive them, and ye shall have them.”** The source of all things is ever ready to react based on your believe point. **“He who believe is strong; he who doubts is weak, strong conviction precedes great actions”.** (Louisa May Alcott). In today's first scripture it was announced that you and I have authority over all things. Ask the source. believe to receive and boom you are having it already

**PrayerPoints: Worship God using song 2: Page 121**

1. Oh God before the end of today respond to all my prayers.
2. Mighty God arise and put to stop whatever move the devil has against my destiny.

TEXT: (Psalm 68 vs. 1-10)

I have asked myself what could replace the very place of God among men and nations but nothing could bear the answer. Few months ago during the lockdown a lot of crisis emerged and nations were unable to care for themselves and government and Presidents with their intellectual advisers became unpopular. On May 19th Police and Citizens clashed in Santiago Chile as protesters protested for the lack of food during the coronavirus lockdown. Likewise in May 23rd same happened in Spain as thousands of citizens took to the streets to protest the government handling Coronavirus. Some rode in their cars with Spanish flags hanging out the window, demanding Prime Minister Sanchez resign. Time may not permit me to tell you of what took place in Trump's tweeter handle with the reaction of millions of Americans speaking against the government and its expertise as the virus case was handled. The very truth of it is that God kept you! He fed you, saved you, and cared about you. As some would say, times are hard but you are not seeing the hardness to the point of planning your death. The Lord has successfully kept you within the past hard seasons of 2021. Did He start today? No! This is exactly what the Lord has been doing, He has overtime preserved His own and protecting you and I. He has kept your family from sickness and death, yes, it is the Lord. Coronavirus is not the only sickness that can kill, some died of cancer, malaria, Myocardial Inflation, High blood pressure, malnutrition, radiation of networks (5G) and many other health challenges. Amidst all these the Lord was great to us. Personally, I haven't recorded a year as fruitful as 2021 in the past, I don't know about you. God's word confirming His will today says in verse 6 of today's scripture saying, *"God setteth the solidarity in families: he bringeth out those which are bound with chains but the rebellious dwell in a dry land"*. Safety, freedom and deliverance are all in the hand of the Almighty one. The ever caring God cannot leave you on your own even for the remaining seasons of this year, just trust His wisdom and mercy. Amen!

1. Oh God, I thank you for your word to me.
2. Lord Jesus, I shall not fall victim of the work of darkness.

TEXT: (Psalm 118 vs. 19-29), (Genesis 22 vs. 12-13)

You may only know the availability of what is around the corner. The future of a man to a man's understanding is tomorrow but to the Almighty God, A man's tomorrow is built based on what surrounds his today which he was careful enough to observe. One of the working theories I have seen is picking destiny packages at the corner of destiny Journey. Verse 22 of today's scripture says, *"The stone which the builders refused is become the lead stone of the corner"*. There was once a young man who had a challenge with the continuation of his academics due to the limited financial strength of his parents. He struggled to see how to continue or even sponsor himself but all his effort resulted to nothing. Half depressed-half encouraged, he kept searching for a means to further. After all effort proved abortive, he came up with an idea that made no sense naturally. The brother being a Christian student, who had learnt much about God. He made an agreement to be cleaning the house of God at least thrice a week. As he started the journey God was involved. One day while cleaning the church, a certain man who comes to the church around the time he cleans observed him; having seen him around that period in times past. The man then took interest on him; after conversing with the boy it was done on him that his academics had suffered loss because of financial crisis. He offered him (boy) a scholarship to the university level. Sometimes God allows our problems to remain so that he can bring us to the corner that will produce the testimony we seek. Today's second scripture verse 13 says, *"And Abraham lifted his eyes and looked, and behold behind a ram caught in a thicket by horris and Abraham went and took the ram, and offered him up for a burnt offering instead of his son"*. The testimony is not ahead but within the corner. Sometimes God recommends that the journey should be suspended in other to initiate another better drive. Look around your corner. Ask God to produce ~~and bring every miracle you seek around~~

**Prayer Points: Worship God using song 2: Page 121**

1. Oh God I thank you for your word to me.
2. Jesus, arise and prove yourself around my life and destiny, Amen!
3. Faithful God I journey may I not miss your helping opportunities.

TEXT: (Psalms 20 vs. 1-7)

“It is presumptuous in me to wish to choose my path, because I cannot tell which path is best for me. I must leave it to the Lord, who knows me, to lead me by the path which is best for me, so that in all things, His will may be done” (Teresa). Also hear Martin Luther “pray, and let God worry”. In this year 2019, as we hope for the best, dream for the great and expect the most, we should anchor our trust in God who does not fail. It is obvious that destinies shall be fulfilled among the COF families this year and yours will be one of them. This is our year of “Divine Exposure”. Some people have trusted themselves so much that they believe they can work out anything they choose without minding any help from God; but it is written all over man that he can do nothing for himself. No man grows tall or short by his effort. No one became a male/female by his effort. No one chose his/her country by his/her effort. No one breathe by his/her effort. Of course, no one knows or contributes to the heartbeat and blood circulatory system and the least of them all, no one can sleep by his/her might and wakes up by his/her might. Man should be humble enough to know that he cannot do anything of his own. One of the things I try to do is to trust the Lord and believe in Him. Trust God for your today, tomorrow, and future. Trust Him for a good husband. Trust Him for success in exams. Trust Him for blessings and riches. Trust him for the next few hours that will round up today. Digest this: “You say to God, I have never seen you provide for me” God says to you, “You have never trusted me”. Trusting Him, is most times stronger than prayers. **Note:** When we expect you to become a family member of COF we are trying to register you in our covenant with God. since God has spacial package for any COF family member as we present you to God in our prayer altar often. TEXT:(2 Chronicle 6 vs. 16 – 18)

I welcome you to the sight of the one who is the most honourable God, the ever present help in time of trouble. He already said, “I will never leave thee nor forsake thee” (Hebrew 13 vs. 5): Does it look like He has left you, yes, does it really look like you have just been on your own? Let His word be verified in your life. God's word also confirmed saying, “For the rod of the wicked shall not rest upon the lot of the righteous: lest the righteous put forth their hands unto iniquity” (Psalm 125 vs. 3). Does your life look like the very one the wicked determines, does it look like an occult power somewhere is presiding over your life and destiny. Let the word of God be verified in you. No altar below the throne of God has right to determine your life, existence and destiny because you are planted a seed of fire and glory by the one who is the Almighty God. Let God's word be verified in your life and around you! The Lord said, “With long life will I satisfy him, and show him my salvation” (Psalm 91 vs. 16). God's word went further to say also, “For length of days, and long life and peace shall they add to thee” (Proverb 3 vs. 2). Does it look like satan is threatening you with death? Does it sound like sickness wants to shorten your life, No, let the word of God be verified! Those who recalls God's word harvests the fruit thereof. Those who remembers His name shows forth His glory accordingly. God's word speaking also said, “If they obey and serve him, they shall spend their days in prosperity, and their years in pleasures” (Job 36 vs. 11). God is ultimately committed to get His word verified in your life. This was clearly stated in Solomon's prayers in verse 17 of today's scripture, “Now then, O Lord God of Israel, let thy word be verified, which thou hast spoken unto thy servant David”. **The word is given to you as a verification mirror to judge and adjust all that happens in your life and around you.**

TEXT: (Psalm 14 vs. 1-3), (Matthew 21 vs. 21)

Once a pastor was studying the tradition of his people along with his friends and they asked him jokingly, “we will give you a gold coin if you tell us where does God live?” The pastor smiled and said to them, “I will give you 2 gold coins each if you tell me where He doesn't live”. Evelyn under hill echoed, **“If God were small enough to be understood, He would not be big enough to be worshipped.”** And also Heywood Broun said, “Nobody talks so constantly about God as those who insist that there is no God.” You can also see how Gabriel Rossetti puts his; he said, **“The worst moment for the atheist is when he is really thankful, and has nobody to thank”**. There is an incident I don't forget so easily. As an Anglican young man I attended church service many years back and during the Bible study class one of the Priest was coordinating and he raised a question which is, “How do you convince an unbeliever that there is God in heaven?” I stood up to answer saying, “Just refer him to the universe: the day and night which occurs as a result of the rotation of the earth round the sun, is a sign that there is God”. Scientists only discovered that the earth rotates but they didn't announce the centripetal force behind the rotation, since no object is on motion except a force is applied on it according to Newton. The raining season and dry season are also signs... The plant that grows on the soil is also a sign of God and God does not fail. Today's second scripture (Matthew 21 vs. 21) says, *“Jesus answered and said unto them, verily I say unto you, if ye have faith, and doubt not, ye shall not only do this which is done to the fig tree, but also if ye shall say unto this mountain, Be thou removed and be thus cast into the sea, it shall be done”*. Personally I have prayed and God answered .I have seen the blind see, the lame walk, the dumb speak and I know you have witnessed a miracle all these are signs of God who lives.

**Prayer Points: Worship God using song 3:Page 124.**

1. Thank God for who He is.
2. Pray that the heavens shall be attentive to you.
3. Ask God to make His evidence real around you.

TEXT:(Matthew 12 vs. 39 – 42)

I don't really know how to communicate this but am sure that with Jesus is the ticket to prosperity. Money is for the followers of God; get that mind-set digested. Walking with God has no sample of poverty attached to it. Looking briefly into the account of the very king Solomon. According to biblical records, King Solomon's annual salary was pegged at 66 gold talents. A talent of gold converts to 34.5kg which then translates to 1109 troy ounce of gold. An ounce of gold worth \$960, therefore from calculation King Solomon was \$760 million per year. This is worth more than 3 years budget of Nigeria. Then considering he was on power for 40 years that's more than thirty billion dollars as King Solomon's net worth. King Solomon's wealth with an ever-expanding network of trading and commerce that rated in 25 tons of gold on an annual basis. His reign as king when converted will amount to \$64,300,800,000. Knowing that this is just a part of what makes up King Solomon's net worth is breathtaking! Combining of all of King Solomon's assets, these when converted using present-day currency value equals a whopping of \$2.1 Trillion. This is a figure nobody else has attained in history of the earth. During the pandemic this was almost the exact amount released for all the American citizens which got their economy shaking. Now see what the scripture says about our Lord Jesus Christ in verse 42 of today's scripture saying, *“The queen of the south rise up in the judgement with this generation, and condemn it: for she came from the uttermost parts of the earth to hear the wisdom of Solomon; and, behold a greater than Solomon is here”*. If my Father is greater than this very Solomon I saw his records above, what exactly am I doing in the low place of life? If He is actually greater than this Solomon, what business do I have with poverty? We should learn to read the bible with understanding not religiously. I don't know what you believe or what they taught you but from the beginning I have known that where I belong is a place where wealth is a must not a chance.

**PrayerPoints: Worship God using song 2: Page 121**

1. Oh God, I thank you for your word to me.
2. I receive the hand of God upon my life.
3. Oh God from today I dwell in your place of wealth and honour, Amen!

TEXT: (Psalm 132 vs. 1-10)

It takes only determination to keep someone alive, in the night while others are sleeping. **Doing what is right is a cure to allowing what is wrong.** Steve Jobs was the one who said, **“That's been one of my mantras focus and simplicity. Simple can be harder than complex: you have to move harder to get your thinking clean, to make it simple. But it's worth it in the end because once you get there; you can move mountains”.** If you have a destiny you are mindful about, get up and work on it. If you have a battle to fight, get up and fight it. I once heard an American President say, “I don't sleep until I read at least 300 words from a book”. I started respecting politics when I played it in the university level. Staying out for meetings that ends in the middle of the midnights, spending any money that comes across you, coming home late at night, sleep half and zooms off very early in the morning, and having less/no time for yourself. People with a desire sleep less. When was the last time you stay out of sleep just to pray? When was the last time you went through the pages of the scripture as within 12am and 4am in the morning. Jesus questioned His disciples asking, *“Won't you stay awake with me for just an hour”* (Matthew 26 vs. 40B). David shared a sample in today's scripture verse 4 when he said, *“I will not give sleep to my eyes, or slumber to mine eyelids. (Verse 5): Until I find out a place for the Lord, an habitation for the mighty God of Jacob”.* It is easy to sleep and hard to control a sleepy eyes. But God is saying to someone, learn how to stay awake. The more awake you are, the more productive you are. I think you need to hear Solomon the wise man when he said, **“Love not sleep, lest thou come to poverty: give thine eyes, [and] thou shalt be satisfied with bread”** (Proverb 20 vs. 13). Successful people maintain a positive focus in life, no matter what is going on around them, they stay focussed on their past success rather than their past failures, and on the next active steps they need to get them closer to the fulfilment of their goals rather than all the distractions that life presents to the.” (Jack Canfield).

**Prayer Points: Worship God using song 3:Page 124.**

1. Thank God for His faithfulness and help.
2. Mighty God I pray for the lift of my zeal and focus.
3. Everlasting Father, I request that you make me realise that I don't need to be lazy.

TEXT:(Psalm 104 vs. 5-7), (Psalm 77 vs. 13-20)

**“At thy rebuke they fled; at the voice of thy thunder they hasted away”** (Verse 7 of today's scripture). The voice of God thunders against satanic operations. There are forces of darkness that are specific to initiate limitation and lowness around you. Yes, there are demonic activities that surrounds the earth, with agenda to oppose the will of God for your life. It is not every calamity that is from God. In fact God does not initiate or prepare calamity around/among His people. There are persons so entreated to initiate painful events around you but God's word mentioned above saying, **“At thy rebuke, they fled!”** This I believe introduced God as a rebuke giver. Yes, he rebukes unpleasant natural and spiritual approaches that tends to limit your destiny. Yes, Jehovah confirmed His position on this matter in His word in Malachi 3 vs. 11 saying, *“And I will rebuke the devourer for your sakes, and he shall not destroy the fruit of your ground neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts”.* Now can you stand on your feet and lift up your hand to God saying after me, “Oh Lord my God, I decree that your thundering voice shall arise and speak into my life to rebuke any form of satanic activities and manipulation. Jehovah by your voice I abort any satanic conception programmed against me now, tomorrow and forever”. “Father, by your voice I decree upon myself Godly increase and promotions in Jesus name, Amen! God's voice raise things and settle things. Oh yes just by the voice of God demons run and tremble. Verse 18 of today's scripture says, **“The voice of thy thunder was in the heavens; thy lightings lighted the world: the earth trembles and shook”.** I decree into your life opportunities that are divine in Jesus name, Amen! By the Anointing that brought me into the ministry I announce the end of any form of satanic manipulation around your life and destiny in Jesus name. Amen!

**Prayer Points: Worship God in your own way.**

1. Father, I thank you for your word to me.
2. Heavenly Father, I receive grace and the ability to do your will.
3. Mighty God I receive God's voice around my life and destiny.
4. Jesus, may your voice thunder against all enemies of my destiny.

TEXT: (Exodus 15 vs. 1-10), (Acts 2 vs. 1 - 2)

I Welcome you to the theatre hall of the warrior that has lived in all ages and times. Verse 8 of today's first scripture says, *“And with the blast of thy nostrils the waters were gathered together, the flood stood upright as a heap, [and] the depths were congealed in the heart of the sea.”* Did you see this with me: “THE BLAST OF THY NOSTRILS?” God is the God that fights with a mighty rushing wind to set aside any barrier that has the capacity to stagnate your journey to greatness. Beyond that the second scripture for today made us to understand the instrument behind the empowerment of the Apostles when it says, *“And when the day of Pentecost was fully come, they were all with one accord in one place;”* they were not there because they just wanted to seek the face of God. They were primarily there because they were confused, limited and without idea of what to do next. They were there because they learnt nothing about how to serve God beyond what they witnessed from Jesus. They lack the capacity to go forward. Verse 2 of today's second scripture said, *“Suddenly there came a sound from heaven as a sudden mighty rushing wind, and it filled all the houses where they were sitting”*. This encounter resulted to the end of their confusion, stagnation, fear, limitation, humiliation and frustration. I want to announce to someone that the nostrils of God is releasing a mighty rushing wind upon you. “That's the wind of life, that's the wind of grace and exploit”. Nobody took the Apostles to the school of ministry with teachings like “Growing an influential church”. The only thing they needed for exploit was a mighty rushing wind. None taught the Israelites how to construct a bridge or how to survive in the sea, all they needed was a mighty rushing wind from God Almighty. Today God is talking to a user of this COF that you may not be prepared in life, you may not have what it takes, and you may not have learnt what you needed to survive gloriously. But the wind of God is coming for your rescue now; to remove any stagnating force standing before your promotion, exploit, speed, and open door. Shout out: **'Let the wind of God blow in the direction of my life and destiny, in Jesus name, Amen!'**

**Prayer Points: Worship God using song 4: Page 123**

1. Pray seriously that no limitation in your life shall survive the wind of God as it comes your direction today.

TEXT: (2 Timothy 4 vs. 5 – 7)

In the concentration of God's love and grace is His mercy. Today I will like you to say these few things to yourself meaning it: “I am God's amazing project and I am not abandoned, His light shines in me and through me, my life is ever secured in Him, He is my source, my glory and my testimony. He is merciful and kind to me, through Him satan is already defeated in all areas of my life and Destiny in Jesus Precious name, Amen!” Day before yesterday, the Lord took me through the galleries that shows why we shouldn't quit and I don't think he thinks it less to do the same today too. The uniqueness of every being cannot be over emphasised, the grace and power that follows His love and assurance to us cannot be undermined. If God trusts you for success then you need to trust yourself as well to reach the goal, if you don't quit you do make a difference! As weak as you are, as tired as you are, as many mistakes as you made, you do make a difference, there is something that they would lose if you were not there. You do make a difference! Keep hopping, it's for people that are trying to help their way back home, come hell or high water, doing the best they can with what they have got. That's who we are in Christ, doing the best we can with what we have got and we may not break any ribbon and we may not get any trophies, but if we can learn how to hang on in there, we will be alright. I will not lie to you, I feel like going on, but I have seen days I did not want to get out of the bed, didn't want to put on clothes, and didn't even feel like doing anything, I have seen days so dark but I just want to keep on driving and I didn't even care where I ended up or what you called me. They came and they passed; and they came to pass. I kept the faith, I kept believing. Because it could look like the worst but that's not it. I lost a lot of stuff, I lost a lot of friends, I lost a lot of courage, I lost a lot of time, I lost a lot of money, but I didn't quit, down on my knees I was still believing, broke I was believing, lonely I was believing, betrayed I was believing, if you lose a job, keep the faith, if you have to move in with your parents keep the faith, if you have to catch the bus keep the faith, if you have to thumb, keep the faith, if you get sick keep the faith, if you lose your kidney keep the faith, if you have got a heart trouble keep the faith! Paul confessed in verse 7 of today's scriptures saying, *“I have fought a good fight, I have finished my course, I have kept the faith...”* Pray in the Holy Ghost.

**Prayer Points: Worship God in your own way.**

1. Oh God I thank you for your word to me

I welcome you to the office of the one who approves the commencement of your destiny. A heart-warming moment happened between a mother and son at Central Michigan University's graduation ceremony. Sharonda Wilson decided to skip her own college graduation at Ferris State University so she could see her son graduate at the same time at CMU. After central President Robert Davies learned about the situation, he contacted Ferris President David Elsher. At the CMU ceremony, Davies conferred the mom's degree on behalf of FSU's president and trustees. To sacrifice never reduces anyone. The beginning of upliftment is a heart that desires to sacrifice. I personally understood sacrifice to be doing what's not easy or convenient and denying of one's self something. There is a saying in Tibetan that states: **“Tragedy should be utilized as a source of strength.”** “No matter what sort of difficulties, how painful experience is, if we lose our hope that's our real disaster” (Dalai Lama). It is a source of strength to engage on what's not easy, what's not accepted, what's not convenient. Pushing through the extra mile is a source of strength. There is no limit to what can be done when an individual is determined to sacrifice. Having a clearer picture from verse 5 of today's first scripture we saw, *“And he said, peaceably I am come to sacrifice unto the Lord. Sanctify yourselves and come with me to the sacrifice. And he sanctified Jesse and his sons, and called them to the sacrifice.”* Oh my God! It takes sanctification for a true sacrifice to commence. Before you go out looking for who to help or support go ahead and be sanctified. Rising up today to spend what you don't have to please God or help the needy/poor can never reduce you. Based on God's programming system on earth. It is highly impossible for one who sacrifices to be reduced to nothing. God is echoing to our ear today saying, **'Rise up and sacrifice to me and for me'**.

TEXT: (Psalm 149 vs. 1-9)

I welcome you today to the season of humiliating the kingdom of darkness. Listen to this story: there was a man of God who visited a land called Salamis to preach the word of God in a Church. In that land was also a sorcerer; but the deputy president of that land heard of the man of God and invited him to preach Jesus to his hearing; but the sorcerer being a friend of the deputy president was there the day the man of God was invited and he began to argue the preaching of the man of God to the hearing of the deputy president and the man of God being filled with the Holy Ghost said to him, 'You child of the devil, thou enemy of all righteousness, why should you continue to deceive people; now I command you to go blind for a period of three months and immediately the sorcerer went blind and was led out of the place. That encounter resulted to the salvation of the deputy President. The name of the Vice President was Sergius Paulus and the name of the sorcerer was Elymas and the name of the man of God was Apostle Paul (Acts 13 vs. 5-12). Verse 6-7 of today's scripture reveals, *"let the high praise of God be in their mouth, and a two edge sword in their hand. (Verse 7) To execute vengeance upon the heathen and punishment upon the people."* That's insightful: "you and I are possessing two edge sword to execute judgment upon the heathen and punishment upon the people." God wants to use a user of this COF to punish His enemies. The same God who makes the blind to see can make an opened eyes to go blind. Apostle Paul did not say to Elymas, **"God punish you but He punished him by himself"**. Today I stand on the authority of God to announce to the hearing of the enemies of your destiny and testimony; 'let the land they stand upon begin to pursue them; let them loose peace and comfort upon the earth. Let their lives become a burden to them until they are eaten by the land. Let the sunrise become darkness to them'. Continue with your own judgment because you are a living weapon. May God humiliate enemies of righteousness!

**Prayer Points: Worship God using song 2: Page 121**

1. Thank God for the word you have heard.
2. Ask God to bring judgment upon your enemies.
3. Pray that the enemy will have no effect around your life and destiny.

TEXT: (Matthew 14 vs. 25 – 30)

I welcome you to training camp of the God whose slogan is "fear not!" Once a nice man said, "Remembering that I will be dead soon is the most important tool I have ever encountered to help me make the big choices in life. Because almost everything, all external expectations, all pride, all fear of embarrassment or failure; these things just fall away in the face of death, leaving what is truly important." **"fear keeps us focussed on the past or worried about the future."** If we can acknowledge our fear, we can realize that right now we are okay. Right now, today, we are still alive, and our bodies are working marvellously. Our eye can still see the beautiful sky. Our ears can still hear the voice of our loved ones. Fear is the most reasonable excuse why most people live a life that is below what they really represent. Fear is the most invisible enemy that hinders people from breaking out from the limitation that seems to have suppressed them for a long time. I think is very important if we read verse 30 of today's scripture together and it says, ***"But when he saw the wind boisterous, he was afraid; and beginning to sink he cried, saying, Lord, save me."*** At this point Peter had begun the journey, approaching Jesus; but instead of focussing his mind to his destination, he began to observe His environment. Of course the wind should be boisterous because the journey was on the sea; of course there should be tempest; but the Bible said, *'He was afraid and began to sink.'* Hear this: 'fear is the invisible evidence of failure'. Fear is the beginning of failure. No matter how equipped you are, fear is your greatest enemy to success. Oh, no wonder Mark Twain explained it like this: **"Courage is resistance to fear, mastery of fear, not the absence of fear."** The more courageous we are the scarier we look to fear itself. There are people, fear fears. The situations around them are afraid of them. "It takes a loin heart to possess a lion share." It takes boldness to offer the world what you feel they need. And the word of God says, *"For God hath not given us the spirit of fear; but of power, and of love, and of sound mind'.* (2 Timothy 1 vs. 7): "If the Spirit of God lives in you, why fear?"

**Prayer Points: Worship God using song 4: Page 123**

1. Ask God to conquer fear on your behalf.
2. Demand for the courage to challenge any situation that seems to challenge your breakthrough.

TEXT: (Isaiah 65 vs. 16-20)

Verse 17-18 of today's scripture reads, "For behold I create new heavens and a new earth: and the former shall not be remembered, nor come into mind. But be ye glad and rejoice forever in that which I create: for behold I create Jerusalem. A rejoicing and her people a joy". (KJV). This is the generation of new heavens and new earth. When transformation is an ordained destiny from God. Except you are really ready to change things, things might end up changing you. It takes one with a different eye to transform things and persons. You cannot be transformed except you have the transforming pills of God inside you and it was well stated in today's scripture verse 20 saying, "There shall be no more thence an infant of days, nor old man that hath not filled his days: for the child shall die an hundred years old; but the sinner being an hundred years old shall be accursed". That is to say that children are doing what men/women are meant to do. There is no age for achievements. It is no longer the older you are, the more successful you become; NO! That time is passed. It is God's will for now. Your achievements are not limited within your age. Mihir Garimella was this 18 year old Stanford freshman/young man who has a number of projects already under his belt, including creating a homework app to replace paper planners and working on technology to diagnose concussions on the side line of a soccer game. His latest innovation known as Firefly Autonomy, involves building autonomous drones that can go into dangerous or difficult locations, for inspecting equipment to conducting search-and-rescue missions during fire or other disasters. It is of very best interest to note that nothing can be achieved without a perfect frame of mind in Christ Jesus. Yes, transformers are Jesus followers. I have never seen any form of wisdom among the young aged persons that is not in Christ Jesus. **Ask God for innovative ideas: for young persons...**

1. Oh God I thank you for your faithfulness.
2. Mighty God I believe in your power show it to me.

5. Lord Jesus I sincerely appreciate your grace on me at this very last day of the month.

TEXT: (Psalm 56 vs. 1-13)

I welcome you to the sanctuary of the One who is known for greater things. People shift from their today into the tomorrow they admire. What happens when the tomorrow you desire is the one you don't admire especially in public, probably because of jealousy or hatred? **You can never attract what you attack.** My few years in Christ has taught me that judgment reduces with maturity. The greatest height of growth is when one grows in wisdom and understanding. When we grow in understanding, we also grow in appreciation. **Appreciation removes depression. Intelligence promotes integrity.** When you appreciate today, your spirit will be liberal to welcome the beauty of tomorrow. In today's scripture verse 2, David said, "My enemies would bound me all day, for there are many that who fight against me, O most high". This was his complain/lamentation towards God when the Philistines captured him in Gath. He was almost depressed due to the outcome of his today (then). As a matter of fact the philistines were his core enemies; so he was almost towards the end of his reign and life but in the next verse of today's scripture he said, "Whenever I am afraid, I will trust in you. In God (I will praise His word), I have put my trust; I will not fear what can flesh do to me?" Obviously David was afraid of what the tomorrow would be that's why he sounded, "**Whenever I am afraid**". Many persons have ignored their tomorrow because of the failure of today. No matter how uncaring today has been, tomorrow has the tendency to wipe the memories of today from you. It doesn't matter what has failed around you; Jesus has the capacity to give you the tomorrow you deserve, Just hold on to Him. I guess you really need this tablet from verse 13 of today's scripture: "Have you not kept my feet from falling, that I may walk before God in the light of the living?" Appreciate God for who you are today and appreciate people that are where you are hopping to be tomorrow with a praise to God for the tomorrow ahead

**Prayer Points: Worship God in your own way.**

1. I thank God for His word to you.
2. Jesus, help me to rise above my today.
3. Mighty God I receive grace to stand above any form of obstacle standing before me.

TEXT: (Proverb 15 vs. 19-26)

Mistakes are normal but damages are deadly. Most times men finds it hard to accommodate their differences which leads to disagreement but the problem is not the disagreement; it is why is it difficult for them to accept themselves though they disagree. Recently I heard of a man and wife that disagreed over their daughter's child birth in the eastern part of Nigeria. When someone's child is married and she delivers thereafter, it is required that the Mum of the girl married should visit her daughter's home to assist and educate her on how to take care of the baby and this process is called Omugwo. Personally I cannot tell the past of the family in question or what happened that made the husband to forbid his wife from visiting her own daughter as the custom requires. Maybe she married wrongly, or she married against her parent's will or something else. I know certainly well that before a man could refuse his wife from carrying out such assignment, it suggests that something serious is behind his decision. Despite the man's counsel to his wife, the woman was bent on visiting her daughter to carry out the assignment required of her in nursing the baby. The husband seeing the stand of his wife then spoke to her angrily saying, "If you go there, you will not come back alive". Hmmm, the woman left to his daughter's place, after few days she fell sick and died. Then their son left where he was and rushed to the village, got his father killed, sliced him into pieces and burnt his remains saying, "This wicked man killed my mother". Whether you are correct or wrong only the time can determine that. The time has the capacity to tell your stand and options how wise they are. Verse 23 says, *"A man hath joy by the answer of His mouth: and a word spoken in due season, how good is it!"* It is my desire to get from God the right thing to say at all times. It takes the grace of God to be right and the hand of God to do the right thing. Don't disagree with your spouse; don't be rigid too, make a flexible home to accommodate peace. Ask God for the wisdom to control things you cannot handle ordinarily

TEXT: (Deuteronomy 26 vs. 11 - 15)

Are you the kind of person who believes that yourself is enough for you and that you need no human being in this life, you are wrong and God is giving you a chance to rethink so that you can be rescued from limitation. The truth is that nobody is celebrated by himself, people are celebrated by others. No one lifts himself, people lifts you, even when you believe that it is only God that can lift you; when He begins He brings people around you. Permit me to say that some brethren lost their privileges and opportunities simple because they ignore to develop themselves on how to relate with others and retain human relationship. Joseph had this experience likewise Paul, David and lots more of persons in the scriptures and in the contemporary society. I believe these questions below can get you clearer on it. Can you cry under water? Do fishes get thirsty? Why don't birds fall off trees when they sleep? Why is it call building, when it is already built? When they said dog food is new and improved who tasted it? I love you is not a question, then why does it need an answer? Why does round Pizza come in a square box? Why doesn't glue get stick to its bottle? If money doesn't grow on trees then why do banks have branches? Don't be confused, just remember that nothing in nature lives for itself. Rivers don't drink their own water. Trees don't eat their own fruit. The sun doesn't produce heat for itself, and the moon never goes on a horny moon. Living for others and with others is the rule of nature. God's investment to humanity is anchored on partnership. If you can partner with Him then you are His. God partners with people and there is no way you can run His plan if people are not involved. He is called the God of all flesh. (Jeremiah 32 vs. 27): In everything you do try to touch lives and help people, in so doing, you are in God's cause. When you become a people, more blessings comes your way. When you attract others attention more glory and grace comes your way. When your vision is about God and His people, he takes note of you. Be cool, humble and generous to accommodate people. Verse 15 of today's scriptures says, *"Look down from their holy habitation from heaven and bless thy people Israel and the land which thou hast given us, as thou swarest unto our fathers, and land that floweth with milk and horny"*. It says bless thy people... do you have the association that God will look at and aim to invest on you.

TEXT: (Acts 11 vs. 15 – 20)

I welcome you to the place of the one who has reconciled us to Himself. The very one who decides our destiny above us. Yes, that very one is Jesus; is He your Lord and personal saviour? God is interested in those individuals who He will Lord over their lives to the very disappointment of the devil. Yes, the Lord always wants to Lord over all that concerns us. The Lord is an honourable office that is carefully recognised capable of determining the state of matters without being interrupted by any form of dispute or argument. The Lords are judges and law givers, with power to approve or disapprove an intention or already existing process, style or system. The Lord Jesus is looking for those whom in this last time and season that He should Lord over their lives and Destiny. Indeed the devil is fighting a lot of persons making their experience to be different from what they really represent, creating all manner of doubts among brethren. There are some doubting if what they believe-in is really the truth because satan has proposed to disappoint their faith but Jesus being our Lord is not just our Lord when we obey Him, he is the one that brings His obedience in us. He is the very one that has the capacity to lead us to Himself. Oh God, be my Lord now and always. In verse 17 of today's scripture it reads, *“For as much then as God gave them the like gift as he did unto us, who believed on the Lord, Jesus Christ; what was I that I could withstand God?”* Peter recognised that it is the Lord that gives gifts. Recognise that it is Christ who works His righteousness in you. It is Him who can Lord your thought, finances, relationships, association and all that relates with you, He is the Lord, and the very Lord of all things and all men. Let Him be your Lord today, the meaning of that is in your actions and did, do exactly what He would want you do, to the glory of His name to the very shame of the devil. **The Lord Jesus shall give you grace to be what Himself represents, in Jesus name, Amen!**

TEXT:(Exodus 19 vs. 1-4)

Germany Kent said, **“With God, there is always appointed time for things, and when you put Him first, trust in His timing, and keep the faith miracle happens!”** God has eagle's wing where he bares us to reach the place of destiny. His eagle's wing doesn't make us to reach the sky but takes us beyond the sky. Honour with God is not for a season but for the rest of life. Verse 4 of today's scripture echoed that, *“Ye have not seen what I did unto the Egyptians, and how I bare you on eagle's wings, and brought you unto myself”*. There is a wing you possess which gives you the capacity to fly but I don't know if you are aware of it. Being carried on eagle's wing as we saw from today's scripture, it suggests that your place of dwelling is on a very high altitude because that's the place of eagles. Eagles don't fly with sparrows, ravens and other small birds. No wonder the scripture reveals that, *“We are seated with him far above principalities and powers”* (Ephesians 2 vs. 6). Eagles also have an accurate vision; an eagle can focus on something 5km away no matter the obstacle. Have you forgotten the word of the Lord that says, *“Open thou mine eyes, that I may behold wondrous things out of thy law.”* Maybe you don't know this but let me inform you that eagles love storms; whenever the cloud gathers, the eagles uses the storm's wind to lift itself higher and it is confirmed in God's word in Psalm 107 vs. 29: *“He maketh the storms calm so that the waves thereof are still”*. I don't know the storm around you but that's the storm that will make your wing stronger and your flight higher, Amen! Eagles also grow old; it removes it feathers, the beak and the claws in a hiding place to be renewed and when renewed the flight becomes swifter and higher. Isaiah 40 vs. 31, *“It says, they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles, they shall run and not be weary; and they shall work and not faint.”* The spirit of God is saying to someone today, **“Explore your flight in God, because the Lord is carrying you on eagle's wing to become whom He has destined you to be.”** Go for the unreachable and rise above obstacles!

**PrayerPoints: Worship God in your own way.**

1. Ask God to bare you on His wings as you climb to the highest level of your desire.
2. Pray for higher flights and higher experiences of testimonies.

TEXT: (Isaiah 49 vs. 22 – 26)

Some people have lost their lives because the hand of pressure took hold of them as they were fighting the battle that has lasted for a long time in their lives. I pray for you, “Any battle that have occur in your life is hereby terminated forever and ever in Jesus name, Amen!” In the year 1871 when Mr Ramon Artagaveytia was 30 years he survived the sinking of the ship 'America' but was left emotionally scarred. In 1912 when he became 71 years, that was 41 years after he survived the ship America, he finally overcame his fear and decided to sail again, only to die in the sinking of the ship he was on. His next try killed him. Oh, and this very ship was Titanic. There are battles the enemy have sustain to crown himself a victor in some person's life over years but concerning you he has lost forever and ever in Jesus name, Amen! There are people whom their battle may be marriage, you have married more than once and yet no peace. It does not necessarily mean that something is wrong with you: but because the enemy is sustaining a battle around your life he make you look as though there is something wrong. To a COF user the Lord wants you to understand that today is an unusual one as He is set to frustrate the works of darkness and limit the advances of the enemy. To some other persons it is their business, career and other areas of productiveness. In most cases the devil programs to end an individual's life in such process, but today I raise standard against him using the very voice of God, declaring the word of God in verse 26 of today's scripture saying, “*But thus saith the Lord, even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children*”. In Jesus name I declared this very scripture into your life with the very force of the Holy Ghost, Amen! God's delivering hand is rescuing you from the works of darkness, God's hand is extending even to you and your children. None of those limitations shall reach them in Jesus name. Amen. That very difficulty is over. in Jesus name. Amen.

TEXT:(Galatians 3 vs. 4 – 9)

Father, we glorify your holy name, and we bow down before you, Jesus. Many are Christians with no place or trace of justice. They just want to be what they can, not minding how meaningful they could appear before God. We should not look like the positions we occupy in the church but we should look like the very want of God for us. Yes, we are the very people that should demonstrate the very life of Christ we tend to preach and announce. Several years ago a Christian from a distant town accepted a call from a church in Leeds. Some weeks after his arrival, he had an appointment that made him to board a bus to another part of the town. When he sat down, he discovered that the driver had mistakenly given him his balance in excess of 50 pence. As he considered what to do, he thought within himself, you would better give this money back. It would be wrong to keep it” Then another thought came, “Oh, forget it, it's only 50 pence, who would worry about this little amount, after all the bus company makes so much money on fares; they will never miss it. Accept it as a gift from God and keep quiet”. There are many things the devil has asked many of us to keep quiet about, is unfortunate that some of us seem to have listened to him. The person you are on the field of God is not only seen by God, it is also seen by people. In verse 8 of today's scripture we saw, “*And the scripture foreseeing that God would justify the heathen through faith, preached before the gospel unto Abraham, saying, in thee shall all nations be blessed*”. God justifies the heathen, the Christian life we live isn't out of God's judgement balance. Don't bear the burden the devil has given you in your heart. Open your mouth and ease the burden that can deny you eternity. For some of us what is needed is to ask for forgiveness, to some is just to confess a wrong did done against a person. **Justify your faith.**

**PrayerPoints: Worship God in your own way.**

1. Oh God, we thank you for your word to me.
2. Jesus, show me your light and mercy.
3. Oh God, give me the courage to justify my faith.

TEXT: (Romans 12 vs. 1 – 5)

To justify the very faith we have isn't mostly by our making. It is God's work through us, all we have to do is to submit ourselves to God. This is why God's word says in John 15 vs. 5 saying, *"I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me you can do nothing."* The sensitivity of the Holy Spirit increases in you as you yield yourself to God. You become determined to obey Him as you give yourself to His will and love. In continuation of yesterday's story we saw, ...When he was getting down from the bus, he paused momentarily at the door, and then handed the 50 pence to the driver and said, "take, the balance you gave me was excess". The driver with a smile replied, Aren't you the new preacher in town? Yes I am, replied the Preacher. Well, I have been thinking a lot lately about where to go to worship. I just wanted to see what you would do if I gave you a balance in excess. I will worship with you at the church this Sunday. When the preacher stepped off the bus, he grabbed a nearby electric pole, looked up and said, "Oh God, I almost sold your son for 50 pence!" Our life style is the only bible some people will ever read. This is a subtle example of how much people watch us as Christians, and will put us to test! Verse 2 of today's scripture says, *"And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good and acceptable, and perfect will of God"*. Prove what is good, acceptable and perfect will of God. One of the greatest desire we could have from time to time is to know what is actually good and acceptable, perfect will of God for ourselves. It is my prayer for myself and you that we may do the very will of God. **God bless you richly!**

TEXT: (Psalm 41 vs. 1 – 9), (Proverb 18 vs. 24)

There are people the Lord out of His mercy will never allow to be part of your life. There are individuals whom you might have meant well for but their response in the process appears toxic. What then do we say about Cain who killed Abel his own brother, what about Joseph's brothers who betrayed his trust on them? What else can we say about Ahithophel who betrayed David, what of Jonadab who deceived Amnon, do you also consider about Laban who deceived Jacob; such is with human and human relationship/ friendship sometimes. A mother fetched flood water, tap water, river water, rain water, well water and lake water in different cups. She lined them up on a table and called her children and said; "You see these different samples of water, all are called water. However, not all qualify for what I am about to ask you to do now. She then asked her children to assume that they are thirsty, and pick the one they would drink. They looked carefully at the labels and picked the tap water. Then the mother said, "You see how you carefully looked at the labels before you picked? That is how you should carefully look at the labels on different people before you chose your friends. The label on people are their Character, their habits, their behaviours". Every water is water but not every water is qualified for drinking". Yes, every water is water but some water are poisonous." Every human being appears as a human being but not every human being are humans and are qualified for friendship. Some human beings are animals in human skin, and are dangerous poisons for friendship. Open your eyes and read the label carefully before selecting your friends. This we should tell ourselves and our children! If you must go far then not everyone should be found in your ship. Critical examination of people, their worth (Value, discipline and humility) and class will help you to have the right people around your life. Many have lost their direction in life because of wrong friends, some have lost opportunities that could have blessed them because of wrong friends. God's word sounding in verse 9 of today's first scripture says, *"Yea, mine own familiar friend, in whom I trusted which did eat of my bread, hath lifted up his heel against me"*. There are friends that when you trust them, they lift up their heel against you.

I welcome someone before the throne of Him who is God forever and ever. He lives forever and dwells in eternity. If you aren't careful you might end up living the very life that others detect and it leads to regrets. Note these few points of life: "Stay away from anger, it hurts only you! It doesn't solve anything. It builds nothing, but it can destroy everything. If you are right then there is no need to get angry, and if you are wrong then you don't have any right to get angry. Patience with family is love, patience with others is respect, patience with self is confidence and patience with God is faith. Never think hard about the past, it brings tears... Don't think more about the future, it brings fear. Live this moment with a smile, it brings cheers. Every test in our lives makes us bitter or better, every problem comes to make us or break us. The choice is ours whether we become victims or victorious. Do you know why God created gaps between fingers? So that someone who is special to you comes and fill those gaps by holding your hand forever. God has send us all in pairs, someone somewhere is made for you. So wait for the right person. A satisfied life is better than a successful life because our success is measured by others. But our satisfaction is measured by our own soul, mind and heart. Life is like a note book. Two pages are already written by God. First page is birth, last page is death. Centre page are empty so, fill them with smile and love. Life is beautiful, one day, one hour and one minute, will not come again in your entire life. Avoid fights and angriness and speak lovely to every person. Nothing is permanent don't stress yourself too much because no matter how bad the situation is, it will change. Life is an echo, what you send out comes back, what you sow, you reap. What you give, you get. What you see in others, exists in you. Don't judge so you will not be judged. Radiate and give love and love will come back to you. To the living there is hope. God's word speaking to us in today's scripture says in verse 26 saying, "*Behold the fowls of the air, for they sow not neither to they reap, nor gather into barns; yet your heavenly Father feedeth them. Are you not much better than they?*" That's the real question to note: "**are you not much better than they?**" God is saying to someone never forget that I am your light and your source. **Live the very life God planned for you. No height or level of life is impossible with God.**

To have limits to life's success and expectation is not an unfair task given to you by Destiny or God as your point of decision is rekindled. Nick Vujicic was born with a rare disease condition called Tetra-Amelia. Tetra-Amelia is characterised by the absence of four limbs, no hands, no legs! He had the out pouring of love and care from his parents and relatives while growing up. At the age of 8 Nick tried to kill himself three times because onlookers and the kids in school would jeer and laugh at him. He got sick and tired of society estimation of him. After deep contemplation one day he decided to live, when in one of his attempt at suicide he saw in his mind the intense pain and the grief he would cause his family. Today, he is a pastor and motivation speaker changing millions of lives around the world. He has authored several books some hitting the New Yoke times bestselling list. He is married to the love of his life Kamae and together they have 4 children. One of his book title is "life without limits". The worst is not when people feel that you can't by yourself, it is when you feel that you can't. The basic problem people face is not the one that attacks them externally but the one that comes to them internally. God is above your limits. People do not marry the best spouse because they are pretty or ugly. People don't make money because they are street smart. Success and achievements is found in the very mind of the one who wants to succeed. The man Nick whose story we saw above gave himself to success in the absence of hands and legs just because he agreed from his mind to give it a try. Change the venue of your life through your mind. No devil can stop you in Jesus name, Amen! Verse 25 of today's scripture says, "*That I will break the Assyrians in my hand, and upon my mountains tread him under foot: then should his yoke depart from off them, and his burden depart from off their shoulders*". Any resisting burden on your shoulder is taken away right now in Jesus name, Amen. Go and shine! God bless you richly. **If you got COF through someone get for someone else and keep the fire spreading: 07066085556**

## My God my Father while I stray: Song 1

*Charlotte Elliott*

My God, my Father, while I stray  
Far from my home in life's rough way,  
O teach me from my heart to say,  
"Thy will be done."

Though dark my path, and sad my lot,  
Let me be still and murmur not,  
Or breathe the prayer Divinely taught,  
"Thy will be done."

What though in lonely grief I sigh  
For friends beloved, no longer nigh,  
Submissive still would I reply,  
"Thy will be done."

If Thou shouldst call me to resign  
What most I prize -- it ne'er was mine:  
I only yield Thee what was Thine --  
"Thy will be done."

Let but my fainting heart be blest  
With Thy sweet Spirit for its Guest,  
My God, to Thee I leave the rest;  
"Thy will be done."

## All to Jesus I surrender: Song 2

All to Jesus I surrender;  
all to Him I freely give;  
I will ever love and trust him,  
in his presence daily live.

Refrain:

I surrender all, I surrender all,  
all to thee, my blessed Savior,  
I surrender all.

All to Jesus I surrender;  
humbly at his feet I bow,  
worldly pleasures all forsaken;  
take me, Jesus, take me now.

All to Jesus I surrender;  
make me, Savior, wholly thine;  
fill me with thy love and power;  
truly know that thou art mine.

All to Jesus I surrender;  
now I feel the sacred flame.  
O the joy of full salvation!  
Glory, glory, to his name!

### **Christian seek not yet repose: Song 3**

**Charlotte Elliott**

Christian, seek not yet repose,  
Cast thy dreams of ease away;  
Thou art in the midst of foes:  
Watch and pray.

Principalities and powers,  
Mustering their unseen array,  
Wait for thy unguarded hours:  
Watch and pray.

Gird thy heavenly armor on,  
Wear it ever, night and day;  
Ambushed lies the evil one:  
Watch and pray.

Hear the victors who o'ercame;  
Still they mark each warrior's way;  
All with one sweet voice exclaim,  
"Watch and pray."

Hear, above all, hear Thy Lord,  
Him thou lovest to obey;  
Hide within thy heart His word,  
"Watch and pray."

Watch, as if on that alone  
Hung the issue of the day;  
Pray that help may be sent down:  
Watch and pray.

### **Just as I am: Song 4**

**Charlotte Elliott**

Just as I am, without one plea,  
But that Thy blood was shed for me,  
And that Thou bidst me come to Thee,  
O Lamb of God, I come, I come,  
O Lamb of God, I come, I come.

Just as I am, though tossed about  
With many a conflict, many a doubt,  
Fightings and fears within, without,  
O Lamb of God, I come, I come,  
O Lamb of God, I come, I come.

Just as I am, poor, wretched, blind;  
Sight, riches, healing of the mind,  
Yea, all I need in Thee to find,  
O Lamb of God, I come, I come,  
O Lamb of God, I come, I come.

## Are you washed in the Blood: Song 5

*Elisha Hoffman*

Have You Been To Jesus For The Cleansing Pow'r?  
Are You Washed In Blood Of The Lamb?  
Are You Fully Trusting In His Grace This Hour?  
Are You Washed In The Blood Of The Lamb?

Are You Walking Daily By The Savior's Side?  
Are You Washed In The Blood Of The Lamb?  
Do You Rest Each Moment In The Crucified?  
Are You Washed In The Blood Of The Lamb?

When The Bridegroom Cometh Will Your Robes Be White  
Are You Washed In The Blood Of The Lamb?  
Will Your Soul Be Ready For The Mansions Bright,  
And Be Washed In The Blood Of The Lamb?

Refrain:  
Are You Washed In The Blood,  
In The Soul Cleansing Blood Of The Lamb?  
Are Your Garments Spotless? Are They White As Snow?  
Are You Washed In The Blood Of The Lamb?
