Why the COF and How to use the COF

(Psalm: 90vs12): *So teach us to number our days, that we may apply our heart unto wisdom.* A man's days will be told as an ordinary story if he/she wasn't able to number them according to God's wisdom. The wisdom of God is Jesus: and Jesus is found through the word of God (John: 1vs1). **Don't be fooled by the Calendar. There are only as many days in the year as you make use of (Charles Richard).**

Through the daily digestion of the word of God, days are utilized and destinies are experienced. Through this daily devotional God makes you to channel your days toward the reality of your destiny. In COF God has a direction and an instruction for you daily. Start today, remain steady and the eternity will celebrate your days.

7 steps on how to use the COF

- 1) Create a time with the Almighty God daily; preferably in the morning hours.
- 2) Disconnect yourself from distractions.
- 3) Connect to God either through short Prayers or worship.
- 4) Carefully and meditatively read the bible passage that is allocated for the day.
- 5) Write down any insight or instruction captured from the bible passage you read, if any.
- 6) Carefully study the inspirational write up meant for the day according to the dates in this book, and follows the instruction given to you either from the Holy Spirit or from the servant of God, if any.
- 7) Pray the prayers that are meant for the day as you go ahead to maintain Godly atmosphere for the rest of the day.

WELCOME TO JANUARY

THEME

SUPERNATURAL MANIFESTATIONS.

I welcome someone who is strongly alive among the living before the very presence of God this wonderful day. This year 2022 is the year the Lord has named as our year of **“SUPERNATURAL MANIFESTATIONS”**. This is your season of God's help and mercy. I prophecy to someone's life that the Almighty God himself shall by all means take you to the part of upliftment and exaltation in Jesus name, Amen! I speak to someone's life, this very year there shall be release of God's hand upon you and around you, no need to fear or worry as the future is already declared bright for you in Jesus name, Amen! This year 2022, all your enemies shall be crippled in their journey to frustrate you. The light shall shine upon you, and His mercy shall be revealed on you in Jesus name, Amen! God's word saying to you in verse 5 and 6 of today's scripture says, *“For as a young man marrieth a virgin so shall thy sons marry thee. (My sons shall be reachable and connected to me, likewise Jehovah shall rejoice over me.)”* This is God saying to you that this year you shall be favored. Begin the year with a new mindset of peace and hope. Peace because you shall have peace around you despite the catastrophe that could be happening in the globe, the Lord shall grant you peace, Amen! Hope, yes be hopeful because without hope nothing comes into the reality. Hope is what gives birth to the testimonies you expect to bear. If you have known disappointment before, kindly know that this is the time of God, and being the time of God anything is strictly possible and anything can happen. (Verse 6) of today's scripture says, *“I have set watchman upon the walls of Jerusalem, which shall never hold their peace day nor night. Ye that maketh mention of the name of the Lord, keep not silent”*. Prepare for the fasting and prayer that begins from 3rd – 23rd of January 2022.

Prayer Points: Worship God in your own style.

1. Oh God I thank you for a new year.
2. Father, I receive the grace to go far with you this year.
3. Jesus assuming you come for the saints this year, may I not be left behind.
4. Oh, God magnify yourself in all that concerns me.

The joyful sound is a sound that pushes victory before it actual comes. This 2022 I don't know if you have positioned your ears to hear the joyful sound. There is a positioning for the joyful sound. See the Bible with me, *"Blessed is the people that know the joyful sound: they shall walk, O LORD, in the light of thy countenance"*. Blessed are the people that knows the joyful sound, to know is the basics of accommodating and accomplishment. When you know, you stand at the corner of accomplishment and fulfillment. Success is easy for the one who sees it coming. This new year you shall position your ear to the good news, adjust your life to the happenings you expect to see. Set yourself up to the highlights of things you aim to get. Within the sounds of happy NEW YEAR, is the Joyful sound. **Our fasting and prayers starts tomorrow being 3rd January 2022.** Are you ready to pray while hearing the sound of answers? Sound is a great tool in Supernatural manifestations and fulfillment of God. When you do know the sound of victory then you expect, and your expectations becomes your reality. God cannot give you, what you didn't expect and what you didn't hear. You have to expect to have the best of results. In as much as you will engage in prayers and fasting from tomorrow, YOU need to expect the results of what you will be praying about for answers to be seen and gotten. Today, pray to God to grant you the capacity to know the joyful sound. It is the divine wisdom of God that empowers you to discover the joyful sound in that place of pain and crisis. Yes, your hair was shaved with sin and immorality, it takes the coding of God to see a new season coming. we have to grow in Divine capacity and enablement to see the weight of God descending upon our lives. AMEN!

Prayer Points: Worship God using song 3: Page 120

1. Oh God, I thank you for your word to me.
 2. Jesus, help me to hear the Joyful sound.
 3. My God I refuse any form of limitation and frustration in Jesus name, Amen.
- Mighty God, give me the grace to be spiritually sensitive, Amen!

Do you know that God promises what He can do and there is nothing that can stop him from being God. All He has said, He is able to accomplish. To him that wishes to see God in an unusual level this season, that fellow should own up to come to that level where God remains God all by Himself. As you are praying, study His word to know what He says as well. This season of prayers tell God everything and believe everything He says to you. Someone said, **"Prayer is a surge of the heart, it is a simple look turned towards heaven, it is a cry of recognition and of love embracing both trial and joy."** God is absolutely able to hear the prayer of the simple. Someone also said, **"That the best way to learn how to pray is to pray."** There are many things capable of calling our attention out from prayers but we need to tell ourselves [i have to pray and i will pray and nothing can stop me from it]. Sin cannot survive long in the place where prayer goes on repeatedly. you may be depressed but prayer induces the nature and character of God on you. As you pray the prayers in **Page 106**, don't do it alone, get others involved. [verse 15] of today's scripture says, *"those who are honest and fair, who refuse to profit by friends who stay far away from bribe, who refuse to listen to those who plot murder, who shut their eyes to all enticement to do wrong. Yes, these are the people the lord will help and make."* These are the people the lord will build. The promises of God are real if you will learn to live by his rules. The ways of God are plain if you will guide your life by His plans. **God bless you richly. AMEN!**

Prayer Points: Worship God using your own songs.

1. Oh God I thank you for a day as this which you have made.
2. Jesus, bless me with the enablement to trust and Love you.
3. My God break every cord of darkness and help me to Love you.
4. Father, in this period of prayers, answer me greatly in Jesus name, Amen!
5. Faithful God, I receive divine empowerment and enthronement in my life.
6. I shall not be small any more in Jesus name, Amen!

TEXT: (Joshua 4 vs. 1-14)

God is not a man and he does His own things in His own unique ways, in all the earth there has never been anyone to be compared to Him. Do you know that the wisdom of God covers your life time. What is the meaning of that?, in His reasoning and acts He controls and rules your life time. That it is not smart or beautiful with you today does not mean that it will stay like that forever. God plays your life from the picture He has in mind. Is true that you have failed, your life hasn't crossed that path of success, don't allow your mind to summarize it up. Keep believing God. It is true that it may not have started smoothly but this is another year to prove the faithfulness of God around your life and destiny. So in this season of prayers don't ever talk to God like it is a custom to do so but talk to Him knowing He has gotten your life figured out and He knows how to make it beautiful this season. Verse 4 of today's scripture says, ***"On that day, the LORD magnified Joshua in the sight of all Israel and they feared him, as they feared Moses, all the days of his life."*** There is a day of the Lord's magnification and for someone that day is within the days of 2022. For someone else Jehovah shall magnify you out of poverty, out of limitation and hindrances. YES, He shall magnify you out of marital failures and limitations. The word of the lord says that day the Lord magnified Joshua in the sight of all Israel. declare with me [All mouth shall speak of the goodness of God in my life this year in Jesus name, AMEN!. No weapon fashioned against you shall ever prosper in Jesus name AMEN!

Abba father, we declare that we shall not miss any opportunity of progress and exaltation in Jesus precious name, AMEN! I declare over you, the Lord's name shall be praised forever. AMEN! **Visit Page 106 for prayers.**

Prayer Points: Worship God using song 2: Page 121

1. Oh God I thank you for your word to me.
2. Father, let the heavens be opened for me this season of prayers.
3. My God, I shall not be limited or frustrated in life in Jesus name, Amen.
4. My God, I declare that you shall do things for me that will justify your nature in Jesus name, Amen

The Saving Hand of God.

Channels OF Fulfilment

TEXT: (Psalm 20 vs. 1-10)

I don't know the pit the devil has dug for you, but the saving Hand of God shall save you out of it to the very heights of prosperity in all realms of your life. God's hand can reach out to anything in any form to create His savings grace. I don't know what error you have known for long, you can ask God today to stretch out His hand on you and cause changes to occur around you. Jesus is able to save all the time and repeatedly. Never allow the mind-set to grow in you that you have gotten to that point where God is no longer interested to save you; He is always available to save. If you are still confused about it, then ponder with me the pages of His word that says in verse 6 of today's scripture saying, *"Now know I that He the LORD saveth His anointed, He will hear him from His holy heaven with the saving strength of His right hand."* This will contain someone's testimony today. You shall discover the saving hand of God around you. Yes, it is because the hand saved you that is why you didn't fall into the wrong marriage. It is because the hand saved you that is why something came up and you didn't involve in that journey that would have claimed your life. Yes, this year 2022 there shall be many savings of God around your life. The devil planned your death through your sleep but the LORD saved you. You fell into the trap of the enemy and had premarital sex and since then the devil trapped you in a cage, still preaching but out of grace. The hand of God shall save you. Digest this: **"there is no storm that God won't carry you through, no bridge that GOD won't help you across. No battle that GOD won't help you win. No headache that God won't help you let go of. He is so much bigger than anything you will face today. Leave everything in his hands and embrace this day confidently knowing that he will take care of you. [AMEN]"**

Prayer Points: Worship God using song 5: Page 124

1. Oh God, I thank you for your word to me.
2. Jesus I receive your saving hand in all that concerns me.
3. Oh, God I shall not fall victim of any plan and activity of the enemy.

God lends a helping hand to the man who tries hard. You are divinely welcomed to the 3rd day of this fasting. Yes I am seeing someone having an issue in his throat right now the hand of GOD is reaching out to you and you are sound and set free in Jesus Name, Amen. **God has nothing great to offer the lazy and the weak.** A strong man is not just the man who stays hard at work but is the man that works hard even when there are many reasons suggesting to him to give up. Fasting is not something you do at ease, it is hard work to starve and gain God's attention. Some of you did not eat well last night probably you didn't have the appetite and this morning you are contemplating of continuing the fast or not. God is saying to find me where I am, there are works you must do. To come up to that realms of my mystery there are some things it will cost you. Jesus had to fast for 40 days because that is the coding of God on earth. In heaven he doesn't fast but by the program of God on earth that is how He designed that men shall find his face. Some of us have not risen to a greater height because we have not given God what He ask. In your prayers you told him LORD bless me and I will serve you with the money and then he helped you with a little money and asked you to give him some part or all and you are still struggling with that. A vision in the hand of a hard worker who is continuous with his work never dies. Verse 23 of today's scripture says *"Whatever is commanded by God of heaven, let it be diligently done for the house of the GOD of heaven....."* Diligent in doing what the LORD commanded is a means of exploit, don't be weak and low, engage diligence in doing exactly what the lord wanted you to do.

Prayer Points: Worship God using song 1: Page 120

1. Oh God, I thank you for your word in my life.
2. Oh God, I receive the grace to work hard in life.
3. Oh God, I shall not fall victim of failure by laziness.
4. My God, I receive grace to triumph.

Are you so much committed to God in any where that nothing can stand in-between you and Him? Some persons will start mentioning the things they have done for God and what they are doing already. There is surely a difference between committed fellow and the one who is absolutely committed. They sound similar but they aren't the same. Absolute commitment is going with all you are and who you are. It is having Him with all He is. Giving Him all you have. Read that again. For us to be a good tool in the hand of God we must allow Him make all the choices for us. We must come to that point of our life where if we are not sure of Him nothing continues. If I am not sure of Him in my marriage then it has no need of continuing. If I am not sure of Him in this settlement plan then no need of expecting it. Some persons are far in a hurry to consider the mind and the will of God. YES, some individuals are too in a hurry that they don't follow God's will but God follows them. A man who was a yard man in a church came out among those who would give God cow as He demanded through the preacher, looking at his position as a yard man that was like his three[3] months salary, but he never knew that God was up to something on His behalf. He was yet to be married, planning to marry, and on his way to the village; to go and meet his wife to be and the both families, he fell victim of kidnappers. GOD does not in anyway give up on those who sincerely love Him and are not willing to give him a little. Verse 37 of today's scripture says, *"Jesus said unto him, thou shall love thy God with all thy heart, and with all thy soul, and with all thy mind."* All of thy soul and mind. **This new year you cannot get all of God if you can't give him all of you. GOD bless you, Amen! Pray the Fasting prayers. page 106.**

Prayer Points: Worship God using song 4: Page 123

1. Oh God, I thank you for your mercy and faithfulness.
2. Father, I receive the grace to drop everything at your feet Lord.
3. Jesus, help me to love you genuinely and sincerely, Amen!
4. My God, anywhere I am becoming weak strengthen me.

Today's scripture says, *"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his servants with him."* To bear precious seed sometimes causes us to weep. Bible speaking said, *"Weeping might endure for a night but joy cometh in the morning."* Most times to be committed to God is not one of those easier things to do. It is most times quite demanding that if you didn't commit so much, you will be discouraged on the reason and need to commit still. This New Year one has to make up his mind to be absolutely committed to God with all diligence and requirement. You don't commit ordinarily but with focus and wisdom. Commitment is not childish, not optional but highly demanding. It takes absolute commitment to God to stay with this 21 days fasting until the end result is gotten. In Continuation of the story we saw yesterday, the church yard-man fell into the hand of kidnappers. Then they drove them to a very far place that he couldn't recognize and when they got there, the ritualists said they needed 70 people. They went ahead and gathered more people until the 70 was complete, then they started killing them one after the other. The number was getting to the last set which he supposed to be one of them. Then he was assisted out of the place by one of the ritualists. Others followed but were shot dead, except him. Then God saved him because he obeyed that voice that told him, give me a cow, it does not worth or cost more than your life. Anything given to God survives. Life given to GOD survives. **In the need of looking forward to how high the Lord shall lift you this year another important factor is you knowing the essence of total/absolute commitment to God.**

Prayer Points: Worship God in your own way.

1. Oh God, I thank you for your word to me.
2. Jesus, break anything that will make me not to submit.
3. Father, I receive the obedience that honours you in my life, Amen!
4. Thank you Father for the grace to love and adore you
5. Lord, make my commitment this year to be higher than that of other years.
6. I receive more grace of service and steadfastness in the Lord.

No one playfully gets the attention of God, if you must secure the attention of God then you must be diligent and focused to be able to tap into the realms of gaining His interest. Prayer is still the most powerful tool to any approach of life because by it you speak directly to the owner of the earth and everything that is within it. By prayers we draw God to ourselves, by prayers we move into the realm of divine arrangements and executions. Prayers is the means we take from the establishment of God. See what the scripture says in (John 3 vs. 33) *"The father loveth the son and hath given all things into his hand."* All things are in the hand of God already just ask Him with faith. Don't pray today trying to do the normal or maintain same yearly ritual or cultures but pray today knowing that you are speaking to a responsible Father who is able and willing to answer your prayers. Prayer contiguously! Make a list of what exactly you want God to do and trust Him to do them. See verse 4 of today's scripture where it says, *"Turn again my captivity, O LORD, as the storms in the earth."* Some of us are still struggling with some level of captivity that is why it seems as though our rewards are missing. God is ever responsible and ready to turn away captivities if you will focus in your prayers. As you continue in the fasting and prayers the Lord shall strengthen you, He shall build and establish you. Maintain a season of payer routine this period and Jehovah shall prove Himself God to you and around you in Jesus name, AMEN. **In your requests to God combine them with faith, and the LORD shall answer you. Pray the fasting prayers, page 106.**

Prayer Points: Worship God using song 1: Page 120

1. Oh God, I thank you for your presence in my life.
2. Jesus, I receive the grace to pray by the wisdom of God.
3. I shall not by any means fall victim of any form of satanic limitation in Jesus name, Amen!

Many times our limitation in God's promises is not a deficiency on God's path but a limitation on our knowing that the person of God's is highly responsible to get all things done. Check out this analysis: If someone promised you of something, who is able to fulfill the promise. Your character after promise is among the things that will determine if you will receive the promise. Once a respected man told us a story of how he visited one of his associate in a far place and the associate was meant to come with his wife to their place which was going to be stressful for them if they travel by road, then this influential man told them not to worry that he will pay their air fee so they don't get to stress themselves while coming but the reaction of the man and his wife was normal, no form of excitement and weak appreciation. Then when it was time for them to come, he told them to come by the road that he will see them on their arrival. Hence the basic point is simple, anytime God says something new to you it is of a very high essence if you can welcome it with excitement. I don't know what you are excited about right now but as for me I am excited about the testimonies that will accompany my prayers this year. I am excited about the wonders the Lord is about to create through us. Oh yes, I am thanking God in advance over all the promises he has stored on our backs to accomplish this year. OH YES, I am so thankful to God for His goodness and wonders in your life and in the life of all partaking in this year's prayers of Supernatural Manifestations. Verse 17 of today's scripture says, ***"The Lord taketh pleasures in them that fear him, and those that hope in his mercy."*** In his mercy he taketh pleasure. What a God? See his mercy standing for you. All the operation of the enemy are destroyed from now in Jesus name, AMEN! **Connect with CRP family and services.**

Prayer Points: Worship God using your own songs.

1. Oh God I thank you for your word to me.
2. My God, I become excited to all the promises, you have made to me.
3. Jesus, nothing shall stand between me and you, Amen!

The lord sent me here this day to restore hope to someone who has been hopeless all these while. YES, that fellow who has genuine reasons to stop praying probably as a result of the disasters of the past. But what can I say when the one whom we call upon is over responsible by himself to put to stop any form of advancement from the enemy. I want you to digest verse 5 - 6 of today's scripture with me, where it says, ***"By an act of faith, Enoch skipped death completely. They looked all over and couldn't find him because God had taken him."*** We know on the basics of reliable testimony that before he was taken ***"he pleased GOD"***. It is impossible to please God without faith. And why? Because anyone who wants to approach God must believe that He exists and that He cares enough to respond to those who seek Him. This is a basic reply to anyone who is contemplating on quitting. I don't know other approaches you may be investing your energy on but since you are praying I am sure of a testimony on your behalf. Satan at this point might be reminding you of how much you have prayed in the past yet no result to show for it, assure him that your God is able. Shut him up in shame by telling him all the Lord shall do for you this year. Of course Jehovah will accomplish them and Satan will be a witness and he can't do anything. In your prayers pray with faith, stay focused, there is God in heaven, the word of the Lord speaking said in (Isaiah 46 vs. 10) saying, ***"Step out of the traffic! Take a long loving look at me, your high God, above politics, above everything."*** Your God is above this nation's economy, he is above the molestation of the enemy. He is above the works and acts of the wicked. Trust him and excellence shall be known by you, AMEN!

Prayer Points: Worship God using song 5: Page 124

1. Oh God I thank you for your word to me.
2. Jesus, give me the grace to keep the faith alive and hopeful.
3. Oh God I shall not go below the heights of excellence

TEXT: (Isaiah 32 vs. 10 – 17)

Your faith shall make you prevail. In the year 1918 just as the First World War was coming to an end, George Senior by the colonialist forces of the British Empire, wrote a letter to the colonial officer, the last line was a food for thought. **“You chain us and point the rifle at us, you have the power of the gun, but we have the power of God with us”**. You try to crush our seed but out of this crushed seed we will rise, we will never succumb to you, our faith is not in chains. **“Out of this crushed seed, we will rise”**. To be able to believe God despite all that has happened around you which are capable of turning away your belief is the act of faith. Yes, I prayed the last time, yet I haven't conceived, all you need is to keep the faith. **“For if we faint not we shall be rewarded in our due season”**. This is our year of **Supernatural Manifestation** and we shouldn't neglect the fact that God with all He is, is willing and gracious to help us. **Merciful and Kind to build us**. We cannot have the best without Him. Verse 12 of today's scripture says, *“And the work of righteousness shall be peace: and the effect of righteousness quietness and assurance forever”*. Quietness; no form of satanic inspired noise. No form of satanic magnified crisis, there shall be quietness and assurance forever more. **One who has God beside Him and for Him has conquered the manifestation of the enemy**. One who runs with the Blessings don't out-run His blessings. This is the promised year for you. Yes, that very season of your life where God shall keep you amazed. Where His grace shall replace your race. His effort shall outrun effort. Oh God, thank you as I enter into that very season of my life where you will rule and reign in Jesus name, Amen!

Prayer Points: Worship God using song 4: Page 123

1. Oh God I thank you for your word to me.
2. Father, I receive the grace to love and trust you.
3. Faithful God, I shall not by any means be below than I should be.
4. My God I receive the ability to keep the faith in Jesus name, Amen!
5. Oh God, I decree that your beauty shall be made visible to me, Amen!

TEXT: (Psalm 26 vs. 1 – 12)

Many times people tend to be selfish in what they do, they recall what God has not yet done for them and forgets all He has done. They complain about what they don't have and forget about all the Lord has given them. One of the ways to open the door to the realms of God is by being grateful to Him for His faithfulness. One day a very wealthy man was walking on the road along the way he saw a begger on the side walk. The rich man looked kindly on the begger and asked, “How did you become a begger?” The begger said sir, I have been applying for a Job for a year now but haven't found any. You look like a rich man sir, if you will give me a Job. I will do something better. I want you to be my business partner. Let's start a business together, said the rich man. The begger blinked hard. He didn't understand what the older man was saying. “What do you mean sir? I owe a rice plantation. You could sell my rice in the market. I will provide you the sacks of rice. I will pay the rent for the market stall. I will even give you food allowance every day for the next 30 days. All you have to do is to sell my rice. And at the end of the month, as business partners, we will share in the profits. (Verse 7 of today's scripture says): *“That I may publish with the voice of thanksgiving, and tell of all thy wondrous works”*. Let the world know what the Lord has done for you. Tell the world of the goodness of God to you. He has kept you alive. God does very few things for those who does not thank Him enough. Yes, to that fellow who has no limit of thanks to give God, God is willing to do many things for, in this season of fasting and prayers but also for those who will not only pray for the needs they have but also see the Miracles He gave them in the previous years.

Be grateful to God. (Part 2) *Channels OF Fulfilment*
TEXT: (Psalm 116 vs. 17)

Gratefulness is one of the attitudes the Lord esteems high. Hence it will be hard for one to sustain an essential relationship with God if the individual is not grateful to Him. In continuation of yesterday's story. ...Tears of Joy rolled down his cheeks. Oh sir, he said, you are a gift from heaven. You are the answer to my prayers. Thank you, thank you: the rich man told him that the percentage share of the profit 10% and 90%, that the begger should take 90% while the rich man/sponsors should take 10%. He said, I want you to give me 10% of your profit. Each day the begger man dressed a little bit better, operated a store selling rice in the market. He worked very hard. He woke up early in the morning & slept late at night. And sales were brisk, also because the rice was of good quality & after 30 days, the profits were astounding. At the very end of the month, as the ex-begger was counting the money, & liking very much the feeling of money in his hands, an idea grew in his mind. He told Himself, **Gee why should I give 10% to my business partners?** I didn't see him the whole month! I was the one who was working day and night for this business, I did all this work! I deserve the 100% profits! Many persons are in this condition with God, so ungrateful to the very height of it. So ungrateful to the person and pattern of God. This New Year one of the things that will attract God to you is gratitude. Out of the money the Lord gave you last year, how many of it did you use to appreciate Him? God does not by any means appreciate carelessness towards worship and thanksgiving. Digest verse 17 of today's scripture, *"I will offer to thee sacrifice and thanksgiving and declare his work with rejoicing"*.

5. Lord, help me to appreciate every detail of you in my life.

Impossible to die. *Channels OF Fulfilment*
TEXT: (Acts 2 vs. 20 – 25)

I don't know who is scared of death but the Lord said I should tell someone that death has lost its grip on you. Are you reading this with me today on the 12th days of the fasting and praying, I decree you and your household shall not be lost in death in Jesus name, Amen. See the scripture with me in verse 24 of today's where the word of God says, ***"Whom God hath raised up, having loosed the pains of death: because it was not possible that he should be holden of it"***. He was raised from the pains of death. Jesus was taken back from the pains of death. Wow, see it with me from the Message Bible, *"But God untied the death ropes and raised Him up. Death was no match for Him"*. Can you scream with me, "Death is no match for me. If you are having the fear of death right now, the freedom of God is coming your way in the name of Jesus, Amen! Obviously, some persons would die this year, but not you and your relatives. Strongly register this word in your heart! Be committed to fellowship and come before God all the time, stand in His presence and see victory over death or any kind of situation that is not Godly oriented or inspired. I don't know the situation that could be surrounding you at the moment, maybe yours is not death but pains of death, yes cancerous illness and situations that are really terrible for you to manage, I am sure the Lord's hand is right there where you are, therefore join me to scream in the name of Jesus, "I am free!" (Go ahead and mention that situation and declare your freedom on it, in the name of Jesus, your freedom is permanently established, and you shall not die but live in the precious name of Jesus, Amen! **"Chidolue Isaac" Like us in Facebook**

The Pursuit of God. *Channels OF Fulfilment*
TEXT: (Psalm 119 vs. 1 – 15)

How far can you pursue God? God planted in the heart of man the need to pursue Him always, you need to have in you the hunger that seeks after God, that searches for Him in all sincerity and all humility. Verse 2 of today's scripture echoed, ***“Blessed are they that keep his testimonies, and that seek him with their whole heart.”*** How are you seeking God this period, is it with your whole heart? It takes the whole heart to turn Him-on in what He is set to achieve with you. Oh yes, it takes the whole heart to get God move in His fullness. At this season of fasting, you need to follow God up by His power and might. Determine that this year, you shall pursue God without restrictions. Just learn how to seek God, seek Him in prayers and commitment. This is the year of supernatural manifestation and God is daring us to commit ourselves to the excellence of the pattern of Christ and His grace. I don't know what seems bad around you right now, pursue God. **Bad chapters can still create great stories. Wrong paths can still lead to right places, failed dreams can still create successful purposes.** To find yourself, face your worst fears. Be courageous and stay living. All these points above are good but the basics of them all is how much of God presently are you pursuing. Thank God for the grace to fast. Also in your prayers today I would like you to ask God for the grace to pursue after Him at all times, the grace to continuously be coming after Him all the time. If you will maintain pursuing after Him then you are close to exploits and glory. If you sustain pursuing God, then you shall command influence and glory. There is nothing God cannot put together, if we maintain our pursuit of Him. **Broken home can be permanently restored, Glory be to God.**

Trust God with your choices. *Channels OF Fulfilment*
TEXT: ((Psalm 71 vs. 1 – 5)

For you to get the best of God you need to learn how to trust Him at all times. The basic truth that anyone should understand is that God is not looking at you to live your life and succeed, No! He is also seeing the future you are approaching because He sees the end from the beginning. I think our understanding about this will widen when we look at it from the point of Rick Warren who said, ***“The more you believe and trust God, the more limitless your possibilities become for your family, your career for your life!”*** See the story below. A pregnant woman was seated under a tree very thirsty and she needed water but there was no water. Suddenly she saw some drops of water dripping from the tree. She took a cup and started tapping the drops. When water got to half of the cup and she was ready to drink, a bird came and knocked the cup down so the water was spilled. It happened three times and the woman felt very bad, she took a stone and killed the bird. After the bird had died; she saw a big snake coming down from the tree. So she discovered that what she really wanted to drink was not water but poison. She felt so guilty that she had killed the bird that saved her life. Sometimes God is like this bird to us. He knows when we are about to take poison but we get so bitter with him when he is trying to help us. (Jeremiah 17 vs. 7) says, ***“Blessed is the man that trusteth in the Lord, and whose hope the Lord is”.*** Do you trust the Lord, or is the Lord your hope. To trust Him is to know His mind while some of those expectations look unrealistic and untrue. Verse 5 of today's scripture declared the mind of God when it says, ***“For thou art my hope, O Lord God. Thou art my trust from youth.”*** He is my trust from my youth. I have no one but Him, I have no backbone but Him, I don't know about you. **I don't know the details of your safety this year but I sure do know that trusting God with everything is the safest.**

Prayer Points: Worship God using song 2: Page 121

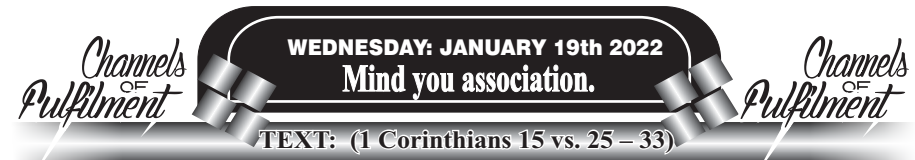

1. Oh God help me to trust you with my choices.
2. Jesus, give me the grace to hold onto you at all times.
3. My God, I receive the grace to triumph in what I do.
4. shall not fall victim of any kind of misfortune, Amen!

Many times I have entered into arguments with people over my refusal of what they believe is normal to them but abnormal to me. If you must climb to the place of God's doings, you must be able to agree and accept that which He has placed in your mind that He will do! In 1915 a woman arrived late at her sister's funeral. When she arrived, she demanded that her sister's coffin be raised so that she could see her one last time. Upon opening the coffin, her sister, Essie Dunbor, sat up and smiled. She went on to live another 47 years. You cannot see the best of God unless you are eager and willing to take challenging steps. Yes, that step that looks abnormal, that is what faith is. You don't have faith by just believing, you have faith by behaving. **Behaving the glory and grace of God.** The possibilities of God is massive! Amidst your fasting and prayers, trust God for an amazing shift into the place of dominion. Amidst the struggle, trust God for excellence and excelling power. Verse 5 of today's scripture says, *"When Jesus saw their faith, he said unto the sick of the palsy, son, thy sins be forgiven thee"*. When Jesus saw; there is something that can be seen. **Faith is seen!** As you are praying for prosperity, act by it! Those men acted. **God doesn't know your faith outside of your action.** Put yourself where you want God to put you, and then watch Him put you there. Solutions are strictly possible if you keep on believing and trusting God. Make a list of vision, plan on how the year 2022 will be for you and start acting on those plans. Start living up to those plans and start behaving those plans. **It is impossible to get the best from God if you can show how desperate you are about it, and it takes only your action to speak that. Be @ TOPRANK HOTEL 23rd Jan. 2022.**

5. Give me the grace to act in faith in Jesus name, Amen!

Some persons have not risen because they failed to mind their associations. Like people and follow them but always find out their lapses and areas of weaknesses and ensure you are not influenced by it. One of the advantages you will create for yourself this year is to ensure you maintain the right association around you. Take note of the following points as you maintain the right association, mind these group of persons. 1. Thomas group: Walk with you but don't really believe in you. They keep on delaying your vision and mission. 2. Judas group: Walk with you but have issues with you when God begin to bless you. They are jealous of your success. 3. Damas group: Walk with you but once you start facing challenges and difficulties, they run and forsake you. 4. Korah group: They challenge your authority, they have issues when others acknowledge you. 5. Ham group: They expose your nakedness. The day you find yourself in a sinful act, they tell everyone your weakness and exposing your disaster. 6. Gehazi group: They collect money behind your back, ask people for financial assistance and make people feel you are not taking good care of them. 7. Deotrephe group: Most dangerous group, they have a voice among the people, they can come up with stories that destroy your image as a leader. They are lairs. Your association is a big key to where you are going and where God is taking you. If the association is not right then your acceleration is not sure. If you are not in the right tune to climb to your place of exaltation then you are not ready for the doings of the Lord. *"Be not deceived: evil communication corrupts good manners"*. When you accommodate wrong companies around you, limitations becomes an obvious experience to you. **Mind your association diligently and do what is right all the time.**

TEXT: ((Mark 4 vs. 1 – 8)

(Verse 4 – 5) of today's scripture says, *"And it came to pass as He sowed, some fell by the way side, and fowls of the air came and devoured it up"*. (Verse 5) *"And some fell on stony ground, where it had not much earth; and immediately it sprang up, because it had no depth"*. If you never stop committing yourself to success, there should come a time when success shall be found of you and with you. It doesn't matter what the situation looks like presently. Jesus was referring to the seed someone sowed which implies effort but it fell on the way side and a fowl devoured it". You invested somewhere in the past but it didn't yield as planned but you continued pushing and until success is found. That it didn't go as planned is not enough reason why you should stay where your circumstances kept you. At this beginning of the year do a new thing (sow a new seed). Yes, the past didn't work out, stop staying there and talking it over and over again. Arise and get something new done. One of God's capacities is to release on you new graces and abilities to push-on especially when pushing on is not considerably the best option for you. See the testimony of the sower in verse 8 of today's scripture where it says, *"And others fell on the good ground, and did yield fruit that sprang up and increased; and brought forth, some thirty, and some sixty, and some an hundred."* Yes, after the success the failures of the past doesn't matter anymore. Keep pushing, this is your year of reward **(Supernatural manifestation). TEXT: (Jeremiah 37 vs. 12),

Joyce Brothers said, "A strong, positive self-image is the best preparation for success". Also digest this from Voltaire, "God gave us the gift of life, it is left for us to give ourselves the gift of living well". To a Christian there is one end point of success and that is satisfying the mind of God. To stand out from men is to be more of God and less of men. A young man who was raised by a wealthy father grew up to discover that the father's wealth was ungodly but he had no problem with that, he enjoyed every bit of it and hope to inherit some of the father's properties when the time is right. At a stage in his life he encountered Christ and grew in the knowledge of God's word which his father was uncomfortable with. He decided to refuse anything his father possessed, quoting the part of the scripture that says, "What shall it profit a man to gain the whole world, and lose his own soul?" (Mark 8 vs. 36). He declined from inheriting any of his father's property and told his sibling to share his own right among themselves, but that's not the end of the story. God speaking to us from today's second scripture saying, "Then Jeremiah went forth out of Jerusalem to go into the land of Benjamin, to separate himself thence in the midst of people." It is God's will that a user of this COF maintain a right walk with HIM even in the midst of gain. Being at peace with God is better than gaining the whole world without HIM. The secret of success this year is embedded on your value for God above your desire for things. It is God's choice that we stand out as Christians. Christianity without modification in character is hypocrisy. Altar calls that doesn't utter ungodly urges within could still be a self-deceit. This year is not a year to be known for attaching to a particular church but time to be known for Godly representation. From the story above the young man made Godly wealth far above his father's and was recorded the richest among his siblings. "You don't run with God and stay behind in life" (Isaac Chidolue).

Prayer Points: Worship God using song 5: Page 124

1. Ask God the grace to represent Him rightly.
2. Oh God, I ask for the grace to endure any godly loss.
3. Pray for the grace to prove your Christianity with Godly prosperity this year.
4. Announce your victory in Christ Jesus, Amen!

“God gives us direction one step at a time. He doesn't give us the next direction until we have obeyed the last”. (Joyce Meyer). Someone wrote and I copied: “The lie said to the truth, let's take a bath together, the well water is very nice. So they got naked and bathed. Suddenly, the lie leapt out of the water and fled, wearing the clothes of the truth. The truth furiously climbed out of the well to get her clothes back. But the world, upon seeing the naked truth, looked away, with anger and contempt. Poor truth returned to the well and disappeared forever, hiding her shame since then, the lie runs around the world dressed as the truth and society is very happy. Because the world has no desire to know the naked truth (Jean – leon Gerone 1896). Before someone should get confused about what the truth is and who it is, I would like you to note that Jesus is the truth. He is the one and only saving God. I don't know what anybody thinks about this year but am certain that 2022 is laid on God's sufficiency and it is basically on God. Despite what your plan could be, how sophisticated they are and how visionary it looks, you need to rely on the man Jesus to make an outstanding result. John 1 vs. 17 says, ***“For the law was given by Moses but grace and truth came by Jesus Christ”***. The truth came by Jesus. **Tomorrow we shall see Jesus @ Top Rank Hotel Fegge Onitsha.** It shall be an experience of the **“Supernatural Manifestation”**. Come with an expectation. Come with your prayer points or one year plan. Jesus shall give you rest and peace in all sides. He said in verse 6 of today's scripture, *“I am the way, the truth, and the life; no man cometh unto the Father, but by me”*. **I am the only road to the Father, says Jesus.**

I want to congratulate someone who shall be visited mightily by the Almighty God today. The grace to exceed and succeed is given unto you in Jesus name, Amen! The power of God is made available from today to sponsor your greatness to the unlimited virtue of success and grace. Indeed today is a day of open doors to someone and greater glory in a greater dimension. Therefore will not we fear? Real and mighty is the nature of God. We are certain that today is the day the Lord has made to rain down His might among us. **To be in expectant is the best form of positioning.** The declarations of God around us as a body of Christ determines what we shall experience in that day, and this year is the year the Lord has called our year of **Supernatural Manifestation**. The whole world may not be laughing and jubilating but our own grace and glory has been conditioned and inspired by the Almighty God Himself. So, anywhere you are today, find your way to **Top Rank Hotel fegge Onitsha, Anambra State as the Lord will do great and mighty things for us.** Looking at verse 2 of today's scripture where it says, *“Therefore will not me fear, though the earth be removed, and though the mountains be carried into the midst of the sea.”* We will not fear because we know the one who is in-charge. We will not fear because Jehovah is our pavilion. We will not fear because victory is our portion. I don't know what might have hurt you in the past, the hand of God is always available to set things right and to heal and deliver. Have you prayed in this fasting season, the one whom you prayed to shall come for you. The Almighty is His name, ever faithful and a reliable King. Always working and continuously working wonders. We lift His Holy name higher than any other name, Amen!

3. Let the undiluted presence of God fill the place.
4. Oh God, show forth your grace and glory.
5. Father, anoint your servant afresh for new dimension.

The truth is obvious and the obviousness of the truth is that faith is the source of God's proves. You cannot prove God when you don't have faith. Faith is standing on what the Lord said, and hoping to see what He can do without feeling frustrated on any side. The person that will overcome this year is that individual whose eyes shall be opened to the goodness and glory of God as the year will demand. **Faith is a possibility realm with God where no impossibility survives.** Despite the prayer and fasting we just concluded, it takes faith for you to walk in the light of the miracles. Verse 12 of today's scripture revealed the very mind of God when it says, *"That Christ may dwell in your hearts by faith, that ye, being rooted and ground in love"*. Christ may dwell in your heart by faith. This tells you that the heart is the place of faith. Despite the fact that we have prayed and trusted God, it is also important that somebody's heart should change. Be in expectant of God, stay in expectant of God, and trust the visit of God. Over those areas we have prayed change your mind set and stop seeing things in same state. Start seeing them in the state of God. Start seeing what God can do not man. Start seeing the deliverance He gives not man's, start seeing the hand of God too responsible to crown this year with success for you at all round. When your heart is mightily conditioned to demonstrate faith, then you have come to the point where nothing is impossible for you again. Then you have come to that place where the Almightyness of God is clear to you and obvious in your life. **In the midst of the storm, see God working wonders.** In the midst of the challenges see Him showing Himself strong. **God bless you deeply, Amen!**

In life there are many reason surrounding people why they shouldn't be the good ones anymore but being the good one pays more. When you are the good one you are better rewarded by God. A young man told the story bellow and am sharing it with you. He said, my Dad has bees. One day I went to his house and he showed me all the honey he has gotten from the hives. He took the lid off a 5 gallon bucket full of honey and on top of the honey, there were 3 little bees struggling. They were covered in sticky honey and drowning. I asked if we could help them and he said he was sure they wouldn't survive. Causalities of honey collection I suppose. I asked him again if we could at least get them out and kill them quickly, after all he was the one who taught me to put a suffering animal (or bug) out of its misery. He finally conceded and scooped the bees out of the bucket. He put them in an empty Chobani yogurt container and put the plastic container outside. We had put the 3 little bees in the container on a bench and left them to their fate. My Dad called me out a little while to show me what was happening. These little bees were surrounded by their sisters (all of the Bees are females). Many times in our walk in life God allows us to encounter people who might not likely offer us anything, He then put them under us so that we can be a blessing to them, then in that situation it is our sole responsibility to match up and bear those burdens. Sometimes those persons in your house that are presently squatting with you are brought by the Lord so that you can show them His nature, don't despise them easily. See verse 13 of today's scripture, *"The blessing of him that is ready to perish came upon me: and I caused the widow's heart to sing for joy"*. **The blessing of him that was about to perish came upon me because I delivered the poor.**

2. Father, I receive the grace to be yours now and always.
3. Jesus, give me the grace to stand firm in your doings.

In continuation of our yesterday's study we have (You can study yesterday's devotion to have a better background.) ... and they were cleaning the sticky nearly dead Bees, helping them to get all of the honey off their bodies. We came back a short time later and there was only one little Bee left in the container, she was still being tended to by her sisters. When it was time for me to leave we checked one last time and all the Bees had been cleaned off enough to fly away and the container was empty. Those three little Bees lived because they were surrounded by family and friends who refused to let them drown in their own stickiness and resolved to help until the last little Bee could be set free. Bee the good sister, Bee the good brother, Bee the good peer, Bee the good classmate, Bee the good teammates and then Bee the good Christian. This year God is not only responsible for what He does for you but He wants you to be responsible for what you do for Him. Helping others is a medium of serving God. In your prayers this beginning of the year remember the weak. Sometimes when I approach God to tell him about my needs are, He reminds me of people whom I know that are facing the same thing, asking me to pray for them also. **Never arrive at that place where God doesn't speak to you about the need to help others or bless others.** Always come up to that place where you remember that God is the best helper of men and He needs you to get that accomplished. Today's scripture verse 9 echoed. *"He that hath a bountiful eye shall be blessed: for he giveth of his bread to the poor"*. **"He giveth of his bread to the poor"**. No matter how little what you make is, it shouldn't be for yourself alone, it is also for others. Irrespective of how little your blessings are, they are not just on their own but they are godly inspired all the time. God bless you.

The Almighty God in His fullness is the one who has made us whatsoever we are in Him, representing in the grace of God. We are called in the Holy and great calling of our Lord Jesus Christ. Verse 9 of today's scripture says, *"Who hath saved us, and called us with a holy calling, not according to our work but according to his own purpose and grace, which was given us in Christ Jesus before the world began"*. It is a Holy calling, any call or service to God that is void or negligence of Holiness is a disaster to the platform. **Sometimes it could be hard for one to align to the Holy principle and demands but more to it, it is enriching to understand that Holiness is a great attraction of God.** (Psalm 45 vs. 1) says, *"Great is the Lord, and greatly to be praised in the city of our God, in the mountain of his Holiness"*. The city of God is called the mountain of His holiness. So the place of God is the Holy place likewise the place of His presence don't get accustomed with ungodliness. Do not get used to ungodliness! There may be times you might slide out of God's pattern and principle, in such a time do not allow the devil to gain advantage of you, get used to God's presence that nothing satisfies you more than Him. The best way to avoid sin is not just to avoid it but to reject every process that may lead to it. As a single man you saw a lady who doesn't look godly and not looking like a believer, then you collected her number, chatting her up, professing romance, now the end point of that is that it may lead to sin. **To reject sin is to reject any process that may lead to it.** Then is such example, why do you collect the number in the first place, deliberately avoid and reject sin. Everyone needs the very grace of God to stay and remain holy, more to it, we need to hold on to God like He is holding us.

3. My God, I shall not fall victim of any kind of limitation.

A lady hired a plumber to help her restore an old farm house and he had just finished a rough first day on the Job, a flat tire made him lose an hour of work, his electric drill quiet, and his ancient one ton truck refused to start while she drove him home, he sat in stony silence on arriving, he invited her in to meet his family. As they walked towards the front door, he pursed briefly at a small tree, touching the tip of the branches with both hands. When opening the door, he underwent an amazing transformation. His tanned face was wreathed in smiles, and he hugged his two small children and gave his wife a kiss. Afterwards he walked back to the car. They passed the tree, and her curiosity got the better of her. She asked him about what she had seen him do earlier. "Oh, that's my trouble tree he replied. "I know I can't help having troubles on job but one thing for sure, those troubles don't belong in the house with my wife and the children. So, I just hang them up on the tree every night when I come home and ask God to take care of them. Then in the morning I pick them up again. The funny thing is that in the morning when I come to pick them up again, they aren't nearly as many as I remember hanging up the night before.. Wisdom is one of the major characteristics of one who follows Jesus sincerely. Putting external troubles on your loved ones or relatives is one of the ways to act foolishly. Shouting on your spouse because of the day encounter you had is an insult to dignity. Let what happens outside stay there; let what happened outside the relationship stay there. Digest verse 8A of today's scripture where it says, *"Therefore bear fruit worthy of repentance"*. **Fruit worthy of repentance, bear it.** Be an exceptional person in your character and copy the life pattern of Christ. **Don't appear everywhere with the look of your current situation.**

1. Oh God I thank you for your word to me.
2. Jesus, give me the grace not to be a trouble in my home.

4. My God, help me to master your piece.
5. Thank you Lord for hearing me.

In life many are focussed on the result and forgets the process. A diligent student who has a target is more worried about days where his plan of study was not carried out than He is mindful of result. In fact in the academic world, when you study well enough then you will be certain about the result. Someone who board a flight to Lagos shouldn't be surprised arriving in Lagos because He has strategically engaged the details that sponsored him/her arriving to Lagos. It doesn't matter how much you have tried to explain your effort, the result you make will speak about the effort. This year we have prayed and the Lord answered but the outcome of the year is anchored on how focused we are about the expected result. Verse 12 of today's scripture echoed, *"Surely when the wall has fallen, will it not be said to you, "where is the mortar with which you plastered it"*. If the result is bad it would still be asked how effective was your fasting and prayer. God is aiming at cultivating in somebody's mind that having engaged in fasting and prayers is the reason why progress should be in your top list of expectation. No need prayed for will manifest a result different from testimonies. Don't believe that sometimes life may not be fair, irrespective of how truthful that statement could be, refuse yourself from being one of the testifies of such. Irrespective of how far the greatness you aim is, sacrifice every day to its effect. Apply all the effort and keep applying some effort. If you indeed maintain consistency irrespective of the result, then the reward shall be brought as well. Don't ever lose focus. Focus guides you and helps you. **It is your focus that births your result.** Irrespective of how weak or discourage you are, keep it up. **If you once feel excited over that God given vision. Push through even while tears is in your eyes.**

Prayer Points: Worship God in your own way.

1. Oh God, give me an excellent result.
2. Jesus, give me the grace to love you and to understand you.
3. Father, give me the grace to walk in Godly results.
4. My God help me to trust in the spirit.
5. Father, give me the grace to stand tall in your making.

Anytime you start underrating your priesthood mantle, you are not just affected but a legion of persons too. One thing God has never experience is to be stranded or out of plan. No matter how terrible the situation may seem. His ability and influence is match to none. God does not just have plan B but is full of plans. This is one of the essential reasons why Satan has no advantage in affecting what God has determined to do by Himself. Study with me diligently verse 2 of today's scripture where it says, *"While Ananias and Sapphira were high priests. The word of God came to John the Son of Zacharias in the wilderness"*. The two men who were mentioned above were not just priests but High priests. **God can assist you to be promoted in the realm of men but that does not suggest the intensity of your relationship with Him.** That you are called an Apostle does not immediately transfer you to the realms of divine appointment. There were High priests but lack the connection of God's word. There are some believers who are so much focused on ranking and religious politics. So much concern about the title they will gain in the church but mindless about how far they have shifted from God. Someone said and I quote, "A meaningful life is not being rich, being popular, being highly educated or being perfect. It's about being real, being humble, being able to share ourselves and touch the lives of others". In this season God wants those who would desire Him above every form of comfort. Who could call on Him irrespective of any circumstance or condition that could aim at reducing them. The Lord left the beautiful temple and high priests to John who was no priest but was in the wilderness. **Learn how to walk in the foot step and prints of Jehovah.**

5. My God I activate my priesthood mantle in Jesus name, Amen

Someone said and I quote, **"God said, because of where I am taking you, there are people from your past coming back to you. Be careful, I have already shown you who they are"**. A person who must succeed should be one with a clear understanding of who He is. Learn to read all the signs and ways of God. In the path you have walked. God has suggestion and signs for you there. **No matter how kind hearted you are do not accommodate what almost destroyed you in the past.** Always be careful to read what God is saying to you at once. As you walk within this year pay attention to details of what God is pointing your eyes on. Ask God before entering that marriage that almost destroyed you. Life is not given to chances most times, God many times allows us to decide by ourselves where our lives shall sail. Where our journey to success shall slide. Keep to rules of God and life. Don't be too kind to hand over a sword to your enemies when you know that killing you is their greatest mission. See verse 39 of today's scripture with me, ***"And when they had performed all thing according to the law of the Lord, they returned into Galilee, to their own city Nazareth"***. There is a lawful performance that allow you to sit back and rest. You are not entitled to rest or sustain greatness if you don't do things according to law. God has given man power to determine His world and decides things. Don't expect to flourish at the negligence of the law, you don't study God's word and expect to flourish in preaching. **You don't fear God and expect to partner with Him.** Ask God for the grace and ability to walk in His foot print. Stay excited in Christ Jesus..

TEXT: (1 Timothy 6 vs. 8 – 12)

Money is good, very good but there are limits to how it can be chased. I bless God for you and me trusting Him to help us in all ramifications of life. At every time and seasons everybody actually needs money. Taking myself as example, I need it in a high measure to be able to achieve what I needed to achieve in Christ Jesus before He comes. Despite how much we all may need money God is asking us today, what can you do for money? Come to think of it many wickedness carried out in this world was as a result of money. People steal, kidnap, terrorize, cease what belongs to others, assassinate, prostitute, indulges in fraud, internet theft, money laundry, selling of hard drugs, fake pastoring and prophecy, and many countless number of things. Money being needed to settle lots of need around here has made many persons lose their worth before God. This could be why God said in His word in Proverb 1 vs. 32 saying, *“For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them”*. Some of the untimely deaths some persons witness are destructions from evil money. A Christian who is heavenly minded cannot do everything for money. Selling hard drugs and hut drinks to pay tithes or sponsors the gospel changes nothing about how God sees the money. I saw the other time a young man kidnapped a small girl child who could be 5 years or less because he was to be paid 950k. Never you pack curses for yourself because of monetary gain. If you want to make money genuinely God sponsors you. He is the one who gives the power to make wealth (Deuteronomy 8 vs. 18). Reducing the quality of things for example fuel pump, to generate more gain is the love of money and an act of wickedness. What can you do for money? See verse 10 of today's scripture, *“For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows”*. Whatever that has the potential to make you to err in faith, stay away from it. Whatever that has the tendency to compromise your faith stay away from them. God bless you.

Prayer Points: Worship God using song 4: Page 123

1. Oh God I thank you for your word to me.
2. Jesus help me with the grace to stand out for you.
3. My God make me discipline in the area of money.

TEXT: (Daniel 6 vs. 10- 26)

I welcome you to the throne of the one who is the all-knowing Jehovah. When you have mastered a continuous winning act then you will be tagged a legend. Copa America known as Conmebol America cup. Copa America is the oldest international football competition in the world and almost everyone tuned in for the 2019 year's rendition. Each year, 12 teams compete to be the champion of South America. The men's football tournament was hosted by Brazil in 2019. Brazil also won and defeated Peru and Argentina for the first place title after. Brazil has won the cup for 8 times. **Steady wins are not luck oriented. “There will be obstacles. There will be doubters. There will be mistakes. But with hard work there are no limits”** (Michael Phelps). You should host your win this year. My activities this year are not based on the world's economy or the economy of Nigeria but on the power of God. The confidence you build on God is what attracts His sponsorship. **“Those who know how to thank God are those whom the devil doesn't succeed around”** (Isaac Chidolue). When you maintain the sound of thanksgiving you will always have laughter in your face. My major attraction on the Copa America cup was that Brazil has won the cup 8 times. They hosted the 2019 own and also won, regardless that Argentina won the 2021 Copa America. **There is a point in life where it is known that the Lord sponsors limitless victory; and soon your life will start witnessing it this year.** The victorious hand of God is powerful, multiple and mighty. Do things this year knowing that you are on the winning side, engage in battles and know that victory is yours. Like we saw in the life of Daniel in today's scripture where it was mentioned that despite the decree of the king, he kept his will with God, why? **He knew that the person he was standing with is the one who makes the standard of life, to the observation of all.** Verse 22 of today's scripture says, *“My God hath sent His angel, and hath shut the lion's mouths, that they have not hurt me: for as much as before him innocence was found in me; and also before thee O King, have I done no hurt.”* **God bless you!**

1. Oh God I thank you for your word to me.
2. Jesus, be thou exalted above every other thing in my life.
3. Father, show me your light and your mercy to access victory.
4. Oh God I initiate steady victory in my life in Jesus name, Amen!

Thank God who has kept us till the third (3rd) day of this month. The Lord has chosen to feed us from the revelation of Daniel; verse 9 of today's scripture says, *"I beheld till the thrones were cast down, and the ancient of days did sit, whose garment was white as snow, and the hair of his head like pure wool: His throne was like the fiery flame, {and} his wheels as burning fire."* By the insight of this scripture above I decree upon your life and Destiny, any throne Jehovah did not set up, let it catch fire right away in the name of Jesus! Amen. One of our associates in this vision who happens to be our marketing manager and a Pastor at CRP gave the testimony blow: In his place of business, he was the prayer coordinator of that environment, God gave him the urge to organize a fasting and prayer session during one of the monthly prayer meetings. Before the day arrived God had already placed on Him the burden to war against occultism. "Then he led the people to pray in that direction saying, "Any power of wickedness raising its ugly head in this environment and around our businesses we judge them today and set their thrones on fire... Surely that same night deaths were recorded of those perceived to be enemies of God. Now lift up your hands and say with me, **"Today, I set on fire altars of darkness, manipulating my career, testimony, destiny and mission in life; I announce God's judgment against you... I set on fire any ancestral throne, thrones of wickedness, thrones of delay and I decree, they shall have no effect around my life and destiny in Jesus name, Amen!"** I prophecy, let God arise and let every satanic throne against your life and destiny be pulled down by fire. May God take away the lives of those proving to be principals of your life and destiny, in Jesus name, Amen! The Lord shall reign among us and in our midst, Amen!

Prayer Points: Worship God using song 3:Page 124.

1. Father, thank you for dealing with the thrones that surrounds my existence.
2. Oh God I decree upon my life no throne shall be strong enough to prevent my greatness.
3. Oh God prove yourself in my life and destiny at all times and in all
4. Father, I shall not be victimized by any force of darkness in Jesus name, Amen!

It is very important if you realize that success is the rightful portion of a Child of God. "Many Christians are far from success but this is not the will of God for any of us". The reason why our success is unique and different is because it is not by power or by might but by my Spirit says the Lord, (Zachariah 4 vs. 6). Two qualified candidates were short-listed for the final interview to fill the vacancy of general manager in a multinational company. Both were asked if they could drive and they answered yes, even though only one of them can drive. The head of HR spear heading the interview then handed his car keys to them to prove their driving skills within the premises. The over confident applicant collected the car keys, opened the car, switched-on the ignition, lighted it up, speed off, swerved and made some stunts on wheels before parking the car on the same sport to the seeming rousing applause and knowing smile of the interviewer. The other applicant who could not drive collected the key, open the car, opened the bonnet, and checked the engine oil level, the break fluid level, the gear oil level, and the water in the radiator level. As he close the bonnet, the chief interviewer walked towards him and said; **"don't bother driving you have just been hired!"** The race is not for the swiftest but to the wise (Jesus). The secret of possessing the success-right in Christ as a child of God, is never to be confident on your skills and abilities, learn the race and never back off from giving your best even if you don't possess what it takes. That someone is doing it fast doesn't mean he is doing it well! I think you need to digest the scripture into your spirit which says, *"According as his divine power hath given unto us all things that pertain unto life and Godliness, through the knowledge of him that hath called us to glory and virtue."* Remember according to his divine power therefore your right to embrace success is anchored on the divine power of God. That is when your capital and the people you know does not matter. You and I are called to glory and virtue therefore your life shall not display shame in Jesus name, Amen

Prayer Points: Worship God in your own way.

1. Ask God for the grace to succeed beyond your success preparation.
2. Ask God for the capacity to display his nature at any time of opportunities.
3. Father, Lord I pray and declare the influence of God all around me.

TEXT: (2 Chronicle 15 vs. 12 – 15)

Any attempt without force looks ordinary and in most cases produces an ordinary result. You don't break down a door by knocking. Someone who needs God's intervention should be willing to venture into prayers! Someone said, **“Knowing what you need to do to improve your life takes wisdom. Pushing yourself to do it takes courage.”** Sometimes you need to push yourself to produce the kind of result you need through prayers. Smith Wigglesworth said, **“There is nothing impossible with God. All the impossibility is with us when we measure God by the limitations of our unbelief”.** This is the very season where desperation shall make the difference. Someone who is desperate to seek God shall find Him. When we were kids there were many stories in the movies which we were conversant with, one of them is HULK. For those of you who knows about it. The incredible Hulk story was inspired by a real woman who single handedly lifted a car to save her baby. According to Hulk producer Jack Kirby: this woman proved to the world that the ordinary person in desperate circumstances can transcend himself and do things that he wouldn't ordinarily do! This point is of two phase. **1st:** You and I are Jesus babies and He can go out of His way to lift any barrier to save us. **2nd:** It shows that when we are desperate over something through the force of faith and prayers we can do all things. See verse 12 of today's scripture, *“And they entered into a covenant to seek the Lord God of their fathers with all their heart and with all their soul”.* Seeking God takes all, that's why it is deliberate to to walk in His path this season. Be desperate to maintain Holiness and Righteousness, in verse 15, *“And all Judah rejoiced at the Oath; for they had sworn with all their heart and sought Him with their whole desire; and He was found of them. And the Lord gave them rest round about.”* Oh men and brethren they had rest round about. Engage strongly in the activities of Godliness and commitment to God and see all round rest, **carry your family and friends along!**

TEXT: (Romans 12 vs. 1-6)

Many individuals are arranged and aligned in many things. Many just lived and died minding their goals and businesses. **In the past years before the missionaries came for the gospel, they came knowing that, it could take their lives, yes, they are willing to die for it.** The gospel is not ready to take a path of you but a whole of you. On the kingdom business you are giving it all; Jesus gave it all, Abraham did the same? This is not just the year to run on self-plan but the year to run with God's will and choice. Father I am concluding on nothing if you don't help me. I am retiring to nothing if it is not your service. I am not falling victim of satanic strategy to remove my focus from you. **“If by excessive labour we die before reaching the arrange age of man, worn out in the master's services, then glory be to God. We shall have so much less of earth and so much more of heaven!”** (Charles Spurgeon). It is our duty and our privilege to exhaust our lives for Jesus. We are not to be living specimens of men in fine persecution, but living sacrifice, whose lot is to be consumed" God's call on us is not just to bless us but to lay us at the altar of sacrifice and grace. **The goal is to be and remain a living sacrifice for the glory and purpose of God.** OH! God at this new year, I am not only mindful about what you will do for me or through me but also to what I will spend my life doing for you to the glory of your name (what you will exhaust and spend me on), to the shame of the enemy, in Jesus name, AMEN!. Verse 1 of today's scripture says, *“I beseech you therefore, brethren, by the mercies of God that ye present your bodies a living sacrifice, holy acceptable and unto God, which is in your reasonable services”.* Be highly connected to God to be spent for him and by him!

PrayerPoints: Worship God in your own way.

1. Father, I thank you for your word to me.
2. Jesus let my whole life be lived for you.
3. Father, break every act of the enemy that takes my mind away from you.
4. Faithful God, let my life be offered to you this whole year.
5. Jesus, help my weakness and removes everything that makes it hard for me to follow you!

May God encourage you in your faith; more grace upon you, as you walk with the Lord Almighty. Obviously I am well assured that the almighty who sponsors this vision and writes the lines of this great book by His might, has brought tremendous testimonies to those that waited on Him during this fasting periods. Understanding God as a person goes a long way to strengthen your relationship with Him. Though He is not a person but He is the one who does not lie, flatter, make jokes; but His word is Himself. That's why He said to us in (Psalm 119 vs. 89). ***"Forever, O Lord your word is settled in heaven"***. God does not say things to fix them in the world calendar, by His word, the world runs, meaning He has spoken all that is needed and He framed the world by His word. God also does not speak for it to be debated among authorities, God has spoken and whatever He says is not subjected to any sort of argument. On today's scripture verse 3, *"This is the God whose word is unquestionable and whose word does not fail instead the whole world will go for it"* (Matthew 24 vs. 35) This God said to you and I today *"Call to me, and I will answer you, and show you great and mighty things which you do not know."* Observe God's word, "He didn't say call unto me and I will take note of your requests but He said, call and I will answer! He didn't stop there, He made us to understand that He will answer to show great and mighty things which we do not know. I don't really know what you know by now or the testimony you have shared or heard before. The one who directed your eye to the pages of this book is saying, ***"I will show you things bigger than what you have heard or shared because you have called upon me."*** We are not fellowshiping with God because it has become a norm, NO! We are fellowshiping because we have God who dwells in heavens who says, ***"A broken and a contrite heart, thou God would not despise"*** (Psalm 51 vs. 17). Easter and Modestia called upon the Lord and their testimony was huge. It is very impossible to be truly committed to God without a tangible prove of God. ***"I decree may God respond to your faithfulness now, Amen!"***

TEXT: (Psalm 66 vs. 1-7), (John 1 vs. 46)

I welcome you to the cloud of the one who has not hidden himself from men! Jehovah Jerieh. A popular song says, **“Come and see, come and see, come and see what the Lord has done, come and see what the Lord has done”**. Go ahead and sing that song; sing it with the eyes of faith, see that which you are hopping on Him to have done already. I am reminded of a popular quote from Confucius who said, **“It does not matter how slow you go as long as you do not stop.”** Also I think Ellen White spoke God's mind for today saying, **“Worry is blind and cannot discern the future, but Jesus see the end from the beginning. In every difficulty He has His way prepared to bring relief”**. You are not hopping for the impossible but you are trusting God for what is achievable and discoverable. From today's scripture verse 5 it says, **“Come and see the work of God, He is awesome in His doing towards the sons of men”**. Who is the one invited and who is the bearer of the evidence of His work? Anywhere you are, can you announce to people around: **“Come and see what God has done in my life, this year and this season.”** I don't know what your believe might be but I know with the mouth confession is made unto salvation (Revelation 10 vs. 10). Salvation is the process of being rid of the old poor quality conditions and becoming improved (Dictionary defined). **Whatever your mouth can contain God will allow.** Years ago in a camping meeting I was praying and trusting God to pass my post-utme exam into the university. During my prayer session I discovered some team of persons joined me; of course they brought so many personal requests to be prayed for and the next morning we heard testimonies concerning those request. I that happened to be the prayer director in that process was called to be notified of my failure in the exam, I was weakened, devastated, and frustrated though I spoke to no man, I went into the church and cried to God, he gave me a word. For the first time in my life I heard God mention that verse to me which I know not the content then saying, **“behold I will do a new thing; then I called back the person who called me and said God said I will do a new thing. Surely new things have happened since then..”**

TEXT: (John 1 vs. 23 – 34)

I welcome someone to the very presence of God. Do you know that sheep is soft-hearted, upright, elegant and meek. They are usually very quiet and gentle, holding themselves aloof from the world. In a herd, all the sheep tends to listen to their leaders and show esteem to them. No wonder Jesus spoke in John 5 vs. 30 saying, *“I can of my own do nothing: as I hear, I judge and my judgment is just; because I seek not my own will, but the will of my Father which sent me”*. Jesus was the lamb of God who listens and does the will of His Father. As He hears He judges. On your behalf Jesus will hear, decide deliberately with God and all the host of heaven to uplift you and cause you to stand on the mountain top. Amen!! It is the Lamb of God that delivers from the hand of sin. In verse 36 of today's scripture we saw, *“And the next day John seeth Jesus coming unto him and saith, Behold the Lamb of God, which taketh away the sins of the world”*. He is the Lamb and He taketh away the sins of the world. If He takes it away then why should you stay with it? He takes out sin in us which we cannot take out by ourselves and lives in us to actualize perfection with us. Why then did you chose to retain sin and carry out the works of the flesh when Jesus came to take them away, why would you have them kept? **“Nothing that defileth shall enter into the kingdom of God”**. Horace Bushnell said, **“O thou lamb of God that taketh away the sin of the world, what thou bearest in thy blessed hands and feet I cannot bear, take it all away. Hide me in the depth of thy suffering love; mold me to the image of thine divine passion”**. His will is to take them all away. The greatest miracle is not the breeze of anointing. It is not the blind who saw neither is it the dead that arose but it is the transformation of men. A change of heart where one can gladly say, the things I use to do before, I do them no more. God bless you earnestly, **Amen! Hold God by discipline!!**

2. Father arise and show me your strength and power.
3. Father, take away any impurity in me

Our places of decision at the unconscious level is what guarantees the hand of God we will see in our own dimension. When people push you to the wall, you don't act funny rather you do what you are exposed to do and not the other way round. Learn to walk within this year, with the act of God's mind and consciousness. You cannot incur success when your store house [inside] is not full of blessings ready and willing to disperse blessings to others. Take for example, you are holding a cup of coffee when someone comes along and bumps into you, making you spill your coffee everywhere. Why did you spill the coffee? You spilled the coffee because there was coffee in your cup. Had there been tea in the cup, you would have spilled tea. The point is whatever is inside the cup is what will spill out. Therefore, when life comes along and shakes you [which will happen], whatever is inside you will come out? It is easy to fake it, until you get rattled. So, we have to ask ourselves "what is in my cup?" What spills out? Joy, gratefulness, peace and humility or does anger, bitterness, harsh words and reaction come out? You choose! It is unfortunate how believers fails in time. In my walk with God I discovered that you don't run by how zealous you are because even zeal fails; effort wanes but there is always a hand of God able to push one to the front. Based on God's choice of knowledge to us today. Your Christian faith is proven amidst pressure. Could you because of the former heart break resolve to marrying an unbelieving spouse. In conclusion digest this passage of the scripture, ***"The wrath of a king is as messengers of death, but a wise man will appease it"*** you will definitely encounter confrontations but in all of that related with them as God has demanded of you.

4. Lord Jesus I consciously walk in the wisdom of our Lord Jesus Christ.

One of the very secret of progress is being committed to those we love. Love is an act of God that brings transformation and grace in others. Not too long ago BBC news read about an elderly couple who had been married for 60 years, reunited after 221 days apart. The reunion was a private one though someone recorded with a camera. Joseph the husband was hospitalized in March 2020 but couldn't have visitors because of Covid-19 restrictions. Eve his wife met her husband again at the care home where they lived and was in tears to see her husband. One of the greatest effort of righteousness is to be committed to those in your life. Commitment is the greatest sign of love. How can you love God well when you despise your neighbour? *"In this the children of God are made manifest and the children of the devil: whosoever doeth not righteousness is not of God, neither he that loveth not his brother"* (1 John 3 vs. 10). Doing the mind of God is regarding the people who are connected to you. There are women who are punctual and appears frequent in Godly meetings, yet they despise their homes and disregards their husbands. There are men who are also committed to God's work but ignore the wife of their youth, keeping her unloved and depressed. How can you be God's part if you haven't lived like Him among men? It is the Love that you showed to others that will compel them to come after you and make a team with you. This goes down to every area of function. Most times is not your anointing as a minister that keeps people glued to you, it is the love of God that you showed them. Now Digest verse 12 of today's scripture where it says, *"No man hath seen God at any time. If we love one another, God dwelleth in us, and his love is perfected in us"*. **Now God's love is perfected in us when we love others**, I am kind of surprised to learn that it is not even when we speak in tongues. As you engage in godly activities also ensure you walk in Love. **Keep the Fire of prayers burning!**

The promises of God are so undeniable. Today I present you the one who has never failed a promise and He is God Almighty. Consider today's scripture verse 30B ***“But now the Lord says: “Far be it from me; for those who honor me I will honor”.*** To be inevitable simple means **“Impossible to avoid or prevent”**. I heard of a man of God who asked God for a bungalow for many years yet he didn't get one. He repeated the prayers as much as he could and the situation remained the same. After many years of disappointment one day, he was talking to God saying, 'I have asked you for this bungalow for a long time now, yet you seem to be silent about it'. God replied, “I would love to give you an estate but was disappointed that your faith could only bear an ordinary bungalow; the man of God felt ashamed and then asked God for a city and today he has a city given him by God almighty (Pastor E.A Adeboye). **God is saying to someone today don't esteem your need too much for me to handle, never think it will cost me anything to give you your testimony; Can you believe me for the impossible?** Do you believe it is inevitable for me your God to fail? No, don't just ask me for Husband, I don't just want to give you a husband, I want to give the best of them. Is it to prosper you, I don't just want to give you money, you and your family will finish alone, I want to empower you to feed nations. This year, you may have no one to help you but I the Lord will help you. Though your friends might have run away because of challenges, I the Lord will lift you beyond human imagination and understanding because you have waited and honored me, I will not fail you! Can you scream Amen! 1. Oh God I thank you for your word to me today.
2. Ask God for anything you want Him to do.

For time is coming when (people) will not tolerate (endure) sound and wholesome instruction, but having ears itching (For something pleasing and gratifying) they will gather to themselves one teacher after another to a considerable number, chosen to satisfy their own liking and to foster the errors they hold. As a minister and an instructor what is it you are doing to hear from God indirectly. What level of God's word are you wholly ready to behold. What level of his knowledge do you wish to retain on yourself. When the word of God becomes optional to you, then it appears disastrous to where you are going and the height you are climbing. God's word to you is an instruction. I believe that one of the challenges our time has is the inability to distinguish sound doctrine. We have many altars and pulpits with loud and deep messages of the kingdom but no doctrine. Abominations are normalize. Never you find yourself so much comfortable with ways that are displeasing to God. If at this point you lie without feeling guilty you need help urgently. The ways of God are so essential and important that he is eager to return for it. **When the son of man shall return will He find such faith on earth?** There is a sample of moral and character the Lord approved, that is exactly what he will return for. It could not his easy but learn how to walk in God's principle. Be wise and servant but don't offend God doing so. There are wise ways of responses with God and that is not obtainable except you mind God in what you do and walk in his prospect... The LORD shall be of help, grace and peace to you. AMEN!

3. Jehovah assist me to be diligently focussed on you.
4. My God let the powers of hell that want to limit your moves in me be destroyed.
5. Jesus, give me the understanding that understands and hears you.
6. I shall not by any mean fall victim of the compromised gospel in Jesus name, Amen.

TEXT: (Philemon 1 vs. 8 – 11)

Ravi Zacharias was the one who said, **“Herein lies the cardinal difference between the moralizing religions and Jesus' offer to us. Jesus does not offer to make bad people good people but to make dead people alive”**. See this story: As a doctor who worked in a part of Lagos State. One evening around 9pm he was on his way home when two men intercepted him. It happened around a Pharmacy by a bus stop. The light was bright and people were passing but nobody stopped. They showed him a pistol and asked him to bring his phone and all his belongings. There was no way he was giving out his phone because that was the night he was expecting the text message that could change his life. They cocked the gun and threatened to shoot but he stood his ground. They took his wallet. Luckily he had left his debit cards in the hospital at the suggestion of one of the nurses on night duty. The wallet contained about 6k. They hit his head and dealt with him severely then left. When he crossed the road a small group of sympathizers had formed just observing from afar. “Ehh Doctor, sorry o, they collected your phone? They even doubted him. Ehh Doctor touch your pocket you sure?” He had to go back and sleep in the Hospital. Being a Christian is not only by appearing in church meetings which is helpful though and buildings too but there is more to it. **Deliberately decide to be a true child of God this year, a lot of things are depending on it.** The story above will continue later but how often do you question yourself on how Jesus would react if He was in the position you find yourself. In verse 9 of today's scripture we saw where Apostle Paul was described as a prisoner of Christ. **To be caged by God is to find yourself in His character at any point in life.** Verse 11 of today's scripture says, *“Which in time past was to thee unprofitable but now profitable to thee and to me”*. **Christ sees the profit in every man and that is why He earlier died from everyone. God bless you!**

TEXT: (Ephesians 2 vs. 1 – 10)

Welcome to God's presence, in continuation of yesterday's story, (you can read yesterday's devotion for better understanding). ...cult fight erupts in that area at least 3 times in a week. It was so bad that residents around came to beg his MD that when it's 1am they should switch off the hospital generator so that when gunshot sounds, they can hear and lie down on the ground. That night was one of them. He don't want to talk about how he, the nurses and the patience lay on the floor. It was a very big night. The interesting part is that at about 4am a patience was rushed in, with a horrible forearm gunshot injury. He had bled till he was just hanging on a thin line. The doctor (him) rushed over to intervene. Behold it was one of the men who dealt with him the previous night and collected all his money. He looked at him, the robber looked back at him. He looked at the robber back. They looked at each other. Not minding, the doctor swung into action. Established haerostasis, stabilized. There was an indication for blood transfusion so he gave him one pint of blood. When he was discharged, he couldn't look at the doctor. The doctor said I have forgiven you, 2 days later he brought back his wallet with 6k inside. He was never attacked again since that day anytime he walked passed you will hear, “Clear road for Dockay”. **When people are bad to you punish them with kindness, that is exactly what Jesus would do.** All you need to win more souls around you is to be the man Jesus was; always forgive and ignore. God defends his own. All those enemies of yours that you have not worked for their defeat even though they seem to fight you, Jehovah will engage in your fight. A.W Tozer said, **“When I understand that everything happening to me is to make me more Christ like. It resolves a great deal of anxiety”**. Digest this, **“Nothing teaches us about the preciousness of the creator as much as when we learn the emptiness of everything else”** (Charles H Spurgeon). Verse 10 of today's scripture, *“For we are His workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them”*. It is God's work in us that classifies us for greatness. **God bless you. Amen!**

1. Oh God I thank you for your word to me.

Why Hate?
TEXT: (Genesis 29 vs. 31), (Psalm 34 vs. 15 – 22)

Hatred is a disease not Godly impacted. Where hate dwells, God is not found. Where Love is missing progress is lacking. Hatred is something found among those who doesn't love God. Someone said and I quote, **“Stop walking around with a mouth full of scriptures and a heart full of hate!”** When you hate people you are not only manifesting the gift of satan but you are also carrying out his directives. Satan hates mankind and that is why his desire is to see that man ends in destruction but God conquered Him when the scripture says, **“For God so love the world....”** (John 3 vs. 16). With a hateful heart you attract God's opposition because the personality of God is love. Personally speaking, people have hurt me and had given me reasons to hate them but occasionally I put myself in prayers asking God to forgive anyone and also give me a free heart towards everyone irrespective of what they might have done to me in the past. **Sustaining hate in your heart against anyone attracts God to put those persons in a better position than you.** This situation was confirmed in today's first scripture where it says, *“And when the Lord saw that Leah was hated, he opened her womb: but Rachel was barren”*. Hating someone who is not an enemy of God enhances their prosperity and introduces your cast down. This is the mystery that Martin Luther saw that made him to say, **“Let no man pull you so low as to hate him”**. Similarly Booker Washington said, **“I will permit no man to narrow and degrade my soul by making me hate him”**. Is not in the position of honourable people to hate anyone. God's opinion was made plain today in verse 21 of today's second scripture where says, **“Evil shall slay the wicked; and they that hate the righteous shall be desolate”**. Wahala for who hates a righteous person, desolation comes upon the person. People can be terrible atimes though. There are people that doesn't really deserve you, you have to guide your mind to let go of their toxic memories. **Learn to adjust, make friends slowly, trust few persons and get in touch with the Holy Spirit to avoid satanic unrest.** When people hate you, don't fight with them in hate, God's will respond to them, God bless you.

2. Jesus, give me the grace to trust you and not to hate anyone.

TEXT: (Daniel 11 vs. 28-32)

It is mostly impossible for anyone who sees no good about himself to see good things around himself. A frustrated mind results to a stagnated destiny. When your sight is limited by the walls of disappointments you encountered, it becomes almost impossible for you to live beyond the walls of your limitation. In a world where anything happens, inclusive of good and bad favorable and unfavorable, profit and loss, God is echoing to our hearing that **“Those who know their God shall be strong and do exploits”**. (Daniel 11 vs. 32b). The question is, why do they still need to be strong? Why exactly is strength required? I perceive that strength is needed because the abode of man is a place of battle not just a place to exist. The man who lives outside of aim to fight and win, lives by fate willing to remain anywhere his life meets, not where his heart admires. Considering our notion of what is good and bad is sometimes fouled. I think all of us have memories of apparently bad experiences that got us frustrated when they happened but about which we are very happy that they happened, because with hindsight we can see the huge benefits they brought in our life. There may be also events that have appeared to be very good, but afterwards it turned out there were no blessings in those events. The point is that exploits come whenever we hope for them. Anything that was not hoped for can never be coped with. The Bible speaking said, **“The just shall live by faith”** (Hebrew 2 vs. 4b). To live a desired life is to live by hope. It is not necessary to consider where you are now, what you have and where you maybe or where you maybe not; those are the molecules of the elements that will compound your exploits if you actually hoped for one. The difference between two different ends of a journey is the hope of the travelers. This 2022, God almighty is planting inside us the hope for exploits if you desire for it. Dream big, dream for that vision that can wow you. Hope for that which may be hard for others to believe because that's the only beginning exploit has, it always look impossible.

PrayerPoints: Worship God in your own way.

1. Thank God for His word to you.
2. Jesus, I request for the grace to hope for exploits.
3. Father, keep my heart in a permanent state of expecting great things.

Every great thing has its strength from God. “Every grace has its source from God. It is the Lord who builds. No matter how far men would want to build, only what the Lord build stays. **Who He leads, reach the goal.** Wilma Rudolph was the 20th of 22 sibling, born prematurely at 4.5lbs. She suffered infantile paralysis, Polio, and scarlet fever. She wears a brace for twisted leg until age 12. She eventually became world's fastest woman. Winning 4 Olympics medals. Imagine the combination of all that. “Premature birth, scarlet fever, polio and paralysis are legendry permanent disfiguring agents on their own but they didn't survive because the Lord built her. Dr Pastor Paul Enenche would say, **“No one is a great man or a great woman, they are simply individuals helped by God”** and I so much agree with Him. Man can hardly push himself out of his bed by his own accord. Someone may ask, 'are the unbelievers included?' Of course, God is the God of all in as much as He is angry with a sinner daily. He isn't given up on them until the last day, but the wicked will never go unpunished. Verse 13 of today's scripture says, *“Thou shalt arise and have mercy upon Zion, for the time to favour Zion, the set time is come!”* For someone, this is the very year the Lord told you about, this is the season of His mercy and help. **The Lord shall build you again!** In this season of divine exposure you shall be built, Amen! See verse 16 of today's scripture and Digest it in your spine: **“When the Lord shall build up Zion, He shall appear in His glory”**. You are God's Zion and today is the time He shall build you. For you, heights that are not reachable in the past shall be reached. Places that are not traceable in the past shall be traced. High levels your mind haven't thought of reaching, you shall reach in Jesus name, Amen! JOIN CRPEVENING SERVICES EVERY SUNDAY @ONITSHA.

The Lord is beginning with us using a line from Warren Wiersbe, **“We are not saved by making promises to God. We are saved by believing God's promise to us”**. Then John Tylor was the one who said, **“I would rather trust in the living God than any other power on earth”**. There was a professor of Philosophy who was a deeply committed atheist, For a particular class his primary goal was to spend the entire semester attempting to prove that God couldn't exist. His students were always afraid to argue with him because of his impeccable logic. For twenty years, he had taught his class and no one had ever had the courage to go against him. Though some had argued in class but no one had ever really gone against him because of his reputation. At the end of every semester on the last day, he would say to his class of about 300 students, **“If there is anyone here who still believe in Jesus, stand up!”** In twenty years, no one had ever stood up”. They knew what he was going to do next, he would say, “Because everyone who believes in God is a fool. If God existed, He would stop this piece of chalk from hitting the ground and breaking. Such a simple task to prove that He is God, and yet he couldn't do it”. “And every year, he would drop the chalk into the tie floor of the classroom and it would shatter into hundred pieces. All the students would do nothing but stop and stare. Certainly, a number of Christians had slipped through but for twenty years, they had being too afraid to stand up. Obviously there are many situations that are challenging us to prove our God if He really exist and most often it had appeared difficult for us to stand and withstand them but today the Sprit is saying to someone at this season of Supernatural Manifestations, I have surrounded your life with the evidences of my prove, In case anyone ask you what's the evidence, tell the person to watch you and record the evidence by Himself because the reality of God is not hidden. I prophesy “Proofs” in every direction of your life. “Pharaoh on today's scripture doubted the God of Israel but the Almighty proved himself terribly to him. Shout fire!! (Continues tomorrow).

TEXT: (Daniel 14 vs. 30 – 37)

(Psalm 14 vs. 1) says, *"The fool has said in his heart 'There is no God'. They are corrupt, they have done abominable works. There is none who does good"*. The pride and idolatry of Nebuchadnezzar cannot continue in the presence of Daniel. It takes a carrier of God, to prove to the enemies of God, the evidences of God. Since the three strong men (Sheldrake, Meshach and Abednego) proved God in Babylon, the Lord took over the affairs of their government and judged their leaders by His choice. In continuation of yesterday's story, read on: "Well after a period of few years a freshman happened to enroll. He was a Christian and had heard the stories about his professor. He was required to take the class for his major and he was afraid. But after three months that semester, he prayed every morning that he would have the courage to stand up no matter what the professor said, or the class thought. Finally the day came and the professor said, 'If there is anyone here who believes in God, stand up'. The professor and the class of about 300 people looked at him, shocked, as he stood up at the back of the classroom. The professor shouted, you fool!!! If God existed, he would keep this piece of chalk from breaking when it hit the ground!" He proceeded to drop the chalk, but as he did, it slipped out of his fingers off his shirts cuff, onto the pleats of his pants, down his leg, and off his shoe. As it hit the ground, it simply rolled away unbroken. The professor's jaw dropped as he stared at the chalk. He looked up at the young man, and then ran out of the lecture hall. The young man who has stood proceeded to walk to the front of the class and shared his faith in Jesus for the next half an hour. 300 students stayed and listened as he told of God's love towards them and of His power through Jesus! I don't know what you think about your God but I know certainly well that my God isn't fake. Other gods are no god, they have ear but can't hear and eyes but can't see but my Bible said in (Psalm 94 vs. 9): *"He that planted the ear shall He not hear? He that formed the eyes shall He not see?"* Nebuchadnezzar, ignored him and was abused, read again verse 32 of today's scripture.... **Be blessed!**

TEXT: (Revelation 2 vs. 15-25)

I won't still forget to say that the best of men are exposed when they stay true to their calling and grace. Copying another, to be like another and look like another is a limitation to the call God has placed on you. You cannot be distinguished when you appear in the same uniform with others. To be distinguished is a call to act exceptional with all the tools you got. Someone wrote, when I got into the university, I had this unforgettable experience. Every night, I saw a few groups of students going to read. They would leave their hostels around 9pm and return by 6am to prepare for lectures we all admired them. As they walked back to the hostel every morning, people would shout genius brain! Your head is so hot, it is on fire. One day, I decided to join them that night, with my bag full of books, I walked to the longest hall used for overnight reading. I moved quietly to avoid disturbing the students reading inside. But when it entered the hall, my jaw dropped! Many students were fast asleep. Some even brought mattresses and pillows along and slept until morning. Some of the things you admire from afar could be below what you already are when you get closer! Some persons because of lack of discernment gave up on their chances to win and excel simply because they ignored themselves and thought they cannot do much. At a time as a preacher, I wanted to invite a preacher for a meeting. I felt within that he has made too many impacts than myself. Then one of my Fathers in the lord refused to agree with the idea. I played a sermon of the preacher to him, he listened and said "that was good but you still speak more than he does, then why invite him?" He has built his ministry, you should build yours because that is where your result is rested", Digest these words. In Verse 25 of today's scripture says *"but that which ye have already, hold fast till I come."* Always respect that which God has given you because that is where your result is laid.

TEXT: (Hebrew 10 vs. 10 - 23)

The excellence of God is made manifest on us when we start working on them; when we believe that we have all it takes to look like him and be like him. God in His own grace has not made you lower than the best. No one has a genuine excuse to appear incompetent to any task you are already path of. Consistency beats every reason and it is right because that is exactly what it takes to penetrate to the place of result. In continuation of the story we saw yesterday we have: ...others were watching movies, conversing boldly and playing videos games. I was somewhat disappointed! I just walked quietly to a desk in the corner, lay down, used my bag as pillow and slept off. The next morning as I walked back to my hostel looking tired, what were people saying to me? Genius? Brain! Your head is on fire! For sleep way I sleep. **Sometimes, imitation can lead to limitation.** What works best for someone else may not walk for you. **Investigate before you emulate.** Learn from others but discover yourself and build your own way of life. One of the ways to go far in life is to be surrounded by people who knows exactly what you are worth. People who can speak loudly to your ear and correct you whenever they feel you are walking it wrong. This year discover your purpose and goal and pursue it vehemently. Walk in all diligence and tenacity. **Faith is not only in walking of miracles but believing the very work of God in you as well.** Seeing verse 23 of today's scripture where it says, *"Let us hold fast the profession of our faith without wavering (For he is faithful that promised)."* The profession of our faith, He gave you a voice to sing, but it seems you haven't done much with it, hold fast the profession of your faith and walk out the best of it. Trust God for excellence and be confidently willing to excel this 2022. **God bless you, Amen!**

TEXT: (2 Corinthians 10 vs. 1 - 7)

Indeed our God at this period and on this day has confirmed in us the strength to pull down strong hold, "Strong holds," stand for strong limitation, oppression and calamities preventing people from witnessing the light of God. It may stand as family limitation, marital challenges, financial backwardness, retrogression and limited testimony etc.. All these are the impression of the devil, planted to make mockery of your Christian faith but the word of Lord said to us in (Matthew 18 vs. 18): *"that whatever we shall stop on earth will be stopped in heaven, whatever we refuse to allow shall not be allowed"*. God trying to make it clearer to us said *"thou shall also decree a thing, it shall be establish unto thee: and the light shall shine upon your ways"* (Job 22 vs. 28). From this very point it is obvious that to pull down the strong hold we speak with our mouth. Speaking with the mouth is the method of prayers. I think that's why Apostle Paul echoed in verse 3 of today's scripture saying, *"For though we walk in the flesh we do not war after the flesh:"* It is also understandable that arguments, fighting and even court appeal are not methods of pulling down the strong hold; strong holds are pulled down using our mouths and that's the act of prayers. Recently I got a call from a sister from Enugu State narrating of how she was lured by a man who was proposing to marry her to a spiritualist which happens to be an extension of the marine kingdom. The altar was located to the sea and a marine witch appeared from the water talking to her with prophecies of what happens to be true about herself and her family with a precise prophecy revealing that the younger sister who happened to be pregnant will die during the process or lost her child if some level of rituals are not carried out. Then I spoke with the tongues of fire over the phone and prayed for the pregnant sister who had given birth to her bouncing baby girl. Say with me, **"Oh God, I stand against any strong hold limiting my destiny, my testimony, my blessings, my promotion, my honor, my favor, and my establishment; what are you waiting for? According to God's word today, be pulled down by fire! Go ahead and pray now,"** Maintain a night vigil Prayer session today. pray the February prayers!

TEXT: (Roman 8 vs. 1 – 5)

Having Jesus in your life as your personal Lord and Saviour does it ring a bell in you as something you already have or as something you may not be having. I **welcome you to the day of the Lord**. Once a rich man who loves art work and purchased the most expensive of them all which worth millions of Dollars. The rich man had a son who was good to a very poor beggar who stays across the street. As the boy was growing progressively he was a good fellow that helps the needy as he could, so having being good to the beggar the beggar thought of how to show him gratitude he drew an art work that was not professional and gave it to the boy as a gift. The boy brought it and treasured it. One day the boy died, not long after he died his father died too and there was an invitation to everyone in the city on the day the art works were to be auctioned. A lot of people attend, likewise the beggar who looked his best to attend. The lawyer was having the man's will and was coordinating the auction process. He read out that the rich man desires that before any of the art work will be auctioned that his son's own must be bought first. So they brought out the art work, sketched by the beggar, it was not looking like what any of them wanted. The beggar then raised his hand mentioned some few coins and no one stood to challenge him. He proceeded and got the son's art work on his way back the lawyer read again, that according to the will, the rich man said that anyone that bought the son's art work has the rest of the art works without any other money. The beggar became a millionaire because he had the son's art work. When you don't have the son, you will lose everything. Many persons are busy pursuing one thing or the other in life. Verse 2 of today's scripture says, ***“For the law of the spirit of life in Christ Jesus hath made me free from the law of sin and death.”*** There is a law of spirit of life in Christ Jesus. When you have the son, then you can be full of life. To survive the arrows of the devil, all you need is to have the son. **God bless you!**

TEXT: (Titus 2 vs. 7-15)

I bless the name of the Lord who has faithfully sustained us to this moment of this year. It interests the Almighty God that we digest the content of today's scripture. “Prayer without righteousness is like a car well fueled with sound engine but has no tire.” Righteousness is the mover of our prayers up to the ears of God. This is why the scripture printed it bold saying, ***“The effectual fervent prayer of a righteous man availeth much”*** (James 5 vs. 16B). Observe God's word, He didn't say the “prayers of any man”. David was blunt when he said, ***“If I regard iniquity in my heart, the Lord will not hear me”***. From the points above gathered from God's living guide we can develop a summary that says, ***“Prayerfulness without holiness and righteousness is equal to backwardness”***; this is also confirmed in God's word (Isaiah 1 vs. 4) *“Ah sinful nature, a people laden with iniquity, a seed of evil doers, children that are corrupt, they have forsaken the Lord, they have provoked the holy one of Israel unto anger, They are gone away backward!”* The Lord is saying to someone, it doesn't pay to pray for days, at the end of the day it will just result to noise. God pays most attention to the request and needs of His children. Maybe you were part of the 21 day fasting we did but so far you cannot defend your walk with God; the lover of your soul is giving you the privilege to unite with Him once more so that the fruits of your fasting will not be denied. I use to tell people that rededication is what you do daily to maintain a perfect walk with God. If rapture happens, it is easier to go to heaven from the point of reconciliation (Altar call) with God than from the congregation. How do I know that I am striving towards my master's goal, see again verse 7 of today's scripture which says, *“In all things showing thyself a pattern of good works: in doctrine {showing} incorruptness, gravity. Sincerity. (Verse 8) sound speech that cannot be condemned; that he that is of the contrary part maybe ashamed, having no evil thing to say of you!”* Whatever that makes you to be a Christian as a tittle does not worth your eternity”. ***“For the grace of God that bringth salvation hath appeared to all men”***, Remember it appeared to all men not some of them; the question is are you not among? You can give your life to Jesus at this point, or you rededicate yours to Him so you cannot be denied any of your blessing this season.

1. Oh God don't leave me on my irresponsibility.

To walk in the righteousness of Christ is the secret of occupying the place of glory. God is ever ready to defend his own and prove Himself faithful, but most times He is counting on our ways and acts of righteousness. In verse 13 of today's scripture it says, *"And all thy children shall be taught of the Lord; and great shall be the peace of thy children"*. Your children been taught of the Lord is to make them distinct and exceptional above what is obtainable. Verse 14 of today's scripture says, *"In righteousness shall thou be established: thou shall be far from oppression; for thou shalt not fear: and from terror: for it shall not come near thee"*. God's establishment is to walk in righteousness, for someone to reach the very height God is aiming for Him or her the individual should wear the garment of righteousness. This year is a year you should be willing to carry the mark of God's righteousness in all that represents you! Be a brother/sister known to love God and walk in His part. The secret of tremendous outcome this year is anchored on the character of walking like Christ would want you to. Of course it is already confirmed that the secret of elevation is walking in righteousness like it was written in Proverb 16 vs. 12 saying, ***"It is an abomination for kings to commit wickedness: for the throne is established by righteousness"***. If you actually aim the throne then you need to walk in righteousness. Thrones are not occupied with adultery, immorality, wickedness, lying and cheating because the raw material for its establishment is righteousness. God went down to make His opinion known in Proverb 14 vs. 34 saying, ***"Righteousness exalts a nation but sin is a reproach to any people"***. May the Lord build you on the part of righteousness, in Jesus name, Amen! What can make you is within the pages of God's responsibilities; He has all it takes to build you. You shall be made, kept, lifted and exalted as you deliberately walk in the righteousness pattern of God. Amen!

1. Oh God, I thank you for your word to me.
2. Jesus, give me the grace to stand tall on your promises.
3. Oh God help me to walk as you walked and as you would walk.

There are some systems of God that could not be mastered or learnt except by repeated study or engagement to knowledge and understanding. There are realms of sacrifices, and sacrifices to knowledge is one of them. In verse 14 of today's scripture we read where it says, *"And the Lord said unto Moses, write this for a memorial in a book, and rehearse it in the ears of Joshua for I will utterly put out the remembrance of Amalek from under the heaven"*. For you to have God sunk in you, there shall be space for the rehearsal of the doings of God. For you to see the utmost of Him. In this kingdom where we belong studying and note making is of a very great essence. You cannot go as far as God would want you go if you are not a diligent studying person. It was the Lord who said to Moses write this in a memorial book. No wonder we have a bible to study and the Spirit of God coming on those involved and helped them to drop the very mind of God in the scriptures. In heaven there are many books; book of life, book of account, book of streams of diving knowledge. You don't get accustomed to a scripture you don't get yourself engaged in. I became glued to excellent dispensing of God's word the day I encountered the scripture (Luke 4 vs. 15) where it says, *"He taught in their meeting places to everyone's acclaim and pleasure"*. Wow! Jesus spoke and none felt board during His sermon. There is a realm of God I am hungry about and such is accomplished at the place of steady study with an opened eyes through the engagements of the spirit. In Shiloh 2021 I saw Bishop Oyedepo bring out the ecolack and boxes of His study notes, it was massive to be in our man's head alone. It was indeed a huge store of knowledge and I told myself, you haven't even started studying. May God help you this year to imbibe the diligence of study in full force, Amen! Join the CRP Thursday prayer Network: it is where we encounter Jesus!

4. My God keep me focussed to yourself and your ways, Amen.
4. Lord Jesus, give me the grace to be studying diligently, in Jesus name, Amen!

One of the greatest gifts of life is one knowing exactly what it takes to reach where He is going, committing to it is diligence and commitment to excellence. Complacency attitude is a great killer of growth. **May you never come to that point where you feel so much arrived that you don't do anything to grow anymore.** Get books that bear the content of what you are aiming to reproduce. Someone said, **“It always seems impossible until it's done”**. Then this Juice says: **“Successful and unsuccessful people do not vary greatly in their abilities. They vary in their desire to reach their potential”** (John Maxwell). Get acquainted with study table and chair, if you don't have those it is a limitation to your study life. Some of the individuals you admire got their secrets hidden in their books. Seeing verse 56 of today's scripture says, **“He that eateth my flesh, and drinketh my blood, dwelleth in me, and I in Him”**. The Bible says, **“Jesus allowed us to eat his flesh because in eating is our mastery for answers”**. The bible making it obvious in today's scripture saying in verse 14 of John chapter 1 says, *“And the word was made flesh and dwelt among us, (and we beheld his glory, the glory as the only begotten of the Father) full of grace and truth”*. Get acquainted to the understanding and liberation of His word. God's word is a quickener, it is a blessing, and it is a life changing grace. In the content of God's word is the solution to every need of life. The solution of God's word is the solution to any need you could have in life. It is a goal of excellence to engage in the processes that will constitute you do the extra ordinary by the virtue of what you have learned by the word of God. **You don't eat the word until it is digested in you for an extra ordinary-grace and miracles.**

TEXT: (Job 14 vs. 1 – 7), (Isaiah 33 vs. 1– 7)

Many persons lost it not because God became weak to help or save them, but they lost it because they depended on their own power and ability instead of God's. When you depend in God, it comes with the grace and ability to triumph. Don't be so much endowed that you are not found weak before God. God always looks upon men seeking for the sign of weakness so that He can elevate them to the place of excellence and grace. Verse 3 of today's first scripture says, *"Behold, thou hast instructed many, and thou hast strengthened the weak hands"*. God is always looking for a weak hand to strengthen. **You need to admit that his strength is the reason why you prosper.** I have always prayed this prayer and am praying it again. **"Father, may I not come to that point where I am so strong to rely on myself. Instead of relying on you"**. Oh Lord, let me not come to the place where my confidence is shifted from you. Verse 3 of today's scripture says, *"Strengthen ye the weak hands and confirm the feeble knees"*. I heard Pastor E A Adeboye share the story below, He said, "Several years ago, I visited south Korea because I heard of a man who had the largest church in the world, he had a congregation of half a million people by that time I visited him, he had an auditorium that could take approximately fifty thousand people, he was having seven services on Sundays. I heard him say in the service that we attended, telling the members who came one Sunday to please not to come back the next Sunday so that those who couldn't come last Sunday can come next Sunday. I said, God so you can do this. **Accept the fact that there are many great things you cannot do, and see all that God can do which He has done in the lives of people, then allow Him to do the same in your life.**

PrayerPoints: Worship God in your own way.

1. Oh God, I thank you for your word to me.
2. Father, I receive the grace to please you and love you sincerely.
3. My God I decree over my life that no weapon fashioned against me shall ever prosper.
4. Jesus, I am weak, come and do what only you can do for me.

TEXT: (Romans 8 vs. 33 - 39)

In a certain nation, on the day the senators were to elect their principal officers, the president called a meeting of all his loyal senators, the reason for the meeting is to make plans on how to stop the present senate president from becoming the senate president but something funny happened. While their meeting was going on, the other senators already seated in the senate chamber elected the young man their senate president. Not being enough they plotted for his impeachment in order to prevent the previous occurrence from occurring they laid siege in the senator's house with army and others but while they are waiting for their members to be complete the senator emerged in the house, ruled out the impeachment reason and shut down the house till further notice. How he escaped the soldiers and military body in his house remained a mystery to the opposition party. God is reminding us that we are more than conqueror and I believe that's why we should dominate everywhere we are. To be more than a conqueror is to win battles even without a fight. Is to rule with the powers of the enemies being flat, and the word of the lord saying to us today, *"**Nay, in all these things we are more than conquerors through him that loves us**"*. For Jesus is the one who loves us and He made public show of the devil and his agents. The point is that many believers do not know their stand in God; so many individuals cannot tell of their statues in God. "You command respect and honor when you behave like one who should be respected." You don't attract what you don't see on yourself. To live like more than a conqueror you have to see yourself in Christ Jesus: with the understanding that if he overcame everything; this 2022, I will overcome all. "This week nothing shall stand before you to oppose your progress." Decree it in your life. **You cannot be connected to God using the COF without proving God's faithfulness in your life this year.** Pray for Nigeria. Be strongly rooted in the Lord encounter God by being part of our services Sunday Evenings and Thursdays Prayer Network.

Make people feel belonging. *Channels OF Fulfilment*
TEXT: (John 12 vs. 26), (Romans 8 vs. 14 – 17)

You might inspire or challenge people to improve themselves but never be the reason why anyone feels less of himself. **I welcome you today to the place of the wonder generating King.** Personally I would say I have spent more of my income in assisting people and supporting God's work than I have spent on myself. To make people around you to belong is the act of putting away your intimidating position or ability that could make them feel less. I believe the story below will go a long way in communicating God's mind to us this morning, I have shared it in the past but I believe it will inspire someone else today. A lady said, "I heard our mother asking our neighbour for some salt. I asked her why she was asking them as we already have salt at home. She replied, "It's because they are always asking us for things, they are poor. So I thought I should ask something small from them so as not burden them, but at the same time make them feel as if we need them too. That is why it will be much easier for them to ask us for anything they need from us". Making others feel belonging is the very attitude of God and I know certainly well that He would want us to do the same. Imagine how belonging Jesus makes us feel by having died for us and needing us to come to repentance that we may spend time and eternity with Him in heaven. What a pattern of Love He revealed to us, and a manner of self-belonging he demonstrated to us. Seeing today's first scriptures the bible says, ***"If any man serve me, let him follow me; and where I am, there shall also my servant be"***. Where I am, there shall my servant be, not close to where I am but where I am. What a pattern of self-belonging He has extended to us. Don't enslave people by selfish intimidating acts and self-relevance you demonstrate around them. **"A deep sense of love and belonging is an irreducible need of all people. We are biologically, cognitively, physically and spiritually wired to love, to be loved, and to belong. When those needs are not met, we don't function as we were meant to, we break. We fall apart. We numb. We ache. We hurt others. We get sick."** (Brene Brown). Jesus even carried us in his suffer when we did nothing at all. Confirmed in verse 17 of today's scripture, ***"And if children, then heirs, heirs of God, and joint-heirs with Christ: if so be that we suffer with Him, that we may be also glorified together"***.

TEXT: (1Peter 2 vs. 7 – 15)

The will to be outstanding is outstanding on it's own. In 1948 a man wore 30-pond, three-doped loop shoe and stamped around a Florida beach during the night. The foot print lead people to believe that a 15-foot tall penguin was roaming their lands. He kept up the prank for 10 years, visiting various beaches. The hoax wasn't revealed until 40 years later. Someone said, ***"At age 20, we worry about what others think of us. At age 40 we don't care what they think of us. At age 60, we discover they haven't been thinking of us at all"***. Some persons have esteemed the devil so high that most times they accredit the happenings around them to him. Some other persons assumed their success was delayed or limited because of a particular enemy or another one but over here in verse 9 of today's scripture the word of God says, ***"But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should show forth the praise of him who hath called you out of darkness into his marvellous light"***. Note: you are called out of darkness. Just like the story above where a man deceived an entire city for 40 years. This is exactly the pattern of the devil over some lives. Let it out of your mind that opportunities doesn't last with you. Let it out of your mind that you are not always lucky. It could look real, looking at the things that tends to justify these negativities around you but don't accept the satanic pranks. Don't be fooled by the devil again, this season put the enemy to shame, Verse 15 of today's scripture says, ***"For so is the will of God that with well doing ye may put to silence the ignorance of foolish men"***. It is your duty to put to shame the imagination of the devil. I speak to someone again, ***"This year shall never look like other years for you; you will dwell in excellence!"*** All the difficult parts of the past shall turn out well for you this season in Jesus name, Amen! **NO WEAPON FASHIONED AGAINST YOU SHALL PROSPER, AMEN!**

1. Oh God I thank you for your word to me.
2. Jehovah, by your hand I receive the grace to shame and suppress the enemy of my destiny.
3. Oh God, do for me what I can't do for myself.
4. Father, today I clean my mind from every satanic pranks and deceit.
5. Father, I thank you for the grace to outshine the smartness of the devil.

TEXT: (Isaiah 41 vs. 1 - 20)

I welcome you before the Most High; the Holy One of Israel. Jesus speaking in Matthew 24 vs. 27 said, ***“For as the lightening cometh out of the east, and shineth even unto the west; so shall also the coming of the sun of man be”***. The east is a major specification in the Bible; mentioned about 157 times. The sun rise, that causes the day break, rises from the east. Jesus was saying that though the sun rises from the east, it is not limited to the east, it spreads even unto the west. The Holy Spirit is saying to someone connected to this heavenly channel; **“My presence with you will not only reflect in your life but will also reflect in all that surrounds you”**. The testimony the Lord is set to give you this year will reach your brothers, sisters, friends and relations in the name of Jesus, Amen! Rising from the east can also be seen as a small beginning that spreads beyond a limited cycle. Considering verse 2 of today's scripture, *“Who raised up one from the east? Who in righteousness called him to his feet? Who gave nations before him, and made him rule over kings? Who gave them as the dust of his sword, as a driven stubble to his bow?”* Hear me: **“The presence of God with you now shall not stop half way but will carry you to the end of the year.”** Verse 4 of today's scripture confirmed it when it said, *“Who did this? Who made it happen? Who also get things started? I did. God. I'm first on the scene. I'm also last to leave”* (MSG). He never goes until every other thing goes. I don't know where you are, but you are rising in the name of Jesus, Amen! I don't care how long darkness have covered your cloud but as the sun rises today, you are breaking away from any dark cloud into a new morning. God Almighty will light you up to the breaking of your day. A dead destiny is revived now in Jesus name, Amen! You will soon discover that God's blessing upon your life is too clear to be hidden. **You will soon be amazed while considering the previous years of your life and this year.** May God establish you! May your enemies be confused and surprised about your journey in life that they can never fathom the road the Lord set you high from!

PrayerPoints: Worship God using song 2: Page 121

1. Thank God for His word to you.
2. Pray for the grace to rise from any low place.
3. Ask God to put your enemies to confusion; not to trace you anymore..

TEXT: (2 Corinthians 12 vs. 6 – 9)

God looks for your weakness, for He is the strength of the weak. Yes, Yahweh is called the very strength of the weak; the grace of excellence and the honour of the privileged. In continuation of the story we saw on 1st (You can read 1st March study to have a clearer background). Some years ago I returned to South Korea, I had a meeting with the same man. The first time I was there people like me cannot come near the office but this time around I went to His office at his invitation. When we met he said, I have heard of you, will you please pray for me! There is somebody here today, by the time God finishes with you, the people you are looking up to will one day come and say please pray for me. **There is indeed grace to shift realms and that grace is validly available.** Remember, there is nothing impossible with God. That is the watch word for excelling grace. I don't know what could be in front of you as a dream or an expectation. Many times it seems as if you won't get there. Sometimes all the enthusiasm and zeal is gone. Sometimes the key seems missing, and sometimes you find yourself in the wrong path. Yes, a path absolutely disconnected from excellence and then God says, this is the process, you don't get there when you rely on yourself alone, you need to accept your limitations and commit to my excellence. You need to understand that you cannot do for yourself as I can do for you. Verse 9 of today's scripture echoed, ***“My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me”***. See His power coming upon you even right there you are, Amen!

Prayer Points: Worship God using song 1: Page 120

1. Oh God I thank you for your word to me.
2. Jesus, I receive the grace to stand above any form of limitations.
3. Father, I receive your hand upon me to stand by your strength alone.
4. I overcome any form of obstacle that the devil may want to introduce around me.
5. Lord Jesus, let my expectation be met in Jesus name, Amen!

TEXT: (Daniel 1 vs. 8 – 9)

To be part of those witnessing Supernatural Manifestation one has to digest and recall the content of verse 8 of today's scripture, ***"But Daniel proposed in his heart not to defile himself with the portion of the king's meat"***. Remember is not just the king's food... Among many cultures today, the determinant of the quality of a meal is the level of meat in it. The implication of this is that the king's offer to Daniel and his course mates was not just the ordinary but the best one can imagine. The defilement of the meat was that it was offered to strange gods that are not the God of Israel. Daniel's interest was not to get what others thought to be gold but to live and glorify God with his life. **Your priorities in life require your ability to reveal your identity.** Daniel chose God above meat (Gold). What meat have you esteemed above God? What meat have you accepted for your defilement in exchange of your divine empowerment? The most essential and efficient need of man is God. The most vital need of our soul is God. Anything you can give your time and interests above God's choices and opinions is your priority. If you can marry an unbeliever just to be married, then marriage is your priority. If you can get a job with false certificate then Job is your priority. If you can get admitted into a high institution through bribery and corrupt means then is to say admission is your priority. Any priority that is not anchored on God will later cause disgrace on earth and rejection from heaven. Abraham prioritized Sarah's choice of him marrying Hagar over God's promise of Isaac and that led to everlasting damage which was Ishmael. God's promise to make you great has tarried but that does not suggest that he has forgotten... Go ahead and prioritize your need; and your only need is God.. You cannot be for God and be far from Him and His place is the place of grace and glory. Never you retire at that place that doesn't look like God's. Never you stay too far to lose the Spirit of Holiness!

Prayer Points: Worship God using song 2: Page 121

1. Oh God give me the grace to esteem you above all my pursuit.
2. Mighty God, I demand for power to take critical decisions like Daniel.
3. Oh God I refused to be enslaved by the devil with covetousness.
4. My king, I pray that the vision of heaven shall not be missing in my daily pursuit.
5. Father, never allow me to stay far from you, revive me!

TEXT: (John 14 vs. 18-26)

Anointing is the forceful expression of God. You could recall from the scripture the effects of the anointing on those that received it in the old. Someone like David who killed Goliath soon after he was anointed. What of Jehu, who destroyed Jezebel and the generations of Ahab soon after he was anointed. According to the New Testament church, the anointing transfigured from ordinary oil to a being, and the being is the Holy Spirit. On the day of Pentecost the anointing rested on the heads of the Apostles and they noised about Jesus Christ without preparation, without posting banners or using any sort of mobilization medium, they held a crusade that attracted thousands of people and three thousand (3,000) were recorded as converts (Acts 2 vs. 40-41). Being that the Lord has laid hold on us as the instruments of his vision actualization, it is necessary we partake on the equipment of the Holy Spirit; to function with the auction of the Holy Spirit. To preach the undiluted word of God, the Holy Spirit must speak himself. To be passionate about the Lord and his coming, the Holy Spirit should be given a chance of expression in that life. To minister with the full manifestation of God's power, the Holy Spirit must minister through us. To live for God's interest and purpose then the Holy Spirit must live through us. He is the fulfillment of God's purpose in us. He is the director of Christian principles and life styles. He is the voice that makes our communication with God effective. He is the miracle worker I know... We cannot keep aside the person of the Holy spirit and His principles if we must achieve God's purpose for us. To walk with the Holy Spirit is to witness an exploit level of Christian living. Continues tomorrow!

1. Lord Jesus, I thank you for the Holy Spirit.
2. Oh sweet Holy Spirit come and reign within and outside of my life.
3. Merciful father, I ask that you make me worthy of your Spirit.
4. Sweet Holy Spirit come within me and cause exploit with me.
5. Jehovah, I cannot rely on my wisdom, Holy Ghost bend me.
6. Father, I stretch forth myself to you, take hold of me and all of me.

Verse 38, ***“God anointed Jesus of Nazareth with Holy Ghost and power: who went about doing good, and healing all that were oppressed of the devil; for God was with him.”*** This very scripture gave a clear understanding of the secret behind the exploits (healing the sick and all the miracles He performed) in Jesus ministry. He achieved so much exploits in His ministry because God anointed Him with Holy Ghost and Power. In this contemporary period we won't succeed as Jesus did if we don't receive the same anointing He received. I once heard a story of a young man who went for a night vigil and while returning home the following morning the rain got his cloths soaked. When he got home he spread the cloths on the roof of their neighbor who happens to be servant to strange gods as a witch doctor. The next morning the ungodly neighbor was troubled because none of his strange gods were able to respond to his greeting or morning incantation as the case maybe. The strange gods became silent simply because a cloth that was anointed by God's presence during the vigil was spread on the roof of the witch doctor's house. That event led to the salvation of the witch doctor. The Spirit is saying that this is not a year to make noise with less or no impact, but a year to announce God's glory with the great anointing and power as the world had never witnessed. It is a year of massive salvation because the sons of God will manifest (Rom. 8 vs. 19). Families will come to the knowledge of God because of the experience they will observe from the saved ones among them. It is year that will get the devil and his workers imprisoned from the church. The only thing God requires from us is the act of faithfulness. **“God cannot exalt anyone to insult himself!” So be sensitive of how you relate with the Holy Ghost so as not to grieve Him. I speak upon someone; receive the anointing you need in Jesus name, Amen!**

PrayerPoints: Worship God using song 5: Page 124

1. Oh Lord I thank you for the availability of your anointing.
2. Father any power standing against your word in my life; I get the power humiliated, in Jesus name, Amen!
3. Lord Jesus, let your power move and abuse satanic operations against the church.

I must testify to your hearing that my years of Christianity are years where I enjoyed the grace to use utterances of fire. The moment you realize your ability to light out fire from your tongues that's when satan will resign in all that concerns you. (Psalm 104 vs. 4), ***“Who maketh His angels spirits; his ministers a flaming fire”***. The utterance of fire makes you to speak into existence what you want. Few years ago after the Lord used me to minister to some group of persons, a woman walked up to me complaining that her car was snatched from her from suspected kidnappers who used it to kidnap their victim. I spoke out saying, in a week time you shall find your car. Being a student at Ibadan then, I left to school the following day after the night of the ministration and her call came in after a week testifying that the car was found just as prophesied. I thank God for the availability of such grace in our midst today. We are going to experiment it today, **“Tell God whatever you want today.....”** I declare it done in Jesus name, Amen! Please share your testimony with us later. Also I can remember one of our Pastors telling me in a certain weekend that was around 4:00pm he has sold nothing for that day, and I said, **“Rush to your shop now, customers are waiting for you to give you money!”** He saw me the next day thinking what manner of man is this? By the utterance of fire, I speak into your life, **“Elevation to the next level in Jesus name, Amen! I speak, greater push in the kingdom's business in Jesus name, Amen!”** By this grace the Almighty has made available for us, **“I bless COF users, partners and family in Jesus name, Amen!”** Verse 4 of today's scripture says, ***“And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance”***. The utterance of fire is mastered by the Holy Spirit. Speak upon yourself, what you want to see by this utterance. (Pray in the Holy Ghost).

1. Oh God thank you for your Spirit upon my life.
2. Oh God, I demand for fresh fire and fresh baptism of the Holy Ghost.
3. I take my place in Christ Jesus.
4. I command the release of Godly opportunities and privileges.

TEXT: (Nahum 2 vs. 1 – 7)

In your Journey to accomplishment, mind every details you come across, your solution could be so insignificant that without humility and focus you may not grab it. Few years ago when I newly got admission into the university I settled a case between two ex-friends male and female. They were more like young lovers. Then I had a program that I have planned on how to skip, rather send someone else on my behalf because the journey is very far, but I could remembered that as I was in the library that afternoon one of my spiritual Fathers called and he persuaded me to be in that program if it was going to be possible for me, being the first meeting for the year, it was kind of flour opening. Then I arranged myself and was favoured to travel for it. That day after I left, in the evening some soldiers came looking for me. I didn't know that the lady in question was beaten by some group of boys organised by her friend, so she assumed that since the young man listens to me and respects me that I must have approved his idea of getting people to beat her to recover the guy's properties she had taken. The soldiers apprehended most of my neighbours and beat them. When I heard that I decided to return two days after which within; the program I travelled for had occurred. In the vehicle I boarded a man was sitting beside me and I was very kind to him and then we started discussing which we did at length, he began to respect and rely on my idea. When I got to school the lady reported that I was back then when the man in charge saw me, he said, no, this man can't be guilty of your claims. He was the same man I boarded the same vehicle with on my return. Some of us had met our solutions when we were not prepared and discarded them because they are not looking like what we pictured. Digest this verse of the scripture, *"He that dasheth in pieces is come up before thy face: keep the munitions, watch the way, make thy loins strong, and fortify thy power mightily"*.

PrayerPoints: Worship God using song 2: Page 121

1. Oh God I thank you or your word to me.
2. Father, let me not miss my solutions as they come in Jesus name, Amen!
3. Oh God anoint me for excellence and disappoint my enemies.
4. Jesus show forth your wonders and grace, Amen.

TEXT: (1 King 19 vs. 15-21)

The Lord who has faithfully brought us to this day of the year will faithfully lead us beyond the year end, in Jesus name, Amen! To excel is most times position basis; **"Success calls no man but success finds men where they are"**. It takes a strategic positioning to attract a promotion in life. I don't know where you may be positioned but by the grace of God available in this line of the Most High, **"I decree, may your location be identified for promotion in Jesus name, Amen!"** From today's scripture verse 19, *"So he departed thence and found Elisha the son of Shaphet, who was plowing with twelve yoke of oxen before him and he with the twelfth; and Elisha passed by him and cast his mantle upon Him"*. Elisha was a farmer among a group of farmers. A mantle was given to him at the farm; the mantle serves for two things: 1. Promotion. 2. Transition anointing. Elisha was found busy controlling the twelfth yoke oxen which He uses for plowing (ground breaking for planting). My major concern was that Elijah said nothing to him; only the mantle changed his perception, mind-set and passion. Then, he saw himself in another mirror knowing he is not meant to be there. I trust my Father and He just whispered to me that over 100 mantles are released for COF users. God will not just visit you while you but He will visit you to transform you. Brethren it is God's grace that positions a man; remember Elisha did not receive a prophetic mantle at the prayer mountain but He received it while working in the farm. I announce again, **"Be thou positioned for exploit in Jesus name, Amen!"** Verse 21 of today's scripture revealed that *"Elisha turned back from Him, and took a yoke of oxen and slaughter them and boiled their flesh, using oxen's equipment and gave it to the people and they ate"*. May you never cherish anything so precious to the denial of your promotion in Jesus name. Amen! (Prav in the Holy Ghost).

TEXT: (1 Samuel 30 vs. 1 – 17)

You are welcome before the one who is The Alpha and The Omega. I heard the story below from my Father Pastor Dr Paul Enenche where he shared: Some time ago a woman came to our church to see me. She was having a challenge. She probably had not seen me in person before that day. So while I was walking through the auditorium, she saw me and asked where the General Overseer of the ministry was. Then, I asked her, “Madam if you see the General Overseer, what would you like to tell Him? She became angry and said something like, it is the G O I came to see and not you, stop wasting my time; just show me the General Overseer! Maybe I lack the commensurate body size or weight that should have made me look like the general overseer. I told her okay, go ahead and look for the general overseer that was how she by-pass the person she was looking for while looking at that person. What a tragedy! The best marriages of today don't look fat while they were starting. Life is pleasant and glorious if you can mind it with focus and stay attached to the success that pulls it together. **Little things are the custodians of the big ones. Little focus is the mother of great achievements.** Stay connected and blessed. The people we need in our lives comes when we don't even expect them; they show up most times when we are not even looking. David was going to recover his family and properties from the Amalekites then he found an Egyptian. Wow, I am amazed by the wisdom compiled in the scripture. What does an Egyptian have to do with the Amalekites, but that is the key. The truth is that an Egyptian will look different, almost dying, and looking so not needed but he was the helper David asked God for. **May God open your eyes to the discernment that crosses your progress in Jesus name. Amen!**

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for opening my eyes from your word.
2. Father, I receive the wisdom of knowing from you.
3. My God, I take up the humility that watches things take place in your route.
4. Father, help me to behave as you would want me to do.

TEXT: (Revelation 3 vs. 6 -8)

To someone who has tremendously been waiting on God this season and trusting His mercy and help, great things has come for you, Amen!! Spending time with God is the key to our strength and success in every area of our lives. **“Be sure you never try to wok God into your schedule, but always work your schedule around him”** (Joyce Meyer). A man who was once diagnosed with cancer was told he had 6 months to live. He went back to the doctors 10 years later to tell them that he was still alive, only to find out that the doctors who diagnosed him were all dead. He died 102 years old. I don't know what others might have told you or what they are predicting about you but one thing is certain that Jesus always has the final say, in everything and anything. They predicted his death but sadly enough is not in a man to know when another shall die. **God didn't rest it upon the shoulders of men to determine another's future.** You might have met people or probably know people but it is not in their hands either to push or determine your destiny. **You can hardly make sweetness out of men's choice for you if God is not behind the sponsorship.** Jesus is the master that controls everything and rules everything. **The One you are talking as your GOD is the One that knows how to handle things.** He is also the same person that says the final thing. Nothing happens except He assigned it. Verse 7 of today's scripture says, *“And to the angel of the church in Philadelphia write; these things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth and no man openeth;”* **Who can initiate in your life what God has cancelled, who can bring to you what God has rejected for you?** This season be careful to tell God all you would want Him to do around your life and destiny. There is nothing too hard for God to do just stand with Him and see Him prove Himself faithful in all things. Amen! **Plan your way to God's throne among the CRP.**

Prayer Points: Worship God using song 4: Page 123

1. Oh God I thank you for your word to me.
2. Jesus, show me your sayings about me and help me to see them!
3. Make my life according to your mercy and love not by man's expectations.
4. Father, help me to trust in your sayings concerning my life.
5. Father, thank you for the answers to prayers, Amen!

Commitment motivates you for exploits and sensitizes you for excellence. **“You cannot be committed and not be creative, you cannot be creative and not be productive, and you cannot be productive and not be successful. Stay committed”** (Bishop David Oyedepo). In life for you to climb the place of God's help, commitment must first be found in you. Let me sound a strange bell, it could amaze someone to know that God placed so much on man's commitment. Never should you assume that the world is a free town, where pleasure is the key. **Dedication to excellence and management are the key tools that made God to conceive the reason of bearing man.** This tells why stepping out of the comfort zone is a worthy venture and a good approach which is the sole reason for creation. (Genesis 2 vs. 5) says, *“...for the Lord God had not caused it to rain upon the earth, and there was not a man to till the ground”*. So there was not a man to till the ground then God brought a man to till the ground. This year be challenged; travel to places, change your environment incase if your environment is a limitation to you and to what can be achieved. There are places where after visiting my zeal for success increases. I realise that even though I appear to be moving but not too fast like I should then I step up. Never feel like it is already impossible for you to climb the height of success; focus on your grace and succeed at course. Verse 15 – 16 of today's scripture says, *“Who of us can get out of this purge with our lives?” The answer's simple. Live right, speak the truth, despise exploitation, refuse bribe, reject violence, and avoid evil amusements. This is how you raise your standard of living.* A safe and stable way to live. A nourishing, satisfying way to live. **Let God be true over you and every devil a lair.**

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Jesus, magnify yourself in me and in all ramifications of my life.
3. My God, break the cords of the enemies.
4. Oh God, help me to be committed to you in all round in Jesus name, Amen!

Almost every successful person begins with two beliefs; the future can be better than the present, and I have the power to make it so. This little light of mine, I am gona make it shine... To light the world as the scripture had said is to live beyond the frustrating strategies of the devil (Matt. 5 vs. 16). John Paul De Joria ran his business from his car, according to a recent entrepreneur article, “De Joria was born in Los Angeles, a first generation American. He started out his business like selling Christmas cards and newspapers. The path ahead looked like a hopeless one to De Joria but instead he created John Paul Mitchell systems using a \$700 loan. He lived out of his car and sold shampoo door to door. He graduated from living in his own car to owning three private Jets. Verse 42 of today's scripture says, **“Did you never read in the scriptures. The stone which the builder rejected, the same is become the head of the corner; this is the Lord's doing and it is marvelous in our eyes!”** Someone might have a situation similar to that of De Joria or more critical compared to it. The summary of it all is that one can still come back from the lowest phase of life to the celebration point... The end of our life is mostly dependent on us alone. Someone once said that you may not deserve the blame of being raised by a poor parents but will be blamed if you eventually die poor. Your glory is not tied to anyone; not your parents, not your spouse, not your boss but on you and your God alone. **“Victory takes sides on people who are more compatible with nature and future”** (Toba beta). Carol Burnett said, **“Only I can change my life. No one can do it for me”**. The knowledge of one's self places him on advantage over the situations that may surround him. Until you know yourself, you may not possess the potentials that exist within you. I assume this is the reason why Bradley Whitefield was of the opinion, **“Infuse your life with action. Don't wait for it to happen make it happen. Make your own future. Make your own hope. Make your own love, and whatever you believe, honor your creator, not by passively waiting for grace to come down from upon high, but by doing what you can to make grace happen.”** We saw from today's second scripture saying, *“But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people, that ye should show forth the praises of him who hath called you out of darkness into his marvelous light”*. I don't know your opinion of what a Christian pattern represents but I am so sure that Christianity is proportional to royalty. You are not just a man or woman but you a person connected to royal bloodline of Christ. Don't live that life God didn't plan for you this year. Though you might have experienced some hardships in the past but it shouldn't change the reality of who you are. Dream of a greater life, work towards it and your Father the King of kings will never allow you to live lesser than you should, in Jesus name, Amen! When Apostle Paul was advising Timothy from today's first scripture he said, *“But if I tarry long, that thou mayest know how thou oughtest to behave thyself in the house of God, which is the church of the living God.”* The first application to excellence is knowing your ability and capability; obviously for a child of God there is no disability because we are royal. Don't compare your life with others. You have no idea what their journey is all about. Don't have negative thoughts of things you cannot control. **Instead invest your energy in the positive present moments. Dream while you are awake.**

Prayer Points: Worship God using song 2: Page 121

1. Oh God, I pray for the grace to master myself and my abilities.
2. Oh God, may I be satisfied with who you have made me to be so I can harvest what you have planted inside of me.

Channels OF Fulfilment

TEXT: (Joshua 10 vs. 1-14)

I welcome you to the enforcement territory of the Most High God. Heavenly support is Godly support. The reason why you will stand every obstacle and challenge that may come your way this year is because you got heavenly backup with you. When a life attracts God to itself the life is lived easily. Oh my God, Jehovah will bring you to that point of life where you live above struggle in Jesus name, Amen! When an individual is strong through His strength, a lot is achieved, imagine what it looks like when one is living and surviving by the strength of GOD. God is not just strong but with him is the power of all the universe. I think this will help our understanding, "Consider what it takes to build a house: the money, the man power and energy required. The bigger the house the higher the demand for input and energy; and no big house that is of long height (maybe a sky-scraper) is built in a day, not even in weeks, very hard you see one that was built in a month. To build by men requires strength, money and other things but imagine my God who never took loads of sand, moulded blocks or even planted a seed. He sat on His throne with crossed legs and said, **"Let the land be separated from the water, day separated from night, created the animals, and made man; all these took place within a week"**. I don't know the capacity of the house any man can build but God formed the earth that is housing over 7 billion humans just in a day. When you are support by this God of mine, you will live a simple and an easy life. Verse 10-11 of today's scripture says, *"And the Lord discomfited them before Israel, and slew them with a great slaughter at Gibeon."* (verse 11), *"And it came to pass as they fled from before Israel and were in the going down to Beth-horon that the Lord cast down great stone from heaven upon them unto Azekah, and they died: they were more which died with hailstone than they whom the children of Israel slew with sword"*. The Lord is saying to someone, **"My effort in your life will bring you to prosperity beyond your remembrance."** Don't just put your effort; you need God's support. I speak upon you greatness by heavenly support. Amen!

Knowing the task.

Channels OF Fulfilment

TEXT: (Daniel 1 vs. 10-17)

At the beginning of everything an expectation is created, hence nothing is expected to end the very way it began. Therefore between a beginning and an ending is a **task**. The amount of labor devoted to a task determines how celebrating the end will be. According to today's scripture Daniel and his friends began a test which they expected to have ended after ten (10) days. Days before we saw why they refused the King's meat, now; the question is how do they plan to produce a unique result after ten (10) days? To pass the test they applied these mechanisms...

1. They had confidence on both their God and themselves.
2. They had knowledge of a better option on how to survive.

As many of us are sketching the plan of how to carry out the adventures of this year; we are hoping by all means to see it better than the previous years we have witnessed. To have a plan is excellent but the problem is that no plan survives without a task. Are you aware of the tasks that could make your plans a reality? **The biggest of your dreams scares nothing but the smallest of your effort shifts mountain.** Task is best handled when they are carefully pursued. Draw your end of the year now and picture on how you will venture on those adventures that will determine your future. You may have a task of getting married before the end of the year, then go and venture it into reality. It may be to experience another level of financial flow, then venture into it. It may be to experience new anointing for exploits then venture into it. **To produce an extra ordinary result then you should do extra ordinary research pertaining to your task.** Remember that Daniel knew the nutritious value in a vegetable compared to that of meat. **Don't tell people your dream, show them.**

Prayer Points: Worship God using song 1: Page 120

1. Bless God for his word to you today.
2. Pray that the grace to do exploit shall be given unto you.
3. Ask the blessed redeemer to show himself worthy in your life and destiny.
4. Present your task before God and ask Him to grant you your heart desires and purpose in life.
5. Father, favour me to reach where my strength and effort cannot reach.
6. Oh God, arise and prove yourself, a king and more!

The truth is that according to God's schedule and planning, He has already planned that many of us would be His representatives in many places, so instead of coming through for other persons, He then decided to send you and I. We must take that luxury of the cross very serious. See the story below. A few years ago, a group of sales men went to a regional sales convention in Chicago. They had answered their wives that they would be home in plenty of time for Friday night Dinner. In their rush with tickets and briefcases in their hands, moving quickly through the air-port terminals, inadvertently kicked over a table which held a display of apples. Apples flew everywhere without stopping or looking back, they all managed to reach the plane in time for they nearly missed boarding. All but one! He paused, took a deep breath, quickly assessed the situation... and experienced a thing of compassion for the girl whose apple-stand had been overturned. He told his buddies to go on without him, waved good-bye, told one of them to call his wife when they arrived to their home destination and explained his taking a later flight. Then, he returned to the terminals where the apples were still all over the terminal floor. **The truth is that in the midst of our busy schedule and plans, we can still be helpers to others.** Have you ever in your life break your plan to be a blessing to others? Checking it out, that was exactly what Jesus did. He left the throne and came and dwelt among us and within us. We can still be outstanding if we boldly and strongly hold on to His nature and character. The scripture says in verse 2 of today's word, ***"Bear ye one another's burden, and so fulfil the law of Christ"***. So actually the law of Christ is fulfilled when we bear one another's burden. Spend time in fellowship and prayers for others, then see what the Lord is going to do. God bless you!

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Jesus, arise in me and work in me as your own.
3. Faithful God I receive the grace to walk in your wisdom and intelligence.
4. Lord I receive the wisdom of Christ in all my endeavours.

I welcome you to the gallery of Him whose palm covers the whole universe. To him that proposed to walk this 2022, the miles to cover have started counting. Every step taking in life is with aim to cover some distance. All the days a man lives, he lives to walk through the paths of life. What happens when a man who is on the path of life refuses to take a walk? What does it mean for one to ignore taking his walk? When an individual is worrying over the future, he is not taking a walk. When an individual becomes frustrated and agrees to be stagnated, the individual had stopped taking his walk. **Could life be lived when the one living has decided not to exist anymore?** Taking a step is the joy of the living. If men take no step obviously there would be no change of status, ranking and obviously no privileges. Jesus speaking in verse 8 of today's scripture said, ***"Rise, take up thy bed, and walk"***. This very man was classified as an impotent man. The meaning is that he was a fruitless man. There was nothing recorded special about his living, there was no remarkable proof attached to his life. This is why he was on the bed when every other person is out to take their walk. When every other person is out during the day this man was laying on the bed; stagnated, frustrated, limited and hopeless, but the day he met Jesus he "took-in" the capsule ***"Rise, take up thy bed, and walk"***. There are heights you may not reach this year if you do not take up your bed and walk. Don't just hope for a change of status, change the status through your walk. Don't expect to be invited for a job, get up and do some jobs. You can work with an organization even when you have not been taken; I mean when you are not yet on their salary budget. Taking a risk is often your first step towards success. Don't sleep around the house, take a walk. Though what you hope for has not come, yes, you can do something else. Our help comes when we are busy helping others. Master a system. **People don't walk in life because they have the capacity/capital, they walk because walking makes one fruitful and delivers one from impotency.**

1. Thank you Lord for your word, ask God for divine direction on the path to walk on.

You know one of the uncomfortable truths I may have you hear today is that walking with God is not all that popular. **Most times it is a decision you are found to retain when some other options will classify you smarter.** You think you are humble? Wait until God instruct you to serve someone who has hurt you, bless someone who has betrayed you, and minister to the very person who have salted your name. Are you humble enough?" This year decide to walk with God, leave the intelligence of the world and their system. You need to walk wholly in God's wisdom and understanding. Sometimes it seems as if the believer is foolish. Oh yes, naturally it could make sense to them that a believer who has opportunity to sleep around and settle her bills declined to accept such offer instead she bears the mark of Christ and carries His glory around. This is why the scripture stated it clearly in (1 Corinthians 3 vs. 19) saying, *"For the wisdom of this world is foolishness with God. For it is written, He taketh the wise in their own craftiness"*. So in our foolishness, according to their judgement is the wisdom of God. Oh yes, that foolishness that will make you to keep clear and clean records, retain it. Walk it all with God, stand on the right place and path with God. Verse 4 of today's scripture reveals the take of God on that matter when it says, *"Ye shall walk after the Lord your God and fear Him, and keep his commandment and obey his voice, and ye shall serve him and cleave unto him"*. You shall walk, fear, keep, obey, serve and cleave unto Him. In my walk with Him I should dwell in His fear, obey Him, serve Him as I am obeying and cleave unto Him. If there are things that wants to pull you out from Him refuse them urgently.

4. Dear, Lord help me to love and abound in you, Amen!

A mother who was wishing to encourage her son's progress on piano took him to Paderewski concert. The mother spotted a friend in the audience and walked down to greet her. The boy seized the opportunity to explore the concert hall, explored his way to a door marked "No Admittance" when the house light dimmed and the concert was about to begin, the mother discovered that her son was missing. Suddenly the curtains parted and spotlight focused on the impressive stem way on the stage. In horror the mother saw her little boy sitting on the keyboard innocently picking out "twinkle, twinkle little star". At that moment the great piano master made his entrance and quickly moved to the piano and whispered in the boy's ear, **"Don't quit, and keep playing"**. The piano master began filling in the bass part as he play together with the little boy. Together, the old master and the young novice transformed a frightening situation into a wonderfully creative experience. The audience was mesmerized. This is the exact role God plays around us. You must not be the perfect individual to be celebrated in any field of your concern. **You may be qualified as a novice but God is always a master and with His mastery skills He will make you to be celebrated in Jesus name, Amen!** On today's scripture verse 13, it says, *"Those that be planted in the house of the Lord..."* The durability of God has been tested and trusted; walking with Him makes you an indefinite celebrant. Remember the little novice boy was found at the stage before he was celebrated, also you must be found in God to be celebrated. **Resist worry because worrying is like walking around with an umbrella waiting for it to rain. TEXT: (Joshua 3 vs. 11-17)

The easiest thing to do in life is to give up. Giving up does not require an action but a conclusion made in the mind. Verse 17 of today's scripture says, *"And the priests that bare the ark of the covenant of the Lord stood firm on dry ground in the midst of Jordan, and all the Israelites passed over on dry ground, until all the people have passed clean over Jordan..."* The priest stood firm in the midst of Jordan. God trying to grant me understanding concerning this passage made me to understand that some of these priests were not young at this time; the ark itself weighs some high level of kilograms. These priests were not skilful and I believe they had no practice before then to see what it would look like. They carried the ark for hours because God made a demand from them; on this demand is the determinant of the forward movement of the children of Israel and their generation. They stood in the midst of the sea until all Israelites passed, none was left behind and these priests didn't retire individually or collectively. The assignment God has given to you requires that you hold on to it. Obviously it won't be easy, there will be pressure, it is most times heavy, ups and down are most times recorded. Just as the priests stood firm for their nation; **God is saying to someone, I have called you to stand firm for this generation.** You cannot expect a great life with God and plan for a life without demands from God. Trust me God's demand are not easy but with His grace they are made easy. That's what I discovered when I imagine how I have written COFs and produced them, I must confess that I don't recall writing most of them. God is saying to someone over that vision I have given you for your nation, I wish you hold to it even this 2022. Oh, see this insight from May Sarton, **"Everything that slows us down and forces patience, everything that sets us back into the slow circles of nature, is a help"**. There are things you need to hold on to; though it will possess you, demand from you but certainly it won't wear you out. I am so sure when one refuses to give up, testimony awaits. A chine proverb says, "One moment of patience may wave off great disaster. One moment of impatience may ruin a whole life". Hold unto your God given vision, marriage, carrier and purpose in life; you will surely reach your goal (vision).

1. Jesus, grant me the grace to hold on to what you have committed into my hand!.

TEXT: (Luke 9 vs. 17 – 23)

A young man was at the end of his rope. Seeing no way out, he dropped to his knees in prayers. "Lord, I can't go on," he said, "I have too heavy of a cross to bear". The lord replied, "My son, if you can't bear its weight, just place your cross inside this room. Then, open that door and pick out any cross you wish". The man was filled with relief and said, "Thank you Lord". And He did as he was told. Upon entering the other door he saw many crosses, some so large the tops were not visible. Then he spotted a tiny cross leaning against a far wall. I would like that one Lord he whispered. And the Lord replied, "My son that is the cross you just brought in". When life's problems seem overwhelming, it helps to look around and see what other people are coping with. You may consider yourself far more fortunate than you imagined. Life is well enjoyed when you know that yours is yours. When you are willing to live it consciously knowing that God didn't leave you on your own. Knowing that in the height of life challenges, God still got your back. God never left you on your own. Is true that you seem to have carried the cross for years, yes the grace of God is sufficient for you. His mercy is available to you, His hand is reachable to you. It takes the cross carried to help you attain a height of glory and grace. Whatever it is that has not manifested as you wish has the God's plan within your life, if you stay committed to Him. Verse 23 of today's scripture says, ***"And he said to them all if any man will come after me, let him deny himself. And take up his cross daily and follow me"***. If any man must come after me, he must deny himself and take up his cross. It takes the word discipline to deny self. (Luke 14 vs. 27) says, ***"And whosoever doth not bear his cross and come after me, cannot be my disciple"***.

TEXT: (Ecclesiastes 8 vs. 1-10),

Verse 9 of today's scripture says *"All this have I seen and applied my heart unto every work that is under the sun; there is a time wherein one man ruleth over another to his own hurt"*. You can manage your destiny properly when you understand the time and stages of your life. In Ecclesiastics 3 vs. 1 - 8, the wise King Solomon through the inspiration of the Holy Spirit allotted time to different stages and events of life. These includes: a time to be born, a time to plant, a time to harvest, a time to weep, a time to breakdown, a time to build and so on. This year may not yield bountifully to you, if you are ignorant of the very time or stage you are facing now. It is very important for one to know what he/she expects from this year according to his time. To some individuals, it is a time to build, this fall within the age category of 18 – 30 years. So if anyone wants to build a future as long as the sky-scraper then the individual should know that this is the time to make the foundation stronger. "Building," is expressed in knowledge, career, business, marriages and many more. To some, it may be time to invest which falls within the age category of 26 – 59; this is the most critical stage of one's life because your destiny and the history you will make will be determined by this time. It is the stage where you make your family, plan how to train your children, where and how to invest, which legacy to keep behind. To some individuals it is the time to harvest and rest which falls within the age category of 60 – death... It is a time you celebrate your grandchildren and your children's success. To set your clock right will enable you to have a scrutinized budget you are presenting before God, and trust me, he approves such budgets fast... When someone within 45 – 55 years is praying to travel abroad for hustle, I wonder the kind of strength remaining in him to compete with young bodied boys over there. God might have a plan anyway, so if you are in such category don't be discouraged yet! Celestine Chua said, **"The degree of responsibility you take for your life determines how much change you can create in it."**

PrayerPoints: Worship God in your own way.

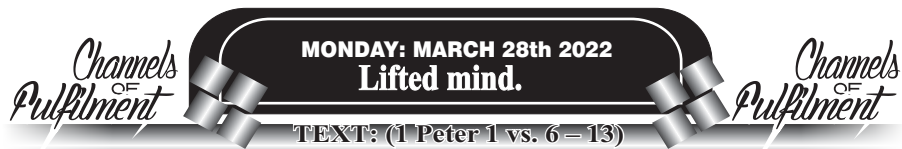

1. Thank God for the gift of life He has given you.
2. Ask God for the grace to do exploit and to set your clock right.
3. Ask God to help you plan your life properly.
4. Pray according to your stage and tell God what you want.

TEXT: (Ecclesiastes 8 vs. 1 – 7)

One man can be focussed at a time but to maintain focus always requires a high level of diligence and discipline. Do you know that maximum focus is breath taking and life demanding? You cannot get anything lively out from an unfocussed life. How do you convince me to carry my Bible loudly and boldly despite all that I have been through? Focus gets its currency from dogged dedication. Many things are officially standing to limit your focus but you needed to build on diligence and dedication, to be able to approach the height of greatness and excellence. In your walk with God in your prayer life, if there is anything the Lord told you to include in your daily routine and presently activities are aiming at changing the system for you, stay focused still! Read that Bible you are meant to read always. Study that scripture diligently. Invest your energy at the place of prayers. Prayer can be done anywhere at any time. This is the basic focus you need. Stay spiritually focussed and energised. Spiritual energy is built. Verse 6 of today's scripture says, ***"Because to every purpose there is time and judgement, therefore the misery of man is great upon him"***. Oh my God, this passage created an eruption in my heart. There is time for every purpose. Kai! So if the Lord gave me time to run a task for Him and I failed (God forbid) within the time, there is a misery that awaits. Focus requires running with the time-line of God. Oh God let your grace be seen in all that you would want me do. Father, manifest your power in an unusual way. The truth is that most times the strength to be **focussed defies our input and effort. It is grace generated.**

1. Oh God, I thank you for your word to me.
2. Jesus, I thank you for the grace to serve and do your will.
3. My God, I shall not go less than you have designed.
4. My God I receive the impact of Christ in me to be time conscious.
5. My God, let me not fail you in time and eternity.
6. Father, in your task over my destiny, may I never miss it.
7. Jesus ring the bell of consistency in my Spirit.

I welcome you to the conference hall of the Almighty, where He handles our mind to believe in growth even at a smaller stage or little beginning. When the mind is lifted, life is lived with hope of better days ahead. The last man to see at the place of pity is a man with lifted mind. I believe you took this capsule from today's scripture verse 7; *"That the trail of your faith being much more precious than of gold that perisheth, though it be tried with fire might be found unto praise and honor and glory at the appearing of Jesus Christ"*. It is obvious that faith is tried. Do you have faith? If yes is your answer, are you also willing to fight through the trying of your faith. Jesus with faith hopped to be the savior of mankind, He was tried by the devil when he asked Him to surrender with promise to offer Him all the earth (Matthew 4 vs. 9-10). He was also tried through the cross, that He wished the cup be taken away (Matthew 26 vs. 39). His faith was also tried in the midst of the synagogue among the Pharisees and the Jews; yet He persevered to the end. **Your task isn't big enough until the thought to give up strikes your mind.** Some of us at a time felt that giving up should be a better standing option; it is not wrong to feel like that but it is disastrous to give up, *"The trying of your faith worketh patience"* (James 1 vs. 3). **"Make your ego porous, will is of little importance, complaining is nothing, fame is nothing. Openness. Patience, receptivity, solitude is everything"** (Ramier Maria). Someone said, "Slow and steady wins the race". Develop a lifted mind; have hope that after this ugly day comes another beautiful morning; that's the mind Christ wants for you." Finally Digest this: **"Never cut a tree down in the winter time. Never make a negative decision in the low time. Never make your most important decisions when you are in your worst mood. Wait, be patient, the storm will pass. The spring will come"** (Robert H Schuller). **No matter what's before you, you will soon come out of it.**

PrayerPoints: Worship God using song 4: Page 123

1. Thank God for the gift of life today.
2. Ask God for a lifted mind at all time and in the face of any situation.

There are days you may get up in the morning and things aren't the way you had hoped they would be, that's when you have to tell yourself **that things will get better.** There are times when people disappoint you and let you down but these are the times when you must remind yourself to trust your own judgment and opinions. To keep your life focused begins with believing in yourself. There are challenges to face which will result to changes, and it is up to you to accept them. Constantly keep yourself ahead in the right direction for you. It may not be easy sometimes, but in those times of struggle you will find a stronger sense of who you are. So when the days come that are filled with frustration and unexpected responsibilities remember to believe in yourself and recall all you want your life to be, because the challenges and changes will only help you to find the goals that you know are meant to come true for you. Your life is driven at the exact speed your mind runs. You may not be who people say you are. You might not be at the level they felt you are but you are the exact person your mind says you are. Someone said: **"everything you can imagine is real"**. Never allow your mind to go towards wrong direction this year, always keep your mind and heart straight and positive. Our today's scriptures pointed to the proper guideline of the mind... The outcome your life will witness this year depends on the income in your mind already. The meaning of that is, if you can win in the mind then you will definitely win in real sense. **Distribute the COF for evangelism, you can communicate us if you are led to be a major distributor in your area: 07066085556. Do not stand on the fence.

Channels OF Fulfilment

TEXT: (Matthew 12 vs. 25 – 30)

Due to our ignorance in such a time, most times many of us chose to stand on the path that is neither godly nor ungodly. Choose your path of movement with God today. There are large group of people, on one side of the group stood a man, Jesus. On the other side stood another, satan. Separating them was a fence running through the groups. Then, both Jesus and satan began calling people in the group. One by one, each having made up his or her mind, went to either Jesus or satan. This kept going-on for a time. Soon enough Jesus had gathered around Him a group of people from the large crowd, as did satan. One man joined neither group. He climbed the fence that was there and sat on it. Jesus and His people left and disappeared, and so too did satan and his people. The man on the fence sat alone. As the man sat, satan came back, looking for something which he appeared to have lost. The man said, "Have you lost something?" satan looked straight at him and replied, "No, there you are, come with me". The man said, "But I sat on the fence, I chose neither you nor him." Satan said, "That's okay, I own the fence". **If by now your walk with God is not clarified, it is to your own greatest disadvantage.** You need to implant in yourself the discipline of Godliness which is acquired by being diligent with the Spirit. It takes the spirit to tap into the nature of God and behave as he would want. Get acquainted with the scripture. Play gospel spirit oriented worships. Verse 30 of today's scripture says, *"He that is not with me is against me, and he that gathereth not with me is against me; and he that gathereth not with me scattereth abroad"*. Wow, one of the evidence of being with God is in your ability to gather. Oh yes, you must be in the gathering group. **Your life and ways should say it all. God bless you, Amen!**

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Father, let me not stand on the fence, I receive the person of Jesus.

Jesus comes!

Channels OF Fulfilment

TEXT: (Matthew 9 vs. 23 – 31)

The coming of Jesus into a matter, projects His solution on that matter. Jesus is a solution giver and a life changer. He doesn't step into any place leaving the place in the same situation it was found. I don't know what the devil may seem to project around your life and destiny but the coming of Jesus presents a solution to you now in Jesus name, Amen! **When Jesus comes solution presents itself.** He is the major solution provider. I don't know the terrible situation the devil might have kept around you but is not as worse as death and therefore the help of Jesus this day, will transform and liberate your life in Jesus name, Amen! Verse 23 of today's scripture says, *"And when Jesus came into the ruler's house, and saw the minstreels and the people making a noise"*. Oh, why was the noise, because death visited the family. There could be a noise of limitation around your life and destiny, noise of disappointment, noise of backwardness, and noise of calamity. This was the very situation in the ruler's house but the good news is that Jesus visited! **His visit doesn't sound like it but His impact is undeniable.** His glory is undisputable. His grace is highly accessible. When Jesus came, He spoke the word of faith. If you wish to demonstrate faith watch the words of Jesus, He said, *"Give place: for the maid is not dead, but sleepeth"* (Verse 24). To get Jesus involved you need to speak faith. **Faith doesn't confirm what happens or what has happened it speaks of what should replace what has happened.** Jesus walking in Faith said that the dead maid was not dead but sleepeth. Whatever ugly situation presently in your life, Jesus is telling you to speak in disagreement and opposition of it today and now. **"Yes declare it"**. I am not reserved for hell, am running my race to get my crown from Jesus. I am not poor, I am just expecting my cash now. No, No! I am not sick (mention the illness), I am better than I have ever been. When Jesus comes, situations don't remain the same, when He comes yokes and burdens are broken. When Jesus comes, your testimony shall abound and He just arrived at someone's family, therefore all the advancements of the wicked shall be set ablaze in Jesus name, Amen!

PrayerPoints: Worship God in your own way.

1. Oh God I thank you for your word to me.
2. Lord, I receive the guide and help of God as Jesus steps into my life.
3. Father, as you step-in, take away anything that does not represent you in me in Jesus name, Amen!

My God my Father while I stray: Song 1

Charlotte Elliott

My God, my Father, while I stray
Far from my home in life's rough way,
O teach me from my heart to say,
"Thy will be done."

Though dark my path, and sad my lot,
Let me be still and murmur not,
Or breathe the prayer Divinely taught,
"Thy will be done."

What though in lonely grief I sigh
For friends beloved, no longer nigh,
Submissive still would I reply,
"Thy will be done."

If Thou shouldst call me to resign
What most I prize -- it ne'er was mine:
I only yield Thee what was Thine --
"Thy will be done."

Let but my fainting heart be blest
With Thy sweet Spirit for its Guest,
My God, to Thee I leave the rest;
"Thy will be done."

My Hope is built: Song 2

My hope is built on less
Than righteousness;
I dare not trust the sweetest frame,
But wholly lean on Jesus' name.

Refrain:

On Christ, the solid Rock, I stand;
All other ground is sinking sand,
All other ground is sinking sand.

When darkness veils His lovely face,
I rest on His unchanging grace;
In every high and stormy gale,
My anchor holds within the veil.

His oath, His covenant, His blood
Support me in the whelming flood;
When all around my soul gives way,
He then is all my hope and stay.

When He shall come with trumpet sound,
Oh, may I then in Him be found;
Dressed in His righteousness alone,
Faultless to stand before the throne.

Christian seek not yet repose: Song 3

Charlotte Elliott

Christian, seek not yet repose,
Cast thy dreams of ease away;
Thou art in the midst of foes:
Watch and pray.

Principalities and powers,
Mustering their unseen array,
Wait for thy unguarded hours:
Watch and pray.

Gird thy heavenly armor on,
Wear it ever, night and day;
Ambushed lies the evil one:
Watch and pray.

Hear the victors who o'ercame;
Still they mark each warrior's way;
All with one sweet voice exclaim,
"Watch and pray."

Hear, above all, hear Thy Lord,
Him thou lovest to obey;
Hide within thy heart His word,
"Watch and pray."

Watch, as if on that alone
Hung the issue of the day;
Pray that help may be sent down:
Watch and pray.

Guide me, O thou: Song 4

William Williams

Guide me, O Thou great Jehovah,
Pilgrim through this barren land.
I am weak, but Thou art mighty;
Hold me with Thy powerful hand.
Bread of Heaven, Bread of Heaven,
Feed me till I want no more;
Feed me till I want no more.

Open now the crystal fountain,
Whence the healing stream doth flow;
Let the fire and cloudy pillar
Lead me all my journey through.
Strong Deliverer, strong Deliverer,
Be Thou still my Strength and Shield;
Be Thou still my Strength and Shield.

When I tread the verge of Jordan,
Bid my anxious fears subside;
Death of deaths, and hell's destruction,
Land me safe on Canaan's side.
Songs of praises, songs of praises,
I will ever give to Thee;
I will ever give to Thee.

Jesus keep me near the cross: Song 5

Fanny Crosby

*Jesus, keep me near the cross,
There a precious fountain
Free to all, a healing stream
Flows from Calvary's mountain.*

*Refrain:
In the cross, in the cross,
Be my glory ever;
Till my raptured soul shall find
Rest beyond the river.*

*Near the cross, a trembling soul,
Love and mercy found me;
There the bright and morning star
Sheds its beams around me.*

*Near the cross! O Lamb of God,
Bring its scenes before me;
Help me walk from day to day,
With its shadows o'er me.*

*Near the cross I'll watch and wait
Hoping, trusting ever,
Till I reach the golden strand,
Just beyond the river.*
